

# Jesus' Messages to the Remnant Faithful

**THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.**

*The official publication of*  
**HOLY LOVE, AN ECUMENICAL MINISTRY**

**January 2006**

*Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic— according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”*

*Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.*

*All people and all nations are welcome to come and pray with us.*

**THE NEXT PROMISED “HEAVENLY VISIT”  
WILL BE ON THE FEAST OF DIVINE MERCY - APRIL 23.**

“Tonight I have come to announce that I will appear at 12:00 a.m. on the Feast of My Divine Mercy, when I will address all people and all nations.”  
*Jesus, 12/30/05*

**We will gather at 11:00 p.m. on April 22 at the United Hearts Shrine.**

**January 2, 2006 /Public**

“I am your Jesus, born Incarnate.”

“I have come once again to establish a Covenant of Love with all of humanity. My Divine Love, like My Mercy, knows no bounds. It is omnipresent even in the midst of hate. My Love cannot be destroyed, nor will it end as time passes. Just like the present moment, it reaches into eternity.”

“How powerful, then, is man’s love when it is joined to Eternal Divine Love. Mortal love is joined with the Divine by a movement of the free will. When these two coexist in the heart, the spirit challenges the powers of evil and weakens Satan’s grip on humanity. Heaven is then closer to earth, and God’s Omnipotent Divine Will gains strength in the world. See, then, the importance of the present moment, the attachment of free will to Divine Love, and the power of the union between God and man. The will to be one with Divine Love is My Victory.”

**January 5, 2006 /Monthly Message to All People and Every Nation**  
*(This message was given in multiple parts.)*

“I am your Jesus, born Incarnate.”

“I come once again to illuminate the conscience of the world in truth. Love does not become compromised by truth and, I tell you, there is no such thing as a half-truth. A half-truth is a lie. I implore souls to be united in righteousness. It is only in the light of righteousness you will understand the importance of each soul and every heart in My Victory over evil.”

“Today Satan holds sway over hearts, portraying slavery to sin as freedom and rights. Under evil disguise of some imagined good, he has succeeded in removing any sign of Christianity from many public places. He has destroyed life in the womb in a universal effort to weaken My Mother’s call to holiness and lead souls to perdition. In this effort, he has destroyed not only life in the womb, but the lives of those who participate in this sin—mothers, fathers, doctors, nurses—indeed, all those who sit quietly by and do not oppose abortion.”

“There have been unprecedented natural disasters around the world, especially within the last few years. This is the direct result of sin. So once again, I tell you, I have come to arouse the conscience of the world. Awake from your apathy and see that the path you follow does not lead to My Sacred Heart, but to perdition.”

“I hold in My Heart an ocean of mercy for all those who seek it with a contrite heart. True contrition is based on love—a love of righteousness. Righteousness is acceptance of the truth of good and evil, and the decision to live according to the Commandments of Love while avoiding evil. I await the contrite heart with My Arms outstretched. I hold no grudge against those who seek My Mercy. Turn to Me. Be united with Me and with one another in My Father’s Will.”

**January 6, 2006 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I come to ask that you accept the challenge of being My instruments—My messengers in the world. You are My instruments when you live an example of Holy Love amidst skepticism. You are My messengers when you propagate the Message of Holy and Divine Love despite others’ disbelief.”

“I call you to this life. I ask you to surrender your fears, your reputation—all that stands in the way of spreading this Message—and allow Me to help you.”

“I’m blessing you with My Blessing of Divine Love.”

**January 7, 2006 /Public**

St. Thomas Aquinas comes. He says: “Praise be to Jesus.”

“I have come to encourage all those who seek holiness. If your spirit is comprised of all the virtues you embrace, please understand that your prayer life is the mortar that holds the bricks of virtue in place. Without mortar, bricks crumble and fall. Without prayers, virtues are replaced with weaknesses and sin. A solid brick wall is impregnable by fire. A brick wall without mortar can be easily toppled, and profaned by Satan’s flames of deceit.”

“When you neglect your every day prayer life, you leave room for Satan to enter your heart with his suggestions. Then you fall into self-pity, egoism, avarice and more. What’s more, you are not in harmony with God’s Divine Will and, therefore, you do not see this happening. Your spirit becomes synchronized with Satan’s agenda instead of God’s Will which is a life of virtue. It is then you become the adversary’s tool, which he uses to reach others.”

“Understand, then, the impact your prayer life has—not only on yourself—but others, as well. If you do not pray, the motives of your thoughts, words and deeds are easily taken over by self-love.”

“I tell you these things to make you stronger in Holy and Divine Love, and thus to strengthen the Mission.”

**January 8, 2006 /Feast of the Epiphany**

“I am your Jesus, born Incarnate.”

“Today, My brothers and sisters, Catholics commemorate the visit of the Wise Men to My crib in the stable. Whether you are Catholic or not, I invite you to see that life in its most vulnerable form was revered at the side of the manger.”

“Today I have come to remind you that all life—from conception to natural death—needs to be revered as a gift from Heaven. The Wise Men brought gold, frankincense and myrrh. You are being asked to give the gift of your prayers and sacrifices in support of all life.”

**January 9, 2006 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, I have come to help you along the path of Holy and Divine Love. Always place God in the center of your hearts, and with this love, serve others faithfully. This will lead you deeper into love, humility and simplicity. Do not be attached to your own agendas or opinions, but listen especially to those to whom you should be obeying.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

**January 10, 2006 /Public  
HOLY FRIENDSHIP vs. FACTIONS**

“I am your Jesus, born Incarnate.”

“I desire that all understand, when you choose to live in Holy Love, that you should bear this holiness to the world around you. In this way, even your friendship should be holy friendships—reflecting the virtues of your spirit.”

“There is a vast difference between a holy friendship and a faction. Factions are the embodiment of an opinion which opposes a larger group of people or an authority figure. Factions bring disunity and bear sour fruit.”

“Here is the difference between holy friendship and factions.”

Holy Friendship	Factions
1. Reflects personal holiness and holy virtues.	1. Reflects dissension and conflict.
2. May disagree, but in Holy Love can resolve differences and make allowances.	2. May air his opinions, but cannot surrender them, even to a higher authority.
3. Trusts that God will bring good of every situation.	3. Trusts in self and own efforts.
4. Sees good in others’ efforts even if he doesn’t agree.	4. Opposes decisions of others, usually behind their back.
5. Remains united in Holy Love.	5. Does not work towards the unity of the group at large.

**January 13, 2006 /2nd Friday Rosary Service to Pray for Priests**

St. John Vianney is here and says: “Praise be to Jesus.”

“I am addressing my dear brother priests tonight, and ask that they embrace the crosses that God the Father allows, for the cross is a hidden grace, and it leads deeper into Divine Love.”

“You must understand that Divine Victimhood, which is the embrace of every cross, is the embodiment of chastity, poverty and obedience.”

“I am giving to every priest tonight my Priestly Blessing.”

**January 16, 2006 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, tonight I have come to help you to come deeper into Divine Love—My Sacred Heart. Anything that you do that does not arise from a heart of love for Me is wasted. Therefore, do not be attached to the things of the world—things that pass as time passes.”

“Do not worry about your reputation, your health, your appearance or your comforts. Do not try to appear holy in front of others, for this is false virtue. Open your hearts, My brothers and sisters, and allow Me to fill them in My way and in My time.”

“Do not be anxious for any portion of the future, for I am already there, preparing graces to send to you through the Heart of My Mother.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

### **January 18, 2006 /Public**

St. Thomas Aquinas comes. He says: "Praise be to Jesus."

"I have come to help each one understand that true perfection in Holy Love and Divine Love only comes from God. The most the soul can do is to predispose his heart towards perfection by struggling with his free will to keep love of God and neighbor in the center of his heart."

"Satan attacks this predisposition through self-love—attraction to the allurements of the world—love of money, power and reputation. Perfect love of God and neighbor withers and dies in such an environment. It must remain a constant struggle of the free will to keep God's Law of Love in the center of the heart. This is the secret of perfection."

### **January 20, 2006 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I have come to remind you that living these Messages of Holy and Divine Love is your fulfillment. I say this, for within these Messages lies your peace and your salvation. Anything that obstructs your path to living these Messages is from the Adversary and your cooperation with him."

"Tonight, My brothers and sisters, I'm extending to you My Blessing of Divine Love."

### **January 22, 2006 /Right to Life – Prayer Against Abortion**

Jesus is here with His Heart exposed and says: "I am your Jesus, born Incarnate."

"My brothers and sisters, if this present candidate for the Supreme Court is elected, it will change that whole branch of government into a righteous body. You must pray for this; for then, we would be on the brink of removing abortion from the soul of this country."

"My brothers and sisters, I'm blessing you with My Blessing of Divine Love."

### **January 23, 2006 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "Tonight, My brothers and sisters, We have come to ask you to learn to love prayer. For I tell you that even when you pray in the midst of great distractions, Heaven bends close, and My Mother and I listen to your every word. We listen to your petitions. We listen to your thanksgiving, and We are with you even though you may not feel Our presence."

"Tonight We are blessing you with Our Blessing of the United Hearts."

### **January 23, 2006 /Public**

St. Catherine of Sienna comes. She says: "Praise be to Jesus."

"People these days do not realize the moment to moment warfare they are engaged in. Satan disguises his attacks in many ways. For instance, a soul does not need to lose his temper to cooperate with the spirit of anger. Anger takes on many forms—unforgiveness of self or others, pouting, depression—even procrastination is a form of anger. When the soul cooperates with any of these kindred spirits of anger, he is playing into the hands of Satan."

"Anger, as with any other spirit, is a form of self-love which is inordinate in desire. Self has taken over the center of the heart—replacing love of God and neighbor. This, of course, opposes unity and promotes conflict."

"Remember, as well, when you find fault with your neighbor, you had better look into your own heart with honesty and with courage. Very often the same fault you see in your neighbor is, in fact, a fault you need to work on. Because Satan is a lying spirit, he convinces you it is your neighbor who has such and such a fault."

"Keep your wits about you. Do not let your guard down. Before, you knew nothing of the enemy. Now, you know he is everything that opposes Holy Love in the present moment."

### **January 27, 2006 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I have come to encourage you in your prayer lives. Every prayer counts—every prayer is heard and opens the door of communication between Heaven and earth. Just as on earth, sometimes doors are open only a crack—it is true with prayers as well. The more love you have in your heart when you pray, the wider the door of communication opens."

"Tonight I'm blessing you with My Blessing of Divine Love."

### **January 28, 2006 /Feast of St. Thomas Aquinas**

St. Thomas Aquinas says: "Praise be to Jesus."

"You have been asking Heaven, in your heart, the difference between the heart and the spirit. The heart is the vessel which holds all virtue or lack of virtue. The spirit is the essence of what is in the heart. Let me explain it to you in this way."

"If the heart was an exotic perfume, the spirit would be the fragrance of the perfume. Or, if the heart was a beautiful garden with a lovely array of plants and birds, babbling brooks and more, the spirit would be the peace that one feels walking through the garden."

"The spirit is the invisible aura around a person that decries what is in the person's heart. Thus, you say, 'He is a joyful person—a peaceful person.' Or, on the other hand, 'He is an angry person,' and so on. It is always free will which determines what is in the heart and, therefore, what is reflected in the spirit."

"Just as a mirror portrays truthfully all that is placed before it, the spirit reflects truthfully what is in the heart."

"A fine wine cannot exude a false bouquet; neither can the spirit exude anything but what is contained in the heart."

### **January 30, 2006 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "My brothers and sisters, tonight I come to you encouraging you to persevere in your journey of holiness through Holy and Divine Love. When the Spirit of Truth descends upon your heart and reveals imperfections in Holy Love, do not deny them. Bring them to Me, and I will help you overcome even the smallest error."

"Forgive yourselves. Do not carry the false burden of scruples. Do not believe you are guilty of more than what the Holy Spirit reveals. My brothers and sisters, this is the way to become perfected in Holy Love and enter into Divine Love."

"Tonight We're blessing you with Our Blessing of the United Hearts."

### January 31, 2006 /Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to further enlighten you. The Message of the Chambers of the United Hearts is for everyone as a means of forming their hearts in holiness—even sanctification. What is sad is the ones who come, or even work here, listen to the messages, but do not absorb them into their hearts. Some are convinced they are holy, even though they expend much effort in finding fault with others, and regretfully have no insight into their own hearts. Others allow Satan to convince them the messages are not real; therefore, alleviating them of any responsibility to change and to become Holy Love."

"People such as these greatly wound Jesus' Heart. Hearing the Message carries with it the responsibility of living the Message. Pride is blinding those who do not grasp this reality. When you stand before the judgment seat of God, you will not be allowed to offer excuses. You will not be asked about your neighbors' faults, but you will be asked to give an accounting of your own weaknesses in Holy Love."

"The time to act is now. Ask the Spirit of Truth to bring to light all your iniquity. Listen to Him with courage. Act on His advice."

**February 1, 2006 /Public**

**PRAYER FOR PRIESTS**

Jesus and Our Lady come. Our Lady says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "I desire all Confraternity members recite this prayer daily:"

"Heavenly Mother, I invoke you—take under Your Mantle of Protection all Your priest-sons. Draw them into Your Immaculate Heart—purest vessel of Holy Love."

"Nurture them in the Tradition of Faith. Give them the grace to reject liberalism. Protect the Church hierarchy from the allurements of liberal theology, power and avarice. Unite them in humility and love, so that the Church will once again be made whole."

"Allow the Message of the United Hearts to mend all spiritual illness within the Church. Amen."

**February 3, 2006 /Friday Rosary Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "My brothers and sisters, enter into My Passionate Heart through the Wound of My Side. Understand that My Wounds are renewed each time one of My little children is persecuted who tries to live in Holy Love. You must unite, My brothers and sisters, so that you are made strong. Be joyful, even in the face of great trials. My Mother and I are protecting you."

"We're blessing you with Our Blessing of the United Hearts."

**February 5, 2006 /Monthly Message to All People and Every Nation**  
*(This message was given in multiple parts.)*

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate." (A personal message was given.)

Jesus: "Today I have come to reassure you that the current path your country is taking towards overturning legalized abortion does not go unnoticed by Heaven. This nation stands as a leader amongst all nations. Many look towards a new era of peace. I tell you, the nation which returns to righteous values will be the one that leads all nations in a new era of peace, love and wisdom."

"I speak of the wisdom to discern good from evil—the wisdom to avoid slavery to sin and to choose freedom in truth."

"I desire very much that the heart of the world embrace, and be embraced, by Our United Hearts. It is only in this way that Holy Love will be able to bring to you the peace you desire—everlasting peace."

"With Holy Love in your hearts, good should no longer oppose good. My apostles must be able to coexist in the world. Conflicts must be resolved through Holy Love. Do not establish barriers between you out of jealousy. Have compassion upon your fellow man. Accept difficulties as a challenge in virtue. Always forgive."

"Further, I tell you, those who persevere in lies, calumnies and rash judgment against their fellow man, will not be successful in obtaining much needed graces, but will be confounded when they seek victory in the world."

"I am the safeguard of the righteous and the champion of the downtrodden. Never despair or allow your hearts to be troubled, for I am with you."

"My brothers and sisters, please realize that if there was no Holy Love in the world, the world itself would be annihilated through free will. Understand, then, that it is with great energies Satan is opposing this Ministry, the Confraternity and all that is associated with Holy Love. Do not lose hope, but be courageous."

"We're blessing you with Our Blessing of the United Hearts."

#### **February 7, 2006 /Public**

##### **HEAVENLY REWARD \***

St. Thomas Aquinas comes. He says: "Praise be to Jesus."

"I have come to speak to you about Heaven today. Each soul experiences Heaven in a different way. Whatever the soul took pleasure in on earth, influences his Heaven. Say, the soul took pleasure in being in a warm tropical climate—he would experience that in Heaven. Conversely, if he took pleasure in some sin while in the world, but came into judgment with a contrite heart, his Heaven would be lessened, although he would be as happy as God willed him to be, and he would want for nothing."

"All the reasons that take the heart away from union with God's Will are removed in Heaven, and the soul loves as he was intended to love—God in the center of his heart, and neighbor as self."

\* *Footnote: St. Thomas Aquinas says: "Praise be to Jesus."*

*"I did not mention the soul who loves a certain sin would go to Purgatory first, as this message deals only with Heavenly reward."*

#### **February 8, 2006 /Public**

"I am your Jesus, born Incarnate."

"The Message of the spiritual journey into Our United Hearts is a Message which can change the course of human events. If those who hear the Message do nothing more than accept and live it and then propagate it, they will have done everything I desire."

"This is not a Message to be taken lightly then, but one that should convert hearts and alter philosophies of life."

#### **February 10, 2006 /Public**

##### **PERSONAL HOLINESS**

"I am your Jesus, born Incarnate."

"Today I have come to help you see that the most important step in personal holiness lies at the threshold of entry into the First Chamber—the Immaculate Heart of Mary—Holy Love. It is upon this threshold the soul is engaged in the greatest spiritual warfare. It is at the entrance of My Mother's Heart the soul decides to believe or disbelieve in these Messages."

"Some souls lie permanently vanquished at the threshold, giving in to the pride of disbelief. Others see the spiritual benefit they are being offered. They pick up the key to the Chamber of Holy Love which is the title and ejaculatory prayer, '**Mary, Protectress of the Faith and Refuge of Holy Love, come to my aid.**' Thus they are admitted and led deeper into the Chambers of Our United Hearts. Pray for those who arrive at the threshold."

#### **February 14, 2006 /Public**

"I am your Jesus, born Incarnate."

"I have come to help the world to understand that the way to defeat Satan is to defeat disordered self-love in the heart. It is inordinate self-love that leads to every sin. So then, when the soul gives up a certain area of disordered love of self, Satan's kingdom is weakened. This is why his goal in every heart is to keep the soul's focus on self."

"This is the reason the way to My Sacred Heart begins in the First Chamber—the Immaculate Heart of My Mother. It is in Her Heart the gravest iniquity is purged, and the soul begins to desire to increase in holiness."

#### **February 24, 2006 /Public**

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to further explain the reality of Heaven to you. Everyone who enters Heaven is living in the Divine Will. Some need to suffer Purgatory in order to reach this goal. But the Sixth Chamber—ah yes, the Sixth Chamber—is reserved for the greatest saints."

"Purgatory does not prepare souls for this Chamber, but stops just short of immersion in the Divine Will. The saints in the Sixth Chamber earned this coveted place while on earth. It is such a jewel of a Chamber that not even every saint is admitted to its sanctuary."

"There are martyrs and other saints who are in the highest place in the Fifth Chamber—for there are certain priority levels within each Chamber—all according to merit. Yet, these saints, while standing very close to the Sixth Chamber, are not allowed entrance."

"You cannot understand this unless you comprehend that every present moment counts towards your eternal reward. In God's Mercy, which is one with His Love, sins are forgiven when the heart is contrite. Punishment is also obliterated through certain plenary indulgences. However, it is how deeply the soul immerses his heart and becomes one with the Divine Will while on earth, that determines admission to the Sixth Chamber."

"In other words, the heart must be immersed in the Divine Will while on earth. There are so few that have accomplished this, and very few in the world today."

#### **February 24, 2006 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

“My brothers and sisters, it is not presumptuous to think that this spiritual journey leads to perfection; for indeed, when you surrender to the Chambers of Our United Hearts, you are gradually being drawn into perfection. If you are privileged to come here and partake of the untold graces here at this Site, you will soon realize the reality of what I am telling you.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

#### **February 26, 2006 /4th Sunday Service to Pray for Unbelievers**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, today as we pray for unbelievers, I invite you to understand that there are two groups of unbelievers that need your attention. The first group has never heard of the Messages, is uninformed and, therefore, you need to pray that the Messages reach more people.”

“The second group is the group that really concerns Me. They have read the Messages, and have chosen not to believe. Satan has encouraged them to use terms like ‘discernment’ falsely, and the term ‘obedience’ falsely. Certainly, many things have been misunderstood over the years, but these Messages have not taken on the form of disobedience, nor are they false in any way. You must think wisely with the help of the Holy Spirit, My brothers and sisters.”

“Today We’re blessing you with the Blessing of Our United Hearts.”

#### **February 27, 2006 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, fast approaching is an important penitential season. So, tonight I invite you to accept everything in the present moment as from the Hand of God with great humility. In this humble acceptance, My brothers and sisters, is your surrender to God’s Divine Will, and when you surrender to God’s Will, all of your attachments come with it. This is how to be poor in spirit.”

“Tonight We’re blessing you with Our Blessing of the United Hearts.”

### **MESSAGES FROM ST. MICHAEL**

#### **March 14, 2006 /Public**

St. Michael comes. He says: “Praise be to Jesus.”

“I have come to establish in the world a devotion to my Shield which is truth itself. These times are evil. Satan is on the prowl trying to snatch souls from the path of righteousness at every turn. Therefore, Jesus has sent me with this prayer on my lips for all mankind.”

*“St. Michael, you are our defender and safeguard against evil. Place your Shield of Truth over us and defend us in the battle which Satan wages against truth. Help us to see the righteous path of Holy Love.”*

*“Clarify our choices between good and evil by placing us always behind your Shield of Truth. Amen.”*

#### **March 15, 2006 /Public**

St. Michael says: “Praise be to Jesus in His Angels and in His Saints.”

“Stop a moment and think now about this devotion the world has just been given—the devotion to my Shield which is truth itself. If every soul could make decisions according to truth, sin would be alleviated and the New Jerusalem would be here—now! This is so because all sin is inspired by Satan’s lies. Think of it—no more abortion, apostasy or heresy, no more corruption in Church and world politics. There would be peace in hearts, in families and in the world.”

“Yes, this is what victory would be—a Triumph of Truth. When I return, I will reveal to you and to the world, the promises attendant to this devotion.”

#### **March 16, 2006 /Public**

St. Michael says: “Praise be to Jesus.”

