January 3, 2003 /Friday Rosary Service

Jesus is here. His Heart is exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I ask you to recognize the path I have laid before you. I have opened My Heart to you, and I have given you the Chambers of My Heart—the way of salvation and your sanctification. Pursue it with all your heart. I will assist you."

"I am blessing you with My Blessing of Divine Love."

January 5, 2003 /Monthly Message to the Remnant Faithful (This message was given in multiple parts.)

Jesus and Blessed Mother are here in white with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. I come to you during these times and for all eternity as Divine Love. I desire that you understand that as I have opened My Heart to you, I await My Triumph of Love when all hearts will open to Me."

"My Mother's pleas and appeals—here and in other parts of the world—seem to fall on deaf ears. All that She forewarned concerning Satan's presence within the Church has now been

undeniably revealed. Events in the world at large which My Mother predicted have also occurred. Some are yet to come if the wrath of My Father is not turned away through your prayers and sacrifices."

"Today I am inviting this generation to recognize the precarious position that the world is in. Every nation, every government—indeed every soul—is only as secure as he is before God. No one can be secure before God outside of My Father's Will which is Holy Love. Understand, then, that Holy Love is the solution of every problem, the footpath to righteousness and the reconciliation between creature and Creator."

"All of the fears, all of the insecurities you face in the world today, do not exist when you abandon yourself to Me through the gateway of Holy Love. I invite you to live in the Light of Truth where there is no compromise. I have come to you in truth to reveal to you not what you want to hear, but what you need to hear. So long as you have legalized abortion in the world, you will have war and many reasons for insecurity amongst nations."

“Countries will never be at peace until they choose God first and neighbor second. When you begin to live in Holy Love, you will begin to see into Satan’s compromises which lead to every kind of sin, including abortion. But if you allow your hearts to compromise Holy Love, your lives will be compromised, as well, and you will embrace untruths.”

“Satan’s lies have led you to believe that abortion is freedom when it IS really slavery to sin. Humanity must first free himself of captivity to sin in order to bring peace into the world.”

“It is you, My Remnant Faithful, that must pull together in order that the pathway to Our United Hearts may be made known. Make amends to Our United Hearts for those who are apathetic and unremorseful. Make sacrifices, do penance and pray for the unrepentant.”

“It is you, My Faithful Remnant, that hold back the Arm of Justice in this hour of darkness which has fallen upon the world and the Church itself. You are the ones, if you choose it, who can suspend natural laws and change the course of human history.”

“My brothers and sisters, when you return to your points of origin, I desire that you imitate the Immaculate Heart of My Most Holy Mother which is Holy Love. It is through you I will strengthen and increase the Faithful Remnant. You must be the little lights in the world that lead to the pure Light of Divine Love.”

“We bless you now with Our Blessing of the United Hearts.”

January 9, 2003 /Public

St. Thomas Aquinas comes. He says: “Praise be to Jesus.”

“You can accomplish much more through faith and hope than you can through doubts and discouragement. It is important that your petitions rise from a heart full of expectant faith, for such confidence in God’s good plans will not be overlooked by grace. Understanding this is a step towards every goal.”

“Make it known.”

January 10, 2003 /Public

“I am your Jesus, born Incarnate. I wish to describe to you the preciousness of each present moment. When your heart is surrendered to Holy Love, whatever you think, say or do in the present moment is sanctified. Then each moment becomes a precious jewel which rests at My Feet. I am able to use these jewels to change the errant hearts in the world.”

“The moments that you waste when you are distracted or you sin—as all do—weaken My attempts to win souls and lead them to righteousness.”

“My Victory is coming through love—will be embraced by love—indeed, will be Divine Love. Live My Victory now in this present moment. Then you will hasten Love’s triumph in the world.”

January 10, 2003 /Public

“I am your Jesus, born Incarnate. I invite you to see that each soul’s response to Heaven’s call to personal holiness directly affects the strength of the Remnant Faithful and the hour of My return. Understand, the more you surrender to Holy Love in the present moment, the more you intensify the faith of the Remnant and hasten My return.”

“This is My call to the Remnant—to deepen their personal holiness in the present moment through Holy Love.”

January 10, 2003 /2nd Friday Service to Pray for Priests

St. John Vianney is here and says: “Praise be to Jesus.”

“My brothers and sisters, when you pray for priests, pray that they become more holy, and that their hearts open to see where they are weak. For they are not holy by virtue of their vocation, but because of their vocation they are to work on their personal holiness so that they can help others. My sweet and merciful Jesus desires to draw every priest deep into the Chambers of the United Hearts.”

“I will bless you with My Priestly Blessing.”

January 12, 2003 /2nd Sun. Service to Pray against Abortion

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, today I have come to ask on behalf of the United Hearts of Jesus and Mary that this Mission, this prayer group be united—first in Holy Love—then in prayer and sacrifice. In this way you become a greater weapon in My Hands to oppose the evil of abortion which threatens the peace of the world.”

“We’re extending to you the Blessing of Our United Hearts.”

January 13, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, I have come to help you understand in the depths of your hearts that God’s Will is always perfect in every present moment. Trust in My Eternal Father, then, and do not fear. When you trust you prove to Me how much you love Me, and how much you love My Father. Children, let the Kingdom of God reign in your heart and My Victory come to fruition through it.”

“We’re Blessing you with the Blessing of Our United Hearts.”

January 17, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, allow the commandments of love which comprise Holy Love to decide for you in every present moment. Further, allow love to be your bastion of strength against evil. It is in this way that your thoughts, words and deeds will be enveloped by the Divine Will of My Eternal Father.”

“I am blessing you with My Blessing of Divine Love.”

January 18, 2003 /Public

St. Francis de Sales comes. He says: “Praise be to Jesus.”

“I invite the faithful to understand that God’s Mercy and His Love are one. Therefore, do not be surprised when I say Divine Love is the Alpha and the Omega—the path, the journey and the destination. For all things fall under the domain of Divine Love. All things are affirmed in Divine Love. Divine Love is one with the Divine Will of God.”

“Understand then, the deep and underlying meaning of the journey through the Chambers of the United Hearts. For herein lies reconciliation, salvation, perfection and sanctity itself. What is left? Only the soul’s surrender. All else leads towards perdition. Perhaps now each one can understand the significance of this call to Divine Love.”

January 20, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, we come to you again transported solely through Divine Love—Divine Mercy—which is the Will of My Father. I desire that every heart be united to Our United Hearts through this precious journey that has been revealed here. The ones around you who have not commenced the journey must be enlightened and informed as to the way of salvation. Make this your vocation within a vocation of holiness.”

“We’re blessing you tonight with the Blessing of Our United Hearts.”

January 22, 2003 /Public

“I am your Jesus, born Incarnate. Always, first and foremost, be obedient to the Law of Love. Recognize anything that opposes this Law to be a temptation from the Adversary. Understand that Satan rarely comes as himself, but most often under the guise of some good. This is why I tell you that Holy Love must prevail in every instance.”

“The one who has faith in Divine Providence through the virtue of Holy Love is the one I will protect. The ones who destroy others’ reputations under the guise of discernment—I do not recognize. I suffered the crown of thorns for those who have compromised consciences—most especially those within My own Church. Such facts can no longer be denied.”

January 24, 2003 /Feast - St. Francis de Sales

St. Francis de Sales comes and says: “Praise be to Jesus. Tell the people that Holy and Divine Love must be the anchor in their lives—that is, love of God and neighbor must be the force that holds them in a state of grace. Holy Love must be their foundation for a life of holiness.”

“Make it known.”

January 27, 2003 /Public

“I am your Jesus, born Incarnate. I have come to speak to you about love, trust and the Divine Will of My Father. My Finger rests upon the pulse of this nation. I tell you solemnly, every error is due to lack of love. Abortion—even birth control—would not exist in your nation or the world if hearts were perfected in love. Holy Love leads to trust in Divine Providence. This trust then, leads to acceptance of the Divine Will.”

“My Father’s Will reaches into the past, is present with you now, and awaits you in the future. The soul must understand that My Father’s plan for every present moment is perfect and without flaw. So, trust is dependent upon a more perfect love; and both love and trust combine to carry the soul into the Divine Will.”

“Your nation can learn from this lesson. Make it known.”

January 27, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My little lambs, My brothers and sisters, I have come to rescue you from the world, the flesh and the devil. Your safety is in the Immaculate Heart of My Most Chaste Mother. For in this refuge you will live in Holy Love, be purified in Holy Love and pursue the Chambers of Divine Love. This is your safeguard against all evil. Hasten to Our call.”

“We’re blessing you with the Blessing of Our United Hearts.”

January 28, 2003 /Feast of St. Thomas Aquinas

St. Thomas Aquinas comes. He says: “Good day! Praise be to Jesus. Today I have come to give the world some meditations as they approach the Divine Presence in the sacrament of the Holy Eucharist.”

“Imagine, if you will, Anna and Simeon in the temple awaiting the arrival of their Messiah. In their hearts they recognized His Divine Presence, as the young Mary carried Him into the temple. When you are about to receive Him—Body, Blood, Soul and Divinity—ask for the same grace—that you will recognize His Presence.”

“Imagine the joy of the Wise Men and the shepherds when they came upon their Savior after following the star. Let grace be the ‘star’ that leads you to discover Jesus in the tabernacle.”

“Imagine Blessed Mother’s joy after searching for Her Son for three days when She comes upon Him speaking in the temple. Imagine Her love and exultation as He placed His youthful Hand in Hers.”

“Imagine John the Baptist in the womb of his mother—who, upon just hearing Mary’s greeting as She approached—was sanctified.”

“Finally, imagine Blessed Mother’s joy as She was reunited with Her Beloved Son after He rose from the dead.”

“Never receive the Holy Eucharist matter-of-factly. Approach Him with love and longing in your heart. It is at communion the Lord finds rest in the temple of your heart.”

January 31, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My friends, your loving prayers are the soothing balm that heals My wounded Heart. Realize that each soul decides for or against Holy and Divine Love in every present moment. Therefore, continue to pray that love wins out, for My Victory is wrapped in love.”

“I’m extending to you My Blessing of Divine Love.”

February 5, 2003 Monthly Message to The Remnant Faithful *(This message was given in multiple parts.)*

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“I have come to speak to all peoples and every nation. My brothers and sisters, come to realize that it is what is in the human heart from moment to moment that determines the course of human events. If the heart is full of love, the soul will be embraced by the Divine Will and will accomplish the Divine Will in the world around him.”

“Every departure from Holy Love in the heart breaches the covenant of love between man and God. It is then small problems escalate into war. Understand then, that war is the result of sins against love.”

“The time is coming when all souls will be embraced by My Mother’s Immaculate Heart which is the essence of Holy Love. In the light of that most perfect love, each one will be made to see where he fails in the commandments of love.

Within that enlightenment, he will choose either for love or for evil. The choice will come through free will and mark an even greater contrast between good and evil in the world.”

“My Remnant will be under the protection of My Mother’s Immaculate Heart. They will choose Holy Love and remain faithful to Me. The souls who do not repent will choose an errant path and try to seat evil in power in the world.”

“Today, dangers have grown in proportion to the evil that is in hearts. Evil has infiltrated governments, technology and even nature itself. Satan desires that your hearts remain gripped in fear. In this way My Sacred Heart is wounded by your lack of trust in Me. When you live in fear of the future, you cannot surrender the present moment to Me. My Mother needs your prayers, your sacrifices, your penance. It is by this means She is able to soothe the Heart of Her Son and bring souls to My Mercy.”

“Part of My Divine Justice is the coming embrace of My Mother’s Immaculate Heart which will reveal to all people their transgressions against the Divine Laws of Love. When this universal sign takes place, the wheat will be separated from the chaff. Then you will be able to know Me as never before in the Sacred Species of the Holy Eucharist if you choose love over evil.”

“My brothers and sisters, truly I tell you, you must guard against allowing your hearts to be breeding grounds of jealousy, rivalries, bitterness and fear in every present moment. Be Holy Love in the world so that My Victory can come to fulfillment in your Heart and in the world, as well.”

“Today I am blessing you with the Blessing of Divine Love.”

February 7, 2003 /Public

“I am your Jesus, born Incarnate. The Confraternity carries to its membership not only the call to salvation, but an even deeper call to sanctification and union with the Divine Will.”

“Therefore, I am extending this grace to all its members—that the recitation of the United Hearts Chaplet be recited daily by each member of this Confraternity for the spiritual well-being of all the membership.”

“Make it known.”

