

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

November 2010

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

**We welcome all people of all faiths.
Prayer is a universal language.**

All who come in pilgrimage here are invited to join us in prayer and the peace that Heaven offers at this site.

THE NEXT PROMISED MIDNIGHT APPARITION AT MARANATHA SPRING & SHRINE

March 18 - 19, 2011

“My daughter, I come to reiterate to you that St. Joseph will appear [to you] here on the property at the midnight hour dawning on his feast day March 19th. This is given to you as a birthday gift from God the Father.”

“The Eternal Father desires St. Joseph be recognized as the ‘Foster Father of All Humanity’. Thus he is to be made known, and when invoked by this title, he is protector of life from the moment of conception.” **(Our Lady, 12/16/10)**

**Friday, March 18th, meet in the Field of the United Hearts at 11:00 PM
on the eve of the Feast of St. Joseph.**

November 1, 2010 / Feast of All Saints

Blessed Mother says: “Praise be to Jesus.”

“Today I come to you with a universal call to bring all peoples and all nations together in Holy Love. Within this call is unity and salvation, for no one enters Heaven who does not first love God above all else and, then, neighbor as self.”

“Every saint in Heaven is united in My Immaculate Heart, and is appealing to My Son to let fall the fullness of His Love and Mercy upon mankind. There is no peace outside of Holy Love - only compromise, confusion and insecurity. Love of all that is passing - esteem, money, power - only bring passing pleasure and hold no merit in the Eyes of God.”

“Each soul gains sainthood when the Holy Love in his heart is pure. It is then that the soul personifies Holy Love and enters into the Flame of Divine Love - Heaven itself. Every soul should

keep this goal foremost in his heart, then, to personify Holy Love.”

November 1, 2010 / Monday Service - Peace in All Hearts through Holy Love / Feast of All Saints

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, please understand that to pursue personal holiness in the present moment is to pursue the Victory of Our United Hearts. Further, I tell you, that each conversion strengthens the Remnant Faithful.”

“Be of sound mind, then, and pursue with your whole heart, sanctity in the present moment through these Messages of Holy and Divine Love.”

“I’m blessing you with My Blessing of Divine Love.”

November 3, 2010 / Feast of St. Martin de Porres

St. Martin de Porres says: "Praise be to Jesus."

"I have come to tell you that the soul advances in personal holiness only insofar as his free will cooperates with grace. What I am saying is the soul must desire to be holy. He can pray but if it is only words, and there is no Holy Love in the heart as he prays, it means little. The soul can sacrifice, but this, too, if it is not offered out of love, is empty. Some seemingly great sacrifices are meaningless, for they are given with reluctance."

"Treasure in your heart the grace of forgiveness. Pray for it and Jesus will flood your heart with the Light of Truth to show you where you are unforgiving. So many souls spend long hours in Purgatory for unforgiveness."

November 5, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I have come to invite you to see that your patience in the face of every adversity and opposition from the most unlikely places demonstrates fortitude; for patience begets fortitude and courage of heart. Continue to pray for these virtues."

"Tonight I am blessing you with My Blessing of Divine Love."

November 6, 2010 / Public

St. Augustine says: "Praise be to Jesus."

"The test of any conversion of heart is the soul's willingness to surrender to God's Divine Will in every present moment. This is the supreme sacrifice that Jesus offered in the Garden at Gethsemane. The truly, deeply converted heart can offer every difficulty, every situation to God's Eternal Divine Will."

"The soul that is thus perfected is not far from Heaven."

November 7, 2010 / Public

"I am your Jesus, born Incarnate."

"I have come to establish in hearts the Kingdom of Divine Love which is the New Jerusalem. My Mother's Heart, which is pure Holy Love, is the Gateway to the New Jerusalem; for it is through Her Heart - through Holy Love - all souls are purified and made worthy. Any imperfection must be burned away by the Flame of Holy Love before the soul can be found worthy of Paradise."