“I have come to state the promises attendant to the prayer of protection behind my Shield of Holy Truth.”

“These promises are assured those who with sincere hearts seek the protection of my Shield. But they will be denied those who pray the prayer merely to test its validity.”

1. *“Those who seek Holy Truth in decisions will be made to see the Light of Truth and the darkness of Satan’s lies.”*

2. *“The truths of the Tradition of Faith will be revealed to those who seek this with sincerity. The evil of liberalism will be brought to light.”*

3. *“Satan, who opposes Holy Truth, will not be able to penetrate the Shield I place over hearts. His lies will be repelled by this mighty Shield.”*

“Thank you for listening. I am with you always.”

#### **March 16, 2006 /Public**

St. Michael comes. He says: “Praise be to Jesus.”

“I invite you to look closely now at my Shield. Emblazoned upon it are the United Hearts. This is why my Shield is so powerful. The United Hearts are the embodiment of Holy Truth; indeed, the embodiment of the Ten Commandments.”

“This devotion will spread quickly. Be assured.”

#### **March 16, 2006 /Public**

St. Michael comes. He says: “Praise be to Jesus.”

“Your point is well taken. You ask what about the people who are living a lie in some area of their lives. Our Lady extends this grace to them. Since they believe that the lie or lies they have accepted in their hearts are the truth, they are not open to taking up my Shield.”

“But because even the greatest sinner is so loved by the Immaculate Mary, She instructs me to tell you that if you extend the anointing of St. Michael to such a soul, even from a distance, these souls will be given the grace of being shown Holy Truth. Of course, as with any grace, it is up to free will as to whether or not it is accepted.”

“Make it known.”

#### **March 19, 2006 /Public**

St. Michael says: “Praise be to Jesus.”

“I have come to make known to you that when you extend my blessing—the anointing of St. Michael to a soul—the tip of my Sword pierces the heart of the one you pray for. Thus, in

my anointing, the heart is pierced with the truth, for my Sword is also Holy Truth."

*Note: To extend the blessing, say: "I extend to (insert name) the Anointing of St. Michael."*

# Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

*The official publication of*  
**HOLY LOVE, AN ECUMENICAL MINISTRY**

**March 2006**

*Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic— according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”*

*Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.*

*All people and all nations are welcome to come and pray with us.*

## **March 1, 2006 /Public**

“I am your Jesus, born Incarnate.”

“I have come to help you understand that every conversion of heart is individual, as is each soul unique in his experiences in every present moment.”

“Suppose, for example, each bookmark you designed was a soul. Each one is shaped differently, just as each one’s spirituality is shaped differently. Ultimately, to be the most effective, it is glued on to a sturdy backing. The glue would represent the soul’s surrender to the Divine Will—in effect—trust. The backing would represent My Father’s Will.”

“Do not be hesitant to look at life and each soul in this way. Each conversion on the surface is different, but ultimately is complete in union with the Divine Will.”

## **March 3, 2006 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I invite each of you to come closer to the Divine Love of My Eternal Father. In order to do this, search your hearts and discover another area of inordinate self-love that you can surrender. This is the step you need to take to come deeper into the Chambers of Our United Hearts.”

“Tonight I’m imparting to you the Blessing of My Divine Love.”

## **March 5, 2006 /Monthly Message to All People and Every Nation**

*(This message was given in multiple parts.)*

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “I have come today to tell each soul how much I love them. I love the righteous. I love those steeped in sin. My Love is unchanging—constant. My Sacred Heart is always open to all. I await the response of the stone-cold heart with eagerness—ready to forgive at the slightest sign of repentance.”

“Today it is the duplicitous heart that is My greatest challenge, and the greatest threat to the welfare of the world. These are the ones who say what sounds good and righteous, but hidden within

their hearts lie hidden agendas—agendas of evil intent. This is how the anti-Christ takes root in hearts. He must win hearts first in order to set in motion his actions in the world. This is why I tell you—you must look at actions, not at title or position in the world, for many an evil plan comes forward from one who has gained the trust of many.”

“If you stay close to Me through these Messages of the Chambers of Our United Hearts, I will reveal to you only the truth. You will not be misled or confounded in your understanding of events as they unfold. Remember that I have chosen you to listen to Me. Respond with confidence.”

“Just as evil must live in hearts before it affects the world, it is also true of the Mission of Holy and Divine Love. The apostle that propagates the Mission must also live the Message. The choice is not complex. For I tell you, if you are not for the Mission in your heart, you are opposing it. If you are not for Me, you are against Me. Remember, I am Love.”

“While you hesitate to decide to live in Holy Love, souls are lost who could have been saved by your efforts of prayer and sacrifice, and by your efforts in propagating the Message of Holy Love. Indecision plays a part in the disharmony between free will and the Divine Will of My Eternal Father. This lack of harmony breeds war, terrorism, disease and famine. But the worst disaster is the loss of a soul for all eternity. Much rests in your hands today—in this present moment and in every future moment.”

“My brothers and sisters, please understand that today Satan sprinkles his confusion around this Mission and the Messages and the Rosary of the Unborn with great ease. You can help with your prayers and your sacrifices to enlighten hearts as to the real truths that are revealed here. I need your help. I am asking you to understand that every prayer counts towards revealing darkness where it lies hidden. Satan uses the most unlikely people to oppose Heaven’s plans here. Your prayers and sacrifices, My brothers and sisters, are light on the path of salvation for many.”

“We’re taking all of your petitions to Heaven with Us today. We’re blessing you with the Blessing of Our United Hearts.”

**March 6, 2006 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "My brothers and sisters, understand that if you are looking for fulfillment or peace in other ways, you will never find it outside of Holy Love, for Holy Love is the embodiment of all the Commandments and it is your salvation. Do not pray out of duty, but pray because you love Me; because you love My Mother, and you desire to please Us. This is the way to make your prayers more powerful."

"Tonight We're blessing you with the Blessing of Our United Hearts."

**March 10, 2006 /2nd Friday Rosary Service to Pray for Priests**

St. John Vianney is here. He says: "Praise be to Jesus."

"Today I invite you to understand that priests must allow all their thoughts, words and deeds to arise from hearts of Holy Love. In this selfless love, they will be able to concentrate on bringing the sacraments to the people."

"The doorway that Satan uses to corrupt and misguide others is always self-love. It is the same self-love that confuses and embraces liberalism."

"And tonight I'm imparting to you my Priestly Blessing."

**March 12, 2006 /2nd Sunday Service to Pray against Abortion**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Today, My brothers and sisters, I have come to ask every nation to break its ties with Satan. It is this union with evil that has brought about legalized abortion. It is this union of self-love and evil that causes you to worship the false god of inordinate self-love."

"My brothers and sisters, if it is a human embryo, it is also a human baby. Step away from this disharmony with God's Will, and you will save many lives and many souls."

"I'm extending to you the Blessing of Divine Love."

**March 13, 2006 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate." (A personal message was given.)

Then Jesus says: "My brothers and sisters, last week I asked you to always pray with a heart full of love for Me. Tonight I ask you to let every sacrifice be a sacrifice of love. Do not make sacrifices with much regret but with love, and they will be more worthwhile. They will strengthen you spiritually; then I will grant you what you ask in prayer."

"Tonight We're blessing you with Our Blessing of the United Hearts."

**March 14, 2006 /Public**

St. Thomas Aquinas says: "Praise be to Jesus."

"I invite you to contemplate this for a moment. A skillful chef uses only the best ingredients for his dishes. A skillful carpenter chooses the best wood and uses the best tools when he creates a piece of furniture. When a soul prays or sacrifices, he is, in fact, creating a gift to give to Jesus or to Jesus through Mary. Like the skillful artisans in the world, he should choose the best implements and finest materials."

"In prayer and sacrifice, the ingredient most important—the tool which lends most power and effectiveness—is Holy Love in the heart. Next to this should be Holy Humility, which combined with Holy Love, allows the soul to surrender completely to the Divine Will of the Father. The stronger these two are in the soul during prayer and sacrifice, the more effective the petitions of the heart."

"In Christ's agony in the Garden, you can plainly see these two—love and humility—at work. Once Jesus resolved to accept

His suffering, He never looked back. He allowed Himself to be stripped of everything at the Tenth Station out of love and humility."

"Consider, now, the crosses in your own life, and pray to increase in love and humility. This way, you will surrender more completely to God's Divine Will, and your prayers and sacrifices will be more worthy."

**March 14, 2006 /Public**

St. Michael comes. He says: "Praise be to Jesus."

"I have come to establish in the world a devotion to my Shield which is truth itself. These times are evil. Satan is on the prowl trying to snatch souls from the path of righteousness at every turn. Therefore, Jesus has sent me with this prayer on my lips for all mankind."

*"St. Michael, you are our defender and safeguard against evil. Place your Shield of Truth over us and defend us in the battle which Satan wages against truth. Help us to see the righteous path of Holy Love."*

St. Michael says: "Praise be to Jesus."

"I have come to state the promises attendant to the prayer of protection behind my Shield of Holy Truth."

"These promises are assured those who with sincere hearts seek the protection of my Shield. But they will be denied those who pray the prayer merely to test its validity."

1. *"Those who seek Holy Truth in decisions will be made to see the Light of Truth and the darkness of Satan's lies."*
2. *"The truths of the Tradition of Faith will be revealed to those who seek this with sincerity. The evil of liberalism will be brought to light."*
3. *"Satan, who opposes Holy Truth, will not be able to penetrate the Shield I place over hearts. His lies will be repelled by this mighty Shield."*

**March 16, 2006 /Public**

St. Michael comes. He says: "Praise be to Jesus."

"Your point is well taken. You ask what about the people who are living a lie in some area of their lives. Our Lady extends this grace to them. Since they believe that the lie or lies they have accepted

in their hearts are the truth, they are not open to taking up my Shield.”

“But because even the greatest sinner is so loved by the Immaculate Mary, She instructs me to tell you that if you extend the anointing of St. Michael to such a soul, even from a distance, these souls will be given the grace of being shown Holy Truth. Of course, as with any grace, it is up to free will as to whether or not it is accepted.”

“Make it known.”

### **March 17, 2006 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, every day you should pray that the Light of Truth come into your heart, revealing to you areas of sin, areas of faults and doubts; where you need to improve in order to progress deeper into Divine Love. Souls who refuse this grace of enlightenment are cooperating with Satan’s lies. You cannot live in duplicity of heart and become holy.”

“Tonight, My brothers and sisters, I’m extending to you My Blessing of Divine Love.”

### **March 19, 2006 /Public**

St. Michael says: “Praise be to Jesus.”

“I have come to make known to you that when you extend my blessing—the anointing of St. Michael to a soul—the tip of my Sword pierces the heart of the one you pray for. Thus, in my anointing, the heart is pierced with the truth, for my Sword is also Holy Truth.”

*Note: To extend the blessing, say: “I extend to (insert name) the anointing of St. Michael.”*

### **March 20, 2006 /Mon. United Hearts Confraternity Service**

Jesus is here with His Heart exposed. (He’s smiling at everyone here.) He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, to live in Holy Truth in every present moment, you must embrace the concept of Holy Love in your hearts always. Anything apart from this is a compromise and is following the path of Satan’s lies.”

“Tonight I’m extending to all here present My Blessing of Divine Love.”

### **March 22, 2006 /Public**

St. Thomas Aquinas comes and says: “Praise be to Jesus.”

“I have come to tell you that Satan plants the seeds of his lies always in the fertile soil of inordinate self-love. So then, understand it is this disordered self-love which accepts compromise and convoluted truth. You can see this very much in those who are content only with their own opinions and will not listen to the truth based on Holy Love.”

### **March 22, 2006 /Public**

#### **ST. MICHAEL MESSENGER OF TRUTH**

St. Michael comes and says: “All praise, honor and glory to the Lord Jesus Christ. You know me as Michael—Messenger of Truth.”

“Tonight I come once again to let the truth shine as pure light and to dispel darkness. As such, I will speak without guile, for I do not come to stroke egos, nor to esteem position or rank in the world. It is the only way that Satan’s work can be revealed in its fullness, and where it lies hidden in hearts and behind title.”

“Today you know there are two churches which call themselves ‘catholic.’ One is run by Jesus Christ—Lord and Savior; the other is guided by Satan himself.” (Our Lady is now beside St. Michael as *‘Protectress of the Faith.’*)

“The Church headed by Jesus is the One, True, Apostolic Faith which supports the Tradition of Faith handed down through the true lineage of popes. It is not compromised to please certain dissident groups. It does not support abortion, birth control, women priests or homosexuality. It is a faith which accepts the seven

sacraments wholeheartedly, and firmly believes in the Real Presence of Jesus in the Holy Eucharist. It is loyal to the Pope.”

“The church of compromise accepts only certain points of truth and compromises other points. They may choose names like the ‘New American Catholic Church’ or ‘FutureChurch’ or others. Compromise of the truth is from Satan—always. The problem lies in the fact that the dissident ‘catholics’ do not leave the Church; instead, they continue to call themselves ‘Catholic’ and try to change the truth from within.”

“The average lay person must be forewarned then. Whole dioceses—even Chancery offices—have been taken over by Satan.\* So then, when a well-meaning person calls for an official Church opinion about some matter, he may be given the truth or Satan’s lies.”

“You must open your eyes to see what is condoned within a certain diocese. Is the practice of New Age, occult practices, such as yoga or reiki, encouraged? Is there reverence for the Blessed Mother, or are vile images of Our Lady allowed to be displayed? Is there pagan worship of the goddess Sophia? Does the hierarchy speak out against certain groups, but refuse to follow through with actions? Is money and power at the center of hearts, or is God’s Law of Love?”

“I come to make these points, for in truth, no one can follow blindly now. He must, for the sake of his soul, discern what spirit he is following, and where the real truth lies.”

“Please make this known.”

*\*Footnote: The term “taken over.” Blessed Mother says: “I will give as an example how Satan has ‘taken over’ the entertainment industry. By this I mean that he has influenced every level of entertainment and made his expressions dominate throughout.”*

*“This is what St. Michael means in his message, that he (Satan) has ‘taken over’ dioceses, convoluting the truth on every level and pushing his agendas forward.”*

### **March 24, 2006 /Friday Rosary Service**

First, the scent of roses began; then there were rose petals falling to the floor, but they disappeared as they reached the ground. Then Jesus appeared with the Little Flower (St. Therese). She says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, through My Life, Death and Resurrection, I have set you free, and I have opened the path to Spiritual Littleness which leads deep into the Chambers of Our United Hearts (the Sacred Heart of Jesus and the Immaculate Heart of Mary.) All that is left is for you to choose it. Therefore, I offer you tonight the present moment in which I invite you to surrender.”

“I’m blessing you with My Blessing of Divine Love.”

### **March 26, 2006 /Ecumenical Prayer for Unity Amongst All People**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I am sending grace into each heart here today to help you realize that true peace and security can only come through Holy Love. Peace that is not based on love does not come from the heart and is superficial.”

“Every soul that enters this property is embraced by the United Hearts and receives the grace for conversion in that present moment. So, you must pray that hearts open themselves to this grace and accept conversion.”

“Today I’m blessing you with My Blessing of Divine Love.”

### **March 27, 2006 /Public**

“I am your Jesus, born Incarnate.”

“It is important for the pilgrims to know that their journey here is a pilgrimage, not a holiday. As such, they should prepare in advance with prayer and sacrifice so that their hearts are ready to receive the graces that are offered here.”

"When they enter the property, they are offered the embrace of Our United Hearts. If their hearts are properly disposed, the embrace will prepare them for an illumination of conscience, as St. Michael's sword pricks their heart."

"I desire that each pilgrim returns the embrace to Our United Hearts by living the Message of Holy and Divine Love in their own hearts. This, in itself, is all the recompense I ask."

"With a heart full of love, accept any inconvenience that this journey presents. I speak not only of the journey here to this site, but the journey through the Chambers of Our United Hearts, as well."

"You will please make this known."

### **March 27, 2006 /Mon. United Hearts Confraternity Service**

Blessed Mother and Jesus are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "My brothers and sisters, so much do I desire that your hearts be properly prepared when you come to this site that tonight I tell you, it could mean the difference between salvation or damnation for you. Understand I am telling you this because when your hearts are prepared as I desire, you will be given the truth as to your state before God."

"Therefore, My brothers and sisters, do not be afraid or indignant concerning the truth as to your state of soul, for to be in such a way is to suffer from pride; but open your hearts and listen."

"Tonight We're blessing you with Our Blessing of the United Hearts."

### **March 31, 2006 /Public**

St. Thomas Aquinas comes and says: "Praise be to Jesus."

"Today I have come to speak to you about profanity. By this I do not limit my discussion to profane language. Rather, I speak more specifically about profanity of the present moment. Any time a soul consciously chooses not to live in Holy Love in the present moment, he has desecrated the moment at hand. You say, 'But I try always to live in Holy Love.' Remember, my messenger, the just man falls many times a day."

"The soul profanes the present moment when he consciously puts himself and his own desires at the center of his heart instead of God and neighbor. Perhaps his reputation has been damaged, and instead of asking God to forgive the slanderers, he becomes enraged and seeks justice. Perhaps he seeks some material thing that appeals to his senses and places the acquisition of this thing at the center of his heart above God and neighbor. Perhaps he is ambitious for success, money and power, and thinks of nothing else."

"Today I invite each soul to look with the eyes of truth into his own heart to see how often and why he profanes the present moment, for only with the eyes of truth can he bring holiness into each moment."

### **March 31, 2006 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I remind you that victory will come through the Triumph of Love—Holy and Divine Love—the path that We show you through the Chambers of Our United Hearts. In order to progress through the Chambers, you must accept Holy Martyrdom of Love."

"I am calling each of you tonight to accept Holy Victimhood on behalf of Our imminent Triumph."

"Tonight I am blessing you with My Blessing of Divine Love."

# Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

*The official publication of*  
**HOLY LOVE, AN ECUMENICAL MINISTRY**

**April 2006**

*Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic— according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”*

*Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.*

*All people and all nations are welcome to come and pray with us.*

## **THE NEXT PROMISED MIDNIGHT APPARITION**

Our Lady has announced that Her next public visit (to the Visionary, Maureen) will be at midnight between the Feasts of the Sacred Heart and Her Immaculate Heart – June 23-24. Then between the Feast of the Immaculate Heart and the Feast of the United Hearts – June 24-25, Blessed Mother and Jesus will appear (to Maureen) at midnight in the United Hearts Field.

Be here by 11 PM on June 23 and June 24, 2006.

### **April 3, 2006 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. They're surrounded by 20-30 angels. Jesus says: "I am your Jesus, born Incarnate." Blessed Mother says: "Praise be to Jesus."

Jesus: "My brothers and sisters, tonight I have come to remind you that you cannot retrieve the present moment—once it passes, it is gone forever. Do not lose the preciousness of the gift of the present moment through worry or anxiety, or any form of lack of peace. Rather, trust Me, for this is the way to consecrate each moment to Holy and Divine Love. Remember that every situation has its root and its end in the Divine Will of My Eternal Father."

"Tonight We're blessing you with the Blessing of Our United Hearts."

### **April 5, 2006 /Monthly Message to All People and Every Nation (This message was given in multiple parts.)**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

"My brothers and sisters, today I address you as My 'Remnant Faithful.' I ask you to safeguard the Tradition of Faith as the truth which is passed down through the authentic lineage of popes. There is much confusion in this age—confusion brought about by the liberalists who are fond of using Vatican II as their scapegoat."

"Be certain you are listening to the truth in all matters of faith and morals. Do not allow yourselves to be misled. Where salvation is concerned, you cannot be too careful. It is you, My Faithful Remnant, that must lift the cloud of Satan's deceit and bring the light of truth to the forefront."

"Once again I come for all people—all nations. Because this is a salvific message, it is ecumenical and universal in its essence. Do not be mistaken to think that the Refuge of My Mother's Immaculate Heart is given just to some or a few. The Refuge of Her Heart is for all. It is Holy Love. Therefore, I come today to help you to see that every heart is being called into this sacred Refuge with great urgency."

"Do not think that you can skip this precious first step in your personal holiness and jump right into Divine Love, which is My Sacred Heart. It is only through the intercession of My Mother's Heart all souls can enter and imitate Divine Love. My Mother prepares each heart by purging the greatest iniquity from the soul through the Flame of Her Most Pure Heart. No one enters Divine Love who does not imitate Holy Love."

"It is presumption and self-righteousness that urges souls to think they are more virtuous and holy than they are. This is why you must pray every day, even hourly, to accept truth and humility in your own heart. Satan has spread a blanket of confusion over the world. For this reason, most are not even aware of the real path they are following."

"Moral degeneration, terrorism and violence are now common—hardly even newsworthy. As My Faithful Remnant,

I urge you to pray for an awakening of the difference between good and evil in every heart."

"My brothers and sisters, you must know that there are evil plots in hearts in distant parts of the world not connected with the Western world. You can pray against this, for it is always disordered self-love which leads to such pride and arrogance."

"Today We are blessing you with Our Blessing of the United Hearts."

*Read: Book of Titus 2: 11-15.*

#### **April 7, 2006 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, during this last week of Lent, I desire that there be no obstacle between your hearts and My own Sacred Heart. Let there be nothing between us except love; nothing from the past, nothing in the present, neither sin nor distraction, and no worry for the future. With your free will, just love Me. I am loving you back—always.

"I am blessing you with My Blessing of Divine Love."

#### **April 9, 2006 /Palm Sunday**

"I am your Jesus, born Incarnate."

"I desire that all realize that My Death and Resurrection redeemed them from the sins of Adam and Eve. However, it is up to each one to work on their own personal holiness in the present moment. It is by this effort of the free will, moment by moment, that I am able to help them see any obstacle of self-love that is between their heart and Mine."

"This week especially I urge you to remove these stubborn obstacles and run into My Arms."