February 7, 2003 /Public

“I am your Jesus, born Incarnate. Today, I request that each member of the Confraternity offer:

1. “A prayer daily for: The propagation of the Confraternity, both in hearts and in the world.”
2. “A prayer daily for: The unification of the Universal Church in the Tradition of Faith.”
3. “A prayer daily for: Personal holiness.”
4. “A prayer daily for: Those who receive the Message of the Chambers of the United Hearts, but reject it out of pride.”
5. “A prayer daily: That all will live in the Divine Will.”

“These prayers can be nothing more than the ejaculation—‘*Jesus, Triumph and Reign*’—or they can be a decade of the Rosary for each intention. The latter would be known as ‘The Rosary of the Confraternity’.”

February 8, 2003 /Public

THE ROSARY OF THE CONFRATERNITY OF THE UNITED HEARTS

“I am your Jesus, born Incarnate. This is how I desire the Rosary of the Confraternity be prayed. Before each meditation on each mystery of the Rosary, the intention is given with the following supplications.”

1. “We pray this decade for the propagation of the Confraternity, both in hearts and in the world. We understand that the Confraternity will usher in the Victory of the United Hearts.”

2. “We offer this decade for the unification of the Universal Church in the Tradition of Faith. We pray that what is in darkness will be brought into the light, and compromise will face defeat.”

3. “We offer this decade for our own personal holiness. We pray to be perfected in Holy Love—thereby being led deep into Divine Love.”

4. “We pray this decade for all who receive the Message of the Chambers of the United Hearts, but reject it out of pride. We ask the Blessed Mother to give them the grace of the illumination of conscience.”

5. “We offer this decade that all will live in the Divine Will. The Kingdom to come is the reign of the Divine Will in every heart. This is the Triumph and Victory.”

February 8, 2003 /Public

St. Thomas Aquinas comes and says: “Through the Eucharist, the Will of God is present in the world—completely, perfectly and eternally. Then, understand that the Fifth Chamber—union with the Divine Will—is offered to each one who partakes of the Holy Eucharist.”

“Praise be to Jesus.”

February 14, 2003 /Public

Jesus is here. He says: “I am your Jesus, born Incarnate.”

“I invite souls to understand that peace is the by-product of trust. Trust is your surrender to God’s Will in the present moment. The more the soul trusts in himself, the greater the hold evil has on each heart. Pray for genuine peace based on love.”

February 17, 2003 /Public

St. Thomas Aquinas comes and says: “Praise be to Jesus.”

“I have come to help you see that God’s Justice is the broom that sweeps away the debris of Satan’s lies. The debris of Satan’s lies is the evil that has been accepted in hearts as truth. Our Mother’s images weep in the world today and even at this site, for She sees the world racing towards God’s Justice.”

“In any given moment, the truth of Holy Love and the truth which is Holy Love is challenged and compromised by abortion, greed, exploitation of innocence—even world leaders who portray lies as truth and truth as lies. Always remember, Satan is the father of lies.”

“You must stand up for the truth with courage as the saints did before you. Otherwise you stand to be swept away by God’s broom of Justice. Begin now—in this present moment—to see truth as Holy Love.”

February 17, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, continue to pray with courageous hearts. Persevere in prayer that all hearts are converted through love; for we will not have peace in the world until this is realized.”

“We’re blessing you with Our Blessing of the United Hearts.”

February 19, 2003 /Public

“I am your Jesus, born Incarnate. I have come to help you understand that it is the Adversary who tempts you to discouragement. This is one of the obstacles he places along the path towards the fulfillment of God’s Will. The one who is discouraged cannot pray with a hopeful heart, and is tempted to lose sight of the victorious goal.”

“Pray as though you were already triumphant. That is the prayer that most pleases Me. Lend no heed to temporary setbacks. Satan will then become discouraged himself and eventually surrender before the barrier of your faith.”

“Make it known.”

February 20, 2003 /Public

“I am your Jesus, born Incarnate.”

“I have come to help you understand that each soul’s place within the Chambers of Our United Hearts can change from moment to moment according to the direction of free will. Often affairs of the day or leisurely pastimes consume the heart. But even these cannot be a distraction if everything is accomplished in and through love of God and neighbor. One should carry this ‘Flame of Love’ wherever he goes—whatever his pursuits. This way—in simplicity—everything is accomplished within My Father’s Divine Will. You will please make this known.”

February 21, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, the very fiber of My Heart cries out to you—that fiber which is Divine Love itself. Oh, how I long to draw every soul into My Heart, but My sheep are scattered—arrogant and unfaithful. It is by your prayers and the merit of your love that you are drawing them under the canopy of Holy and Divine Love.”

“You, My children, are My consolation, and I am blessing you with My Blessing of Divine Love.”

February 24, 2003 /Public

St. Martin de Porres comes. He says: “Praise be to Jesus.”

“I have come to speak to you about being little. Spiritual littleness is a goal all must seek in order to advance through the Chambers of the United Hearts. This is how to be spiritually little.”

—“Always regard others as more holy and more worthy than you yourself, all the while striving to be as holy as you can be.”

—“Do not seek to be great or important in the eyes of men, but in the eyes of God; that is, surrender reputation and popularity seeking only to do God’s Will.”

—“Do not complain—this shows a dissatisfaction with God’s Will in the present moment. This is also true of impatience.”

—“Put others’ needs always ahead of your own. It is in this way God will fulfill your needs in His way and in His time. God knows your needs better than you yourself.”

“These precepts will help you to be spiritually little and to live according to Divine Love—surrendering your health, appearance and comforts.”

February 24, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, you cannot accept everything as from the Hand of God unless you TRUST. You cannot trust Me unless you love Me. The depth of your love will be measured by how well you know Me. Therefore, pray for the grace to know your Jesus better.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

February 28, 2003 /Public

“I am Michael who stands before the throne of God. Praise be to Jesus. Peace—true and lasting peace—is the fruit of Holy Love. Any other kind of peace which is coerced or negotiated outside of Holy Love is artificial and temporary.”

“Peace cannot be based upon the magnitude of arsenals of weapons. This is not peace, but fear.”

“The greatest battle is fought moment by moment in the human heart. It is the battle of good versus evil—Holy Love versus all that opposes it. It is free will that governs the course of human history. It is that which is in hearts that governs free will.”

February 28, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I’ve come to draw you into My Sacred Heart and deep into the Chambers of Divine Love. My Crown of Thorns today is the souls who believe good to be evil and evil to be good. They form their opinions according to what is popular and not what is righteous. But My Call into Divine Love helps you to see past Satan’s deceptions and lead you into holiness. Follow Me, My little lambs.”

“I’m blessing you with My Blessing of Divine Love.”

TESTIMONIAL

My mother died of lung cancer. My sister, who is 53, stopped smoking three years ago. She went for a new special CAT scan that detects early cancer. They found three lesions in her lungs and she had no symptoms. I then called my doctor as I had smoked for many years and stopped 11 years ago. The special scan showed two nodules—one in the base of each lung. This called for a more extensive CAT scan. A few days prior to my scan (the second one), I went to see

Maureen at South Attleboro, Massachusetts where I was blessed to have venerated Our Lady's Hair and held Her to my lungs. I asked for Her intervention for my sister and myself. My second CAT scan showed normal—no nodules—only a small infiltrate which meant nothing. I truly believe this is Our Lady's intervention. I will let you know about my sister—she is due for another CAT scan in about a month; but, more than physical healing, she needs spiritual healing.

CONFRATERNITY OF THE UNITED HEARTS

The Confraternity of the United Hearts is a pious ecumenical association of the faithful, which exists to help members live a life of personal holiness through Consecration to the United Hearts of Jesus and Mary. It promotes a deeper spiritual journey into the Chambers of the Sacred Heart of Jesus, culminating in Union with the Divine Will (the Fifth Chamber).

It is important to begin this journey with completion of the three-day Consecration to the Flame of Holy Love (the Immaculate Heart of Mary). This is the step to help move you into the First Chamber of the United Hearts, which is Holy Love.

For more information on the Confraternity and the Secular Order of Missionary Servants of Holy Love, you can call the United Hearts Gift Shop at 440-327-4532 to order the Triumphant Hearts Prayer Book, go to our web site at www.holylove.org, or write to: CONFRATERNITY OF THE UNITED HEARTS, 37137 Butternut Ridge Road, Elyria, OH 44035.

"I am your Jesus, born Incarnate. I tell you, the merit of every action is measured by the depth of Holy Love with which it is performed. Therefore, even if the action you perform is seemingly endless waiting for the fulfillment of a certain petition, do it with Holy Love. This is the way to frustrate the Adversary in his plans. Pray for the grace of perseverance with a heart of love."

March 1, 2003 / (Personal to Maureen – For Publication)

Blessed Mother is here as Refuge of Holy Love. She says: "Praise be to Jesus."

"My dear children, each 'Hail Mary' you give to Me is like a precious gift to be unwrapped and enjoyed at My choosing. It is like a soothing balm that embraces your Mother's Heart, and calms the anxiety that I hold in My Heart for souls who do not listen and do not remain faithful to the commandments."

March 3, 2003 /Public

"I am your Jesus, born Incarnate. I have come to encourage you—not to reproach you. I have come so that you can make these things known."

"Never be afraid to stand up for the truth. My Remnant must hear this and take it to heart. Those who strike the Church from within must be confronted. The sacraments themselves are under attack. My True and Real Presence in the Holy Eucharist is challenged. The sacrament of reconciliation is taken lightly even though it is the precious gift of My Mercy."

"The holy priesthood has become a hotbed of controversy. Every aspect of this institution of the priesthood has been challenged and trodden upon. The Holy Sacrifice of the Mass is under attack, as well. Those who oppose sin are most often mocked rather than applauded. Is it any wonder My Mother weeps?"

"You cannot have a 'live and let live' attitude in this world without answering for it in the next. Understand, every sin affects the whole world and the course of human events, just as every communion, every prayer, every holy hour, every corporal work of mercy affects the entire world."

"Do not endorse sins such as abortion and homosexuality by

not opposing them. You can pray against them—you can join and/or support organizations which oppose them. Most of all, do not be afraid to stand up for the Tradition of Faith. Let go of your reputation and live in truth. You are no more than you are in My Eyes."

March 3, 2003 /Public

St. John Vianney comes and says: "Praise be to Jesus. The Holy Remnant must pull together now in order to oppose those who attack the Church from within. If the dissenters band together under certain titles, the Remnant must do so, as well. This can be accomplished through the Confraternity of the United Hearts."

March 3, 2003 /Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "My brothers and sisters, I come to you tonight to bring you hope in the midst of discouragement. You do not travel any path alone. Every obstacle that you meet is overcome through the grace of Our United Hearts. Therefore, be encouraged—persevere!"

"We are blessing you with the Blessing of Our United Hearts."

March 5, 2003 /Monthly Message to The Remnant Faithful

(This message was given in multiple parts.)

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. I come to all people and every nation today to help you to decide. These are the times of which My Mother came into the world to warn you about. Free will must choose between war or peace—between the Tradition of Faith or a spurious imitation. The choices are not clearly defined, as evil masquerades as good, and good is convoluted to appear as evil."

"Today your safety and peace is not in false promises—treaties that are not honored or in man-made forms of worship and false gods. You must seek out the Ark of My Mother's Immaculate Heart which is Holy Love itself. Deep within the shelter of this magnificent

Flame of Pure Love you will find your answers—your choices—your peace.”

“When free will tries to form peace around his own ideas and outside the formula of Holy Love, the efforts fail—history tells you so. You have had war after war over the last century.”

“Please understand that mankind’s efforts towards peace that fail, often lead to justifiable war. This is so when one country bullies another, or chooses subterfuge and deceit over truth, or disregards human rights.”

“I only remind you that Holy Love must be the inspiration and the core of your peace efforts. Holy Love calls the soul to simplicity of heart—humility of heart, and truth itself.”

“Today, you see Bishop opposing Bishop and Cardinal against Cardinal—just as My Mother predicted. My Church will overcome these difficulties, but not without the loss of many souls. Today, you must pray for priests and the Church hierarchy, as well. Some make choices which lead to their perdition, for each one is judged according to his own choices—for or against Holy Love. Be certain that My Mother’s call to Holy Love supports Church Tradition.”

“I am calling you under the banner of Holy Love to pray for love to consume hearts. It is only then you will be at peace. Spread devotion to the Rosary of the Unborn like the enemy would spread germ warfare. Let this devotion permeate cities, nations and the heart of the world. When you pray this special prayer, you combat war in the womb and war in the world.”

“In each present moment surrender your heart to Me in Holy Love. This is the greatest sacrifice you can offer in this penitential season. In this surrender you are giving Me your free will—in this surrender your prayers and works become more meritorious—in this surrender lies My Victory.”

“I invite you to comprehend that it is not any dictator or liberal group that threatens world peace or undermines Church authority—it is Satan himself. Therefore, during these days of heightened spiritual warfare, hasten to the spiritual refuge of My Mother’s Heart.”