"Recently a poor soul told you that more souls are in Purgatory for calumny than for any other crime. Today you have been given so many advantages in modern technology, but evil has been invited in to destroy reputations and lead souls astray. In the hands of evil, lies are presented as truth. The righteous soul needs to be on guard and discerning in what he believes. Title and power do not always equal truth, nor do they always lead to salvation and sanctification. Indeed, today My Heart is pierced over and over by those who should be closest to Me. But I am the support of the unjustly accused."

"This Mission, as never before, must be a refuge for those who choose truth over lies - Holy Love over moral decay. Like Noah's Ark, it will rise above the tide of controversy. Like the burning bush, the Flame of Holy Love will never be extinguished."

"Do not lose heart but be consoled by My words to you today."

November 7, 2010 / Public

"I am your Jesus, born Incarnate."

"I tell you, you have nothing to fear, for grace is your ally."

"Pray for those who oppose this Mission. They oppose prayer against abortion, prayer for world peace, prayer for the Church. Their salvation is at stake."

November 7, 2010 / Sunday Service - Unity in Families (Family Night)

St. Joseph is here and says: "Praise be to Jesus."

"My brothers and sisters, the Father has sent me tonight to invite all families into the greater family of Holy and Divine Love."

"Thus united, you will find the path of TRUTH - the path of LIGHT - which leads to your salvation."

"Tonight I'm imparting to you my Blessing."

November 8, 2010 / Public

"I am your Jesus, born Incarnate. Please write this down for all to see:"

"Holy Love is:"

"The two great Commandments of Love - to love God above all else and to love neighbor as self."

"The fulfillment and the embodiment of the 10 Commandments."

"The measure by which all souls will be judged."

"The barometer of personal holiness."

"The Gateway to the New Jerusalem."

"The Immaculate Heart of Mary."

"The First Chamber of the United Hearts."

"The Purifying Flame of Love of Mary's Heart that all souls must pass through."

"The Refuge of Sinners and the Ark of these last days."

"The source of unity and peace amongst all people and all nations."

"Holy Love is God's Divine Will."

"Realize that only evil would be opposed to Holy Love."

November 8, 2010 / Public

"I am your Jesus, born Incarnate."

"Do not be surprised that those of influence slander you and offer every kind of lies against you. They do not have truth in their hearts. If they did, they would fall on their knees and seek forgiveness."

"Because this Mission is from Heaven it will humbly endure, persevering in good works and in the salvation - even sanctification - of souls. Those who are vexed by our mere existence in this diocese and in the world need to examine their own hearts as to their goals. What motivates a soul to oppose the good that this Mission tries to achieve and does achieve despite vicious opposition? Certainly good does not oppose good."

"People need to search their own hearts to discover the truthful answers to these questions. I tell you, just as I did not come to compete with the Pharisees in My day but only to reveal the truth, so too, today I come to call My flock into the light of truth. I call all hearts to be weighed on the scale of Holy Love. I do not come to challenge position and title, but to challenge the unconverted heart. I invite all to understand that every soul is called to perfection in Holy Love. Power, rank, authority or wealth do not place the soul beyond this call."

"Therefore, I invite all - young and old, important and ordinary, those of high rank and the very lowly - into Holy Love. For in the end, when you stand before Me, nothing else matters except the purity of the Holy Love in your heart."

November 8, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, please understand that all the technology mankind has been given has been given through Divine Love. All I ask is that you use everything you are given as a gift from Heaven to live in love and live in the truth. Then you will be rewarded, and the technology that you are blessed with will be even more powerful; otherwise technology will be used toward your own destruction."

"Tonight I am blessing you with My Blessing of Divine Love."

November 10, 2010 / Public

"I am your Jesus, born Incarnate."

"I tell you in all truth, this Mission has been called into being through the Divine Will of God and exists in and through His Divine Will. We are here for the welfare of all people and all nations. My call to live in Holy Love is a call to unity in the Divine Will. No one holds jurisdiction over God's Divine Will except the Eternal Father - the Eternal Now."

"Once again I state this is an ecumenical call. Our detractors - please note - this means no one has the right, either in canon law or civil law to claim jurisdiction over Heaven's Mission here. We exist (I say, 'we', for I am part of this Mission) to save souls and to call souls to personal holiness."