#### **April 10, 2006 /Mon. United Hearts Confraternity Service**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, many times in the days preceding My Passion and Death, I was overcome with fear of what was to befall Me. But once I accepted the Cross, thereby surrendering to it, I was given the strength and the courage to bear it. You must do likewise."

"Tonight I'm imparting to you the Blessing of Divine Love."

#### **April 10, 2006 /Public**

"I am your Jesus born Incarnate."

"Today I invoke you, do not be quick to examine the faults of others though they be real and present. Look, rather, for the good in each person for the Holy Love they manifest in word and deed. This is the compassionate way to regard one another. If it is your duty to correct someone, do so in Holy Love."

#### **April 12, 2006 /Public**

"I am your Jesus, born Incarnate."

"Today I invite you to see that it is each soul who makes of each cross either a bitter trial or a sweet grace, according to his acceptance or rejection of it. If the soul has a heart immersed in Holy Love, then he is better able to surrender to each cross as it comes. His acceptance of the cross is commensurate with acceptance of My Father's Will in his life."

"The more the soul struggles against the cross, the less effective it is in converting hearts. The more the soul cooperates with each cross, the more grace I pour into his heart, and the more he is able to love Me. See then, the power of the cross and each one's acceptance of it."

#### **April 14, 2006 /Good Friday**

"I am your Jesus, born Incarnate."

"Publicly, I tell you this. There is no peace plan, summit talk or compromise amongst men or nations, which is more effective in bringing peace into hearts and the world than Holy and Divine Love. The scoffers will always be with you, just as they were present at My Crucifixion. Your prayer should be that their effectiveness upon this Mission becomes less and less."

"I desire to loosen Satan's grip on many fronts where his influence is most keenly felt. As My Mother held Me close to Her Sorrowful Heart at the foot of the Cross caressing My lifeless body, I desire to comfort all mothers who sorrow for their children. Through these Messages of the Chambers of Our United Hearts, I desire to breathe life into a dying world—a world whose heart is apathetic. My Mother lovingly cleansed My Wounds as I was laid in the tomb. My Eternal Father desires the wounds of the heart of the world be cleansed and dressed in the healing balm of Holy and Divine Love."

"Whenever you ask for Heavenly assistance in propagating this Message of Our United Hearts, you will receive it, even in the most unlikely circumstances. Never be afraid, then, to be My Hands, My Feet, My Voice amongst unbelievers. Witness to the world the power of Holy Love. Draw people to Me by your example."

"I will abundantly bless you."

#### **April 16, 2006 /Easter Sunday**

"I am your Jesus, born Incarnate. Today I am risen. Alleluia! I am risen always in the tabernacles of the world. I am victorious even now in hearts that embrace the eternal truths of Holy and Divine Love. Alleluia!"

"I have come to your midst once again to help you to see that Holy Humility and Holy Love must always be united in the soul in order for the soul to be united to Holy and Divine Love. One does not exist without the other. If one of these—either humility or love is weakened—both are weakened. Learn to put all others first then. Have concern for others' needs. Consider your own needs last of all. Do everything for love of God—love of neighbor. Fiercely guard your heart to avoid self-seeking in thought, word and deed. Do not be zealous for reputation, but seek only to appeal to Me in littleness. I will give you everything—all that you need. Come to Me as a little child."

"Every need of this Mission is in My Hands, from the rising to the setting of the sun. Much of what I have foretold is about to happen. I will be there with you. Alleluia!"

#### **April 17, 2006 /Public**

St. Thomas Aquinas comes and says: "Praise be to Jesus."

"I have come to help you understand that your holiness and sanctification will only reach the depth of the humility and love in your heart. Therefore, in order to deepen your journey into the Chambers of the United Hearts, each one should pray daily for deeper love and humility, for on these two every virtue has its foundation."

"God has sent me to give you this prayer:"

*"Heavenly Father, I petition Your Paternal Heart in this present moment to carry my heart deeper into Holy Love and Holy Humility. I realize that my free will must cooperate with Your Divine Will so that humility and love can increase in me."*

*"I give You my will now, fully accepting whatever it may please You to send me, as I choose to be a little martyr of love in Your Hands. Amen."*

**April 17, 2006 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate." They nod, welcoming the priests in the apparition room. Then Jesus blesses them.

Jesus: "My brothers and sisters, there are many obstacles on the path of Holy Love, many of which you place there yourselves through your free will. And so, tonight in this present moment, practice giving Me your heart and your will, and I will give you Holy Love."

"Tonight We're blessing you with the Blessing of Our United Hearts."

**April 21, 2006 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, you are children of the Light; as such, I urge you to pray for deeper humility and love. The soul that embraces humility and love is the soul that can be repentant. It is the repentant heart that deserves My Mercy."

"I'm taking all your petitions with Me in My Heart of Hearts tonight, and you will receive over this weekend many answers and solutions to your problems."

"Tonight I am blessing each of you with My Blessing of Divine Love."

**April 23, 2006 /Divine Mercy Sunday – Midnight Service at the United Hearts Field**

*(This message was given in multiple parts over two days – Saturday 4/22 a.m. and 4/23 12:00 a.m.)*

Jesus is here as He is in the Divine Mercy Image. He says: "I am your Jesus, born Incarnate."

"It is during these last days that I offer you the Chambers of Our United Hearts, as I desire the heart of the world be transformed in love. The Messages here are My Divine Mercy in your midst. Let them come into your hearts as such. Let the Messages be food for your spiritual journey as it is My Father's Will. As I am merciful unto you, be merciful to others by sharing this spiritual journey into Divine Love with them. Each and every soul can be helped with these Messages and by this spirituality."

"My Divine Mercy comes to you as a precursor to Divine Justice. Every fiber of My Heart desires to pour mercy upon the world. I search for the repentant heart which opens the way to My Mercy, but so few have sorrow for their sins. Many travel the road to perdition, thinking title, position or money merits their salvation. At their judgment, I look into the depths of their hearts. If they, at their last breath, turn to My Mercy, they are saved. Do not be discouraged by the numbers or types of sins you have committed. The greatest sinner deserves most My Mercy. Remember, O Earth, My Divine Love and My Divine Mercy are inseparable."

"You must realize the age of My Mercy has been running out and Justice is at your doorstep; but because so many come here to this site and read the Messages with humble faith, I am extending My time of Mercy beyond the limits of its hour. I do this so that even more will come here, for it is at this site My Mercy is realized. Take the element of My Mercy back to your points of origin in the form of the water and the

Messages, and in all you touch to the Blessing Point. These objects, words and water will help pave the way for the illumination of consciences."

"My brothers and sisters, tonight I come to you clothed in Mercy and Love. My Mercy and Love are constant and unchanging, and reach from age to age, from generation to generation."

"The Church is suffering her passion at this time, but I tell you that at this site and through these Messages of Our United Hearts, I am raising each soul to his resurrection, and the Church itself will be resurrected in glory."

"Tonight I am blessing you with My Blessing of Divine Love."

**April 23, 2006 /Divine Mercy Sunday – 3:00 p.m. Service**  
*(Message was given in multiple parts today.)*

Jesus is here as He appears in the Divine Mercy Image. He says: "I am your Jesus, born Incarnate."

"My Merciful Heart stands always ready to embrace you. Run to Me with confidence, then, and allow My Divine Mercy to heal your wounded hearts. Your angels will lead you if you have a contrite heart."

"Every nation can find peace in My Mercy. Enemies can be reconciled if they but turn to Me. Give up your own agendas which oppose love, and in simplicity, be reconciled with God and neighbor. Do not worship the gods that promise good but lead to self-destruction. It is the adversary who tries to destroy all that is holy, and the world, as well. Die to self, but do not take your life in an attempt to destroy others."

"Return to love, and through My Mercy become martyrs of love—royal victims for the sake of souls. The Victory of Our United Hearts comes in littleness, not in pomp, weaponry or title. Choose this Victory over all else."

"My brothers and sisters, today My Divine Mercy is victorious in your hearts. My Mercy was complete when I rose from the dead, and I tell you that My Mercy and My Divine Love will be victorious before My return in all hearts and in every nation. And so today, My brothers and sisters, we celebrate together."

"I'm imparting to you the Blessing of My Divine Love."

**April 24, 2006 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "My brothers and sisters, once again I invite you to open your hearts to Holy Love in each and every present moment. It is in this way that I can pour grace into your hearts, help you to overcome all your obstacles to sanctification, and make you holy."

"Tonight We're blessing you with the Blessing of Our United Hearts."

**April 26, 2006 /Public**

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to help you better understand the pharisaical spirit, for it is this spirit that is most often embraced by unbelievers. The Pharisees, in Jesus' day, were spiritually and intellectually smug. They believed their opinion was the only true opinion—their truth—the only truth. They placed great value on station and wealth, intellect and power. It took much arrogance to reach this level of pride."

"Many of those who purport disbelief in all that takes place here are embracing, not the truth, but a pharisaical spirit. They

may waste many precious moments trying to satisfy doubts instead of embracing, like a little child, the core of the Message of Holy and Divine Love. They may think the future of the Mission itself rests solely on their opinion of the Messages. Some trust only their own discernment, which may be just a rash judgment. Others believe the opinions only of those in authority, without regard for the truth."

"This is why I tell you, to be spiritually little is like a safety net as you walk the tightrope of life. The spiritually little do not fall into the trap of pharisaical pride, but are able to humbly recognize truth from error. St. Michael's Shield is a shield of spiritual littleness."

#### **April 28, 2006 /Friday Rosary Service**

Jesus and Blessed Mother are here with a very large angel. (A personal message was given.)

Our Lady says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "My brothers and sisters, tonight I have come to ask you never to compromise the truth for fear of reputation, status or any other worldly attachment. Always defend the truth and Heaven will defend you."

"Tonight We're blessing you with Our Blessing of the United Hearts."

#### **April 29, 2006 /Public**

St. Thomas Aquinas says: "Praise be to Jesus."

"Sit at my feet and listen to me. You have been troubled about the power of St. Michael's anointing and the Shield of Truth. So here I am to help you understand."

"Basically I am here to explain the power of free will. Once St. Michael came to you and said, 'As much power as God has given me, I am completely helpless in the face of man's free will.' This is still true today. It is man's free will which chooses for himself salvation or damnation. God's grace invites, but God does not and will not force the soul to make righteous choices."

"St. Michael's Shield and his anointing offer the truth, but the soul may, through his free will, choose to reject it. The lies of Satan cannot penetrate the Shield, but the soul with his free will may choose not to accept the truth, but to cling to the lies as he has in the past. St. Michael's Shield is an opportunity of grace. The added petition, '*Mary, Protectress of the Faith, come to my aid,*' extends the window of opportunity to accept the truth."

He smiles. "Now, do you understand? You see, this is why it is so important that consciences be formed in the truth in the very young."

He blesses me and leaves.

#### **April 29, 2006 /Public**

Blessed Mother says: "Praise be to Jesus."

"In these times, recognition of My title '*Protectress of the Faith*' has slipped by. But you must courageously enforce the propagation of this title with zeal. I tell you this, for as '*Protectress of the Faith,*' I am able to pierce hearts with St. Michael's Sword and hold these hearts open to receive the truth willingly. This way, hearts will not receive the truth one minute and reject it the next."

"Therefore, when you impart to someone the anointing of St. Michael, also say, '*Mary, Protectress of the Faith, come to my aid.*' This prayer holds sway over many powers of evil, but not over free will."

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, how I desire to be united with you in Holy and Divine Love. Give Me your hearts tonight unconditionally, and I will give you My Divine Love. Together we will accomplish the Triumph of the United Hearts.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

**May 5, 2006 /Monthly Message to All People and Every Nation  
12<sup>th</sup> Anniversary of Holy Love**

*(This message was given in multiple parts today.)*

Jesus and Blessed Mother are here dressed in white with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “I have come to help you see that in the spiritual realm there must be a ‘marriage’ between humility and love in order for the good fruit of deeper holiness to be born in the heart.”

“The reason the world does not experience true and lasting peace today is that humility and love are not together in the heart of humanity. When one of these virtues is found lacking, the holiness and resulting peace are merely superficial. You cannot establish a good and sound structure on top of a faulty foundation. Therefore, understand that the soundness of your holiness depends solely on the depth of the Holy Love and Holy Humility upon which it is built.”

“If you do not seek this truthful and sincere personal holiness, then you do not seek peace either. For I tell you, peace—if it is sincere—only comes from a holy heart.”

“Today I tell you that without a good foundation, any structure will fall. If governments do not legislate according to the foundation of Holy Love and humility, they will, likewise, crumble through chaos and confusion.”

“With the Messages here of the spiritual journey into the

Sacred Chambers of Our United Hearts, I am calling the world into a new spiritual springtime. Just as in nature, all of earth is awakening and coming forth in full bloom. I call the heart of the world to awaken to the truth of Holy and Divine Love, and to blossom in this eternal spiritual journey. Let your hearts open in littleness as tiny flowers under the feet of Eternal Love. Divine Providence does not forget those who depend on God alone. Each heart affects the heart of the world. So then, your response to Holy and Divine Love is reflected worldwide. In this spiritual journey you can be part of My Triumph, or you can call down My Justice through skepticism. Train your free will in the way of love and humility. I will help you.”

“You need to remember that all advancement in technology, be it medical or industrial, comes from the Heart of your Creator. It should be used to support all life from conception to natural death. When these advancements are convoluted and used for the fulfillment of disordered self-love, you are calling My Justice down upon you.”

“I have come, My brothers and sisters, to lead you into the New Jerusalem, which is one with the Triumph of Our United Hearts. In order to follow Me, you must surrender your free will to Holy and Divine Love and Holy Humility. This is the path that I choose for you.”

“Today, My brothers and sisters, We are listening to all your petitions and blessing your hearts and lives with Our Blessing of the United Hearts.”

**May 8, 2006 /Monday United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, I come to this site with this Revelation of the United Hearts to draw you into Our Victory and Triumph, which will come to you through the Victory of Our United Hearts. You are part of that Triumph when you live in Holy and Divine Love. It is in these latter days that I need you to spread this Message.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

#### **May 9, 2006 /Public**

St. Thomas Aquinas says: “Praise be to Jesus.”

“Listen carefully to what your Thomas has to say. Let it assimilate in your heart. Satan uses many ploys to dilute the holiness in hearts. The problem is people generally do not understand that spiritual warfare is going on within their own hearts. Let me describe to you some of these attacks or doorways Satan uses.”

“One may be the spirit of vanity which keeps the soul in constant turmoil as to physical appearance or how he is perceived by other people. Another may be a spirit of skepticism which encourages the soul to doubt the Messages here, the authority of the Magisterium, and so on.”

“I tell you this—and never forget it—the more the soul cooperates with these spirits, the stronger their grip upon the heart. For instance, the more the soul is concerned for his appearance, the more he will be concerned. The more he explores doubts, the more he will doubt. The way to fight temptation is to keep the Divine Will always in the center of the heart. Contemplate how Divine Providence takes care of appearance, reputation and any error. Trust in this. Desire only to please God, and this desire will be fulfilled.”

“Let the Flame of Holy Love burn away all self-love. With your free will, desire this. All else will fall into place.”

#### **May 12, 2006 /Public**

“I am your Jesus, born Incarnate.”

“Today I have come to help you understand that to increase in any virtue, the soul must practice the virtue. Say, for instance, the soul needs to increase in patience. This is a very common deficit in modern society, as instant gratification is encouraged. In order to gain strength in the virtue of patience, the soul must not give in to impatience, for to do so weakens the virtue and strengthens the flaw.”

“It is so with every virtue. If a soul needs to trust more, I will give him many opportunities to trust Me so that he can increase in this virtue. It is always evil that tempts the soul away from virtue and into weakness. So you see, it is with free will the soul moves away from human weakness and becomes stronger in virtue—the building blocks of holiness.”

#### **May 12, 2006 /Public**

“I am your Jesus, born Incarnate.”

“Understand that everything I ever said, anything I ever did, was to bring souls into compatibility with the Divine Will of My Father. That is why I walked the earth—why My Father sent Me. So it is appropriate during these latter days, that Heaven’s focus is on Holy and Divine Love and this particular site of revelation.”

“The Messages here are simple, yet profound in their calling. Time is running out. How long I have waited to pour this Message into hearts and into the world. The enemy tries to surround the Message with confusion, but he will never succeed in conquering this Mission. My Triumph begins here.”

“Make it known.”

#### **May 12, 2006 /2nd Friday Rosary Service to Pray for Priests**

St. John Vianney is here. He says: “Praise be to Jesus.”

“My dear brothers and sisters, you must realize the woundedness of the Church today. She is weaker than she has ever been before. She has been overwhelmed by confusion. It is by prayer and sacrifice that the Holy Mother Church will be able to recover. But at the same time, you must pray and

sacrifice for all priests, that they have contrite hearts themselves and turn to God’s Mercy, for His Mercy will refuse no one with a contrite heart. We have much work to do. I will join you in prayer.”

“I’m extending to you my Priestly Blessing.”

#### **May 13, 2006 /Feast of Our Lady of Fatima**

Blessed Mother is here as Mary, Refuge of Holy Love. She says: “Praise be to Jesus.”

“Tonight I come to you once again as My Jesus allows. I return to you as Sovereign Queen and Refuge of Holy Love. At Fatima I asked for prayers and sacrifices, and predicted to the children an end to the war.”

“Tonight I repeat My plea for continued prayer and sacrifice but sadly, I cannot tell you the war is about to end. This is because the war today is in hearts. These hearts live only for themselves and do not love God. Because they will not love God, they cannot love one another. It is only by love of God that you can love and respect your neighbor.”

“I tell you these things on this, the anniversary of My apparitions at Fatima, for the world plunges herself into deeper and deeper discord with God and neighbor. I am depending on My consecrated little souls to restore harmony where there is strife.”

“Do not wait for any reason, but begin now in this present moment—be the embodiment of all I have given you. I will bless you.”

#### **May 14, 2006 / (Mother’s Day)**

Jesus says: “I am your Jesus, born Incarnate.”

“Today, as we celebrate the vocation of Motherhood, I have come to address all those who have found themselves in the role of ‘mother.’ Perhaps you are fortunate enough in this present moment to have life in your womb. If so, you share with Me in the formation, nourishment and protection of new life. Do not listen to Satan’s arguments that it is anything else but the body and soul of a child. Love the new life I have charged you with. Trust in My Provision.”

“If your children are grown, you must continue in your role as mother. Encourage them towards salvation. Protect them with no uncertainty from Satan’s ploys. Always stand for what is right in My Eyes.”

“Perhaps you are a mother figure to one or many. This is an opportunity I have forwarded to you to influence the life or lives of those who look upon you as a ‘mother.’ Urge them along the path of Holy Love.”

“Those mothers who are still raising their little ones must carefully stand guard over all that influences their minds and hearts. Sadly, you cannot trust educators to impart sound Christian doctrine anymore. Be vigilant! You must make your home sanctuaries of peace and righteousness—not unlike the Heart of My Mother.”

“Be joyful today and fall in love with Motherhood. It is God-given.”

#### **May 14, 2006 /2nd Sunday Service to Pray Against Abortion (Mother’s Day)**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, understand that Satan could not have succeeded in legalized abortion if he had not placed in hearts an inordinate self-love first. Through this disordered self-love, people were ready to accept any of his lies and, in particular, the sin of abortion. Therefore, I urge you to pray that righteousness rules over hearts.”

“Today I’m blessing you with My Blessing of Divine Love.”

**May 15, 2006 /Public**

“St. Thomas Aquinas says: “Praise be to Jesus.”

“It is your Thomas. I have come to help the world understand more deeply the Flame of Holy Love. This is the Flame which you ask in prayer to burn away your iniquity. Here is how it works.”

“This Flame of Holy Love, which is the First Chamber, first sheds its light upon the areas of sin in the person’s life. Gradually the soul chooses to avoid these sins and to live in Holy Love. The more he chooses Holy Love, the more his free will is melted and transformed in and through the Eternal Divine Will. This transformation continues moment by moment until the Sixth Chamber when the Divine Will lives within the heart.”

**May 15, 2006 /Monday United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “Peace be with you, My brothers and sisters. I have come to help you understand that opinions do not divide. It is intolerance to others’ opinions that divides. You must have this tolerance as a fruit of Holy Love in your hearts, which is why We continue to come here to promote Holy Love in hearts, so that there will be peace in the world.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

**May 19, 2006 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, Holy and Divine Love is the spirituality that can unite all of humanity. See then, that I have not only given you the way of salvation, and the journey into holiness and sanctification, but also the path to world peace.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

**May 22, 2006 /Monday United Hearts Confraternity Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, listen with understanding hearts. On Calvary My Heart was open to you with love. During every Mass, every Eucharist, I offer you Divine Love. Here at this site and through these Messages, I invite you into union with Divine Love. Do not refuse My invitation. Do not leave My Love unattended.”

“Tonight We’re blessing you with Our Blessing of the United Hearts.”

**May 23, 2006 /Public**

St. Michael comes surrounded in light. He says: “Praise be to Jesus.”

“Child of God, listen to this truth which I come to impart to all people, all nations. Each soul is created by the one, true God to earn and share Heaven with his Creator. The path that is given is the way of truth Jesus taught while on earth—to love God above all else and neighbor as self. This is the Holy and Divine Will of God, aside from which there is no salvation. For what soul, no matter his importance, wealth or esteem in this world, can enter Heaven who does not live in the Divine Will of God?”

“So you must understand that this Message of Holy Love is fundamental to salvation itself. Further it is not for just some, but for all. The Will of God, Holy Love and the Immaculate Heart of Mary are all one and the same. The Holy Mother of God opens Her Heart to all people and all nations during these

last days. No one can be immersed in Divine Love without first embracing Holy Love—the Divine Will of God—in and through the Immaculate Heart of Mary.”