“My brothers and sisters, when you cooperate with the crosses in your life in each present moment, you will receive grace enough to bear it quietly and humbly. Then graces will pour into your hearts and into your lives and into the world around you. It is in this way you comfort the United Hearts of Jesus and Mary and give Us solace.”

“And so today once again, We impart to you the Blessing of Our United Hearts.”

March 7, 2003 /Public

“I am your Jesus, born Incarnate. Deep within My Divine Heart lies all mankind needs to be restored to righteousness. My Heart is Wisdom and Love. Enthroned within My Heart is the Will of the Eternal Father. Justice and Mercy are the walls of My Heart. Each soul must pass through My Heart to reach eternity. Every attribute of My Heart enters into their judgment. The loving and righteous are embraced by My Mercy. Make it known.”

March 7, 2003 /Public

Dictated by Jesus to Maureen:

“Dear Sorrowing Sacred Heart of Jesus, humbly we ask an infusion of grace upon the heart of the world. Sacred Chamber of Divine Love, redirect free will to choose Holy Love over hate. Listen to the plight of all mankind and help us to avoid war, terrorism and crimes against life.”

“Make us Your emissaries of Divine Love.”

“Amen.”

March 7, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, the path I draw you upon—the path of the Divine Will of My FATHER is not without pain and suffering. But when you offer the pain and suffering to Me with love, I help and assist you in carrying your crosses, for My yoke is easy—My burden light. Cooperate with Me in this way with your suffering and you will assist Me in My Victory, both in hearts and in the world.”

“I’m blessing you with My Blessing of Divine Love.”

March 8, 2003 /Public

St. Thomas Aquinas says: “Praise be to Jesus. I have come to help you see that all the grace obtained in one Chamber of the United Hearts is carried into the next Chamber and deepened. In other words the soul enters the First Chamber and is purified of his iniquity through Holy Love. When he enters the Second Chamber—holiness in the present moment—the purification he experienced in the First Chamber abides with him and continues. As he seeks to be holy in the present moment, he is even more aware of the slightest fault or iniquity, and strives to overcome them.”

“Gradually, the soul is drawn into the Third Chamber which is perfection of the virtues. The virtues are deepened through an awareness of imperfections in the present moment—the First and Second Chambers. And so it goes until the Kingdom of God—the Kingdom of the Divine Will—is established within the soul itself through union with the Divine Will.”

“So you see, this spiritual journey is like building a house—a spiritual refuge—within the human heart. One block builds upon another until the Kingdom of the Divine Will is enthroned within the heart itself. Make this known.”

March 9, 2003 /2nd Sunday Service to Pray against Abortion

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, whenever you pray against the sin of abortion, pray that self-love is overcome in every heart; for it is self-love that leads souls to kill the life within the womb. Pray that all hearts are consumed with the virtue of Holy Love, for this is the only victory.”

“I’m blessing you with My Blessing of Divine Love.”

March 10, 2003 /Public

“I am your Jesus, born Incarnate. In every present moment the soul is given the grace to be heroic in virtue. All that stops him is his free will. He hesitates—considering the cost to himself. In the instant that he hesitates, Satan is present urging him to act contrary to virtue. If the soul is being tested in patience and meekness, Satan tempts him with thoughts of anger. If the test is in humility, the devil invokes thoughts of self-love and pride. But the soul can only advance in perfection of the virtue when he practices the virtue amidst trials—for it is in the test that the virtue comes to perfection.”

“The soul must never consider himself perfect in any virtue. He should never think: ‘I was patient yesterday so now I have perfected the virtue of patience’—for the next test may be even greater than the last. Each soul needs to ask for the grace upon arising to be virtuous throughout the day.”

“Say upon arising:”

“Dear Jesus, through the Immaculate Heart of Mary, open my heart to the grace I need to be perfected in virtue today in every present moment. Amen.”

March 10, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, I come to you tonight to give you strength to follow the path of

righteousness that I call you upon. I desire that you be strong in your decision to follow and live in Holy Love in the present moment so that you can withstand accusations and false promises from world leaders—so that you can withstand the conviction of conscience that is coming. My brothers and sisters, the Remnant must be the fiber of strength that is Holy Love.”

“We’re blessing you with Our Blessing of the United Hearts.”

March 12, 2003 /Public

“I am your Jesus, born Incarnate. Please understand, My messenger, that the more the soul empties himself of worldly concern, the more I will fill his heart with all that is everlasting.”

“The more your heart is emptied of self-will, the more I fill it with the Divine Will.”

March 15, 2003 /Conference – San Antonio, TX

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. There is no need for you to list your needs and your wants, for Heaven knows what you need most. Let your prayer be to increase in Holy Love, and to go deeper into the Chambers of Our United Hearts. I assure you, this petition will be heard.”

“Today We’re blessing you with the Blessing of Our United Hearts.”

March 17, 2003 /Public

“I am your Jesus, born Incarnate. Thank you for returning to Me today and foregoing the many affairs of the world. It is My joy today to set down some guidelines for the Confraternity.”

“Those who would consider joining the Confraternity should accomplish the following daily:”

—“Pursue the spiritual journey through the Chambers of Our United Hearts.”

—“Recite the Confraternity Rosary daily.”

—“Recite the Chaplet of the United Hearts for living and deceased members of the Confraternity.”

—“Perform corporal and/or spiritual works of mercy. One of the spiritual works can be propagation of the Confraternity itself.”

—“Pray for priests.”

—“Daily consecration to Divine Love and Our United Hearts.”

—“Remember the Confraternity is the backbone of the Remnant Faithful.”

March 17, 2003 /Public

“I am your Jesus, born Incarnate. Please comprehend that as the First Chamber of Our United Hearts is the Flame of Holy Love—the Flame of My Mother’s Heart which purges the soul of serious iniquity—all subsequent Chambers which are Divine Love purge the soul of his own will bringing him into conformity with the Divine Will of My Father.”

“The more the soul can accept everything as from the Hand of God—the deeper his holiness in the present moment—the more perfected he becomes in virtue, the more conformed the human will to the Divine. Self-will is full of self-love and attachment to self and the world. The more the soul detaches from self, the more love of the Divine can fill his heart.”

“Pray for this detachment. Pray to be filled and consumed with Holy Love. It is then the Kingdom of the Divine Will will be established in your heart.”

March 17, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, pray from the heart to overcome misdirected free will, for Heaven will be attentive to such a prayer. Then you will travel deeper into the Chambers of Our United Hearts.”

“We’re blessing you with Our Blessing of Our United Hearts.”

March 21, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, when you surrender to the crosses that My Father places in your life, you are conforming to His Divine Will. But when you object to the crosses you are given and complain about them, you are opposing the Will of My Eternal Father. Therefore, pray for the grace to surrender in every present moment.”

“I’m blessing you with My Blessing of Divine Love.”

March 23, 2003 /4th Sunday Service to Pray for Unbelievers

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I offer you the peace of My Heart. Take it into your own hearts. Do not wish the worst for your enemies and the enemies of this country; but in Holy Love, pray for their conversion. I tell you, their angels kneel before the throne of God pleading for this—moment by moment.”

“Today I am blessing you with My Blessing of Divine Love.”

March 24, 2003 /Public

“I am your Jesus, born Incarnate. Today, I desire that you contemplate the two great commandments that comprise Holy Love—specifically, love God above all else and your neighbor as yourself. The soul who seeks to keep these commandments must have God first and foremost in his heart. He can and will have other desires, but they must not consume his heart.”

“These are some ways Satan divides the heart and takes the soul away from Holy Love. The first is unforgiveness which leads to bitterness. Such a heart cannot love with an unencumbered effort. Impatience and anger are other obstacles which also has its roots in too much self-interest—‘poor me—look what happened to me’.”

“Jealousy and love of worldly goods presents another obstacle. Everything the world offers is permitted by God—some good, some evil. The good is there to appreciate but not to love. The evil must be renounced if the soul seeks holiness.”

“Too much self-love (pride) leads to love of worldly reputation and love of one’s own opinion. I do not judge according to what others say or think about you, but by the effects of Holy Love in your heart and in your life.”

“Remember, the commandment states ‘love your neighbor as you love yourself’. Then understand that self-hatred is never justified in My Eyes. It is only when the love of self takes on more importance than love of God and neighbor that it becomes inordinate self-love.”

“In every heart lies the potential for holiness. Every present moment is an opportunity to practice Holy Love. Begin and continue now.”

March 24, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, bear every cross which is given to you nobly, for your crosses are great graces in these troubled times. Offer them for the conversion of evil hearts and for victory—YES—victory, not only

for our troops overseas, but also for the victory of Our United Hearts.”
“We’re blessing you with Our Blessing of the United Hearts.”

March 28, 2003 /Friday Rosary Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” (A private message was given.)

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, always pursue the path of Holy Love in every present moment, for this is the path of righteousness. Even in these times of turmoil, you will find your peace in the Hearts of Jesus and Mary.”

“My brothers and sisters, I have longed—longed to be with you. Come to Me then, and do not deny My Love as I hang upon the Cross. Have a clear understanding of My Passion. When you pray, pray with a crucifix in your hands.”

“Tonight We’re blessing you with the Blessing of Our United Hearts.”

March 29, 2003 /Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight please know there is no barrier between your heart and Mine. My Mercy will pour into your hearts and fill them with peace, love and joy. Make of your heart empty vessels that I may fill them to the fullest.”

“And tonight I will bless you profoundly with My Blessing of Divine Love.”

March 29, 2003 /Public

After Communion Jesus said that the troops He’s cheering on are spiritual troops. The war is a spiritual war. The victory has to be spiritual. The army is an army of victim souls that His Mother spoke about at Akita.

I ask about Scripture passage—“Sacrifices and oblations I want not.”

He said: “Sacrifices can be superficial, but a humble and contrite heart can’t be.”

March 31, 2003 /Public

“I am your Jesus, born Incarnate. I have come to call all of humanity into a new evangelization of transforming love. This love must be Holy Love—fulfilling My commandments of love—and needs to move every heart into Divine Love. I thirst for the fulfillment of this call to love. This is a call to be transformed through surrender. In this surrender is true peace and freedom. Yes, this is the century when love must triumph. Every heart that surrenders to love brings the triumph closer. Make it known.”

March 31, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, the path I lay bare for you remains in plain sight when you surrender to Holy Love. But when you do not surrender the present moments that you allow distractions to enter your heart, the path becomes obscured and strewn with obstacles. Therefore, center your hearts and your lives on Holy and Divine Love so that you do not stumble.”

“We’re blessing you with Our Blessing of the United Hearts.”

MEET AT THE FIELD OF THE UNITED HEARTS ON JUNE 27 AT 11:30 PM.

*****The Confraternity of the United Hearts Retreat will be held June 27-29. Details in attached flyer.*****

April 1, 2003 /At Adoration of the Blessed Sacrament

"Thank you, Jesus, for letting me come here today."

"I am your Jesus, born Incarnate. My daughter, when you long to be here with the burning love that rises up in your heart, it is itself worth more to Me than the ones who come but carry the problems of the world in with them. I seek singularity of heart."

"I have come to explain to you the Sixth Chamber. It is the Heart of the Eternal Father. It embraces all the other Chambers of Our United Hearts. In this Chamber is God's promise—a new covenant of love. The souls that pass into this Sixth Chamber have reached the highest Heaven. In this life it is reserved for those who have already reached sanctity. In eternal life the saints and martyrs of love who reached the Fifth Chamber move into the highest Heaven."

"Since My Father's Heart embraces all the Chambers of Our United Hearts, realize He calls each soul to be immersed in this highest Heaven. For to him who has faith, all things are possible."

April 2, 2003 /Public

"I have come to help you understand this Sixth Chamber of Our United Hearts. When you try to comprehend what I tell you on your own, you get into trouble. I am your Jesus, born Incarnate."

"The Sixth Chamber - the Will of My Father - clothes all the other Chambers, and yet to reach it you must pass through all the other Chambers - for the Sixth Chamber is the highest Heaven. So, how can you pass through it but not be contained in it? In order to get into the First Chamber which is Holy Love, the soul must, to some degree, pass into My Father's Will - for Holy Love is the Divine Will as is every Chamber."

"At the beginning, the Will of My Father acts as a sieve - filtering out iniquity and self-will, and helping the soul to hang onto the Will of God. With each successive Chamber, more of the soul's own will slips through the 'sieve', and more of the Divine Will fills the soul. The souls that do reach the Sixth Chamber - the highest Heaven - either in this life or the next - are consumed with the Divine Will and no longer exist alone - only in God."