"I invite all to understand that everyone has a right to his good reputation. Those who set about trying to destroy the reputation of anyone need to repent before it is too late; for you know not the hour of your own judgment."

"So I state once again, good does not oppose good. If you are in opposition to this Mission, you have not been inspired by the Spirit of Truth but by the father of lies. Awaken! Hasten to your conversion!"

"My Mercy awaits you."

November 12, 2010 / Public

"I am your Jesus, born Incarnate."

"My dear brothers and sisters, hear clearly and resolutely My call to you to come here and pray. My call to come here is not a matter of obedience or disobedience as some would have you believe. Would I be coming here or send My Mother and many angels and saints here if it was not My Father's Will?"

"My call to you is one of unity in prayer, unity in Holy Love. It is the same call to all people and all nations, and is not regulated nor controlled by any one group. My call is urgent because there is an urgency to overcoming the evil that is in hearts. There is not time to argue about ambiguous words or manufactured issues or conflicts."

"Turn your hearts, your spirits and your souls over to Holy Love. Come with a clear conscience to the site Heaven has provided for you here. Be united in the grace of Holy Love. Do not allow Satan to scatter the flock as he desires."

"Pray together and believe in the graces Heaven provides for you here."

November 12, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I invite you to realize in all sincerity that every present moment is a battle between good and evil within each heart."

"The reason for this Mission and these Messages is to help people choose good over evil through Holy Love. Realize that what I am telling you is that Holy Love is a great weapon; you must use it, My brothers and sisters. What I have come to tell you is clothed in truth and not open to debate."

"Tonight I'm blessing you with My Blessing of Divine Love."

November 13, 2010 / Public

"I am your Jesus, born Incarnate."

"Once again I come to you with My Wounded Heart exposed. In My day, I never feared defending the truth even in the face of threats and danger. Today My Mission here is under attack and there is misinterpretation of statements made about participation here. No one is forbidden to participate in prayer services here - not by canon law - not by civil law. There is no condemnation of the Messages or the Mission. An admonition is a warning. You must be like Veronica who, stepping out of the crowd of jeering onlookers, comforted Me without concern for her own reputation."

"Today I await the faithful to come here and to console Me with their prayers. Be obedient to My call and do not listen to the onlookers who contrive every sort of false charge against those courageous enough to come here. Your prayers are saving souls and making a difference in the world. So, of course, the enemy wants to confuse the issue of coming to this site of Heaven's predilection."

"When you come to Me at the moment of your death, you will be surrounded by the souls that benefited by your prayers."

"Do not be afraid then. Do not hesitate to assist Me here. Pray for those who oppose Me."

November 15, 2010 / Public

St. Thomas Aquinas comes. He is holding a little child's purse - one that I lost and rediscovered months later after the little girl's birthday. I had forgotten about it. He says: "Praise be to Jesus."

"Look! This is what humility - true and sincere humility - is like. It is like a hidden treasure that the soul possesses but does not remember. He is not looking for it in his heart, but all the time it is there; but as with any virtue, it blooms when it is shared with another. The fruit of the virtue is given out to others but the virtue remains hidden in the soul's heart."

"You gave the little purse away but the virtue of unselfish love remains in your heart."

November 15, 2010 / Public

"I am your Jesus, born Incarnate."

"Please understand that all who boldly proclaim the truth according to the Commandments of Holy Love will be maligned, slandered, lied about and set upon. Was it not true of Me when I walked the earth?"

“Pray for those who decide to oppose Me here but do not look at the abundant fruits and graces apparent here and in these Messages. These are the ones who cooperate with the father of lies. They spill poison all around them as they try, at the cost of truth, to make names for themselves; some even claim to be humble.”

“I tell you, humility is not present in the heart which claims it. Humility seeks the lowest place - never recognition. The humble soul is the embrace of simplicity - never seeking to be important in the eyes of man. The humble soul is not self-righteous but always considers others more holy than himself. He is never, therefore, the one who sanctimoniously touts the approvals of high-powered individuals or takes pride in such approvals.”