“This basic truth, which I have been sent to reiterate, cannot and must not be ignored through pride. Pride is the enemy of Holy Love. The more the soul surrenders to Holy Love, the more he will realize this. Remember, it was Lucifer who first said, ‘I will not serve,’ before he fell from Heaven. As you recall this, understand every soul is called to be a Missionary Servant of Holy Love.”

As St. Michael leaves, an illuminated cross is in the air. It changes into the United Hearts over the globe of the world, which are emitting sparks of light over the earth.

**May 26, 2006 /Friday Rosary Service**

St. Michael is here and says: “Praise be to Jesus.”

“Tonight, my brothers and sisters, I have come especially to invite each of you to become warriors of truth. Truth is the only weapon that is not in Satan’s arsenal. It is the weapon that will expose him. You must be standards of truth in today’s society which bears witness to many lies and compromises.”

“Tonight I’m blessing you with my Blessing of Holy Love.”

**May 28, 2006 /Ecumenical Prayer for Unity Amongst All People**

*(This message was given in two parts.)*

*Read: 2 Thess 2:1-15; Hosea 8:1-6*

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “I call all people out of the darkness and into the light of truth. All nations must be ruled in the righteousness of Holy Love that they may avoid the errors of darkness which dull the conscience and present evil as good. Nations that are ruled by the passions of darkness will find degeneration their lot. The angels of these nations plead their cause before the throne of God, continually seeking their country’s unity with the Divine Will.”

“Today My Mercy and My Love are the cloak of security every nation should wrap themselves in, if they are to avoid being swept away in the catastrophe of Satan’s lies.”

“My brothers and sisters, during these tenuous times when the decisions between good and evil are not clear, I desire that the heart of every nation be steeped in the truth of the Holy Spirit, and inspired only by the Holy Spirit. Just as every soul is called to turn to My Mercy and My Love, so it is more necessary that every nation turn to My Mercy and Love. Pray for this.”

“We’re blessing you with the Blessing of Our United Hearts.”

**May 29, 2006 /Public**

“I am your Jesus, born Incarnate.”

“It is quite easy for My Priests, Bishops and even Cardinals to remain long years in Purgatory. They are given great responsibility in this world of leading the flock in the Faith. Some are no longer even Catholic. Their consciences become dull through self-love. They believe what is most advantageous to believe.”

“You were asking about the element of time in Purgatory. As you know, there is no time or space in Heaven. But that is Heaven. Purgatory and Hell are still caught in the realm of earthly time. Eternity in Hell is an eternity. In Purgatory the hundreds of years souls say they spend there are hundreds of years. The souls are bound there by time until they are released to Heaven.”

“These are some of the sins Priests, Bishops and Cardinals (even some Popes), suffer Purgatory for:”

“Sins of omission:”

“—not encouraging Adoration, the rosary and devotion to the saints, to their flock.”

“—not preaching against all sin, and especially abortion. It is their job to uncover darkness.”

“—not acknowledging the existence and activity of Satan—some do not even believe in him.”

“—not encouraging the sacrament of Reconciliation and extending the hours it is available.”

“—not preaching against sacrileges perpetrated against the Holy Eucharist.”

“—preaching against, acting against reported apparitions, even though they have never been investigated and offer many fruits. They are, in many cases, making themselves the adversary of Heaven.”

“—not wearing priestly garb in public. They are not called to blend in with the general population, but to stand out so that sinners can seek them out.”

“A great sin of omission in the Church these days is the failure to deal with pedophilia as it should be dealt with. It is a grave sin. The perpetrators need to be relieved of their priestly duties, no matter their importance in the Church. To deny this truth is as serious as the sin of pedophilia itself.”

“Up until this time, I have spoken strictly about sins of omission. Here are other ways in which men fail Me in their religious vocations.”

“They put the focus on social justice instead of personal holiness. Personal holiness must be first. Social justice is a fruit of personal holiness. Some preach often on social justice but never virtues, holiness, prayer or the sacraments.”

“Those who have authority in the Church should lead as the Good Shepherd—not as one in control—but as one who loves. Souls are being lost every present moment because of these sins I have stated. The ones who do not slip to their perdition spend long years in Purgatory. Many, many add hundreds of years onto their Purgatory as they have not taken their duties to heart, and have consequently misled a multitude.”

“I know you fear making this public. You fear censure by the very ones I come to correct. But you must not hold back. To do so would greatly displease Me and may cost souls their salvation. Everyone, in humility, needs constructive criticism. This message is for those who stand to gain much. If they object to it, it is because they see themselves within these words. I give you Holy Boldness to release this publicly.”

#### May 29, 2006 /Public

“I am your Jesus, born Incarnate.”

“I have come so that the leaders of every nation can put this prayer to use.”

*“I, \_\_\_\_\_ as leader of this nation of \_\_\_\_\_, desire to consecrate this country to God’s Divine Will which is Love and Mercy itself. I realize that the future of this nation depends upon Divine Mercy and Divine Love.”*

*“I resolve to avoid offending God’s Will in any way through supporting legislation which is contrary to His Love and Mercy, or in taking any diplomatic measure which transgresses human rights. I surrender the future to God’s Will and His Provision. Amen.”*

# Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

*The official publication of*  
**HOLY LOVE, AN ECUMENICAL MINISTRY**

**June 2006**

*Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic— according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”*

*Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.*

*All people and all nations are welcome to come and pray with us.*

## **Blessed Mother's Next Promised Appearance**

*September 14-15, 2006*

Blessed Mother has promised to appear once again to Maureen Sweeney-Kyle just after midnight at the **Field of the United Hearts** on the crest of the **Feast of the Triumph of the Cross and the Feast of Our Lady of Sorrows**. Be here at 11:00 p.m. on Thursday, September 14 for the midnight apparition.

### **June 2, 2006 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I have come to you, asking you to become apostles of truth. Truth is comprised of Holy Humility and Holy Love, for without these, God’s Will is not accomplished. Truth is God’s Holy and Divine Will. You must spread these Messages wherever possible, for it is in this way Satan’s lies will be dispelled.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

### **June 5, 2006 /Monthly Message to All People and Every Nation** *(This message was given in multiple parts.)*

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “I desire that you record these words to be dispersed amongst all people and all nations. I come to you bearing words from the Spirit of Truth—the Holy Spirit—in an effort to bring souls back into the one fold of Holy and Divine Love. You, yourselves, have chosen division—making more of your opinions than of God the Father’s Divine Will for you.”

“It is God’s Will that all people be united in Holy Love—that you do not seek different paths through the pride of Satan’s lies. I choose for you the path of righteousness. The ones who love God and neighbor, follow Me. But many, in error, choose separate paths. I come to unite. Satan urges you to divide.

When you follow Satan, believing in his lies, your opinions are like earthquakes which cause the very foundation you stand on to shift, divide and buckle. Or, your opinions become like a great volcano, building in pressure, and finally exploding and devouring everything in its path.”

“My brothers and sisters, I come to build you up, not to tear you down and pull you apart. I come here at this site to unite all people in truth. This is a sanctuary of My Truth. Look no further—it is here. Through this Message of Holy and Divine Love, world peace can be accomplished.”

*Read Philippians 2: 1-3*

“I come to you today to help you understand that your peace is in your unity. It is Satan who sows division in your midst. Disunity is the adversary’s hallmark and bears the fruit of conflict and distrust. Holy Love and Holy Humility work together to sow unity and peace. Where there is peace, the Spirit of Truth makes His Home. I have come to prepare hearts in the peace of truth so that you will bear witness to the truth by your unity and love for one another. Thus fortified, you will be able to vanquish the Prince of Lies.”

“Do not look towards earthly approval, but seek only to appeal to Me. I will strengthen your efforts and weaken the enemy in his attempts to divide and conquer. It is in this way and through your efforts of cooperating with grace that the United Hearts will be victorious.”

“My brothers and sisters, I come to you so that all mankind may be reconciled with his Creator. Do not oppose Me, but

allow these Messages to come to life in your hearts. Let Holy and Divine Love be a constant in your life. Then I will bless you, and you will feel the anointing of Our United Hearts.”

They extend to us the Blessing of the United Hearts.

#### **June 7, 2006 /Public**

“I am your Jesus, born Incarnate.”

“Spiritual littleness comes only as the soul surrenders to humility and self-effacement. Therefore, understand that it is a cooperation between grace and human effort that results in childlike littleness.”

“Those who seek to be recognized as holy are opposing the grace of littleness with their free will. They are, in fact, deep into spiritual pride. Those who are self-righteous will never be little in My Eyes, for they are making gods of their own opinions. Those who hold grudges are allowing unforgiveness to become like a god. If they ask Me, I will help them to forgive.”

“Spiritual littleness requires humble surrender, humble trust and complete self-effacement, making all others more important than self. It is not easy, but in My Eyes—a perfection in Holy and Divine Love.”

#### **June 9, 2006 /2nd Friday Rosary Service to Pray for Priests**

St. John Vianney is here and says: “Praise be to Jesus.”

“My brothers and sisters, I have come to help all priests realize that the success of their vocation does not lie in intellectual prowess, but in their personal relationship with Jesus. The spirituality here (Maranatha Shrine) returns the soul to the Tradition of Faith. You must encourage it amongst the priests. Some will never see Heaven without it.

“I’m extending to you my Priestly Blessing.”

#### **June 11, 2006 /2nd Sunday Service to Pray Against Abortion**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, please realize that any nation which opposes God’s Holy and Divine Will widens the abyss between Heaven and earth. The legalization of abortion is such a law which opposes the Divine Will of My Father. You must realize that in doing so, your country has legalized degeneration. If you choose to continue on this path, you can expect more natural disasters. I do not threaten, but I come to warn. Stop opposing God and become one with Him—one with His Will.”

“We’re blessing you with the Blessing of Our United Hearts.”

#### **June 12, 2006 /Public**

Blessed Mother says: “Praise be to Jesus.”

“Jesus desires in the world the establishment of the Shield of Truth Prayer Movement within the Missionary Servants of Holy Love and the Confraternity itself. This Movement would require one five-decade rosary, one United Hearts Chaplet, and the St. Michael Shield of Truth prayer, daily from each person. This is prescribed so as to form a shield of protection over the entire Mission—protection from Satan’s lies.”

#### **June 12, 2006 /Mon. United Hearts Confraternity Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, I come once again this evening seeking your unity in the truth. Do not separate

yourselves through deceit or lies that Satan places in your hearts, but be united in the truth of one spirit, one heart and one mind. Work always towards the goal of Divine Love.”

“We are blessing you with Our Blessing of the United Hearts.”

#### **June 16, 2006 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I have come to invite you upon a journey—a journey which leads to the New Jerusalem. Your passport is Holy and Divine Love. Your mode of transportation is an ever-deepening surrender to Divine Love. Upon your arrival, you will be given wonderful accommodations in the United Hearts. What more do you desire? I have chosen you—you must choose Me.”

“I’m blessing you with My Blessing of Divine Love.”

#### **June 19, 2006 /Mon. St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “Tonight, My brothers and sisters, realize that My Mother’s Heart is your refuge and shelter during these last days. Realize this and understand that Her Heart is God’s Holy and Divine Will. Her Heart is Holy Love and an Eternal Refuge. When you are in Her Heart, which is Holy Love itself, you are better able to choose between good and evil.”

“Tonight We’re blessing you with Our Blessing of the United Hearts.”

#### **June 24, 2006 /Midnight Service at United Hearts Field Feasts of the Sacred Heart of Jesus and the Immaculate Heart of Mary**

*(This message was given in multiple parts.)*

Blessed Mother is here as Mary, Refuge of Holy Love. She is in front of a large image of the United Hearts. She says: “Praise be to Jesus.”

“Dear little children, I come to you once again to draw all people and all nations into My Immaculate Heart, and so too, into the Eucharistic Heart of My Jesus. At the appointed time, chosen and known only by the Eternal Father, all people will be given the grace to know and to understand His Real Presence. Many will be drawn into His Heart by means of this forthcoming miracle. But you must pray, My children. Prayer unites you to God and helps you to recognize evil. The ones who are most in need of this miracle will be the ones most likely to reject it. Turn your hearts into a living oblation in imitation of the Eucharistic Heart. In this way unbelievers will be given more graces towards their conversion.”

“Do not waste the present moment speculating the nature or the timing of this miracle. God looks into every heart in each moment, and He alone knows the perfect execution of His Will. Allow your hearts to be at peace and your spirits to reflect always love. Then I will sustain you in the Father’s Holy and Divine Will, bringing you into sanctification.”

“These days you must understand, My children, that Satan wars against truth. But Heaven has given you a means of defense. For just as in past days, Moses’ staff parted the waters to allow his people safe passage, so today, you are given the Sword of St. Michael to separate good from evil—truth from untruth. What’s more, you are given St. Michael’s Shield as protection against Satan’s lies.”

"In truth I tell you, this nation should be less concerned with the breach of its borders, and more concerned with the breach of life in the womb. For it is the treatment of life in the womb that will determine the future of every nation and its vulnerability to attack from without. It is Satan who promotes all moral degeneration in order to weaken you from within. Open your eyes to the truth. When you oppose the enemy in any way, I am always at your side defending you. If you do not give in to discouragement, we will win."

"My dear, dear children, I remind you that you must be united in Holy Love, for this is the only way that you can be reconciled with your Creator. Do not use the technology God has given you to divide you, one against the other. Use it for the welfare of all humanity. Look after one another in every need. Then God, who created time and space and sees into every heart, will see after your needs. It is only in this way you will enjoy true peace."

"My little children, you do not understand with what guile Satan attacks you. You must always pray to uncover the enemy's lies. All sin is a betrayal of Holy Love in your heart. The adversary has a higher intellect than you realize. He knows the portal of your self-love he can enter, and before you see his hand in your thoughts, words and deeds, he has made you an enemy of Holy Love."

"Begin to see that your Heavenly Mother comes seeking your welfare, your salvation, and to offer you the safe Refuge of Her Heart, which is Holy Love itself. Do not make false gods of title, money, power or reputation. Have the heart of a little child which holds no guile or self-interest, but only love. I am the Patroness of the spiritual child that comes to Me in littleness."

"My little children from Mexico, I have come to sustain you in every challenge. Remember, the power of grace far outreaches any evil. Remain, more than ever, united in My Heart through Holy Love. Let your lives be a prayer of love and a living example of Holy Love. In this way you can see clearly what your choices must be. My Heart is bending towards Mexico—helping you in every moment. My Triumph must reach your hearts first, before I can claim victory in your country."

"Dear little children, during these last few days you have been experiencing here My copious tears (heavy rain and flooding). I weep for those who listen to Me say, 'Pray, pray, pray,' but do not pick up their rosaries to help Me. The Arm of My Son's Justice grows heavy. I need your help—your prayers—to hold it back. Do not turn away from Me in this—the final hour—which decides the outcome of the battle. Turn your hearts over to Me, and I will make of them vessels of love. We will unite against evil; then we will be free in the New Jerusalem."

"Dear little children, once again I come to you asking you to be united within Our United Hearts so that all hearts beat as one in Holy Love. Do not linger in your decisions. Choose always for the truth in the Spirit of Truth. I love you, My dear children. I desire to share Heaven with you."

"Tonight I am taking all your petitions to Heaven in My Immaculate Heart. I am blessing you with My Blessing of Holy Love."

### **June 25, 2006 /Midnight Service at the United Hearts Field Feast of the United Hearts**

*(This message was given in multiple parts.)*

*(Read: Matthew 5:1-12)*

The United Hearts image appeared first. Then Jesus and Blessed Mother appeared with Their Hearts exposed. Jesus

says: "I am your Jesus, born Incarnate." Blessed Mother says: "Praise be to Jesus."

Jesus: "Truly, I tell you, the extent and depth of My Mercy is unrecognizable these days, for no one can see nor understand the proliferation of sin in the world during these times. The world at large can be compared to Sodom and Gomorrah multiplied a thousand times over. What withholds the Hand of Justice are the small pockets of those devoted to prayer, especially the rosary and to the Tradition of Faith. Such a site is this Mission here, and also the areas it has reached throughout the world."

"My Sacred Heart bleeds for those who make a mockery of religion. They will find no peace and be confounded by their own misdeeds. An accounting will be asked of them before My Throne. If you really understood the importance of My Words, you would never cease praying for such as these."

"My Mercy falls upon the repentant heart—My consolation upon those described in the Beatitudes. In wisdom, model your hearts in Holy Love, and you will receive consolation."

"Understand that the sun is setting on the generation of apostasy, and rising upon a generation of Holy and Divine Love. As the first rays of this illumination shine upon this site in the world, you will see the glittering Triumph of Our United Hearts take place. Because Mercy and Love, when they are genuine, are inseparable, the graces of Divine Mercy and Divine Love will pour down on the multitude who come here."

"This generation of Holy and Divine Love will outlast Satan's attacks. Indeed, I tell you, it will reach into the New Jerusalem. Upon this generation I bestow My Trust, and they will be able to accomplish more than any generation in Love and Mercy. I confide to them an army of angels."

"My Father wills that this site of the New Jerusalem become the doorstep of the world. Even your enemies will come in their need. Those who have opposed this site will find their arguments turn to dust in the face of new evidence of Heaven's presence here. It is beginning and continuing."

"My brothers and sisters, tonight We invite each of you, and all of you, into Our United Hearts, which is truth itself. Brothers and sisters, you must always be searchers for the truth, seek it out before you act or speak; then you will be true instruments of God, and living in His Holy and Divine Will, which is Holy Love."

"Tonight some will be healed; others will be asked to persevere in carrying their crosses with love in their hearts."

"And We're blessing you with the Blessing of Our United Hearts."

### **June 25, 2006 /3:00 p.m. Rosary Service at the United Hearts Field**

*(The first part of this message was given at 1:00 p.m.)*

Jesus and Blessed Mother are here with Their Hearts exposed. Jesus says: "I am your Jesus, born Incarnate." Blessed Mother says: "Praise be to Jesus."

Jesus: "At this site of Heaven's predilection, the United Hearts of Jesus and Mary open to welcome all people and all nations. Our Hearts have been sealed together for all eternity by the Will of God the Father. They were sealed by the Commandment of Love—love one another as I have loved you. This final dictate of My Sacred Heart seals not only Our United Hearts, but also the hearts of all those who enter the First Chamber in sincerity."

"I have been awakened by your cries, and I am coming to your aid. I will calm the storms that assail this Mission, and I will take dominion over the hearts who seek peace. The waves of controversy swirling around the Mission will settle into a calm sea. I invite your trust in Me."

"My dearest brothers and sisters, in every trial, in every victory, find your consolation and refuge in Our United Hearts. Know that you can come to Us with every problem."

"My brothers and sisters, today We are blessing you with the Blessing of Our United Hearts."

#### **June 26, 2006 /Mon. St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Jesus says: "I am your Jesus, born Incarnate." Blessed Mother says: "Praise be to Jesus."

Jesus: "Tonight I desire to give you an anointing to help you realize the truths that are being revealed to you here through these Messages and at this site. I want to take each soul deep into the Will of My Heavenly Father, so I invite you to realize that the Father's Heart embraces the United Hearts. It is impossible to come even into the First Chamber outside of God's Will, for the Father's Heart is the Divine Will."

"We're extending to you the Blessing of Our United Hearts."

#### **June 27, 2006 /Public**

St. Thomas Aquinas comes. He says: "Praise be to Jesus."

"Jesus and Mary have sent me to help you understand this final teaching about the United Hearts. The Sacred Heart of Jesus and the Immaculate Heart of Mary are sealed together for all eternity through the Divine Will of the Eternal Father. It is the Divine Will, which is One with the Heart of the Father, that embraces—encapsulates—the United Hearts. The Chambers of the United Hearts represent the various levels or depths that the soul embraces of God the Father's Will."

"So you see, the entire spiritual journey that Heaven has revealed here is a journey—beginning to end—into the Divine Will of God."

#### **June 27, 2006 /Public**

St. Dominic Savio is here. He says: "Praise be to Jesus."

"Sister, do not be mistaken in thinking that all forgiveness is pleasing to the Lord. Jesus forgives out of love in His Heart for the sinner. Very often people forgive out of self-righteousness, such as: 'I know I was greatly wronged, but I will forgive because I am so holy.' Even worse is the one who says he forgives, but really never forgets the supposed wrong against him."

"True forgiveness rises out of a heart of Holy Love. Holy Love enables the soul to move past the wrong and forget it forever. Sometimes the Lord allows conflicts to arise between people so that the true state of the person's soul can be revealed."

#### **June 30, 2006 /Friday Rosary Service**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, as this month dedicated to My Sacred Heart draws to a close, please realize that My Heart is one continuous Flame of Divine Love, burning for all mankind. Then realize that the more you are consumed by the Flame of Divine Love, the more you are drawn into the Flame of the Divine Will of My Father, which is His Heart."

"I'm blessing you with My Blessing of Divine Love."

*All people and all nations are welcome to come and pray with us.*

## Blessed Mother's Next Promised Appearance

September 14-15, 2006

Blessed Mother has promised to appear once again to Maureen Sweeney-Kyle just after midnight at the **Field of the United Hearts** on the crest of the **Feast of the Triumph of the Cross and the Feast of Our Lady of Sorrows**. Be here at 11:00 p.m. on Thursday, September 14 for the midnight apparition.

### July 2, 2006 /Public

St. Thomas Aquinas says: “Praise be to Jesus.”

“I have come to tell you that the Father's Heart is His Divine Eternal Will. His Will surrounds and encompasses the United Hearts. Therefore, for any soul to reach even the First Chamber of the United Hearts, he must begin his surrender to the Divine Will. Remember, surrender means always acceptance.”

“Anger, impatience, envy, unforgiveness—all of these and more, should warn the soul that his heart is still bound by self-love. Do not allow Satan to suggest to you that your rights have been transgressed, or that you should pout. This is evil reasoning. Only dwell on righteous reasoning which concentrates on love. The Heart of the Eternal Father is like a thin vapor—easily accessed with acceptance of His Will, but easily exited by self-love.”