"You ask Me to explain the concept - the highest Heaven. I cannot explain it in human terms. It is not a concept or a place. It is more of an experience. Certain ones may come close to this experience, but most never reach it."

April 2, 2003 /Public

"Praise be to Jesus. I am Margaret (Mary Alacoque). I have come to explain the Sixth Chamber as easily as I can."

"The Sixth Chamber is the embrace of the Heart of God which is the Divine Will. The soul feels the embrace of the Father's Heart increase as his soul is drawn deeper into the Chambers of the United Hearts. This being so, please see that as the soul is drawn into the First Chamber, he feels the Father's embrace begin. Each subsequent Chamber allows the soul to feel the Father's embrace increase. The Eternal Father tries to draw each soul into the highest Heaven."

April 2, 2003 /Public

St. Thomas Aquinas comes. He says: "Praise be to Jesus. Understand that God's Divine Will is at work even outside of the First Chamber. For it is His Will that draws the soul into purgation—the Chamber of Holy Love. Moreover, the Divine Will never changes; it is always pulling the soul into the Sixth Chamber, which is the Highest Heaven. It is the soul's response to the Divine Will of God which changes from one Chamber to the next—always deepening and perfecting until it is conformed, and then, hopefully, united to the Will of God."

April 3, 2003 /Public

St. Thomas Aquinas comes. He says: "Praise be to Jesus. Praised be His Eucharistic Heart. I have come to help you understand more fully this latest Revelation. The Heart of the Father is One with His Divine Will. The Divine Will is One with the Sacred Heart of Jesus and the Immaculate Heart of Mary. Therefore, the Heart of the Eternal Father embraces all Five Chambers of the United Hearts. Furthermore, you must see that Holy and Divine Love, as well as Divine Mercy, are the Will of the Father."

"But the Will of God reaches out to those souls outside of the First Chamber—the Immaculate Heart of Mary. Jesus said in Scripture: 'No one can come to Me unless the Father draws them'."

"To take the understanding still farther, the Holy Spirit is also One with the Heart of God and His Divine Will. Therefore, the Holy Spirit engulfs every Chamber of the United Hearts. He gives His gifts according to the Will of God."

"The Sixth Chamber, then, is attainable to few on earth in its entirety, as it is immersion—not just union in the Will of God. However, because the Will of God cradles all the other Chambers and even pulls the soul into the First Chamber, we can say that the essence of the Sixth Chamber—the Divine Will—is ever present. The Father's goal is to draw all souls into the highest Heaven."

He winks and leaves, saying: "Make it known."

April 4, 2003 /Public

I saw a beam of Light with angels alongside of it. Jesus stepped out of the Light. He said: "I am your Jesus, born Incarnate. This Light is the Heart of My Father in Heaven-His Divine Will. It reaches down to earth from the highest Heaven and shines through every Chamber of Our United Hearts."

"It is only through this Light the United Hearts and the Chambers herein exist. At its source-the Heart of the Eternal Father-lies the Sixth Chamber. The power of this Chamber diffuses through all the other Chambers. Then it reaches beyond into the world, drawing sinners into Holy Love-the Immaculate Heart of My Mother."

"The Light of the Sixth Chamber will bring into harmony man's free will with the Divine at the coming Triumph of Our United Hearts."

April 4, 2003 /Friday Rosary Service

Jesus and Blessed Mother are here. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, anything in the world, any event or person or place that does not reflect the concept of Holy Love is from the evil one. You can see this in the adversarial relationship in the Middle East."

"My children, do not despair for God's Love and His Will which are One, will triumph through the Message of Holy and Divine Love, and crush the head of the serpent."

"We're extending to you the Blessing of Our United Hearts."

April 5, 2003 /Monthly Message to the Remnant Faithful

(This message was given in multiple parts.)

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. Today your nation stands in the shadow of the Cross. My Mother's tears fall all around you. But I am ever your Good Shepherd. I will lead you if you follow Me."

"Some in the world choose darkness over Holy Love and perpetrate errors which serve to separate Heaven and earth. The United Hearts call every heart into union - union between Heaven and earth through Holy and Divine Love. I invite you to arm yourselves with this truth and to be a soldier of love."

"There are many battlefronts in the world today - crimes against innocence, poverty, disease; but the most threatening is the invisible and unnoticed battle of spiritual warfare. Satan has placed a veil of lies over all his works so that they appear as good, and even righteous."

"I have come to lift that veil with the Hand of Divine Love. This must be the century of truth and victory in and through Holy and Divine Love. This must be the age of triumph of Our United Hearts. All of earth - the seas, the mountains, the valleys - cry out to Me for this victory."

"Today in this area of the world, the signs of spring are all around you, and yet the air is chilled as though spring will never come. It is so in the spiritual world, as well. I am offering a springtime of new growth through the United Hearts of Jesus and Mary - a season of Love. Yet, all around you are signs - indifference, lack of love, even rejection. Still, I come to raise up a mighty army of apostles - apostles of Love. This army of Holy Love must transform the world. Some are soldiers of active duty - evangelization. Others are victims offering their sufferings much as a supply line. We must relieve the spiritually deprived and feed the spiritually hungry. Everything will be given that is needed if you but believe in Me, as I believe in you."

"As evil is revealed in hearts and in the world, come to realize the power Satan has to deceive. Then surrender to the truth which is Holy and Divine Love."

"Yes, My brothers and sisters, I come to you to summon together My army of Remnant Faithful. For it is through Holy and Divine Love and Our United Hearts that evil will be overcome, and the head of the serpent crushed. It is through this victory that souls will be made whole and the heart of the world and the Church will be healed."

"And so, We extend to you today the Blessing of Our United Hearts."

April 7, 2003 /Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, today more than ever, I ask that you pray for all hearts to be converted in Holy Love. It is only through the Flame of My Mother's Heart that iniquities will be laid bare and souls will be called to their reform."

"I need your prayers, My brothers and sisters, for these times are difficult, and Satan plays many tricks and has many SUBTERFUGES. Pray many rosaries on behalf of My Mother's Immaculate Heart, for She weeps as many souls are lost."

"We're blessing you with the Blessing of Our United Hearts."

April 9, 2003 /Public

St. Thomas Aquinas comes. He says: "Praise be to Jesus. I have come to help you see that all creation exists to give glory to God—the Sole Creator. Human affection is fickle—now attached to opinions and reputation—next, material goods—rarely placing love of God above all else."

"But nature—the elements of the earth—the sky and the sea—the plants and animals—are in obedience to God's law. Nature reflects God's beauty and claims nothing as its own. Nature awaits the Hand of Divine Providence and does not betray the handiwork of its Creator."

"When mankind lends his free will to vanities and leans on his own efforts, he broadens the gap between Heaven and earth. Therefore, see that the affections of the heart which direct free will must be in alignment with God's Divine Plan which is Holy Love in every present moment."

April 11, 2003 /Public

"I am your Jesus, born Incarnate. I invite you to understand that Holy Love, Holy Trust, Holy Surrender and Holy Peace all increase in the soul in proportion to his conformity to the Divine Will. So then, see that as the soul progresses deeper into the Chambers of Our United Hearts - love, trust, surrender and peace become deeper and more profound in his heart, for these are the fruits that conformity to the Divine Will will bear, and Holy Love nourishes them all."

April 11, 2003 /Second Friday Rosary Service to Pray for Priests

St. John Vianney is here and says: "Praise be to Jesus. My brothers and sisters, during this tumultuous time, priests need to cling to their Heavenly Mother with self-effacement. And with great ardor, they need to pursue Holy Love. For I tell you, the Holy Mother is calling with much energy ALL the priests of the world into Her Immaculate Heart which is Holy Love and the First Chamber."

"I'm extending to you my Priestly Blessing."

April 12, 2003 /Public

"I am your Jesus, born Incarnate. See the Hand of your Heavenly Mother in every turn of events. It is with Her own Hand that She prepared My Body to lay in the tomb. It was by the Hand of My Mother that the roses were arranged on Juan Diego's tilma."

"It is by the Hand of My Mother all of humanity is being beckoned into Her Immaculate Heart."

April 13, 2003 /Second Sunday Service to Pray against Abortion

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, during this Holy Week make every effort to allow the Divine Will of My Heavenly Father to take dominion over your hearts, for it is His right and His place. Pray much - make many small sacrifices - all emanating from a heart full of Holy Love, for this is God's Will for you, and I will bring you closer to My Passion."

"We're blessing you with the Blessing of Our United Hearts."

April 14, 2003 /Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, My Father's Divine Will embraces all of creation and everything in it - all events and every movement of the Spirit. The one thing that it does not embrace is man's free will. God awaits free will to decide to turn to the Divine. Pray, My brothers and sisters, that free will will conform to My Father's Will."

"We are blessing you with the Blessing of Our United Hearts."

April 17, 2003 /Public

"I am your Jesus, born Incarnate. Once again, I come to you to speak only the truth. Solemnly I tell you, those who do not embrace the truth are convicted by the truth. Those who do not live in Holy Love are convicted by Holy Love."

"To those who consider themselves Catholic, the truth is the Tradition of Faith as handed down through the ages and through John Paul II. Catholics need to be familiar with Catholic tradition so that they do not fall victim to compromise. The faith is all-embracing and must not be compromised by gender identification crisis."

"For Catholics, the truth is served by frequent reception of the sacraments with hearts of faith and love. The truth is your faith which is given over to the protection of My Mother's Immaculate Heart."

"These days many attempt to compose their own truth. I tell you, where faith is concerned, you cannot replace the Holy Trinity with false gods. Do not make false gods of your opinions, but turn your hearts to Heaven and come to Me."

"Your peace is always temporary unless you have trustfully surrendered everything to Me."

"Love Me as I love you."

April 18, 2003 /Good Friday

"I am your Jesus, born Incarnate. Today, I come to you to describe to the world My Wounds."

"The Wounds of My Hands were suffered for those who embrace evil and oppose righteousness. With Me there is no half-measure. You are either for Me or against Me."

"The Wounds of My Feet were suffered for those who once walked in righteousness, but have strayed from the path."

"The Wound of My Heart was suffered for priests—the lukewarm priests—those who have compromised or forsaken their vocation—those who offer the Holy Sacrifice of the Mass with sullied hands."

"All of these I suffered for the salvation of souls, and I suffer them still today."

April 18, 2003 /Good Friday – 3:00 p.m.

"I am your Jesus, born Incarnate. As I drew in My last breath - a breath that caused Me excruciating pain - I was consoled by the knowledge that two Revelations would draw My Remnant Faithful together. One was the Revelation of My Divine Mercy - the other was the Revelation of the Chambers of Our United Hearts."

"Console Me even now. My greatest pain remains - it is looking

into the Heart of My Sorrowing Mother."

"Say this prayer:"

"Dear Sacred Heart of Jesus and Sorrowing Heart of Mary, I give You my whole heart, every joy and sorrow, every iniquity and all merit that You find in it today. I offer to You my desire to be Your victim of love. With this desire, see my trust in Your Will for me, and allow this trust to console You. Amen."

April 20, 2003 /Public

Jesus comes with Archbishop Ganaka and St. Thomas Aquinas. He says: "I am your Jesus, born Incarnate."

"I have come to tell you that I am raising this Mission up beyond every impossibility into the victory of Holy and Divine Love. For it is in the raising up of this Mission as yeast in the Flame of Divine Love that My Victory will come into the world. It is then you will see the Victory of Love in the world and the Triumph of Love in every heart. Make it known."

April 21, 2003 /Public

"I am your Risen Jesus, born Incarnate. Alleluia!"

"I have come today as the Defender of the Faith - the Defender of Church Tradition. I invite each soul to assume this role as defender of true Church Tradition. Do not be tricked by false compassion for gender identification crisis. Nor should you follow a pharisaical spirit that believes the heart of the faith can be negotiated through superior intellect."

"I invite the Church hierarchy to a renewal of faith in Church Tradition. Within this call to renewal is the call to the realization that My Immaculate Mother is calling souls to Me through Her Heart, which is Holy Love. Do not be afraid of this Revelation of Our United Hearts, for in and through it you will gain strength. Then, renewed in the Tradition of Faith, you will be able to lead with love instead of compromise and control. You will lead your flock by righteousness - not fear of retaliation."

"I have commended the Tradition of Faith to the care and protection of My Mother's Immaculate Heart. Seek Her out!"

April 21, 2003 /Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here. They are both in white. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate - Alleluia! Lay all your petitions upon the altar of My Eucharistic Heart. There you will find solutions and answers where there were none, and you will be rewarded according to your faith."

"We're blessing you with the Blessing of Our United Hearts."

April 25, 2003 /Public

"I am your Jesus, born Incarnate. Today, I invite you to understand that few are required to give up their life for the faith. In these times, however, and because of the great apostasy within My Church, the members of the Confraternity are being asked to be martyrs of love."