“Humility is the truth of man’s relationship with God - without guile. The humble soul comes to Me in judgment with his hands filled with good deeds. If his hands are only filled with self-importance, it will not bode well for him.”

“I tell you these things to enlighten the path I lead you upon.”

November 15, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I urge you, in Holy Love, to pray daily for those who oppose us. Their hearts are not open to the truth. They are not willing to look at the truth. Their paths mistakenly curve away from righteousness, and we must redirect them through our prayers.”

“Tonight I am blessing you with My Blessing of Divine Love.”

November 16, 2010 / Public

St. Thomas returns, holding the little purse that he had yesterday. He says: “Praise be to Jesus.”

“Dear messenger, forgive me for belaboring the example of this little purse. It is offering such a sound example of the human heart, I cannot resist. The little purse is capable of holding many treasures. The human heart likewise can be a storehouse of treasure. Say, for instance, that this purse represents Holy Love. Inside are hidden the treasures of all the virtues, for every virtue is clothed in Holy Love. If there is a flaw in Holy Love [a hole in the purse], the virtues begin to slip out just as a coin might fall from a hole in the purse.”

“To continue our analogy, the owner of the purse only has to be certain the purse is sound and in no need of repair to know that the coins inside are secure. He doesn’t need to keep counting them. Similarly, the soul needs only to be certain that the Holy Love that embraces his heart is sound. He shouldn’t search his heart looking for every virtue. If he is living in Holy Love, he is embracing all the virtues. To think that you are, for instance - now humble, then wise, and so on - is a temptation to pride.”

“So the little purse has served us well if you are listening. Be perfected in Holy Love is the lesson - all else is passing.”

November 17, 2010 / Public

“I am your Jesus, born Incarnate.”

“I have come to tell you that when My Mother comes here at midnight dawning on Her Feast of Guadalupe, She will come

with St. Michael the Archangel, for he is the defender of life in the womb.”

“You will please make this known.”

November 19, 2010 / Public

“I am your Jesus, born Incarnate.”

“Stand guard over your thoughts in such a way that your peace is not disturbed. Guilt over past sins already charged to My Mercy is always from Satan. Guilt is unforgiveness of self. Each one that loves Me must trust in My Mercy. Think about past sins only to learn from them and what motivated you to sin.”

“There are whole countries who could benefit from this advice. Indeed, the heart of the world would be at peace if they learned from past mistakes. Today fear is taking away freedom. It is no different than in the days when iron-fisted dictators took over nations. What is proposed as human rights is most often a twisted proposal to sin. The fear of offending someone’s rights has taken precedence over the fear of offending God.”

“Even in the present moment souls do not pay heed to what motivates them in thought, word and deed. But when I come to call the world into Holy Love, which is the Light of Truth, My call is disregarded and defamed. What motivates such hearts against the Law of Love? Our detractors should examine their hearts.”

November 19, 2010 / Public

(Jesus - After Communion)

“I am your Jesus, born Incarnate.”

“I invite all to see that this Mission is all about self-examination of conscience. Without this, the soul cannot progress in Holy Love. If the soul does not perfect itself in Holy Love, the Mission is weakened. Therefore, understand that overcoming the smallest personal defect in Holy Love strengthens the Mission”

November 19, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, the best way to be prepared for anything in the future is to live in Holy Love in the present moment; then your hearts will be full of virtue and you will be strong and face courageously any and every situation.”

“Tonight I am blessing you with My Blessing of Divine Love.”

November 21, 2010 / Feast of Christ The King

“I am your Jesus, born Incarnate.”

“I come once again and, as always, to proclaim My Kingship over the world and its inhabitants. Man’s inability to subject himself to My Sovereignty is the sole reason for his demise. Sweeping and individual decisions are made outside of grace, for the Commandments of Holy Love are disregarded. Procreation most often is a matter between man and woman - not man, woman and God - the Creator of all life. Technology has taken on its own personality and taken over hearts and lives. People depend upon their own efforts in making peace in the world, and once again I am omitted from the equation.”