### July 3, 2006 /Monday St. Michael Shield of Truth Prayer Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Jesus says: “I am your Jesus, born Incarnate.” Blessed Mother says: “Praise be to Jesus.”

Jesus: “My brothers and sisters, I invite you to understand that more and more politicians take on the persona of good or evil according to the decisions that they make. But it is also so of every heart in the world, though it may not be as obvious. Have the hope though, in this—that every heart is given the grace they need for conversion in every present moment. It is the decision of free will to accept or reject this grace.”

“We're blessing you with the Blessing of Our United Hearts.”

### July 5, 2006 /Monthly Message to All People and Every Nation

*(This message was given in multiple parts.)*

Jesus and Blessed Mother are here with Their Hearts exposed.

Jesus says: “I am your Jesus, born Incarnate.” Blessed Mother says: “Praise be to Jesus.”

Jesus: “Dear brothers and sisters, your freedom is not the same thing as rebelliousness to God's authority. True freedom comes in submission to God's law. When you oppose righteousness, you become a slave of Satan, following evil inspirations rather than inspirations of the Spirit of Truth.”

“These days you must become apostles of truth—never fearing to stand against Satan's lies—no matter the cost. Do not allow evil to take root in your heart. When you allow Satan's lies to take root, you are helping Satan to remove truth and nurture evil in the garden of your soul. The deeper the root, the more difficult the eradication of the weed.”

“I have come today to encourage those who try to perfect themselves in Holy Love in the present moment. You desire to place Me at the center of your hearts in thought, word and deed. You are My joy.”

“At the same time, I am here to admonish those who are motivated only out of self-love. These are the ones who seek to satisfy themselves in every present moment. They concern themselves with reputation, sensual pleasures, appearances, their own health and comforts, power and every degree of avarice. Most countries have at their heart this type of government.”

“The more the soul worships self-satisfaction and temptation, the more I withdraw and watch painfully as error pulls them away from Me.”

“By your moment to moment choices, you choose your salvation or your perdition. Do not think you are not held responsible for what you do under cover of darkness, for I see all things. I hear what you say which opposes Holy Love. I see what you do which

opposes My Father's commandments against stealing and cheating—even against life itself. You are not thinking with a righteous conscience, but with a heart of pride that listens to Satan's lies. You are only cheating yourself of salvation."

"The tongue that lies reflects the untruths that have ensnared the heart. How unfortunate, for lies lead many astray. The tongue is a powerful instrument. It can be used to build up My Kingdom of Truth and Love in the world, or it can be used to twist the truth and destroy the Kingdom of Love I have come to establish in these last days. (James 3:6-18). How quickly lies can affect a multitude."

"My brothers and sisters, please comprehend that the present moment can never be retrieved; once it is gone, it is gone forever. It will not come back to you so that you can surrender to Me. It will not come back to you so that you can offer it to Me in prayer or adoration; nor will it return so that I can make you victorious over temptations. Once again I tell you, My brothers and sisters, be mindful of what governs your heart in each and every present moment."

"We're blessing you with Our Blessing of Our United Hearts."

#### **July 7, 2006 /Public**

I (Maureen) was asking St. Thomas Aquinas what was the difference between God's Divine Will, God's Heart, Holy Love and the Immaculate Heart of Mary. They can't all be the same thing.

St. Thomas says: "Praise be to Jesus."

"In one sense, they are all one; in another, they are not. You see, the Paternal Heart of the Father is, and always was, the existence of the Divine Will. The Heart of Mary was created in and through this Divine Will. Mary's Heart is also the perfection of Holy Love. What God creates is existing only through His Divine Will. But Mary's Heart, being the essence of Holy Love, is the essence of the Father's Divine Will, as well. This is because Holy Love best personifies the Divine Paternal Will of God."

"What God wills and His Paternal Heart are two different things. Your puppies exist because the Father willed their creation. Yet, you cannot say they are the Divine Will—only that they are the mandate of the Divine Will."

#### **July 7, 2006 /Public**

*(Follow-up to St. Thomas Aquinas' message of July 7, 2006.)*

"I am your Jesus, born Incarnate."

"All of creation—every creature human or otherwise—is a manifestation of God's Divine Will. My Mother, because She is the perfection of Holy Love, is God's Will. This is so because Holy Love is the interior essence of the Father's Divine Paternal Will."

#### **July 7, 2006 /Friday Rosary Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Jesus says: "I am your Jesus, born Incarnate." Blessed Mother says: "Praise be to Jesus."

Jesus: "My brothers and sisters, this Mission is flourishing and has deep roots in many parts of the world in hearts that believe, and can follow this simple, yet complicated way of life, which is Holy Love. You must gather all your efforts together and understand that the Mission itself of Holy Love is ushering in the Kingdom to come."

"Tonight We're blessing you with the Blessing of Our United Hearts."

#### **July 9, 2006 /Second Sunday Service to Pray against Abortion**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Today I desire that the heart of the world open to the truth that the Eternal Father orders all things mightily. He is the Creator of all good, including life in the womb. It is dangerous to oppose His Divine and Eternal Will in these matters by using artificial birth control or submitting to abortion. Pray that the world opens itself to understand this."

"I'm blessing you with My Blessing of Divine Love."

#### **July 10, 2006 /Conversation with Divine Love**

"I am your Jesus, born Incarnate."

"I have come to help you realize that as the Immaculate Heart of My Most Holy Mother is the epitome of the Divine Will, it is fitting that Her Heart be a refuge in every storm of life. For what safer, more secure shelter can you find than the Will of My Eternal Father. Through the Heart of My Father—and subsequently through the Heart of My Mother—comes every grace, every resource, both in trial and in victory."

"Come then, as little children, abandoning every care to the abundant provision Heaven offers you. Do not fear, but as little children abandon yourselves completely to Heaven's charge. You will receive strength, courage, wisdom; indeed, so much more than you can plan for in your human limitations—for God is Love."

#### **July 10, 2006 /Monday St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Jesus says: "I am your Jesus, born Incarnate." Blessed Mother says: "Praise be to Jesus." (A personal message was given by Our Lady.)

Jesus: "My brothers and sisters, comprehend that living in the present moment requires the surrender of your free will, for every grace is offered to you in each present moment with which you can be sanctified. Therefore, do not live in foreboding and fear, but trust and have confidence in all that Heaven offers you."

"We're blessing you with the Blessing of Our United Hearts."

#### **July 14, 2006 /Second Friday Rosary Service to Pray for Priests**

St. John Vianney is here and says: "Praise be to Jesus."

"I have come to tell each one of you that anything you do without love in your heart is wasted. Priests in particular must pray for love of prayer, sacrifice and penance, for this is the way of conversion for their flock that they have been entrusted with. Do not hesitate to ask me to intercede for you, whether you are a priest or lay person. This is a special grace to love penance, prayer and sacrifice. I will help you with it."

"I'm extending to you my Priestly Blessing."

#### **July 15, 2006 /Public**

"I am your Jesus, born Incarnate."

"My Triumph is in every heart that lives and spreads the Messages of Holy and Divine Love. Therefore, understand that when you evangelize the Messages, you are helping Me to spread My Triumph. Such loving efforts I call errands of My Heart."

#### **July 15, 2006 /Conversation with Divine Love**

"I am your Jesus, born Incarnate."

"Errands of My Heart are any acts of love you perform for love of Me. Remember, as a child how you loved to help your father in the garden, and how you picked bouquets and drew pictures for your mother. That was all done of pure childlike love. Anything you do for Me in the same spirit is an errand of My Heart."

#### **July 15, 2006 /Conversation with Divine Love**

"I am your Jesus, born Incarnate."

"Heart errands are thoughts, words or deeds which are consented to by free will, only with the intention of showing love to Me—to appeal to Me—to seek My approval. This is the spirituality of a child who seeks no other pleasure than pleasing his parent."

"In these spiritual errands, the soul mounts quickly the staircase of holiness. He is perfected quickly in the virtues, and admitted deeply into My Divine Heart."

#### **July 16, 2006 /Public**

"I am your Jesus, born Incarnate."

"I have come to tell you that errands of My Heart are the fruit of a childlike simplicity. These errands are performed—not for the world to see—for the child does not seek to be important in the eyes of the world, but in the eyes of his parents."

"So, when an errand of My Heart is performed in perfection, it is given over to Me in its entirety in the secrecy of Our Two Hearts,

One to the Other—not for the world to see—but for the soul and his Jesus to share together.”

**July 17, 2006 /Monday St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. They're looking at the priests. Blessed Mother nods at them, and She motions towards Her Heart, which has a light coming out of it. Jesus now blesses them. Jesus says: "I am your Jesus, born Incarnate." Blessed Mother says: "Praise be to Jesus."

Jesus: "My brothers and sisters, please come to realize that the entire Mission of Holy and Divine Love is but a humble errand of My Sacred Heart—an act of love, an act of mercy—given through all who believe, to bring TRIUMPH into the world. When you understand this, you will see that in humble ways, VICTORY is indeed at hand."

"We're blessing you with the Blessing of Our United Hearts."

**July 20, 2006 /Public**

St. Michael says: "Praise be to Jesus."

"In truth I tell you, the impact of this Mission targets the field of battle between good and evil—the human heart itself. Satan can only win over a heart through lies. When the heart accepts his lies as truth, the soul's motives and thinking become convoluted. No one is exempt from his insidious attacks. The evil one's aim is to destroy unity between free will and God's Will. Therefore, stand guard over your heart with my Shield of Truth."

**July 21, 2006 /Public**

"I am your Jesus, born Incarnate."

"I am sending this Bishop (former Bishop of Cleveland 100 years ago—Ignatius Horstmann) back to you, as you were instrumental in his release from Purgatory. He will have much to say to you about the nature of Purgatory itself. Before those who read or hear this message bombard you with questions about deceased relatives and friends, let Me say that it is Heaven who chooses what poor souls visit you, and what knowledge you are given."

The Bishop comes. He says: "Praise be to Jesus."

"Jesus has allowed me to return to you to help the general public understand more about Purgatory itself. Purgatory is a cleansing grace. It is like the Flame of our Mother's Heart—Holy Love. Though it is painful, it cleanses the soul of all that is holding it back from a purer love. These are all venial sins. Or perhaps as in some cases, the soul has led a seriously sinful life, but at the last moment repents, and turning to God's mercy, is saved. Still, all that he has done needs to be atoned for. So then, Purgatory appeases the Heart of Divine Love for all the wounds afflicted upon it in this world."

"Even the one who sincerely attempts to lead a righteous life may have attitudes that he needs to atone for. Perhaps he is judgmental or unforgiving. He may adopt a negative attitude which does not account for God's grace. He may have deep-seated anger, which lays blame on others for his own faults. What I am saying is that no soul should consider himself exempt from working to overcome his own shortcomings. If you do not work on them here, you will have to work on them in Purgatory. Everyone should look into their own hearts then, and ask for the grace to see their faults as God sees them. This is humility."

"God alone should make excuses for your faults. Learn to recognize Satan's lies, and do not fall victim to them. You will be given the grace you need to improve—always."

**July 21, 2006 /Friday Rosary Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Jesus says: "I am your Jesus, born Incarnate." Blessed Mother says: "Praise be to Jesus." They're looking at the priests here and Jesus says: "Thank you for coming here tonight. I desire to broaden the horizons of your hearts through the Messages of Holy and Divine Love. You will receive many graces if you open your hearts."

Jesus: "My dear brothers and sisters, tonight I invite you once

again to understand that the path of perfection and purification which leads to your holiness and sanctity is Holy Love. You cannot become holy outside of My Father's Will, and Holy Love is His Will. Therefore, hasten to the path I call you upon and do not delay."

"We're blessing you with the Blessing of Our United Hearts."

**July 22, 2006 /Public**

"It is me—Ignatius (Ignatius Horstmann, past Bishop of Cleveland). Praise be to Jesus."

"Once again I come to offer instruction on Purgatory. The heart at the time of judgment is judged according to its resemblance to the Heart of Jesus, which is perfect Love and Mercy. Anything that is in the heart at that time which obstructs love and mercy must be purged, so that love and mercy are brought to perfection. Then the soul is worthy of sharing Heaven with his Savior. Here once again, I am speaking, not of serious transgressions, but more so of attitudes."

"Grudges are the main attitude that holds the soul back in his spiritual progress in this life, and detains him in Purgatory in the next. The Heart of Jesus is forgiveness; therefore, the soul needs to strive to forgive always. Blaming is a symptom of unforgiveness. Modern psychology feeds into this by encouraging children to blame their parents for all their faults or spouses for their failings. It takes great strides in humility, which is truth itself, to overcome this pattern of thought in this life. But the human heart, to take on the Heart of Divine Love, must be vested in forgiveness. Only in this way can the soul avert long hours—even years—in Purgatory."

"I will return."

**July 23, 2006 /Ecumenical Prayer for Unity Amongst All People**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "Today I invite all people and every nation to realize that abortion, war, famine and many more things are the bad fruit of inordinate self-love. Pray then, that all hearts be open to humility and self-effacement, for the future of the world lies at stake."

"We're blessing you with the Blessing of Our United Hearts."

**July 23, 2006 /Public**

St. Thomas Aquinas comes. He says: "Praise be to Jesus. Put this prayer for 'Unity and Peace Amongst All People and All Nations' down on paper:"

*"Heavenly Father, we come to Your Paternal Heart seeking peace amongst all people and all nations. Bring into harmony with Your Divine Will all human life, all of nature—even the cosmos itself."*

*"Protect all of creation from Satan's destructive plans. We know that war must be in hearts before it is in the world. Inspire all mankind, dear Father, to choose love of God and neighbor, which leads to true peace, for we know this is Your Will for us. Amen."*

**July 24, 2006 /Monday St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here. Jesus says: "I am your Jesus, born Incarnate." Blessed Mother says: "Praise be to Jesus."

Jesus: "My brothers and sisters, you must realize that the Mission here involves emptying your heart of self and filling it with love of God and neighbor. You cannot do this by yourself, but only through the help of Heavenly grace. Therefore, pray that you receive all the grace you need to love God and neighbor above all else."

"We're blessing you with the Blessing of Our United Hearts."

**July 25, 2006 /Public**

The Bishop\* comes. He says: "Praise be to Jesus."

"Here is the way to avoid a long stay in Purgatory. Always please God and neighbor ahead of self. The soul that becomes self-absorbed—that is, always considering cost to self in every situation—risks having to spend much more time being purified by the flames of love in Purgatory because of his selfish attitudes."

"Therefore, do not be selfish about the use of your time, money or any spiritual gifts God has given you. Be willing to part with any material goods that are not a necessity. Guide those in Holy Love that God has given you charge over. In humility show gratitude when others do you a favor or compliment you."

"These things I am telling you today are the fulfillment of the Holy Love Message through truth and humility. Remember that anger and impatience, jealousy and avarice, are always signs that you are focusing too much on self. These things should be a signal to you to refocus on God and others."

"Pray to the poor souls to help you with this."

*\*Bishop Ignatius Horstmann – former Bishop of Cleveland, Ohio Diocese.*

#### **July 27, 2006 /Public**

I (Maureen) was asking Jesus how we could get the idea of war out of hearts. He said: "I am your Jesus, born Incarnate."

"People today are no different than in My day. The ones who are motivated only by self-gain cause the problems—war, famine, social discrimination and so on—for everyone else. Pray and make sacrifices that people realize this. When you are a true martyr of love, no errand of My Heart is too great for you. Everything you give in this martyrdom is given with childlike simplicity, and I am able to change events, offer graces—even challenge ideals that I could not have done without your help."

"You see, when you give out of pure love, only seeking to please Me, the veil of justice that is ready to tear is held in place by the angels. My Justice is withheld and My Mercy continues to pour upon earth, offering contrition to every sinner and a way out of Satan's traps."

"Is it not worth it, then, to pray and sacrifice for even more love to fill your own heart and, so too, the heart of the world? I appeal always to those who have chosen to love Me so that I can continue to approach every sinner."

"Make it known."

#### **July 28, 2006 /Public**

"I am your Jesus, born Incarnate."

"I have come to remind you to let Holy Love stand vigil over your heart in every present moment. Ask your guardian angel for his help in this regard. Otherwise the enemy will find the same port of entry into your thoughts, your actions and your decisions. You must be cognizant of the way that Satan operates if you intend to oppose him."

"Make it known."

#### **July 28, 2006 /Friday Rosary Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Jesus says: "I am your Jesus, born Incarnate." Blessed Mother says: "Praise be to Jesus." They nod toward Sister and smile.

Jesus: "My brothers and sisters, the United Hearts of Jesus and Mary desire to use all of you as instruments in the conversion of souls. Therefore, be self-effacing. Do not be absorbed in self, but be My instruments—always working to be more virtuous through Holy Love. In that way I will touch many souls through you—each of you."

"We're blessing you with the Blessing of Our United Hearts."

#### **July 31, 2006 /Monday St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

I desire that these Messages lead you to salvation, even to your sanctity. This is not possible unless you surrender and live the Messages from the heart."

"We're blessing you with the Blessing of Our United Hearts."

St. Thomas Aquinas says: “Praise be to Jesus.”

“I have come to help you to understand. The Kingdom of Heaven spoken of in the Gospel today is one with the Kingdom of the Divine Will. No one enters the Kingdom of Heaven who is not conformed with the Divine Will of God. It is the Flame of Holy Love—the Flame of our Mother’s Heart—which purifies and conforms the heart to be conformed with the Divine Will of the Heavenly Father. If this state is not attained here in the world, the Flame of Holy Love reaches into Purgatory and the Divine purification takes place there.”

“So you see, everyone in Heaven, happily, has reached the Fourth Chamber of the United Hearts.”

*The Gospel today – Matthew 13:44-46*

### **August 4, 2006 /Feast of St. John Vianney**

St. John Vianney says: “Praise be to Jesus.”

“Today on my feast day, I have come to remind all priests that their vocation is the salvation of the souls under their charge. Towards this end, they need to place the distribution of the sacraments as their first priority, making Mass, the Eucharist and Confession generously available. They must be just stewards of any and all funds that come their way—not neglecting the poor in their needs, nor treating the affluent with greater respect than the simplest and lowliest under their charge.”

“Any activity which could lead to debauchery must be discouraged. In the same way, sin must be exposed for what it is. Bishops cannot be placated because of rank, but must be open to suggestions—even constructive criticism.”

“Seek always the reconciliation between God and His people.”

“As priests, do not neglect your own prayer lives. You cannot lead if you do not move forward yourself first.”

“Above all, avoid sin of any kind so that your relationship with God is the best and strongest it can be.”

“If you listen and act on the words I have given you today, your Confession lines will be long, your Masses overcrowded, and many vocations will blossom in your midst. Make it known.”

### **August 4, 2006 /Fri. Rosary Service – Feast of St. John Vianney**

Jesus and Blessed Mother are here with Their Hearts exposed, and St. John Vianney is to the front of Them. Jesus says: “I am your Jesus, born Incarnate.” Blessed Mother and St. John Vianney say: “Praise be to Jesus.”

Jesus: “My dear children, this Saint wants you to know the sin that holds souls for the longest time in Purgatory are sins of the flesh. Next comes sins of the tongue and after that—intellectual pride. And so, avoid all these and lead simplistic lives; you will see Paradise much sooner than certain others.”

“We’re blessing you with the Blessing of Our United Hearts.”

### **August 5, 2006 /Monthly Message to All People and Every Nation (This message was given in multiple parts.)**

Jesus and Blessed Mother are here dressed in bright white with gold trim. Their Hearts are exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “I have been watching you with your puppy.\* I cannot help but compare your experience with My own. I go through similar problems, joys and expectations with souls. The puppy—one minute is loving, adorable, melting your heart—the next minute

she is in danger without knowing it, and you reach out to rescue her. She is inquisitive and mischievous without caution. She is easily pulled away from bonding with you by chasing a butterfly.”

“See that souls who come close to Me are much the same. Satan tempts them in ways they do not recognize. They flit from one temptation to another, placing themselves in spiritual danger. Often, when I reach out to rescue them, they ignore Me. Like the puppy who is difficult to catch sometimes, some souls hold themselves out of My reach.”

“Now I invite you to understand that whole nations are like the puppy, depending on their elected leaders. This is because nations take on the personality of their leaders. If the leaders have Holy Love in their hearts, then the nation is led closer to Me in their policies and legislation. But today, too many nations are on the brink of disaster—ignoring My warnings that come from those close to Me; they will not allow Me to rescue them. There is much subterfuge and many hidden agendas, as individuals (therefore, whole nations) try to become world powers, not through good, but through evil.”

“I cannot redirect nations if their leaders will not listen. However, the souls within each nation have the right to listen to Me. I will speak then, to individual souls. Do not be hungry for power, money or control. Do not worry about your reputation amongst people. In simplicity only try to appeal to Me. The way to appeal to Me is through Holy Love. Pray, sacrifice and do penance. I will never abandon you. My Love is constant. If you stray, I will always welcome you back. Influence others to live the same way that I encourage you to live. My Victory will come first in hearts, and then in the whole world.”

“While some world leaders try to force change towards evil through sweeping policies by merit of their power, I invite individual souls to come into My Heart by choosing Holy Love. It is the choices of individuals that chart the course of the future—the timing and nature of My Justice. Therefore, do not take your individual choices lightly. Your choices also determine your own eternity.”

“Your new puppy’s whole world is centered on her relationship with you, her owners. So it is meant to be with My little lambs in the world. Every grace in this life, including life itself, is dependent upon God’s Provision flowing through His Divine Will. My lambs that lose their way have lost sight of this and believe more in their own efforts than in the Hand of Providence. I invite you to see, this is like a puppy that bites the hand that feeds her. Few puppies are so foolish, but many humans are.”

“Turn your hearts over to loving gratitude, mankind. Then all that has been given you will be added, too. I, Myself, will be your protector against the wiles of Satan.”