"To be a martyr of love means to be a martyr of free will. This is what is required of each soul to move deeper into the Chambers of My Heart - to give up free will for the Divine Will of My Father. When a soul can say: 'I have no more wants except what the Father in Heaven wants for me' - he is well on the way to martyrdom of love - martyrdom of his free will. He is deep in My Heart."

April 25, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you say 'yes' to Holy Love in the present moment without restraint, the path of Holy Love is laid bare before you, enlightened by your surrender. It is always that which you refuse to surrender to Me which causes obstacles upon

the path and darkness upon your journey. Therefore, come to Me without doubt or fear."

"I'm blessing you with My Blessing of Divine Love."

April 26, 2003 /Public

"I am your Jesus, born Incarnate. I tell you, the soul that has given Me his trust has given Me everything. For it is only through trust that surrender is made complete. It is in every present moment that I look for this trust, no matter the soul's activity in the world. How can you remember to trust Me when you are busy with everyday activities? Simply do everything for love of Me. Then do not fear or doubt. Therein lies perfect trust - perfect surrender."

April 26, 2003 /Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the KEY to My UNFATHOMABLE MERCY is a CONTRITE HEART. When you come to Me full of remorse, the Hand of My Mercy wipes away all guilt. Then I desire to fill your hearts with Holy Love, and impart to you My Blessing of Divine Love."

April 27, 2003 /Divine Mercy Sunday

Jesus is here with His Heart exposed as He appears as Divine Mercy. He says: "I am your Jesus—Divine Mercy born Incarnate."

"My brothers and sisters, My dear little ones, you cannot understand the depth of My Mercy unless you can comprehend to some degree the depth of My Love. I am drawing all humanity into My Heart of Divine Love. Come to Me, My dear little ones. Understand that today I make the most scarlet of sins as white as snow."

"I'm blessing you with My Blessing of Divine Love."

April 28, 2003 /Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, My merciful and loving Heart is open to all souls, to every sinner in every present moment to partake of My mercy and love. My Victory begins in hearts that answer My Mother's call to enter Her Heart of Holy Love, and is made complete when the soul surrenders to Divine Love."

"Tonight We're blessing you with Our Blessing of the United Hearts."

April 30, 2003 /Public

St. Catherine of Sienna comes. She says: "Praise be to Jesus. I place this message in your heart. You must place it in the world."

"In any and all moral issues there can be no neutrality. Remember, Jesus said: 'If you are not for Me, you are against Me.' Our Lady has told you - not to decide is to decide. I will explain: If you do not support righteousness, your lack of support lends strength to evil."

"Here, I am not talking about decision-making and the time involved in drawing to conclusion your decision between good and evil - although in most cases this should not be a drawn-out process. I am speaking about 'fence-sitting' - a more serious offense than most suspect - in the eyes of God. This is the negative action whereby a person attempts to placate both sides of an issue. This stance, if chosen by a political or Church leader, allows evil to flourish and many souls to be misled."

"To stand up for righteousness means God is on your side. Do not fear loss of popularity, money or power. God must be your strength. Furthermore, you are not a peacemaker by straddling the fence. You cannot make peace with evil. There is never a sound reason to compromise righteousness."

"Make this known."

Jesus' Messages to the Remnant Faithful

The official publication of

MISSIONARY SERVANTS OF HOLY LOVE

May 2003

We are an ecumenical ministry seeking personal holiness in and through the Message of Holy Love. We seek perfection through the Chambers of the United Hearts. We spread the Revelation of the Chambers of the United Hearts whenever and wherever we can, thus ushering in the Triumphant Victory of the United Hearts.

May 2, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, allow the Flame of My Divine Love to embrace you - to burn away all that keeps you from conformity to the Will of My Eternal Father; then we will be together united in the United Hearts. And I will bless you with My Blessing of Divine Love."

May 5, 2003 /Monthly Message to the Remnant Faithful - Feast of Mary, Refuge of Holy Love *(This message was given in multiple parts.)*

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. Today I come to greet the world and to invite every heart into My Mother's Immaculate Heart - Refuge of Holy Love. This is My Father's Divine Will."

"It is by God's Divine Will this Holy and Immaculate Heart was conceived. It is by God's Divine Will, He has prescribed the title 'Refuge of Holy Love.' It is by My Father's Will, each soul is called into this Refuge to live in Holy Love. Oh! that the heart of every nation would surrender to this call and abide in Holy Love - the two great commandments of love."

"The time fast approaches when My Remnant Faithful will be exposed in the world as supporters of the true faith. This will be not by their own action, but by the outward action of dissenters of the faith. These are the modernists - the liberalists - who choose to live according to their own law and rebuke Church tradition. As they make themselves known, it will be apparent who the Remnant Faithful is."

"My Mother's Holy and Immaculate Heart is the Refuge of all sinners. Once the sinner accepts the invitation to step into this Immaculate Refuge, he is offered the grace with which to live in Holy Love. This is the most important step on the journey through the spiritual Chambers of Our United Hearts. In passing from the world into this Refuge of Holy Love, the soul passes from a life of sin and regrets into a life of victory through love."

"For this reason the title 'Refuge of Holy Love' most perfectly defines the Heart of My Mother."

"My brothers and sisters, within the purest vessel of My Mother's Immaculate Heart lies your salvation, which is Holy Love in each present moment. Yes, therein in that pure Immaculate Heart of My Most Beloved Mother is your salvation - My Triumph and yours. As apostles of Holy Love, you must make this known."

"Today We're extending to you the Blessing of Our United Hearts."

May 10, 2003 /Maine Conference (At Communion)

"I am your Jesus, born Incarnate. Oh, that hearts would open to My Transforming Love. I tell you, each heart that opens to Me makes the path wider and more easily traveled by those who follow after him. This comes by merit of prayers, sacrifices and living each moment in Transforming Love."

"Each soul that enters My Heart clears the way for more to come."

May 10, 2003 /Maine Conference

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My dear brothers and sisters, My Mother and I desire that you spread this message that you have received today, both by living the message and by propagating the messages. The grace of My Mother's Heart abides with you in this effort."

"We're blessing you with Our Blessing of the United Hearts."

May 12, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, traverse the bridge of love and mercy that spans the abyss between Heaven and earth. Surrender to Me; I am waiting for you upon this bridge."

"Tonight We're blessing you with Our Blessing of the United Hearts."

May 13, 2003 /Feast – Our Lady of Fatima

Our Lady comes as Our Lady of Fatima. She says: "Praise be to Jesus."

"My daughter, I am hemming the garment of grace that is this Mission in the world. Every last detail is falling into place. I am the seamstress, the thread - My grace. In the past I have patched and re-patched this garment, but today it is perfectly fitted and ready to be worn to the wedding feast."

"Each one who comes to the site, uses the water or reads the messages, will slip into this beautiful garment of God's grace. Some will reject it and cast it aside as though it were a rag. Others will wear it and show it off with pride; but the garment will become soiled and torn through their own pride, doubts and false discernment."

"But, My daughter, there are some who will put on this garment and wear it forever, refusing to let anyone with soiled hands touch it. These are My apostles of love. These are the ones that will help Me 'show off' this elegant garment of grace to the world. These are the missionaries that will help Me to make it known."

"This garment of grace that is My Mission through you is adorned with the finest jewels. But the greatest jewel and most perfect adornment is made of the persevering trustful surrender in the heart of the Mission itself. This jewel alone is worth more than the purest diamond or the greatest pearl. It catches the eye of Heaven and glitters as though it were a myriad of angels. It is the lasting jewel of grace placed in the most dominant place of the garment - over the heart."

May 16, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I come to you once again this evening for I desire to renew your hearts in complete surrender. Let each present moment be a rebirth and a renewal in this surrender. This way, My Father's Will will be accomplished in and through you."

"I'm blessing you tonight with My Blessing of Divine Love."

May 17, 2003 /Public

"I am your Jesus, born Incarnate. How good it is you are here. You are forgetting to send your angel to Me in times of conflict and difficulty. He is always free to come to Me and I welcome him."

"I have come to speak to you a message long burning in My Divine Heart. For many years you have pondered My Mother's words to you that this is the culmination of all Her apparitions in the world. Mistakenly, you thought She meant the last of all Her apparitions. Not so. By the words 'culmination of all My apparitions' My Mother was revealing a deeper thought."

"The Message of the Chambers of Our United Hearts is the ultimate path each soul is created to pursue, for this spiritual journey leads to personal holiness and sanctification. Further, since this journey leads the soul in pursuit of living in the Divine Will, there is no other message from Heaven - no other 'new apparition', no other type of spiritual journey which should encourage the soul in a different direction. All directions from Heaven - if genuine - should eventually culminate in pursuit of My Father's Divine Will. Through the Message of these Sacred Chambers, the soul has been given a virtual road map."

"Yes, many spend much time in pursuit of worldly pleasures, travel and even in the spiritual realm, flitting here and there in pursuit of a greater grace. I tell you solemnly, the greatest choice in any present moment is pursuit of spiritual perfection through the Chambers of Our United Hearts."

"We must make this known."

May 19, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, pursue with courage the deepest recesses of Our United Hearts. I call you to surrender. Leave all encumbrances behind, all your wants, all your desires and unite your soul to the Divine Will of My Eternal Father; for this is the path and the way of righteousness."

"We're blessing you with the Blessing of Our United Hearts."

May 19, 2003 /Public

St. Thomas Aquinas comes. He says: "Praise be to Jesus. Child, every grace that comes is mediated through the Immaculate Heart of Mary, but has its origin in the Divine Will of God. Scripture has it that all things are a grace; and again, that God brings some good of all things. (Romans 8)."

"Therefore, do not be disheartened by any turn of events. If God is for you, who can be against? God wills the smallest blade of grass to spring forth into being. It is the Eternal Will that regulates the passage of clouds before the sun. It is through the Will of God that each soul is offered victory through Holy Love in every present moment."

"God's Will is Love, Mercy and Grace. The United Hearts are God's Eternal Will. The journey through the Chambers is God's Will. This is why Our Mother has told you that every private revelation—if genuine—has its origin and culmination in the Divine Will."

"Since the Revelation of the Chambers of the United Hearts is a direct path to union with the Divine Will, the Revelation itself is all-embracing, complete in its entirety - second to none. Every other revelation - if genuine - should support and lead to this path."

"Make this known."

May 21, 2003 /Public

Over and over I have had the same vision in the last few days. A nun dressed in gray is wiping the Face of Our Suffering Lord. She takes the cloth used to wipe His Face and wrings it out, causing His Precious Blood to cover the globe of the world. I have discovered it to be St. Margaret Mary Alacoque. Today she came to explain the vision. She says:

“Praise be to Jesus. The profound meaning of this vision is as follows. The Lord Jesus is suffering today just as He did upon Calvary for the sins of all mankind. It is the sacrifice of the Holy Mass all over the world that withholds His Hand of Justice. By merit of His Precious Body and Blood offered upon the altars of the world, the scale of good and evil maintains a precarious balance. If more do not turn from evil and choose good - indeed, if more continue to wound His Most Sacred Heart - the Hand of Justice will begin to descend. It is then that all which is evil will be markedly more evil, and the righteous will be a Remnant abiding in the Immaculate Heart of Mary.”

“Offer your Masses for the conversion of the world.”

May 22, 2003 /Public

“I am your Jesus, born Incarnate. I have come that you might know that Satan is well aware of the scale that weighs good and evil in hearts and in the world. He knows that the less priests there are, the less Holy Masses are offered and, therefore, the Adversary’s side of the scale becomes heavier. This is why the evil attacks on My priests are so virulent.”

“Confusion and compromise replace faith and morals. Those who stand for the Tradition of Faith—most especially My visionaries—are persecuted and disbelieved. The hour will come when clarity will replace confusion, and compromise will be identified by the merit of faith. Until such a time, pray to be enlightened and strengthened so that you may see clearly the path of righteousness. Do not follow the false path that comes clothed in title and goodness. Pray to see the truth beneath all duplicity.”

“I will bless your efforts.”

May 23, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, the path to Our United Hearts lies bare before you. The door to My Sacred Heart is open. Every fiber of My Heart welcomes the most unworthy sinner; and yet My Heart feels forsaken for the ones who turn away and will not listen due to pride, arrogance or the errors that others spread.”

Do you not see, My brothers and sisters, that I am leading you to Heaven itself? Pray for the ones whom I call but will not listen.”

“I’m blessing you with My Blessing of Divine Love.”

May 25, 2003 /4th Sunday Service to Pray for Unbelievers

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, the Immaculate Heart of My Most Holy Mother is the path to salvation and peace. Herein She draws not just Catholics, not just those who believe in the Message, but all people and every nation. This is an ecumenical call.”