“My Father’s Divine Will must be returned to its rightful place at the center of all decisions. It is then the world will be restored to peace and prosperity. This is the reason I come here to this site - the reason I speak here - to uphold My Father’s Perfect and Eternal Divine Will. When His Will, which is Holy Love, is restored in hearts, My Sovereignty will be restored in the world. This can only take place in and through Holy Love.”

“Make this known.”

November 22, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I have come to ask you to show thanks through your prayers and sacrifices for all the graces given to this Ministry. For though we have been greatly oppressed and persecuted, we have prospered. Many more graces are yet to come. The more grateful you are, the greater the graces.”

“Tonight I am blessing you with My Blessing of Divine Love.”

November 23, 2010 / Public

“I am your Jesus, born Incarnate.”

“You know that in the artistic world the value of a color is the measure of its depth or intensity. In the spiritual world, the depth or intensity of holiness is measured by the Holy Love in the heart. As often as I have stated this fact, people do not try to increase the Holy Love in their hearts by surrendering in the present moment to the greatest measure of Holy Love that is possible.”

“Holy Love must cover and embrace every thought, word and deed. Holy Love must be the inspiration of thought, word and deed. Departure from Holy Love in any way should reveal to the soul, who desires spiritual perfection, an area of weakness.”

“See every situation as God’s Ordaining or Permitting or Providing Will for you. Understand, My Father desires your perfection in Holy Love and gives you all that you need to attain it.”

November 24, 2010 / Public

“I am your Jesus, born Incarnate.”

“You must comprehend that political correctness has a stranglehold on the voice of truth. People are more concerned with possibly offending someone than with standing for justice - justice as embodied in Holy Love.”

“In order not to offend ideologies which are contrary to Holy Love, sins are condoned, marriage between a man and a woman is challenged, and violence has become a religion that is not challenged out of fear.”

“Thus, out of trepidation, people tiptoe around these issues which violate human rights and that go against the Ten Commandments, fearful that standing for the truth would offend the sinner. This is Satan’s ploy to intimidate souls away from the path of righteousness and into his temptations of compromise. This is how the heart of the world has chosen the defeat of compromise instead of the victory of the truth. Look long and hard at all that is taking place in world events today, and you will see I am right.”

November 26, 2010 / Public

Blessed Mother says: “Praise be to Jesus.”

“Today, once again I come with My Hands empty and the doorway to My Heart open wide. I await your efforts to fill My Hands with your sacrifices, and to fill My Heart with your prayers. Through this Mission, each soul is being called to be a victim of love and a prayer warrior for the Victory of Truth.”

“Prayer warriors do not surrender but continually fight even in the face of the most formidable foes. So it is I call each of you - do not surrender in the midst of persecution, lies and power plays. Truth will be your ally - always strengthening you in any danger.”

“Dear children, My Love for you is omnipresent.”

November 26, 2010 / Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by truth

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, be at peace; be united in Holy Love. Recline in My Merciful Heart. Do not try to act independent of God’s Divine Will for you, which is always Holy Love. But in Holy Love, realize your dependence upon My Father for everything - even unto your next breath.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

November 29, 2010 / Public

“I am your Jesus, born Incarnate.”

“Today many whom I have chosen to pass through the harvest with the winnowing fan of righteousness and bring Me souls are failing Me. They have themselves become filled with self-righteousness and are leading many astray. They place themselves above the law, but hold all others accountable to the letter of the law. They oppose prayer - even the prayer of the Rosary of the Unborn. Unless they turn their hearts over to Me - to My Mercy - they will be held accountable for the good that was never achieved and the prayers that were never offered.”

“Each one’s spiritual journey is different but each one’s call is to live in Holy Love. Those who consign their souls to oppose good are not living in the Light of Truth, but in the darkness of lies. My call and My words to you today do not differ amongst My flock around the world - no matter their status, wealth or power in the world.”

“My call to you today is - do not gamble with your eternal life by opposing Holy Love.”

November 29, 2010 / Monday Service - Peace in All Hearts through Holy Love

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I ask that you prepare your hearts as little mangers for My arrival on Christmas with the straws of Holy Humility and Holy Love; then I will feel at home as I did in the manger.”

“Tonight I am blessing you with My Blessing of Divine Love.”