“At last, I remind you of the incident two days ago when Katie, the puppy, was running with a sharp object in her mouth. No matter what you did, you could not get her attention or grab her. Finally, you poured a container of water on her. She stopped and you were able to save her from disaster. Well, today I am pouring ‘buckets’ of grace into the world, hoping to get the attention of humanity and to save the world from disaster. These Messages and this Mission are a great portion of that ‘bucket’ of grace. Through the graces offered here, I hope to snatch humanity from the grip of Satan’s clutches.”

“Today I tell you solemnly, that Satan has a stranglehold upon the throat of humanity in the form of inordinate self-love. Because of this disordered self-love, every type of disaster, famine, financial problems fall upon earth, for Satan in all his lies, seeks the destruction of the planet, as well as all those who inhabit it. Therefore, become part of My little Remnant through Holy Love, and live only for My Victory within hearts.”

“We’re blessing you with the Blessing of Our United Hearts.”

\* *Katie – Maureen’s 11-week- old Golden Retriever puppy.*

## **August 6, 2006 /Public INTELLECTUAL PRIDE /PURGATORY**

St. John Vianney says: “Praise be to Jesus.”

“Today I have come to help you realize just why intellectual pride is an attitude that holds souls in Purgatory for so long. This type of pride leads people to believe more in themselves and their own opinions than in the Holy Spirit who is Truth itself.”

“Intellectual pride results in false discernment, rash judgment, liberal theology and an obtuse spirit in examining their own conscience. Every heresy throughout history has been the product of intellectual pride. This type of pride leads the soul to believe he is always right—everyone who opposes him is wrong. In this same way, he closes himself off from constructive criticism.”

“Souls, in humility, must realize that all intellect comes from God alone, and is only lent to the person as a grace to be used for the greater honor and glory of God. It is so with any gift or talent. How foolish to consider it otherwise.”

“When the soul believes too much in himself, he begins to use what God has given him towards his own self-destruction.”

## **August 6, 2006 /Public**

I (Maureen) had a vision of a lion tamer. He had a whip which he was cracking towards a lion to keep him submissive. Then St. Thomas Aquinas came. He said: “Praise be to Jesus.”

“When the intellect and free will are brought under control and governed by Holy Love, then the spirit can freely become childlike.”

## **August 7, 2006 /Monday St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, if you desire deeper holiness, then you need to petition the Heart of My Most Immaculate Mother who is the Mediatrix of all grace to help you, to give you the graces that you need to move towards perfection. She will help you in unanticipated ways.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

## **August 9, 2006 /Public**

St. John Vianney says: “Praise be to Jesus.”

“I tell you, it is too often the evil one who brings others’ shortcomings to light—disturbing your peace and encouraging you to judge. Remember that Satan’s role is the accuser—the one who brings disunity and destroys peace. When he tries this, call on Mary, Refuge of Holy Love. Then try to think of a good quality the other person has, one that perhaps you do not.”

“As a general rule, do not concentrate on the faults of others, but what you can do to come deeper into the Chambers of the United Hearts.”

## **August 11, 2006 /2nd Fri. Rosary Service to Pray for Priests**

St. John Vianney is here. He smiles at the priest who is present, and blesses him. He says: “Praise be to Jesus.”

“My brothers and sisters, if you do not recognize the portal that Satan comes through to reach the inner recesses of your heart with his temptations—if you do not recognize the path he draws you upon with his evil inspirations—then you are giving him free reign in your hearts and in your lives. This is especially true of priests who are the most popular targets of evil. You must pray for the wisdom to recognize and to know the enemy; then you will be ready for his next attack, and he will not trip you up.”

“Tonight I’m extending to you my Priestly Blessing.”

## **August 13, 2006 /Public**

“I am your Jesus, born Incarnate.”

“Today I have come to help each one realize the profound influence that every abortion has upon the world. When the gift of life is violated in the womb, the world moves closer to the edge of

the abyss, and the abyss itself between Heaven and earth widens. All of the gifts—spiritual, mental and physical that were bestowed upon that innocent life at conception—are killed when the life is taken. All the positive effects that the new life would have had in the world are taken away with the life itself. In their place, evil is made more powerful.”

“Do not wonder then, at the intensity of wars, famine and disease in the world today. Perverse and convoluted hearts have been allowed to come to power because of abortion.”

“You have been given the weapon to oppose this terrible sin, which is a blight upon the heart of humanity, in the Rosary of the Unborn. Do not put it down. Use it as a nuclear weapon against the Satanic power of legalized abortion. Do not let Satan discourage you in this. Be valiant in this battle.”

#### **August 13, 2006 /2nd Sun. Service to Pray against Abortion**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“Today, My brothers and sisters, you fear—and with good cause—the event of a nuclear war. This is because many hearts are convoluted and do not recognize the truth or who inspires their thoughts. You fear such a war because of nuclear fallout, and yet, I tell you, that the fallout from praying the Rosary of the Unborn is much more powerful than any nuclear bomb. You will not have an end to these threats against world peace until abortion is eliminated.”

“I’m blessing you with My Blessing of Divine Love.”

#### **August 14, 2006 /Mon. St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, Our coming to you during these last years with many Messages concerning Holy and Divine Love is Our way of sharing the Victory of the United Hearts with you. When you live in Divine Love, I have already welcomed you into the New Jerusalem, for My Mother’s Heart is the Gateway to the New Jerusalem. Live patiently and in holiness.”

“Tonight We’re blessing you with Our Blessing of the United Hearts.”

#### **August 17, 2006 /Public**

St. Martin de Porres says: “Praise be to Jesus.”

“All of the faults which present themselves as obstacles to deeper holiness, such as unforgiveness, anger, self-centeredness, jealousy—these are all signs of weakness in Holy Love. These Messages are meant to root out such flaws and make room in the heart for a more profound quality of Holy Love. This is why each soul needs to look with courage and humility into his own heart each day, and throughout the day to see if he is making the right choices in every present moment. To live otherwise is only carelessness.”

#### **August 18, 2006 /Friday Rosary Service**

Jesus and Blessed Mother are here with Their Hearts exposed. They nod, and smiling, greet the priests here; then they point to Their Hearts. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, you must realize that every present moment has its own value. The value it claims is the amount of Holy Love that the soul spends in that particular present moment. There is no half-measure—the soul is either living the moment in Holy Love or he is not.”

“The present moments that are wasted cause My Arm of Justice to weigh heavy. It is only My Mother’s prayers and your prayers, as well, that are holding it back—keeping it from falling. Tonight, I tell you, you must not give up praying. Pray often and from the heart so that we can win this battle—good against evil.”

“We’re blessing you with the Blessing of Our United Hearts.”

#### **August 21, 2006 /Public**

St. Thomas Aquinas says: “Praise be to Jesus.”

“Today I have come to help you understand that the depth of Holy Love in your heart determines the depth of every virtue, as well. Knowing this truth, you must realize that you should pray daily to come deeper into Holy and Divine Love. It is through love of God and love of neighbor that you receive a more generous nature, making you bear others’ faults patiently, overcoming jealousy and unforgiveness; indeed, increasing in every virtue so as to steady your feet upon the path of perfection.”

“So then, realize that Holy Love is like a fountain of life—overflowing into each heart that welcomes it. However, no one can draw near this fountain unless he first embraces Holy and Divine Love.”

#### **August 21, 2006 /Mon. St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, if you wish to pass from this life directly into Heaven—the Kingdom of the Divine Will—then allow your hearts to be filled with childlike faith and trust; then every virtue will deepen in you.”

“My brothers and sisters, do not be discouraged by your faults, but when you discover them, empty your heart of them and I will fill your hearts with Holy and Divine Love.”

“We’re blessing you with Our Blessing of the United Hearts.”

#### **August 23, 2006 /Public**

St. Thomas Aquinas says: “Praise be to Jesus.”

“Put these words down for generations yet to come. This is how to live out a Holy Martyrdom of Love.”

“Accept everything as from God’s Hand in humility, for God alone ordains, permits and orders all things mightily. To be a martyr of love means that you are also a victim of love. God is raising up an army of holy victims who will usher in the season of victory. Do not allow, then, the Cross to burden or discourage you. Come often before Jesus in the tabernacle and He will strengthen you.”

#### **August 24, 2006 /Public**

St. Thomas Aquinas says: “Praise be to Jesus.”

“You are asking in your heart how each virtue can be a separate step on the stairway to holiness. It is true—all the virtues must come together in the soul in order to achieve perfection and harmony with God’s Divine Will; however, not all virtue is obtained at once. Virtue is a combination of the free will in cooperation with the graces received through the Heart of Mary.”

“In order to increase in virtue, the soul must first acknowledge his shortcomings in the virtues. Then he needs to pray to overcome these faults. For instance, if the soul is given over to impatience, then he needs to pray for the grace to become patient; practice patience, and Our Heavenly Mother will gradually give him a strong gift of the virtue of patience.”

“So you see why self-knowledge is so important. Without it, the soul cannot continue his journey into the Divine Will. Every virtue has its counter in sin, which battles against conformity to the Divine Will. Each soul has its own individual battle to fight—its own flaws in virtue—its own strengths and weaknesses. Every step towards perfection in virtue is opposed by evil. Satan cringes at the thought of personal holiness. This is why it is important to pray for yourself, as well as others.”

#### **August 25, 2006 /Public**

St. Joseph says: “Praise be to Jesus.”

“ALWAYS REMEMBER.”

“Material goods spoil, ruin or become outdated.”

“Physical beauty is passing.”

“The opinions of others are fickle, and of no account before the judgment seat of God.”

"God alone suffices."  
"Only love is everlasting."

### August 25, 2006 /Friday Rosary Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "My brothers and sisters, tonight I especially invite you to courageous trust. A heart that trusts in this way believes that I am present in every turn of events, and that every outcome contains My Victory, no matter how small."

"If you have courageous trust in your heart, you are moving along the path with docility towards perfection."

"Tonight We're blessing you with the Blessing of Our United Hearts."

### August 27, 2006 /Ecumenical Prayer for Unity Amongst All People (This message was given in two parts.)

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Today I come to you seeking the reconciliation of all nations with one another and with God. You can only be reconciled if Holy Love is the core and source of your attempts at peace. When Holy Love is sincerely your motivation, you will be living in the Spirit of Truth. Erroneous doctrines, ideologies and false gods will be removed from your hearts; then My Victory will come as a mighty force, drawing all people into the Light of Truth."

"No longer will nation oppose nation. The lion and the lamb will lie down together. Then harmony with My Father's Will will bring nature into balance. You will no longer need to fear disasters, either in nature or by the hand of man himself; you will be living in the New Jerusalem."

"My brothers and sisters, let your prayer for world peace arise from hearts that truly and sincerely embrace these Messages of Holy and Divine Love, and are willing to propagate them. This is the only path to lasting peace."

"I'm extending to you today My Blessing of Divine Love."

### August 28, 2006 /Mon. St. Michael Shield of Truth Prayer Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "My brothers and sisters, when you open your hearts to Holy Love, you open your hearts to the grace Heaven wants you to have. Through the invitation of Holy Love, you will be given every good thing—even the good of embracing the crosses that God ordains and permits in your lives."

"And so, My brothers and sisters, do not reject any of these Messages, but in humility live them from the heart."

"We're blessing you with the Blessing of Our United Hearts."

### August 31, 2006 /Public

"I am your Jesus, born Incarnate."

"Each day and in every present moment, the cross takes on a new form in every person's life. Be ready by accepting the cross for love of Me. This is the way of Divine Victimhood—the way to become a Victim of Love. In your acceptance is your surrender."

"When you arise, pray thus:"

*"Dear Jesus, in this present moment, for love of You,  
I accept the cross no matter what form it takes. I desire to  
heal Your wounded Heart through this Victimhood of Love.  
Amen."*

"Repeat this prayer throughout the day or whenever the cross presents itself in a difficult way."

### **September 1, 2006/ Friday Rosary Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, tonight I come to urge each person here to pray for childlike simplicity of heart, for it is through simplicity you will be able to offer Me every small little burden, and I will accept it as a gift from a child. Only in today's day and age, with so much cynicism in hearts, could Messages concerning Holy and Divine Love be so controversial.”

“My brothers and sisters, pray for simplicity, and I will bless you with this virtue.”

The United Hearts Blessing was given.

### **September 2, 2006/ 1st Saturday Rosary Service to Pray Against Abortion**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, thousands and thousands of lives have been lost to the sin of abortion in the past in this country alone. Many more thousands will be lost in the near future because now your country has approved the morning-after pill to be sold freely over the counter. What a giant step away from harmony with God's Divine Will! The consequences are immeasurable.”

“My brothers and sisters, realize the gravity of the situation and pray, pray, pray.”

“I'm blessing you with My Blessing of Divine Love.”

### **September 4, 2006/ Public**

“I am your Jesus, born Incarnate.”

“I have come to you today once again, as in days past, to discuss with you the ‘Church of Atonement.’ This is not a new religion, nor does it come as a means of division. I ask that people understand this.”

“The ‘Church of Atonement’ is a church within a church—a spirituality within a spirituality. It is My little army of souls who willingly embrace Divine Victimhood. These souls offer everything towards the purification of the Church in the Tradition of Faith. These souls suffer everything in childlike simplicity and trust.”

“It is with this army of holy victims that this ‘Church of Atonement’ will form and bring unity back into the heart of the Church.”

“Make this known.”

### **September 5, 2006/ Monthly Message to All People and Every Nation**

*(This message was given in multiple parts.)*

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: "With the stealth of a cat burglar, the last semblance of morality has been stolen from your country as the over-the-counter sale of the morning-after pill was authorized."

"Moral degeneration exacts its toll. The Hand of Justice grows weary. Understanding the distress of My Sacred Heart over the moral degeneration of your country, imagine My grief as I see into the heart of all nations the same situation. Therefore, you, My Remnant, must understand how important My Remnant Faithful are to Me. It is within these small and scattered pockets of faith that confusion and compromise are overcome, and the Tradition of Faith is not allowed to be challenged."

"I send My Mother here to this site to support you with Her miracles and healings. Still, Satan challenges this Refuge, but he will not succeed. I know My lambs, and My lambs know Me. When power, reputation and money fail them, the lost lambs will search Me out here at this site, and I will welcome them. Therefore, believe that I, your Lord, will sustain you in the midst of every battle. No attack will you succumb to. This is My promise. So while the battles may intensify, My grace is enough for you."

"The more you are attacked and under siege, the greater the graces here. Then, understand, that Satan cannot weaken you. All of his strategies are undone by Heaven's power. I am sending even more angels to the site as the next midnight visit approaches. Their presence will be a comfort to many. They will be seen and felt."

"My brothers and sisters, Satan is attacking the borders of this Mission. These are the hearts that have not decided yet for or against Holy Love. These are the hearts most vulnerable to his attacks of misinformation and lies."

"When an army advances in the world, the people within the country under attack unite and use their most powerful weapons to ward off the enemy and secure the border. In this battle which Satan is waging against Holy and Divine Love, those of you who are already living the spirituality I call you to in this Mission must unite and defend the truth with the powerful weapons of the Rosary, Masses and Communions. The more hearts that are won over to Holy Love, the stronger My Victory."

"Today I invite you to see that the path I call you upon is TRUTH, LOVE and MERCY. My Heart is all TRUTH, all LOVE and all MERCY. With docility, imitate Me."

"We're convicting hearts here today."

"We're blessing you with the Blessing of Our United Hearts."

#### **September 8, 2006/ 2nd Friday Rosary Service to Pray for Priests**

St. John Vianney is here. He says: "Praise be to Jesus."

"Tonight I come especially to remind the Church hierarchy that they are priests first, and then Bishops or Cardinals. Understanding this, they must protect the truth of the TRADITION OF FAITH and pass this on completely and without compromise to their flock, the priests and the laity. Please pray for this to become a reality in today's world."

"I'm extending to you my Priestly Blessing."

#### **September 10, 2006/ 2nd Sun. Service to Pray against Abortion**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tomorrow your country will commemorate the loss of life during the September 11<sup>th</sup> tragedy five years ago. Certainly this is a great loss, but who mourns for the loss of life sacrificed on the altar of abortion, moment by

moment, day to day? Who sorrows for the loss of innocence at an early age, which is becoming commonplace around the world?"

"Until all life is respected from conception until natural death, you will continue to have violence, terrorism and wars at your doorstep. Therefore, if you want violence and terrorism to end, then you must pray for all of life to be respected."

"I'm blessing you with My Blessing of Divine Love."

#### **September 11, 2006/ Public**

"I am your Jesus, born Incarnate."

"I once again seek your understanding. What happened five years ago on this date (terrorists' attack on twin towers) is the perfect example that evil must take up its root in hearts first and then act out in the world. Therefore, hear and understand the importance of letting Holy Love completely possess your hearts."

*Read Mark 7: 14-16*

#### **September 11, 2006/ Mon. St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here. The United Hearts Image is present in front of Them. Jesus says: "I am your Jesus, born Incarnate." Blessed Mother says: "Praise be to Jesus."

Jesus: "My brothers and sisters, before you is the representation of Our United Hearts, and in the apparition room the United Hearts are present in a very special way. Understand that Our Hearts are united, just as mercy and love are united. This is how We desire that you live—united in mercy and love, united with one another—not looking for differences but for oneness."

"Tonight We're blessing you with Our Blessing of the United Hearts."

#### **September 15, 2006/ Midnight Service in the United Hearts Field - Feasts of The Triumph of the Cross 9/14 and The Sorrowful Mother 9/15**

*(This message was given in multiple parts.)*

Blessed Mother is here as the Sorrowful Mother. She is dressed in gray and has two very large angels with Her—one on each side. She says: "Praise be to Jesus."

"Dear children, these days I am in your hearts and you are in Mine. Please understand that no opinions—even lies of others, no matter their prestige or esteem in the world—can change the truth of Heaven's predilection here at Maranatha. I come to you as a sorrowing Mother seeking the salvation of all of Her children."

"Dear children, with docility, understand what I am here to tell you. Be wise as serpents and gentle as doves. A wound needs to be exposed to the air to finally heal. [She smiles and motions towards the scratch on my arm.] So it is with the bride. Her spouse allows her wounds to come into the light so that a healing can take place from the inside out. Some, in astonishment, say, 'Look at the depth of the woundedness.' Remember, My Son is the Divine Physician, and can heal all wounds. He even has sent His own Mother to you as 'Protectress of the Faith', a title which is healing in itself. So much does He love you and desire that you have only the truth, for He is the Truth."

"Those who fear the impact of these apparitions here have spread malicious lies about their authenticity—lies that cannot, and will not, be justified in righteousness. Stop and think, My

little children, who would oppose messages that lead you deep into holiness, deep into the Divine Heart of My Son? Who is the enemy of love and does not want your salvation? Who inspires you to doubt the path your Mother calls you upon? If you are wise, you will see Satan's fingerprints on all these attacks, lies and inuendos."

"My children, you must realize the sequence of events that is taking place in the world today. You have the beginnings of a new tyranny—a tyranny such as the world has never known. It will be allowed to envelope all of mankind, portraying itself to be good, but proving to be the incarnation of evil. This tyranny will demand a new money system, worship of evil and, thereby, lead you into a one-world religion. You will not find a nugget of truth in any of Satan's plans for you."

"Therefore, understand, that the truth is in your midst now in this Mission of Holy and Divine Love. Do not allow evil to convince you otherwise. Cling to the truth, and do not allow yourselves to be misled by darkness. You, My dear, dear children, are children of the Light."

"Tonight, as children of the Light, allow the Light of Holy Love to shine through you, to encompass you and to embrace those around you. I, your Sorrowful Mother, treasure these times with you. I have received special favors from My Divine Son as He seeks to ignite all hearts with the Flame of Holy Love here tonight. In your hearts and in your lives, your Mother will place untold graces—graces you did not have before My coming to you tonight. Relationships with those around you will improve. Physical healings will abound. Stress will be relieved so that you can come closer to Jesus. Future difficulties, which have laid heavy on your hearts, will be resolved. What you doubted before, now you will believe. In all these things, remember to give thanks to Jesus, the One Who sends Me."

"My dear, dear children, I am here tonight just for you, as you have come to console Me in My sorrows. I have come to relieve your suffering. My children, no longer fear or have anxiety in your hearts, for I am with you. The greatest graces are yet to come; be at peace. I'm taking all petitions with Me to Heaven tonight."

"I'm blessing you with My Blessing of Holy Love."

#### **September 15, 2006/ Public**

Blessed Mother says: "Praise be to Jesus."

"Today, it is a brighter day, both in hearts and in the world at large because My Jesus allowed Me to be with you last night. Each time I come to you, Satan's grasp is loosened. For this reason, to help the world in these times of error and grave dangers, God the Father permits that I visit here at midnight, breaking on the dawn of December 8<sup>th</sup>, the feast of My Immaculate Conception."

"Then, once again, I will come to My children at midnight, opening the day of My feast of Guadalupe. These are moments of great graces when Satan's wrath is challenged and neutralized. Be joyful in anticipation of My coming to you."

#### **September 15, 2006/ Friday Rosary Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Jesus says: "I am your Jesus, born Incarnate." Blessed Mother says: "Praise be to Jesus."

Jesus: "My brothers and sisters, if you wish peace on earth, peace amongst all nations, then you must clothe yourselves in the Divine Will of the Eternal Father. Always respect My right to give life and take life at My choosing. You can only

accomplish this goal if you live in Holy Love. My brothers and sisters, clothe yourselves in this truth, and peace will come to all nations."

"We're blessing you with the Blessing of Our United Hearts."

#### **September 18, 2006/ Mon. St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Jesus says: "I am your Jesus, born Incarnate." Blessed Mother says: "Praise be to Jesus." [A private message was given.]

Jesus: "My dear brothers and sisters, when your journey in holiness becomes the most difficult, that is the present moment that you must trust the most through prayer and sacrifice. Then your journey will be less arduous, and all your trials will seem easy and light."