“I’m blessing you with My Blessing of Divine Love.”

May 29, 2003 /Public

St. Theresa of Avila comes. She says: “Praise be to Jesus. I have come to help you understand that each present moment is unique in its graces, crosses and opportunities. Every present moment offers victory over self-love or defeat at the hands of too much self-love. Every present moment is sealed forever - never to return - never to be re-lived - never to offer the same set of opportunities - never to bring the same graces in the same circumstances.”

“Every present moment a soul chooses his own perdition. Every present moment a distraught and misled mother chooses to abort. Every present moment a crime against innocence occurs. Every present moment the Church suffers still greater weakness through loss of a vocation, compromise of some basic tenet of faith or deceitfulness in the challenge of truthful administrative decisions.”

“So you see, when each present moment is sealed, it is sealed forever with the kiss of Holy Love - never to return, but only to be judged according to each one’s response to Holy Love in the passing moment.”

May 30, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, please understand that the spiritual journey into the Chambers of the United Hearts is not given as a quick and easy way to sanctification; but it is offered as a sure way to conversion, holiness, perfection and sanctification if you fastidiously follow it. Ask for the grace to remain on this path and it will be granted.”

“I’m blessing you with My Blessing of Divine Love.”

TESTIMONIAL

It has taken me a long time to be able to express my gratitude over the numerous life changing events that have happened since I have experienced Holy Love at Holy Love Ministries in Lorain County, Ohio. I believe the greatest blessing was that it CHANGED MY HEART! I was able to forgive the man (priest) who was in prison for abusing me. I would have never had the courage or the peace to surrender to God’s will if it was not for Holy Love. I was also able to start opening my heart to wanting to learn more about my Church and being Catholic, and that

has been such a wonderful gift, I am so thankful. All of Holy Love changed my heart, the rosary services, the property, the messages, the water and the most amazing and loving people that I have ever met. Thank you to those of you that prayed for me, talked to me and hugged me. It felt as though I was surrounded by angels. You touched my heart and lovingly encouraged me. I hope all hearts will be able to be softened as mine was. Forgiveness is truly an amazing gift! Thank you, Jesus!

CONFRATERNITY OF THE UNITED HEARTS

The Confraternity of the United Hearts is a pious ecumenical association of the faithful, which exists to help members live a life of personal holiness through Consecration to the United Hearts of Jesus and Mary. It promotes a deeper spiritual journey into the Chambers of the Sacred Heart of Jesus, culminating in Union with the Divine Will (the Fifth Chamber).

It is important to begin this journey with completion of the three-day Consecration to the Flame of Holy Love (the Immaculate Heart of Mary). This is the step to help move you into the First Chamber of the United Hearts, which is Holy Love.

For more information on the Confraternity and the Secular Order of Missionary Servants of Holy Love, you can call the United Hearts Gift Shop at 440-327-4532 to order the Triumphant Hearts Prayer Book, go to our web site at www.holylove.org, or write to: CONFRATERNITY OF THE UNITED HEARTS, 37137 Butternut Ridge Road, Elyria, OH 44035.

Jesus' Messages to the Remnant Faithful

The official publication of

MISSIONARY SERVANTS OF HOLY LOVE

June 2003

We are an ecumenical ministry seeking personal holiness in and through the Message of Holy Love. We seek perfection through the Chambers of the United Hearts. We spread the Revelation of the Chambers of the United Hearts whenever and wherever we can, thus ushering in the Triumphant Victory of the United Hearts.

BLESSED MOTHER'S NEXT PROMISED MIDNIGHT VISIT WILL BE ON THE CREST OF THE FEASTS OF THE EXALTATION OF THE HOLY CROSS AND OUR LADY OF SORROWS, SEPTEMBER 14-15. MEET AT THE FIELD OF THE UNITED HEARTS ON SEPTEMBER 14 AT 11:30 PM.

June 2, 2003 /Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." (She then nods towards Fr. Kenney, greeting him.)

Jesus: "I am your Jesus, born Incarnate." (He then looks towards Fr. Kenney, greeting him.)

"My brothers and sisters, ask for the grace to go deeper into your understanding of the Chambers of Our United Hearts and it will be given you. Seek always the path of righteousness that these messages lay bare. Believe always that My words to you will resound in hearts from this generation to the next and beyond."

"We're blessing you with the Blessing of Our United Hearts."

June 5, 2003 /Monthly Message to The Remnant Faithful (This message was given in multiple parts.)

Jesus and Blessed Mother are here with Their Hearts exposed. They greet the priests in the apparition room by nodding and motioning to Their Hearts. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. I have come to help all nations towards victory. The victory I speak of is the victory of righteousness in hearts. Each heart that turns towards Me is a victory, and becomes part of My Crown of Victory which will reign over Our United Hearts when I return. This Crown of Victory is comprised of the army of victim souls that My Mother continues to call together. Within this Crown of Victory are all who live in Holy Love."

"Today, so much of the human race embraces defeat. Defeat is all that opposes Holy Love. Defeat is wrapped in self-absorption with little regard to consequence to neighbor. Every cataclysmic event, whether it be nature itself or man-made, such as abortion, crimes against innocents, terrorism or the like, are the result of mankind's turning away from love of God and neighbor."

"Realize the power of My Name - indeed, the power of calling on your Jesus in times of temptation and trial. When you say My Name, all of Heaven comes to attention. The power of My

Precious Blood covers you and evil is made to vanish. When you say even more - '**Sacred Heart of Jesus, have mercy on us**' - evil will be revealed, for Satan cannot remain hidden when I am thus invoked. When you pray - '**United Hearts of Jesus and Mary, guide and protect us**' - Satan not only flees but the path you must follow in righteousness is laid bare."

"I endeavor to point out that these little ejaculatory prayers are just that - prayers. These are not magic words, but prayers which when prayed from the heart bring results according to the Father's Holy and Divine Will. A prayer from the heart rises from a heart steeped in Holy Love."

"You wonder why I am speaking about small little prayers from the heart on a day when I should be addressing all people and every nation. If people learn how to pray - how to invoke Heavenly aid in time of need - they will begin to depend on prayer as a way out of every crisis, not only on a personal scale but also events on a world scale."

"What I am saying to you today is let Me be Lord of each present moment. When world events and natural events are surrendered to Me, I carry out the Father's Divine Will. It is important that each soul surrenders. When souls hold back and do not trust Me, My efforts are weakened both in their lives and in the world."

"You do not see what lies ahead. My Mother sheds many tears for what She sees and knows. I remain still your Merciful Jesus. Turn to Me in trustful surrender."

"Certain events will occur universally that will be compelling towards surrender to Divine Providence. Hearts which do not know how to surrender - hearts which do not trust in Me - will fall into despair. Manifest will My grace be in the hearts and lives of those who trust. You cannot compare the small tests you have had in trustful surrender with what lies ahead if more hearts do not hasten to their conversion."

"My brothers and sisters, here in this MISSION, I offer you and open to you the innermost Chambers of My Sacred Heart. Every grace that you need to enter and proceed into these Chambers is offered through the Heart of My Mother. But I will never impede man's free will."

“Choose according to Holy Love and I will bless your journey even now, as We bless you with the Blessing of Our United Hearts.”

June 6, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I have come to help you understand that those who FEAR are the ones I withdraw from. Fear fosters fear and they experience the fruits of their efforts in the world around them.”

“But the ones who trust in Me are given ALL the grace they need through the Heart of My Immaculate Mother - and even more - so that they trust and continue to trust, and their TRUST bears GOOD FRUIT in the world around them.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

June 8, 2003 /PENTECOST SUNDAY

Jesus and Blessed Mother are here in a radiant white with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My dear brothers and sisters, when you pray for your enemies and all those who oppose you in the world, pray that they are scattered in the conceit of their hearts. This way they will lose their focus of evil and their direction of opposition against you. Then My Mother’s grace will be able to conquer their hearts.”

“Pray for the Spirit of Wisdom on this day when the Holy Spirit came into the lives of the Apostles.”

“Today We’re blessing you with the Blessing of Our United Hearts.”

June 9, 2003 /Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, I call each of you to be perfected in love, for this is the Will of My Eternal Father. Let your guardian angels stand guard over your hearts, weeding out all that is evil, all the suggestions that Satan wants you to grasp, and clinging only to Holy Love in the present moment.”

“Tonight We’re blessing you with Our Blessing of the United Hearts.”

June 11, 2003 /Public

“I am your Jesus, born Incarnate. Today I invite you to realize that every moment you are asked to trust is grace-filled. The more you surrender to trust, the more grace you are given to do so. The more you trust in Me, the more I act on your behalf.”

June 12, 2003 /Public

“I am your Jesus, born Incarnate. In the world trust in Divine Providence is mere folly. For the world trusts that which it can experience only with the senses. But to the spiritually wise, trust in the Divine Provision of My Sacred Heart is the path of fulfillment, rich in promise, enduring in consolation.”

“Do not waste a moment in worry. Worry is one of Satan’s traps that he uses to capture the present moment for himself. Rather, let the present moment be sealed forever in faith, hope and love. Then I will bless you abundantly.”

June 13, 2003 /2nd Friday Rosary Service to Pray for Priests

St. John Vianney is here. He says: “Praise be to Jesus.”

“My brothers and sisters, pray for all priests who feel that their ministry is ineffective. This is a trap of discouragement that Satan lays for priests, and many have fallen into it. Pray for priests who are already discouraged and consider abandoning their vocations.”

St. John extends his Priestly Blessing.

June 14, 2003 /Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, each soul is given the grace he needs to progress into the next Chamber of Our United Hearts in every present moment. I invite you to see that it is not the amount of grace as the lack thereof that determines the soul’s depth in the spiritual journey. Know it is the depth of which the soul surrenders to Holy Love in the present moment that determines the depth of his journey into the Chambers of Our United Hearts.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

June 16, 2003 /Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, abandon yourselves to Me. When your surrender is complete, I can lead you easily into the Divine Will of My Eternal Father. This is all that matters. Bring Me hearts that I may lead them and guide them in this way of life.”

“We’re blessing you with the Blessing of Our United Hearts.”

June 17, 2003 /Public

“I am your Jesus, born Incarnate. I have come that the world might better understand the sacrifice of each cross they are given. I have told you, My messenger, that the cross is a grace. I have often shown to you the two together - the cross which is sacrifice adorned with roses which is grace. But the cross is only a grace when it is embraced. It is only embraced when it is surrendered to with love. It is very difficult to embrace some crosses. However, the soul that realizes in his heart that I embrace the cross with him is better able to surrender to it.”

“When I was in the Garden of Gethsemane I asked for the cross to pass Me by. When I was certain it was My Father’s Will, I surrendered to it and never looked back. It is when the soul takes back his surrender that grace is lost and the cross becomes heavier.”

“Please understand that no cross is given that is impossible to bear.”

June 19, 2003 (At Mass)

Blessed Mother is here with Her Heart exposed. She says: “Praise be to Jesus.”

“My dear, dear children, when you pray, pray for all the unconverted and cover your prayers with the Most Precious Blood of My Beloved Son, Jesus. Satan is strong today. He knows he is engaged in a desperate battle. You must be ready and prepared. Pray for all My children who believe that they walk the path of righteousness, but who are deceived.”

“Today I’m blessing you with My Blessing of Holy Love.”

June 20, 2003 /Public /To Priests

Blessed Mother is here and says: "My daughter, I come in praise of Jesus, My Son and your Redeemer. I have come in particular to address My priests who will come in contact with this Message—this Revelation of the Chambers of Our United Hearts."

"Dear sons, you have been chosen by God to shepherd My children towards the light of salvation. Take into your hearts this spiritual journey—this call to salvation, holiness and even sanctity itself. Begin at once to make this journey part of your hearts and part of your lives."

"The path I give to you is clear. I am asking you to set aside Church politics and official sanctions, for this is a message which is a healing balm upon the heart of a wounded society. Do not hold back its much needed application. The Messages will find approval in the future. Today, however, is the hour in which they are most needed."

"Every kind of sin is prevalent today. The abyss between Heaven and earth grows wider. Current events lend a foreboding fragrance to the atmosphere. I tremble to think of God's Justice. Through this Message souls can turn back to God and leave sin behind. I so desire that earth be blanketed with a mantle of love."

"Our Hearts are your protection, your conversion in the present moment and your way of sanctification. Be My instruments and help Me to make it known."

June 20, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I come to you as I desire to ignite in each heart a Flame of Love thereby protecting you and leading you upon the path of salvation, holiness and sanctity. This Flame will give you peace in the midst of every trial and will light the way so that you are able to see your faults and avoid them."

"Tonight I am blessing you with My Blessing of Divine Love."

June 22, 2003 /4th Sunday Service to Pray for Unbelievers Feast of Corpus Christi

Jesus is here with His Heart exposed. He's all in white and gold and says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you receive Me under the form of bread and wine in the Most Holy Eucharist of the altar, you receive in entirety My Body, Blood, Soul and Divinity. It is only when a soul gives in to any form of pride that I leave his heart. Long to be with Me, as I long to be with you."

"I'm blessing you with My Blessing of Divine Love."

June 23, 2003 /Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, tonight I come bearing words of truth. Solemnly I tell you that Holy and Divine Love - the Chambers of Our United Hearts - is itself a salvific Message. All the grace is placed at your disposal to make this Message known during this Age of Holy and Divine Love."

They extend the Blessing of the United Hearts.

June 27, 2003 /Midnight Service at the United Hearts Shrine Feasts of the Sacred Heart of Jesus/ Immaculate Heart of Mary *(This message was given in multiple parts.)*

Blessed Mother is here as Mary Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, I have come once again to help you understand the plight of mankind today. The Arm of My Son's Justice grows heavier in every passing moment, for evil is strong in hearts and well disguised in the world. It is only by merit of your prayers and sacrifices I am able to withhold God's Justice. Indeed, your Heavenly Mother needs your Rosaries today more than when I came to Fatima. I weep more today than I wept at LaSalette. I need penance in greater amounts than I called for in the grotto at Lourdes."

"Respond generously to My requests, My children, and My Son will allow great graces to fall in your midst - even greater than the Tilma at Guadalupe. These times are urgent. You must not wait for official sanctions to believe in the Revelation of Our United Hearts.** You must not wait for those of importance to come here and approve. Your Mother invites you to come - to believe and to begin the spiritual journey. Pray here with Me, and I will pray with you."

"Today, My children, I tell you, the heart of the Church is crucified as Satan lays siege upon her. Many souls have slipped to their perdition as a result. Many more who go unremorseful do not choose their own salvation. It is during this most decisive hour that Jesus has chosen to send His Mother to you bearing the grace of conversion and peace. My Immaculate Heart is your portico to salvation. Allow yourselves to be transformed through the Flame of My Heart which is Holy Love. Today My assistance in your needs goes unprecedented."

"Dear children, this spiritual journey into the Chambers of Our United Hearts can restore the Church in its integrity. Jesus desires that as the last century has become known as the Marian Age, this century be made known as the Age of the United Hearts. If you follow this instruction, whole nations can be saved and the wrath of God turned back."

Today, My children are engaged in heart-to-heart — hand-to-hand combat with My Adversary. Evil influence has invaded every nation and all phases of life. Satan is in music, literature, television and movies; modern medicine, even certain modes of dress. He has infiltrated governments and political actions - yes, even the Church itself. To deny this is to be his cohort."

"The Adversary is often dressed as good and knows which hearts have been consecrated to Me. These are the ones he singles out."

"Dear children, My grace is stronger than any of Satan's snares, attacks or temptations. Stay close to Me with the Rosary, many sacrifices and deep trust. Your Mother will not forget you. When you least expect it, grace will come to your rescue."

"My dear, dear children, please remember that those in the world are caught up in pleasures of the senses, power, money and prestige. The satisfaction gained from any of these is short-lived and cannot follow you from this world into the next. Store up for yourselves Heavenly treasures which are eternal by living in Holy Love. Then all that you accomplish here on earth through Our United Hearts will warrant you great recompense in Heaven."

"Tonight I tell you, the door of My Maternal Heart is open and My graces are pouring forth in your midst. Experience them, My children, with loving hearts. The more you pray, the

less you will feel the consequences of sin. My children, continue to pray, pray, pray. I am always with you."

Jesus is now with Our Lady. They both extend to us the Blessing of the United Hearts.

**Of course, all of us faithfully follow all the teachings of the Pope and Magisterium.

June 28, 2003 /Saturday MSHL Rosary Service Feast of the Immaculate Heart of Mary

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, once again I come this evening to remind you that the enemies to your salvation densely populate the world and influence it. This is why it is so important and urgent that you allow Holy Love to stand guard over your hearts so that free will does not act upon evil plans. My brothers and sisters, pray and sacrifice that you do not fall victim to Satan's influence, but that you remain constant in Holy Love."

"Tonight We're blessing you with the Blessing of Our United Hearts."

June 30, 2003 /Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, tonight I come to you calling each of you into My Heart that you may understand the deepest mysteries of your salvation, your sanctification and unity with My Eternal Father in Heaven. All of this is available to you in this present moment if you but surrender. Surrender everything, My brothers and sisters; hold nothing back and you will know joy above all joys - peace beyond all peace."

"Tonight We're blessing you with Our Blessing of the United Hearts."

TESTIMONIAL

On our last pilgrimage, my wife and I took some handkerchiefs among other items to the Prayer Center and placed them on the Blessing Point, and brushed them on the relic of Our Blessed Mother's hair.

On October 22, 2002 I suffered a terrible fall at my work place. The ambulance staff reported my diagnosis to the hospital as my right hip broken, lower back displaced and mild head concussion. On the way to the emergency room I asked the medical technician to please call my wife and let her know about my accident.

My wife arrived a few minutes later, she looked at me lying there and said, "Are you ready to give it all to Her?" I said, "Yes!" Without another word, she pulled out one of the handkerchiefs we had blessed on the Blessing Point at the Prayer Center. She proceeded to touch my right hip, lower back and the back of my neck with the handkerchief and praying for God's mercy at the same time. At the same time she was doing this, I felt the warmth of Our Mother's love, and my hip started shifting itself in place, my back went back to normal and all my pain was gone.

A few minutes later a nurse wheeled me to x-ray. To the doctor's dismay my x-ray film did not show any fractures. They kept me there under observation for a couple hours in case the pain came back. It never happened. I was sent home without medication.

SEE SCHEDULE OF SERVICES ON PAGE 4

July 5, 2003 /Monthly Message to The Remnant Faithful

(This message was given in multiple parts.)

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. I am King of All Nations. My brothers and sisters, these are grace-filled times. But you must also realize that they are evil times, as well. Therefore, today I come seeking your consecration to Our United Hearts which are all grace, all mercy, all love and the truth itself. Be signs of this truth in the world."

"I tell you solemnly that what brings nations to war against one another is all that opposes truth in hearts. Satan, Father of Lies, convinces people of false rights against their neighbors. He twists their thoughts and presents sin as a right. The Holy Spirit is the Spirit of Truth. When He speaks to hearts, He promotes peace and reconciliation. Today, it is important that souls recognize what spirit they listen to and act upon. The Adversary promotes false and erroneous goals. The Holy Spirit promotes love and peace. You cannot follow both paths or listen and act upon both promptings."

"Please understand, My brothers and sisters, that over and over I have sent My Mother into the world as peacemaker. Her mission is always the same—to reconcile free will with the Divine Will of God. The enemy of your salvation makes every attempt to confuse and discredit these apparitions. He clouds the crystal-clear Messages I place on My Mother's Lips with false discernment. In the end much of what has been revealed and disbelieved will be borne out in truth. The storm of controversy will pass."

"The freakish weather patterns in all parts of the world are the result of man's disunity with his Creator, for every sin bears its evil fruit. Turn your hearts over to love of prayer and sacrifice. Make reparation to My Wounded Heart for all the error that is in hearts. Evil is fermenting in hearts today, readying its forces. You must oppose this by your efforts and through My grace.

Hold dear to you all that is righteous. Oppose evil."

"We now bless you with the Blessing of Our United Hearts."

July 7, 2003 /Public

"I am your Jesus, born Incarnate - Divine Love, Divine Mercy. I have come to help you understand the difference between love as the world knows it and Holy Love which leads to Heaven."

"Worldly love is an emotion - an affection - for a particular person, situation or thing. It does not lead beyond the temporary veil of this world. It is often self-seeking and sensual."

"Holy Love, on the other hand, is an affection of the spirit. This type of love calls the soul deep into personal holiness, virtue and Heaven itself. Holy Love brings the affections of the heart into union with the affections of the soul. When free will is finally given over to Holy Love - love of God above all else and neighbor as self - the soul begins his conformity to the Divine Will of My Father."

"In final judgment I look at the degree of Holy Love that has governed the soul's free will throughout his life, and especially as he drew his last breath."

July 7, 2003 /Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I desire that you show Me how much you love Me moment to moment by giving Me all the little chores, burdens and victories of the day. Simply say to Me as each moment comes and goes: '*Jesus, I love You. Thank You.*' I love you much in return. I hold sovereignty over all the present moments of your life."

"Tonight We're blessing you with the Blessing of Our United Hearts."

July 11, 2003 /2nd Friday Rosary Service to Pray for Priests

St. John Vianney is here and says: "Praise be to Jesus."

"My dear priest brothers, I plead with you tonight - reinstate the TRUE TRADITION OF FAITH in the hearts of the flock entrusted to you. Do not be swayed by the false agendas of dissenters. Do not be confused to think that you must collect large amounts of money, but trust in God's Divine Providence. You will be given everything you need and more."

"Tonight I extend to you my Priestly Blessing."

July 13, 2003 /2nd Sunday Service to Pray against Abortion

Jesus is here. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, lay all your petitions and needs upon the altar of My Sacred and Eucharistic Heart. Believe that I will fulfill every petition according to My Father's Will. Do not doubt, for your doubt and lack of trust shows Me an imperfect love of My Sacred Heart. I desire, My brothers and sisters, that you love Me completely - perfectly as I love you."

"I impart to you today the Blessing of My Divine Love."

July 14, 2003 /Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, God's Will in every present moment is that you surrender to Holy Love. With this surrender you are allowing My Victory to reign in your hearts. My Victory must come into hearts before it comes into the world. Therefore, you hasten My Victory by spreading this Message."

"Tonight We're blessing you with Our Blessing of the United Hearts."

July 17, 2003 /Conversation with Divine Love

"I am your Jesus, born Incarnate. Dear Child, in the world surrender means defeat. However, I call you to live in the spiritual world within the Flame of Divine Love."

"In this world your surrender is your victory over your own free will. The surrender of your free will which is your abandonment to Me is My Victory, as well as your own. My Victory must come into hearts first before it can be present in the world. This is why the Adversary opposes your every attempt at self-abandonment. This is why I continue to call you into the Provision of My Heart through trustful surrender."

"The Flame of My Heart burns with a Fever Of Love for all humanity."

July 18, 2003 /Conversation with Divine Love

"I am your Jesus, born Incarnate. Child, when you are in the desert, know that I am with you. When you enter the Garden of Gethsemane I am with you, as well. Understand that these trials come to every soul that seeks a closer relationship with Me. Each Chamber carries with it these trials. The deeper the spiritual trial, the deeper your Master is drawing you into these Sacred Chambers."

"Do not fall victim during these spiritual trials to old temptations. I am a passionate Lord of each present moment and jealously desire your affections. Do not allow the world or any anxiety over the future to come between us. It is My Provision that sustains you and the Mission itself."

July 18, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I do not look upon any sin from your past lives - any mistakes or flaws in your character. I see only the Holy Love you hold in your hearts. No matter how small the amount of love is, I wish to multiply it tonight one thousand times until our two hearts meet as one."

"Tonight I'm blessing you with My Blessing of Divine Love."

July 19, 2003 /Public

"I am your Jesus, born Incarnate. Today I have come to you Body, Blood, Soul and Divinity to defend the truth. My defense would not be necessary if the truth were upheld in hearts and within the Church and in this Diocese."

"The truth is - the kingship belongs to Me. I am the Redeemer and King of all nations and of every heart. Where is it written in Church doctrine or dogma that I share or relinquish this right to the goddess Sophia or to a rock or to a crystal? When you lend credence to such practices you are not Catholics, but apostates."

"I did not shed My Blood for each and every one of you so that you should worship an inanimate object. Nor did I die for you so that you could create controversy over the gender of My Father. You try My patience and test My mercy. You claim rights that are not yours to claim, and practice arrogance over faith, hope and love."

"How long will you twist the truth? Continue - and it is a forbidden path you choose to follow. I do not debate the truth with you, for you do not recognize the truth. You call yourselves faithful dissenters. In truth you are the heretics¹ of these latter days."

St. Margaret Mary Alacoque comes and says: "Praise be to Jesus. I have come to help you realize the difference between praying and reading a prayer."

"When you pray, each word resounds in your heart and fills your soul. When you read a prayer, your heart is detached from the meaning of the prayer. Sometimes this may even occur consciously due to what seems to be the press of time."

"Do not allow Satan to trick you. One prayer said from the heart is worth a thousand times the many prayers some say amidst great distractions."