"Tonight We're blessing you with the Blessing of Our United Hearts."

#### **September 21, 2006/ Public**

St. Thomas Aquinas says: "Praise be to Jesus."

"You ask if inanimate objects can have spirits, since they do not have souls. The answer is a resounding, 'Yes!' When you are around people, whether they are happy, peaceful or agitated, you say their mood affected you. Actually, it is their spirit that attached itself to your spirit. It is the same with places or things. When people come to the shrine, they feel peace. That is because Our Lady's Heart, which is peace, has taken over the property, and Her Spirit is felt here. All of the objects on the property reflect this peace."

"The atmosphere of a place is always a reflection of the spirits of the people who occupy it. For instance, if you walked into a bar or a brothel, you would feel quite different than if you walked onto this property. Once again, the spirit is like the fragrance of the soul. When the soul or person leaves an area, the 'fragrance'—the spirit—lingers in the air long afterwards. It clings to the objects in the area. When these objects are picked up and carried to another place, the spirit (fragrance) is carried with it."

"So, it bears repeating and elaborating upon. The water and objects carried away from this site carry with them the spirit of peace."

#### **September 22, 2006/ Friday Rosary Service**

Jesus is here as the Sacred Heart; Blessed Mother as Our Lady of Fatima. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "My brothers and sisters, as world peace has been entrusted to My Mother's Immaculate Heart, She depends always upon your prayers and sacrifices towards this end. And so, I invite you to understand that She shares this confidence of world peace with you. Take this responsibility seriously, for true peace will only come through the Victory of Holy Love."

"We're blessing you with Our Blessing of the United Hearts."

#### **September 24, 2006/ Ecumenical Prayer for Unity Amongst All People**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

“My brothers and sisters, the basic mission that you are invited to here is to spread Holy Love around the world, for truth bears the fruit of unity and peace. It is Satan’s lies and deceit that bear the bad fruit of terrorism, war and violence. Spread the truth, My brothers and sisters—the basic message of Holy Love.”

“I’m blessing you with My Blessing of Divine Love.”

### **September 25, 2006/ Conversation with Divine Love**

“I am your Jesus, born Incarnate.”

“Child, place everything—every problem, every petition—in the recesses of My Divine Heart. Herein, all is attended to according to the Divine Will of My Eternal Father. Nothing is forgotten or overlooked. Nothing is unimportant. Whatever concerns you, concerns Me, as well. Every solution is within My Sacred Heart; nothing goes unanswered. Trust—yes, childlike trust—is what holds all your petitions in My Heart. When you can turn everything over to Me and to the welfare of My Heart, then My actions in your life are most profound and powerful.”

### **September 29, 2006/ Feast of Archangels Michael, Gabriel and Raphael - Friday Rosary Service**

Jesus and Blessed Mother are preceded by Saints Michael, Gabriel and Raphael, archangels who are now standing behind Them. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “Tonight, My brothers and sisters, I am placing St. Michael’s Shield of Truth over the Mission itself, over the messenger, over the Messages. Satan will find it difficult, and be unable to convolute the truth from now on. This is a great gift, and so tonight you must celebrate.”

“We’re blessing you tonight with the Blessing of Our United Hearts.”

### **September 29, 2006/ Conversation with Divine Love**

“I am your Jesus, born Incarnate.”

“To continue My discussion with you on trust. As it is the ‘hand of trust’ that holds your petitions in My Sacred Heart, I act promptly in strengthening and supporting the trust you show Me by placing My Wounded Hand under your hand. Thus, we act together in this effort of trust.”

“Your initial effort of prayerfully surrendering each petition to My Heart is secured in place with your trust in My Provision. When I see your trust, I come to your aid, and support you by merit of My own woundedness.”

### **September 30, 2006/ Public**

St. Padre Pio says: “Praise be to Jesus.”

“There is no one who comes here that leaves without some type of healing—physical, spiritual or emotional. If they have a physical cross, it is either removed at the Spring, or they receive the grace to bear the cross of their affliction more admirably. This, in itself, is a healing. If the cross comes as an emotional affliction, the same is true. The cross is either removed or lightened.”

“Therefore, let no one say, ‘I came, but was not healed.’ The same is true wherever Heaven meets earth—Lourdes, Fatima—all the great places of pilgrimage.”

### **October 2, 2006/ Monday St. Michael Shield of Truth Prayer Service/ Feast of The Guardian Angels**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, once again I repeat to you that here at this site you are given an extra guardian angel to stand guard over the Holy Love in your hearts. Be open to his guidance and his inspirations, which may come through people or events, and you will advance quickly in the ways of Holy Love.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

### **October 5, 2006/ Monthly Message to All People and Every Nation**

*(This message was given in multiple parts.)*

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “Today I call you, My brothers and sisters, to be united in Holy and Divine Love. This is the way of salvation—the way of eternal life. It is the lasting and Eternal Truth. It is not only My invitation to you, but My plea.”

“Build up unity with one another by living according to Holy Love. Do not allow Satan to chip away at this Eternal Truth I

have placed in your hearts through opinions, ambition and hidden agendas. As the Remnant Faithful, fully realize your obligation to be missionaries of love in a world that seeks its fulfillment only through self-love. Do not abandon My call to you—not in the least way. Realize that My plan for you is not only for your own salvation, but for the salvation of those around you.”

“There are certain ideologies which are contrary to Holy Love. These destructive ideologies have consumed whole nations. Therefore, today I call My Remnant Faithful to become a nation of Holy and Divine Love—a nation that will stand for the truth. This nation of love will have its heart in Heaven, and will not succumb to Satan’s insidious lies.”

“As a holy nation, formed in the Divine Will, let your Constitution be the two great Commandments of Love. Your flag must be formed of trust—always going ahead of you—meeting the enemy head on. Your enemy takes the form of anything that opposes the law of love. Your coat of arms is the United Hearts, always representing truth itself. Your line of defense is St. Michael’s Shield of Truth.”

“Be vigilant against the enemy who tries to sow doubts in your midst. Recognize him. Once you see him, you can defeat him with the truth and through prayer and sacrifice. Aspire only for littleness. Be ambitious only for holiness. In this way, you will always be a faithful citizen in the remnant nation of love.”

"My brothers and sisters, I'm calling all of you together now to be united in Holy Love as one nation governed by the Divine Will of My Eternal Father. You will not succumb to any error, and you will endure persecution with grace."

"We're blessing you with the Blessing of Our United Hearts."

#### **October 6, 2006/ Friday Rosary Service**

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I come to remind you that all that you do, all that you say and every thought should proceed from a heart filled with Holy Love. When you do this, great graces come down in abundance upon you from Heaven. Your petitions are answered quickly, and you are living in the Will of God. When you neglect to live with a heart full of Holy Love, all that could have been accomplished is blown away like a dried leaf in the wind. Then you do not achieve the graces that you could have had."

"So remember, I come seeking that you live in Holy Love, and that all thought, word and deed proceed from a heart of Holy Love; and then I will bless you as I am blessing you now with My Blessing of Divine Love."

#### **October 7, 2006/ Public**

St. Thomas Aquinas says: "Praise be to Jesus."

"Listen to your Thomas as I explain to you these truths. Trust is the means by which you journey into deeper virtue. Trust and love are so deeply joined, you cannot increase in one without increasing in the other. I am telling you this, for every true virtue is an expression of Holy Love in the heart. You can only love with sincerity as much as you trust. One is an expression of another."

"In order to trust more you must love more. Each step in trust is deeper self-surrender because you live in Holy Love. To try to separate love and trust is to try to separate the heart from the rhythm of its beat."

#### **October 9, 2006/ Public**

"I am your Jesus, born Incarnate."

"I have come to give to the world a prayer to protect the innocence of the world at large. Satan has made it his goal to destroy innocence at an early age, thus claiming more and more souls for himself. The prayer is to My Image of Divine Childhood."

*"Divine Child Jesus, we come to You asking Your protection over the innocence of the world. Place all children in Your little Divine Heart."*

*"Protect their eyes so that they do not see anything that would destroy their innocence. Protect their ears that they would not hear anything that would take away innocence. Fill their hearts with Holy Love, dear Divine Child. Extend their years of innocence by merit of Your protection. Amen."*

#### **October 9, 2006/ Public**

"I am your Jesus, born Incarnate."

"I invite you to understand that Divine Mercy and Divine Love, because they are eternally inseparable, will share in the Triumph that is to come. You now live in times of purification, both in the Church and in the world. Understand and have

courage in faith. Evil has no more power than I allow and that the Father permits."

"In these Messages of Holy and Divine Love, I give you the remedy against evil. I ask in return that you give to Me every present moment, closely uniting your hearts to My Sacred Heart on the Cross. When you open your hearts to Me in this way, I am able to pour more grace into a spiritually withering world—a world which has lost sight of the goal of personal holiness and of Heaven itself."

"Make it known."

#### **October 9, 2006/ Monday St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Jesus has His two fingers extended, and He blesses the people here in the room. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate." (A personal message was given.)

Jesus: "My dear brothers and sisters, tonight We come to you once again, encouraging you to follow the path of Holy and Divine Love with prudence, but courageously. Understand that each time We come to you, Satan's grasp upon humanity is loosened. Continue to pray and have faith in these Messages offered here."

"Tonight We're blessing you with the Blessing of Our United Hearts."

#### **October 12, 2006/ Public**

St. Margaret Mary Alacoque comes and says: "Praise be to Jesus." She is holding a picture, or a shield, with the United Hearts on it. She says: "Copy this prayer to the United Hearts. It can serve as a Consecration of children to the Two Hearts."

*"Dear United Hearts of Jesus and Mary, I love You very much. I want to give You this present moment and all the future moments of my life. I always want to please You. I give You my heart today and always, and pray You will unite it to Your United Hearts."*

*"Place in my heart, dear Jesus and Mary, the desire to help sinners turn to You. Amen."*

"Propagate it among the young."

#### **October 13, 2006/ 2nd Friday Rosary Service to Pray for Priests**

St. John Vianney is here and says: "Praise be to Jesus."

"My brothers and sisters, all priests must come to realize that they must imitate their Savior Jesus Christ. In this way, they should sacrifice everything for the conversion of their flocks, holding nothing back. Then, when they stand before the Judgment Seat of God, the Guardian Angels of those whom they have helped to save, will stand next to them. Remember this always, and make it known."

"I'm extending to you my Priestly Blessing."

#### **October 16, 2006/ Public**

St. Margaret Mary Alacoque says: "Praise be to Jesus."

"I have come to thank you for being the messenger of the Sacred Heart—indeed, of the United Hearts. I know it to be a joy and a cross. This, indeed, is the way of the Divine Will—to accept everything as a grace, whether it is a cross [which is a grace in disguise] or a joy. Both are viewed as one by those in union with God, for His Hand is in both."

“Make the routine a joy by giving it as a beautiful gift to the Lord. In the same way, give even the slightest displeasure to the Lord joyfully. When it is most difficult to do so, run to our Heavenly Mother for help. Run to the Heart of our Savior, which is always ready to restore your peace. I, too, your little saint of the Most Sacred Heart, am your ally and intercessor in Heaven.”

**October 16, 2006/ Monday St. Michael Shield of Truth Prayer Service/ Feast of St. Margaret Mary Alacoque**

Jesus and Blessed Mother are here with Their Hearts exposed, and St. Margaret Mary Alacoque is to the front of them, only she is very tiny. Blessed Mother and St. Margaret Mary Alacoque say: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “There are many Chambers in My Heart of Hearts,” and He smiles. Jesus then says to Maureen: “That was the first thing I said to you about the Chambers of My Sacred Heart seven years ago on this date.”

“Now at this property, at this Prayer Site and within this Mission, the Chambers of My Heart are laid bare. The doors of each Chamber are open to all humanity, all people and all nations. It is by merit of mankind’s pursuit of these Chambers that peace will come into the world, and We will be triumphant.”

“We’re blessing you with the Blessing of Our United Hearts.”

**October 19, 2006/ Public**

“I am your Jesus, born Incarnate.”

“I long to fill the world with this Message of the Chambers of Our United Hearts. Within this Message is the Alpha and the Omega of personal holiness. Do not be distracted from the path I call you upon, then. Concentrate on fulfilling and spreading the Messages. To do so, pleases Me. Each one who hears the Message is My chosen Apostle of Holy Love.”

“I am saddened by those who hear the Messages but choose not to believe. It is always pride that promotes their disbelief. To be introduced to the Messages is, in itself, a responsibility that must not be taken lightly, for it is an open door to a deeper holiness. Make this known.”

**October 20, 2006/ Public**

“I am your Jesus, born Incarnate.”

“Today I just ask your simple ‘yes’ in all things that come your way. Say ‘yes’ to the routine—to the unexpected—even the unwanted turn of events that the Will of My Father permits. To do this is the ultimate sacrifice, for in your ‘yes’ is the surrender of your free will.”

“If souls could only understand the full weight of a simple ‘yes.’ In it is the surrender I need to use you as My willing instrument. In this ‘yes’ is the letting go of self-love for the better choice of Holy Love.”

“It is easy for a childlike heart to say ‘yes,’ for such a heart is eager to please Me—eager to do My bidding. The more the heart becomes entangled in the cares and concerns of the world, the less simple it is—therefore, the less childlike. This is why simplicity is the handrail on the stairway of virtues. Simplicity supports the soul in his ‘yes’ in the present moment.”

**October 20, 2006/ Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“I have come to offer you tonight something that cannot be conquered by any army in the world; nor will it succumb to any weaponry, disease, opinion or law of mankind. I have come to offer you Divine Love. This is a commodity that is eternal, everlasting, and will carry you into the New Jerusalem. Therefore, pursue it with all your heart.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

**October 21, 2006/ Public**

“I am your Jesus, born Incarnate.”

“It is through your ‘yes’ in each present moment that Satan’s grip on the heart of humanity is weakened. It is the little souls who give to Me their free will that will change the heart of the world and gently move it towards Holy Love.”

“Children, you know, seek to please their parents in many little ways, thus winning their favor. Those who are childlike in their spirit, seek to please Me in every present moment and in any little way that presents itself. This is not only spiritual childlikeness, but also Divine Victimhood of Love.”

“See how important it is to be open to the suggestions of the Holy Spirit who leads gently, quietly and with love.”

**October 22, 2006/ Public**

“I am your Jesus, born Incarnate.”

“To desire to be hidden is a grace, unless it is rooted in self-love. If the hiddenness stems from the desire to come closer to Me—not to be ear-marked as one specially chosen or uniquely gifted—then it is a grace to be nurtured or sought after. But if the desire to be hidden arises from a fear of being judged by others, then it is a fault.”

“True hiddenness shirks the limelight, does not seek affirmation or approvals, but desires, at the very least, to blend in with everyone else. The hidden life needs to be intact in the heart in order for the soul to advance spiritually. Do not equate hiddenness with the austerity of a monastery. The hidden life I call you to is between Myself and the soul. It is our special relationship. If it is in place as it should be, hardships are made lighter, pride is uncovered and virtue is made to flourish.”

“Everyone is called to a hidden life so that there is a part of their heart that is familiar only to Me—a part that I nurture and gently lead deep into My Own Heart. It is a part of the heart that decries the false values of the world, denounces false virtue and pursues Holy Humility and Holy Love.”

# Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

*The official publication of*  
**HOLY LOVE, AN ECUMENICAL MINISTRY**

**November 2006**

*Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic— according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”*

*Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.*

*All people and all nations are welcome to come and pray with us.*

## **November 2, 2006/ Public**

St. Thomas Aquinas says: “Praise be to Jesus.”

“I have come to help you understand that Heaven is God’s Divine Will for every soul. No one abides in Heaven outside of the Divine Will. In the confines of time—that is to say, in this world—the soul is called to be united with the Divine Will with every breath. This union to the Divine Will through Divine Love is the soul’s peace. Therefore, anything—great or small that bears with it lack of peace—opposes union with the Divine Will.”

“I urge each one, then, to be of one heart, united in love. See that what wars against this unity in Divine Love is in opposition to the Will of the Eternal Father, for discord is never of God but always rooted in evil. With God, nothing is under the cover of darkness, for His Divine Light reaches into every heart as the Light of Truth.”

“Many spend long years in Purgatory for sowing discord with their tongue. Respect one another and never say, nor do, anything to destroy another’s reputation. Pay no heed to those who support or disagree with you; only seek the prize of union with the Divine Will.”

## **November 3, 2006/ Feast of St. Martin de Porres**

St. Martin de Porres is here and says: “Praise be to Jesus.”

I (Maureen) wish St. Martin a Happy Feast Day. He smiles.

“This is the way to live every day, giving God the glory when you arise. With all your heart, say:”

*“Dear Jesus, Divine and Beloved Savior, today I surrender to You every pain—physical, spiritual or emotional. I will not complain about inconveniences, demands upon my time, breaches of privacy or the rudeness of those You put in my life today. With Your help, I will accept each present moment with Holy Love. Amen.”*

“This is the loving, sweet surrender of your whole life, beginning with the present moment. This little prayer is the consecration to self-denial. Recite it with love.”

## **November 3, 2006/ Public**

St. Martin de Porres says: “Praise be to Jesus.”

“The reason the Lord sent me to you with that morning prayer is, if you recite it in the morning, then great and small sacrifices that you may forget to offer the Lord have already been given to Him.”

## **November 3, 2006/ Friday Rosary Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, tonight I invite you to lose all concern for self, and let your hearts be filled with love of God and neighbor. It is in this way you will be drawn into union with the Divine Will. Yes, abandon yourselves to Me, empty your hearts of self, and follow the simple and childlike way of Holy and Divine Love. Ask Me, and I will help you.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

## **November 5, 2006/ Monthly Message to All People and Every Nation**

*(This message was given in multiple parts.)*

Jesus and Blessed Mother are here with Their Hearts exposed. They nod Their Heads, greeting everyone here in the room. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “Today, as always, I come to speak to My Remnant Faithful. The heart of the world is in turmoil, spurned and fed by aggressive self-love. I need My army of victim souls—those

who choose Divine Victimhood with loving hearts—to appease My Most Wounded Heart in this hour of distress, which weighs the world down in sin and error.”

“So, today, the Father wills I come to you with this important revelation. While it is true that once past, the present moment is gone forever; it is also true that all humanity lives in the Eternal Now, for there is no time or space in eternity. Therefore, living in the present in the Eternal Now, you can give to Me all that you suffered in the past as redemptive grace for souls who travel the road to perdition. There are just two conditions. You must have been in a state of grace when you suffered the particular cross you now desire to give Me, and you must have suffered it with love.”

“This means every insult, every illness—even as an infant, if you were baptized at the time—every inconvenience, every embarrassment can now be given to Me as a gift! This increases and strengthens the arsenal of weapons I will use against evil in the world. All you need do is say, **‘Jesus, I give to You with love, all my past crosses.’** Then I will take even the smallest crosses, even the ones you do not remember, and use them to save souls. It is a great victory in the war against evil that I am able to tell you this today.”

“There are certain conditions which weaken your offering to Me of past crosses. One would be if the soul is not in a state of grace at the moment he offers to Me all past suffering. Another would be if he is assailed with doubts about the Message itself. But even these conditions which weaken the offering will not negate completely the total act of consecrating past crosses to Me. Instead, I will inspire the soul to be properly disposed, and to offer these past crosses to Me again.”

“You must understand what a great grace this is that I give to the world today. (He has a quiver of arrows over His Shoulder, and it seems the tips are flames.) With this arsenal I can reach the hearts of errant leaders and weaken their aggressive nature. You who offer Me these past crosses are helping Me to close the abyss between Heaven and earth, and to restore harmony between the Eternal Divine Will of My Father and man’s free will.”

“The only thing you lose forever in the present moment is that which is not loving. The only thing which you save in the Eternal Now is all that you think, say and do in Holy Love. Holy and Divine Love are eternal.”

“As more and more souls relinquish to Me all their past crosses—great and small—I am opening wide the First Chamber of Our United Hearts, the Heart of My Mother, which is Holy Love.”

“As more and more souls turn to Me by merit of the powerful force of this offering of past crosses, Satan’s attacks upon this Mission of Our United Hearts will be more easily discerned and readily thwarted. Therefore, understand that the more who offer to Me their past crosses in this way, the weaker Satan becomes. It is necessary that you comprehend this and with dispatch, propagate this Message. Many souls, many vocations, many marriages will be saved in this way.”

“The power of these sacrifices of past crosses from souls around the world will allow Me to stop wars, reveal evil that is nurtured under the cover of darkness, strengthen the Remnant and the Tradition of Faith, and calm erratic forces of nature. Perhaps, then, you see the significance of My words to you today.”

“My brothers and sisters, please understand that when you atone to the Hearts of Jesus and Mary, you also appease the Heart of the Divine Father. Thus, by offering Me the crosses in your past life, the circle is complete; the Hour of Mercy extends, and My Justice is delayed by the Will of God.”

Jesus extends His Hands out over the people and says: “Today We’re extending to you the Blessing of Our United Hearts.”

#### **November 6, 2006/ Public**

St. Thomas Aquinas comes and says: “Praise be to Jesus.”

“I have come to help you understand the ‘Eternal Now’ that Jesus spoke to you about. This is how it is in Heaven.”

“There is no time or space; there is no past or future—no yesterday or tomorrow. There is only one moment for all eternity. Everything is present in the Eternal Now—every victory, every defeat. There is no beginning or end in eternity. The Eternal Now is like an explosion of light which bursts onto the horizon at dawn, but never fades. It is the existence of God in every aspect of life, molded into one second which never passes.”

“In this life, the Eternal Now cannot fully be understood or appreciated; only when the Eternal Now is experienced in Heaven is this possible.”

#### **November 6, 2006/ Monday St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.” They greet the people in the room here, and Jesus turns to the visiting priest and says: “I invite you to return many times. I am glad you are here.”

Jesus: “My dear children, understand that as children of God, you will face challenges always from the tempter. You will have uncertainties and insecurities; other people will hurt you. There is disease in the world and the threat of war.”

“Every present moment carries with it challenges and victories, but I invite you tonight to surrender everything to the Flame of My Heart—the Flame of Divine Love. Therein lies your peace—the peace that you will experience for all eternity in Heaven.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

#### **November 8, 2006/ Public**

“I am your Jesus, born Incarnate.”

“Remember, it is impossible to reach the depths of My Heart outside of humility, simplicity and love. The souls that lose sight of this, slip from the path of Holy Love. The depth of every virtue is in proportion to the depth of these three—humility, love and simplicity. Holy Love is the key that unlocks the door to the other two—humility and simplicity.”

#### **November 10, 2006/ Second Friday Rosary Service to Pray for Priests**

St. John Vianney is here. He says: “Praise be to Jesus.”

“Tonight I have come to remind my brother priests that their main duty is to lead souls to their salvation through the sacraments of the Church. They must not be remiss in tending to the souls that need the most care—the ones that are discouraged or perhaps in the midst of faith crisis.”

“Tonight I’m imparting to you my Priestly Blessing.”

### **November 12, 2006/ Second Sunday Service to Pray against Abortion**

Jesus is here with His Heart exposed, and says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, today I’m helping you to realize that abortion is Satan’s fingerprint upon the heart of the world. The only thing that can remove this disgrace is truth itself. Therefore, My brothers and sisters, you must be apostles of truth, always defending Holy and Divine Love, which is the Victory itself.”

“Tonight I’m imparting to you My Blessing of Divine Love.”

### **November 13, 2006/ Public**

St. Thomas Aquinas says: “Praise be to Jesus.”

“The election results should have been anticipated by those who really understand these times. They reveal what is truly in the conscience of your nation, and so, too, the world. God permits these times as a precursor to His coming.”

“This is not to say that prayer and sacrifice are useless. To believe so is to believe in Satan’s lies. It is prayer and sacrifice that are lifting up the Remnant Faithful and supporting this Remnant with love.”

### **November 13, 2006/ Monday St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here. Their Hearts are exposed. Jesus says: “I am your Jesus, born Incarnate.” Blessed Mother says: “Praise be to Jesus.”

Jesus: “My brothers and sisters, I have come to help you realize that no sacrifice is too small, no prayer too humble, for together this movement of Holy and Divine Love behind St. Michael’s Shield of Truth is ushering in the New Jerusalem little by little.”

“So tonight We’re blessing you with the Blessing of Our United Hearts.”

### **November 15, 2006/ Public**

St. John Vianney says: “Praise be to Jesus.”

“When you pass from time into eternity, every little thing that you did out of Holy Love goes with you, and Jesus smiles on these things at your judgment. The past—your sins and indiscretions—you must entrust to His Mercy. In eternity you will see how your entire life was woven together by the Hand of God to bring you to salvation.”

“Those souls that choose their perdition (for souls condemn themselves by their own motives in life) readily see how they have squandered many a present moment and many a grace.”

“I come tonight to remind you that moment to moment choices determine your eternity. Surrender everything to Holy Love.”

“Purgatory is filled with those who live only to please themselves.”

### **November 17, 2006/ Friday Rosary Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, over the years the majority of the people do not understand what is going on here at this Site, and many more choose not to believe. But I have come to tell you that because of the fervent prayers offered here, justice has been delayed and much wickedness that lies in hearts has been discouraged, and even more evil has been uncovered.”

“So continue to pray, My brothers and sisters, with much love in your hearts.”

“We will bless you with Our Blessing of the United Hearts.”

### **November 20, 2006/ St. Michael Shield of Truth Prayer Service**

(Monday before Thanksgiving)

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I ask you to have thankful hearts. Be thankful for the harvest—the harvest of souls that Holy and Divine Love are bringing into the New Jerusalem.”

“My brothers and sisters, do not fear anything in the future, but trust and give thanks—always give thanks.”

“I’m blessing you with My Blessing of Divine Love.”

### **November 23, 2006/ Public**

“I am your Jesus, born Incarnate.”

“Today I have come to ask you to always pray with the garment of hope over your heart. Hope stems from Holy Love and faith. It is surrounded by love and faith. It is the hopeful petition that is carried deepest into My Heart.”

“Hope does not allow the mist of fear to consume it. Hope is courageous and thankful—ever seeking to see My Father’s Will in the present moment. Hope comes to you through the Heart of My Mother as a gift in the midst of turmoil. Hope is the remedy for despair.”

“My Heart turns towards the hopeful heart, making it steadfast and persevering. Hope is the foundation of fortitude.”

### **November 24, 2006/ Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, as we approach the liturgical season of Advent, I desire that all your prayer intentions and your sacrifices be directed towards world peace—peace that is grounded in Holy and Divine Love, for this is the only sincere peace that humanity can enjoy.”

“Prepare your hearts as St. Joseph and My Most Holy Mother prepared the manger for My arrival, and in this way be ready to welcome Me on Christmas Day.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

### **November 25, 2006/ Public**

St. Martin de Porres says: “Praise be to Jesus.”

“Dear sister, I have come to offer you this message. Please know and understand the great consolation Jesus feels in His Divine Heart whenever you pray before His Real Presence. As He is consoled, the stranglehold that Satan has upon the throat of the world is loosened, and souls are given knowledge as to their sinful ways.”

“Many who come to the property receive this grace. Many more, upon returning home, begin to see their faults and failings.

What joy there is in Heaven as a soul moves towards conversion of heart!"

"Believe that one holy hour can save a soul and change the course of human history forever. Live as though you believe this profound truth."

### **November 26, 2006/ Ecumenical Prayer for Unity Amongst All People/ (Feast of Christ the King)**

Jesus is here. He has a crown on His Head and His Heart is exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, today I come to you on the celebration of My Kingship, asking you to surrender your hearts to Me, that I may take up My Sovereignty within each heart; for this is the only way the world will be at peace and nations will be united. Nothing is possible outside of God's Will."

"Today I am blessing you with My Blessing of Divine Love."

### **November 27, 2006/ Monday St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "My brothers and sisters, soon you will be busy preparing for the arrival of Christmas. You will decorate your homes with bright lights and gaily wrapped presents. Even more important is that you prepare your hearts for My coming on Christmas Day. Let your hearts burn with the bright light of Holy Love. In this way, you will attract the lowly and the wise alike to the Message of Holy and Divine Love."

"We are blessing you with the Blessing of Our United Hearts."

### **November 28, 2006/ Conversation with Divine Love**

"I am your Jesus, born Incarnate."

"In humility seek to be nothing more than a little straw in My manger at Bethlehem. Perhaps My Mother picks you up and places you over My Heart in the desire to keep Me warm. There you move up and down with every beat of My Heart, perfectly synchronized with My Sacred Heart, but never seeking attention for yourself."

"This is how you should live—seeking to comfort Me, living in accord with My Heart which is Divine Love, but never seeking to be noticed or set apart from others."

**December 4, 2006 / Mon St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, the greatest gift you can give to Me is the gift that will appease the Heart of My Eternal Father which is sorely maligned during these days. It is the surrender of your hearts, the surrender of your free will to Holy Love in every present moment. This is the path that leads you deep into Divine Love and into personal holiness. It is the practice heroically of every virtue—simple though it may seem, it is a great gift.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

**December 4, 2006 / Public**

“I am your Jesus, born Incarnate.”

“Joyful expectation is part of the season which is upon you in the world. Give Me your hearts as though you were kneeling beside the manger, seeing Me for the first time with the angels and shepherds. Allow your hearts to be struck with humility and love. Let this moment I share with you be My gift to you during this Advent season. Carry it into every part of your lives.”

**December 5, 2006 / Monthly Message to All People and Every Nation**  
*(This message was given in multiple parts.)*

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “Oh, that humanity would allow its heart to beat in rhythm with My Own Sacred Heart. Apathy would end; indifference towards My Real Presence would cease; bitterness that is concealed in hearts would abate.”

“But as it is, Satan has placed a blanket of lies over the heart of the world. His greatest deception is that there is no

accountability for what is in each heart in the present moment. Therefore, there is a dullness as to the consequences of sin. Heaven’s call to Holy Love is negated by hatred, worldliness and all sorts of attitudes fed by the flames of self-love.”

“All of this has become more and more evident in the political arena where moral issues have become political platforms. My Father permits this so as to reveal the heart of humanity. But His Permitting Will is not His Accepting Will. The price for mankind’s arrogance is ever increasing.”

“While much time is wasted on scrutinizing the Messages and the messenger here, the heart of the Message is being forsaken. I call you, mankind, to return to love of God and neighbor. Herein lies your salvation and the solution to every human condition. Do not doubt it.”

“Adam and Eve surrendered to self-love. My Immaculate Mother surrendered to the Will of God. Each soul is faced with the same challenge in every present moment. If you love with Holy Love, you will succeed in choosing righteously.”

“My brothers and sisters, understand and realize that My Victory is coming on the wings of Holy and Divine Love. Therefore, prepare your hearts by uniting your hearts through Holy and Divine Love to Our United Hearts; and We will bless you as We are blessing you now with Our Blessing of the United Hearts.”

**December 8, 2006 / Midnight Service at the United Hearts Field Feast of the Immaculate Conception**

*(This message was given in multiple parts.)*

Our Lady is here, all in white. She says: “Praise be to Jesus.”

“Dear children, I come to you as My Son allows, to commemorate the event of My Immaculate Conception. This year I invite you to see that in your country (USA), a renewed dedication of all that your nation is and will be, has taken place,

as it was once again dedicated to My Immaculate Conception. As this is most pleasing to My Son and His Mother, please understand that such a dedication carries with it a grave responsibility, as well."

"My Immaculate Conception was in preparation of My Infant Son's arrival in the world. At My Conception, I was preserved free from original sin so that My Womb would be a suitable First Tabernacle for My Divine Son. In so doing, Heaven is stating that **life is present** at conception. The soul is present at conception. How, then, can a nation such as the sophisticated one I now appear in, dedicate itself to the Immaculate Conception, and at the same time destroy life in the womb? How can God honor such a consecration which appears good on the outside, but is compromised to the greatest degree on the inside?"

"It is for this reason My Son has allowed Me to appear here tonight. Never again will there be a midnight apparition here on this date. Your nation must come to terms with the truth if it hopes to prosper and survive."

"Dear children, if I appear tearful tonight, it is because of the paradoxical nature of your country's choices. Your nation cannot, on the one hand, be consecrated to My Immaculate Conception, and on the other hand, legislate against life in the womb. Such duplicity is not a strength but a weakness, and does not bode well for the future."

"My dear little children, tonight you are bravely facing the harsh elements God asks you to endure. With courage, endure also these times which bear heavily upon those who stand in the Tradition of Faith. In Holy Love, embrace the Light of Truth which is God's Holy and Divine Will. Endure the hardships of living in the truth. Under My title of the Immaculate Conception, I am protecting those who choose righteousness. God does not permit Me to protect the entire nation which has chosen compromise over sound moral principles."

"Dear children, you must pray that certain actions of evil are not allowed by God the Father to be set in motion. I, your Heavenly Mother, am praying with you."

"My dear little children, tonight Heaven is bending towards earth because of your prayers and sacrifices. Remember always this night when the Gateway to the New Jerusalem, which is My Immaculate Heart, opened wide to you. Continue to pray and sacrifice, My dear little children, for this is what is holding back the Arm of Justice."

"I'm taking with Me tonight all your intentions into Heaven to place at the Feet of My beloved Son, and I'm blessing you with My Blessing of Holy Love."

St. Thomas Aquinas says: "Praise be to Jesus."

"Once again I have come to help you understand the spirit of a person as opposed to his physical properties. Whatever a person accepts in his heart becomes part of his spirit. If he accepts untruths, then he has a lying spirit; that is to say, truth is compromised as part of his being. Let me return once again to the analogy of fine wine. Many ingredients combine to make up its bouquet. In a person, many factors combine to comprise the spirit, such as moral decisions, personality traits and events in the person's life."

"This is different from the soul which is the reflection of the person's stance before God in judgment. The soul is good or evil depending on the person's execution of Holy Love. Even

the good soul may have faults, but is still trying to be purified in Holy Love."

"In this same sense, there is good wine and bad wine. But the bouquet distinguishes each wine apart from the other. The spirit of a person reflects not the state of his soul, but what the person accepts in his heart as worthy."

"Our Mother thanks you for last night, and looks with eagerness to your birthday and Her next midnight visit."

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come once again as Jesus allows, to help you understand the spirit as opposed to the soul. The soul is comprised of the virtues and/or sins that the person practices. The spirit is more a composite of all the person's experiences, relationships, beliefs and disbeliefs. Therefore, if a person has a great tendency towards a certain iniquity, even though Jesus will always forgive a contrite heart, the stain of that tendency remains in his spirit for some time afterwards."

"It is like putting a certain spice into a soup. The spice disappears forever, but the flavor of the spice remains always in the soup. So, too, certain tendencies or weaknesses remain always in the spirit of a person."

#### **December 10, 2006 / 2nd Sun Service to Pray against Abortion** *(This message was given in multiple parts.)*

Jesus and Blessed Mother are here, all in white. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

"I have come to establish within each heart a kingdom of Divine Love—a kingdom of My Father's Divine Will. Within this kingdom rests the motive for every action—the motive is Divine Love. Remember, I look only at the soul's motive for his actions, not the outcome of the action itself. So often the outcome of actions motivated by love becomes tainted by the free will of others."

"My brothers and sisters, if through free will Holy Love was allowed to reign in every heart, there would be no legalized abortion; sin would be uncovered and evil, where it lies hidden, would be brought to light. As it is, My brothers and sisters, you linger in iniquity. It is difficult for you to see where you must improve. So I am asking you once again to avoid God's Justice by letting, through your free will, Holy and Divine Love to take up reign in your hearts forever."

"I tell you, always think, speak and act out of Holy and Divine Love, for it is the measure by which I judge each soul."

"We're blessing you with Our Blessing of the United Hearts."

#### **December 12, 2006 / Midnight Service at the United Hearts Field Feast of Our Lady of Guadalupe**

*(This message was given in multiple parts throughout the day.)*

Blessed Mother says: "Praise be to Jesus." Our Lady comes as Our Lady of Guadalupe, but the Image changes to Refuge of Holy Love.

"I invite you, My dear children, to see the similarities in these two Images—not on the surface but in their purpose. When I appeared to Juan Diego, My Image was designed by God to stop the worship of the false gods in the Aztec culture. By means of this meaningful Image, thousands were converted to Christianity."

“My Image as Refuge of Holy Love carries with it a similar call to conversion of heart. This time I come to call the world into the safe refuge of My Immaculate Heart, which is a call to renounce the false gods of self-love and to live in Holy Love.”

“All that afflicts humanity today is the bad fruit of disordered self-love. People form their opinions and actions based solely on self-love. Therefore, decadence has taken over church and world politics. Righteousness has lost its power over reason; ego is ruling hearts in high and prestigious places.”

“Conversion can only be offered by the grace of God and accepted through humility and love. My dear children, I call every heart to conversion. Open your hearts in humility and Holy Love. Accept what God offers you through this Handmaid of the Lord.”

“My dear, dear children, tonight I come to you once again to offer the grace of My Heart to a world steeped in error. My Son sends Me to restore peace and right reason to the heart of humanity. You will only regain peace through Holy Love. Do not try to make peace by amassing great stockpiles of weapons or through acts of violence against your fellow man. You only reap what you sow. These things are not from God, not solutions, but are from Satan.”

“I come also tonight to encourage My Remnant Faithful. Hang onto the truth, My dear little children. When others malign you because you do not accept their new ways and their progressive ideologies, remember it is your Heavenly Mother—the Protectress of the Faith—who has formed you in Her Immaculate Heart. Remain faithful to the cause of Tradition, all the while relying on My protection.”

“Realize that in terms of war, the spiritual war that we are engaged in now has become the fiercest of all times. Those in positions of trust are using their power and title to defeat My plans here. But they will not succeed for they are warring against Heaven itself. In the end the ways in which they have tried to trip us up will be their own undoing. We will succeed in every area they have attacked. Their weapons used under the cloak of darkness will be brought into the Light of Truth. Remember, I am so close to you in this war, so much a part of every battle, and that I support you in all your efforts. It is My war, as well.”

“Do not be afraid to let people know that you stand for the Tradition of Faith, peace in the womb, as well as peace in the world. Be united in Holy Love. These are your weapons which must be brought out into the open. Just as evil spouts its opinions far and wide, you must counter with your opinions. Evil has gained ground in hearts because it has not been challenged.”

“My dear children, tonight I come to you to offer you My Immaculate Heart as solace and consolation and spiritual refuge during these most difficult times. You must be signs of contradiction in a world that loves only self and self-fulfillment. You must sacrifice, fast and most of all, pray—pray the Rosary, My children. I am listening to your prayers.”

“Tonight I’m blessing you with My Blessing of Holy Love.”

#### **December 15, 2006 / Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, Incarnate.”

“My brothers and sisters, tonight I invite you to forsake all disorder in your lives. Quietly and with determination, pursue the Light of Divine Love that I have laid at your feet with these

Messages. It leads to the humble manger and your Savior. My brothers and sisters, I am waiting for you.”

“I am blessing you with My Blessing of Divine Love.”

#### **December 18, 2006 / Public**

Jesus says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I have come to help you realize that just as there are false virtues and genuine virtues, so too, there is false peace and genuine peace. The peace I give to you is genuine peace based on the truth of Divine Love. Do not trust in any other peace which is conceded to through the coercion of power or weaponry. Such a false peace is short-lived and does not come from the heart.”

“This is why I ask you to spread these Messages of Holy and Divine Love to all people and all nations.”

#### **December 18, 2006/Mon St. Michael Shield of Truth Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, tonight I desire that you know the nature of My Sacred Heart more clearly. My Heart took its first beat in the womb of My Immaculate Mother and with that beat, Love and Mercy became One. So, as it is in My Heart, it must also be in your own human hearts, as well. Love and Mercy cannot be separated.”

“Further, I tell you that your trust in Me enables Me to act in your lives and help you to follow the path of God’s Divine Will. When you fail in trust, My efforts in you are weakened and diluted, and it is easy for you to slip from the path.”

“My brothers and sisters, tonight We’re blessing you with the Blessing of Our United Hearts.”

#### **December 22, 2006 / Friday Rosary Service**

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, many of you have spent great time and effort in searching out the perfect gift for certain relatives or friends. How many consider My Heart special enough to pursue it with much effort. Understand that the greatest gift anyone can receive is a deeper relationship with Me, their Savior. This is why I tell you the perfect gift is the Messages of Holy and Divine Love.”

“I’m blessing you with My Blessing of Divine Love.”

#### **December 25, 2006 / Christmas Day**

“I am your Jesus, born Incarnate.”

“When you meditate today on the miracle of My birth in the manger, I invite you to contemplate the Benevolent Heart of My Eternal Father. For it is in one magnificent act of Divine Love and Divine Mercy combined, that the Eternal Word was made flesh for the salvation of all generations. Yet, I tell you, if there had been but one soul in the world in need of redemption, My Father in His Eternal Compassion, still would have brought Me into the world. His Will is perfect and is One with Mercy and Love.”

“Who can choose which is greater then—His Mercy or His Love. These two are inseparable and united, and comprise His Divine Will. So you see, in all things and in every event is His Divine Plan—His Divine Will, His Mercy and His Love.”

“Let today, this Christmas Day, be a celebration of My Father’s Divine Will. Carry your thanksgiving to His Eternal Heart—the Heart which chooses to engulf Our United Hearts in Divine Mercy and Divine Love. Let us rejoice together in this truth.”

**December 30, 2006 / Public**

“I am your Jesus, born Incarnate.”

“This is the heart of My Mission in and through you. It is to bring to fruition the Divine Will of My Father in the heart of humanity, thus turning every heart to personal holiness through Divine Love and Divine Mercy. The more the human heart surrenders to Divine Love and Divine Mercy, which is the sum total of My Father’s Will, the more perfect the soul becomes in personal holiness.”

“It is the amount and degree of this perfection that determines the soul’s eternal reward. Solemnly I tell you, no one is exempt from this call to be perfected in the Father’s Will, not by position in the world or within the Church itself. Each one must pursue holiness by means of being God-centered and other-centered. Disordered self-love strikes at the heart of My Father’s call to personal holiness.”

“Mercy and love cannot unite in the presence of an unforgiving heart. Realize further, guilt is a sign that through pride, the soul has not forgiven himself.”

**December 31, 2006 / Public**

“I am your Jesus, born Incarnate.”

“Tonight, My messenger, many will gather in revelry to celebrate the passage of time and the birth of a new year. The majority of these same ones completely miss the advent of each present moment or the gift of time they have wasted in the pursuit of worldly pleasures instead of the pursuit of their eternal salvation.”

“I can tell you that each piece of confetti that falls on Times Square tonight can justifiably represent a soul on his way to perdition. My Mother weeps copious tears for each one. These souls do not grasp the concept of eternity—most do not even wrestle with this concept.”

“So, as many, many celebrate the passage of time tonight, they do so without recognizing the lost opportunities towards their own salvation. They do so without seeking personal holiness in any present moment. As they rejoice by throwing confetti, I see lost graces being thrown to the wind.”

“I am depending on My Remnant Faithful to pray for such as these, and to uphold the truth in the face of Satan’s lies. Unite in Our United Hearts and resolve to come closer to Me through prayer and sacrifice. In My Eyes, this is the only resolution of merit.”

**December 31, 2006 / New Year’s Eve Prayer Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, let this be the moment and the year that you choose Holy and Divine Love in your hearts. Then My Father, who is Mercy and Love itself, will take up His sovereignty within your heart and within your lives.”

“Tonight We are blessing you with the Blessing of Our United Hearts.”