July 24, 2003 /Public

I heard snoring coming from someone in the chapel. When I looked up I saw St. Thomas Aquinas. I started to scold him for falling asleep in front of the Blessed Sacrament. He turned to me - winked and said: "I am showing you with what detachment some attend Mass. They believe their presence at Mass is itself enough. Their hearts and minds are a thousand miles away. Jesus desires that hearts be attentive to the Love He gives at each Mass. Praise be to Jesus."

1 - "Heresy is the obstinate post-baptismal denial of some truth which must be believed with divine and catholic faith, or it is likewise an obstinate doubt concerning the same; apostasy is the total repudiation of the Christian faith; schism is the refusal of submission to the Roman Pontiff or of communion with the members of the Church subject to him." (*Catechism of the Catholic Church*, 2089)

July 25, 2003 /Public

"I am your Jesus, born Incarnate. I have come to help you to understand that I choose the weak and helpless in the world to accomplish My greatest missions. It is through these most unlikely little ones that My Glory is able to shine and My Father's Will finds fulfillment."

"It is in your helplessness that your trust in Divine Providence is manifest. If I gave you everything and all that you needed to fulfill My Plans through you, you would not need to trust Me. You would build nothing up in faith and you would learn to depend on human efforts."

"What I plan and what I build is constructed of building blocks of faith put in place with the hands of hope and sealed with the mortar of Holy Love. What I build is like the Flame of Divine Love - a spiritual refuge and call to holiness - even sanctification. Those I call are from every nation. They are priests, lay people, sinners and philosophers. They seek answers, but I give them what I know they need - not what they want. I am mending My Church and building up the Remnant Faithful."

July 25, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I greet you in the name of Divine Love. I invite you to surrender completely to Me, each one of you in this present moment. In this way I can most powerfully use you as My disciples, and I can bring many, many souls into the Refuge of Holy and Divine Love."

"Ask Me, and I will assist you in taking away any personal flaws such as impatience, unforgiveness - even bitterness will fly away from you, and I will fill you with love - only love."

"Tonight I am blessing you with My Blessing of Divine Love."

July 27, 2003 /4th Sunday Service to Pray for Unbelievers

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, Holy and Divine Love are absolute in their truth. With certainty you can move deeper into this spiritual journey by enfleshing the Message of Holy and Divine Love through your words and actions. Not only will you deepen your spiritual journey, but you may convert unbelievers around you. This is My Mission through you."

"Today I'm blessing you with My Blessing of Divine Love."

July 28, 2003 /Monday United Hearts Confraternity Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, you will never progress further into the Chambers of Our United Hearts until you learn to abandon yourself to Me. When you trust only in yourself and in human effort, you do not trust in Me - in My Divine Providence - which is the source that moves you along through these Sacred Chambers."

"Tonight We're blessing you with Our Blessing of the United Hearts."

July 31, 2003 /Public

"I am your Jesus, born Incarnate. I have come today to further help you understand the Chambers of Our United Hearts."

The door to My Mother's Immaculate Heart is the doorway to conversion. Her Heart is the Gateway to the New Jerusalem. It follows that My Divine Sacred Heart is the New Jerusalem. I will explain."

"In the New Jerusalem, My Victory will be complete. My Divine Love and Divine Mercy will reign united to Holy Love - My Mother's Heart. But this will not come into the world until it first comes into hearts. So then, as each heart experiences conversion, it is necessary that it take the next step which is passing into My Divine Heart."

"After conversion, if the soul desires an ever-deepening relationship with Me, he will experience an illumination of conscience which will reveal to him his smallest imperfections. If he makes the effort to overcome his imperfections and flaws in love, he will move freely into unitive love which is one with the Divine Will of My Father. This unitive love is the New Jerusalem which is attainable to each one in the world."

"How I desire to be united in love with each heart! How I long for this victory!"

TESTIMONY

At a prayer meeting one night, one of our members, a nurse, shared a very difficult week with us. She works in a hospital where they do abortions. They usually do fourteen (14) abortions twice a week (two separate days) - twenty-eight (28) total per week. The very presence of such evil in the hospital has a devastating effect on all the hospital staff - constant bickering, fighting and negativity. We asked our nurse friend to sprinkle holy water, not only on herself, but in the room where the abortions take place, which she did. We said the Rosary of the Unborn, praying for the doctor as well as the mothers and babies. The following Monday our nurse friend called me from work to excitedly report that there were EIGHT (8) ABORTIONS SCHEDULED for that day and SEVEN (7) CANCELLED!!!!

We thank Our Lady for the gift of her Rosary of the Unborn. What a weapon!!!!

CONFRATERNITY OF THE UNITED HEARTS

The Confraternity of the United Hearts is a pious ecumenical association of the faithful, which exists to help members live a life of personal holiness through Consecration to the United Hearts of Jesus and Mary. It promotes a deeper spiritual journey into the Chambers of the Sacred Heart of Jesus, culminating in Union with the Divine Will (the Fifth Chamber).

It is important to begin this journey with completion of the three-day Consecration to the Flame of Holy Love (the Immaculate Heart of Mary). This is the step to help move you into the First Chamber of the United Hearts, which is Holy Love.

For more information on the Confraternity and the Secular Order of Missionary Servants of Holy Love, you can call the United Hearts Gift Shop at 440-327-4532 to order the Triumphant Hearts Prayer Book, go to our web site at www.holylove.org, or write to: CONFRATERNITY OF THE UNITED HEARTS, 37137 Butternut Ridge Road, Elyria, OH 44035.

The official publication of

MISSIONARY SERVANTS OF HOLY LOVE

August 2003

We are an ecumenical ministry seeking personal holiness in and through the Message of Holy Love. We seek perfection through the Chambers of the United Hearts. We spread the Revelation of the Chambers of the United Hearts whenever and wherever we can, thus ushering in the Triumphant Victory of the United Hearts.

**BLESSED MOTHER'S NEXT PROMISED MIDNIGHT VISIT
WILL BE DECEMBER 11-12.**

**MEET AT THE FIELD OF THE UNITED HEARTS ON DECEMBER 11 AT 11:30 PM.
DETAILS WILL FOLLOW**

August 1, 2003 /Public

"I am your Jesus, born Incarnate. How can I describe this unitive love I call you to? The length and breadth and depth are greater than human understanding. And yet, it is attainable in this life, but enjoyed by so few. It is a love of such profound measure that it transforms every present moment. It brings the Kingdom of My Father's Divine Will to reign in the heart so that the soul accepts everything as from the Hand of God - as well victory as defeat."

"How can I make you understand the measure of peace that this unitive love brings to the heart? How can I express to you the depth of joy? It is Heaven on earth. In unitive love everything in the present moment is shared with Me. There is no trial or tedium you face alone - no anxiety, for in unitive love everything is given over to Me."

"I desire every soul reach for the brass ring of the unitive love. I will help you if you ask Me."

August 1, 2003 /Friday Rosary Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I desire that each one come to Me through the way of the Chambers of Our United Hearts. So then, passing from conversion which is Holy Love, into unitive love which is the last Chamber, each soul would be united with Me and My Victory would be complete. For when I return, My Father's Will will be accomplished perfectly."

"Tonight We're blessing you with the Blessing of Our United Hearts."

August 4, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, come to the altar of My Most Sacred Heart where I will listen attentively to your every need and petition. It is here through My Sacred Heart you receive strength for the journey."

"Tonight We are blessing you with Our Blessing of the United Hearts."

August 5, 2003 /Monthly Message to The Remnant Faithful (This message was given in multiple parts.)

Jesus and Blessed Mother are here with Their Hearts exposed. Our Lady is all in white. She says: "Praise be to Jesus." (Blessed Mother then gave a private message.)

Jesus: "I am your Jesus, born Incarnate. I have come to help you understand, dear people, that those who follow the law of Holy Love - to love God above all else and neighbor as self - form a bond of reciprocating love with their Creator. It is this reciprocating love that holds the sun, the moon and the stars in their place, and the world upon its axis. If love can bring harmony to the universe, think of the power one heart can have that chooses to love."

"Please understand that to love with a reciprocal love means giving your heart wholly to Me - your Redeemer - and setting yourself apart from the world. It is this type of surrender that completes My sacrifice and soothes My Wounded Heart. It is the depth of this complete love that offsets the disunity between the Shepherd and His wandering flock."

"Comprehending this, know for certain it is the souls who are consecrated to Our United Hearts that bring true peace into the world around them. Those consecrated to the Heart of My Mother have begun the journey, as all grace passes through Her Hands. Those who desire to dress the Wounds of My Heart with a deepening love are consecrated to Our United Hearts."

"This is the age of repentance, but repentance must be built on humility and love. Without these two virtues your sacrifices are empty - pharisaical. Do not try to make your own path through an intellectual journey. You will travel in a circle that will always lead back to yourself. Instead, come into Our United Hearts and travel the road of self-abandonment. Then you will discover the Kingdom of the Divine Will within."

"This is a journey clothed in truth. Today, darkness covers many a heart, much activity, and governs many nations. To weaken Satan's kingdom you must stand in the light clothed in the truth. This journey into the Sacred Chambers of Our United Hearts is the journey Heaven gives you to follow during these latter days."

"The world is embattled - for hearts are embattled. Each soul must make peace with his Creator for lasting and true peace to pass from hearts into the world."

"Understanding that Holy Love in hearts balances the scale of good and evil, further comprehend how important Holy Love is in each heart. Each new conversion to this spiritual journey could bring peace to chaos and thwart Satan's plans to control and lead to destruction of the world."

"Today once again, I come to you hoping to transform every heart through the mystery of Holy and Divine Love. For it is in this Flame I seek your love and ask you to seek My Love. Do not live in fear of one another, but in love."

"Today We are blessing you with the Blessing of Our United Hearts."

August 8, 2003 /2nd Friday Rosary Service to Pray for Priests

St. John Vianney is here. He says: "Praise be to Jesus."

"My brothers and sisters, I desire that you pray and sacrifice for the priests and the Church hierarchy as well, that all that is concealed in darkness be brought into the light. Until this occurs, priests will be regarded with suspicion instead of the respect they deserve."

"My brothers and sisters, pray very hard for these intentions. I am praying with you."

"I am extending to you my Priestly Blessing."

August 9, 2003 /Public

St. Edith Stein comes. She says: "Praise be to Jesus."

"Dear sister, I invite you to understand that there is a multitude who are prisoners of war today. In this war of good against evil, it is hearts that are captured by evil forces and held unwittingly in the grasp of evil. They cannot be released until evil is exposed for what it is - and only then when they choose good with their free will. So today, you see that it is man himself who chooses this captivity - which if pursued can only lead to the eternal flames of hell."

"The Blessed Mother is begging Her consecrated children to pray and sacrifice that what is hidden in darkness be revealed in the light."

August 10, 2003 /2nd Sun. Service to Pray against Abortion

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, support life and protect it from conception to natural death, and you will be doing God's Holy and Divine Will. You can support and protect life by praying against the evils that threaten it - abortion and euthanasia -

and by sacrificing that these evils are overthrown in hearts. Speak up against all that opposes natural life."

"Today I'm blessing you with My Blessing of Divine Love."

August 11, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, once again this evening I invite each of you to partake of the wellspring of My Most Sacred Heart. Herein I will lead you deep into the Divine Will of My Eternal Father. Partake of My Father's Will as though it were your food itself. When you eat, your sustenance becomes part of you, and I so desire that My Father's Will becomes part of your heart."

"Tonight We're blessing you with the Blessing of Our United Hearts."

August 15, 2003 /Public

"I am your Jesus, born Incarnate. I have come to help you see that every present moment carries with it a lesson in holiness and grace to move deeper into My Sacred Heart. I never abandon you. In the midst of every difficulty is My Provision."

"Yesterday (big power outage) I was sustaining you. Think of the people that are disconnected with the Divine Will of My Father. The current of grace between My Mother's Heart and such as these is short-circuited - burned out. They are left to fend for themselves. They become insecure, greedy and fearful."

"Not so with the children who walk in the light of grace. They are the ones who can abandon themselves to Me. The path of Providence opens before them. They prosper in the light of love - moving deeper into My Divine Heart."

August 15, 2003 /Friday Rosary Service

(Feast of the Assumption)

Jesus and Blessed Mother are here in white and gold. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. I invited My Mother to come with Me tonight. You do not mind? It is Her Feast Day. She was assumed into Heaven for She was without blemish - without original sin. My Mother is the perfect example of Holy Love in every present moment. She is the example modern-day women need to follow - none other - for She is the Woman clothed with the sun, the moon beneath Her Feet and a crown of twelve stars over Her Head. Trust in Me for I am telling you the TRUTH."

"Tonight We're blessing you with Our Blessing of the United Hearts."

August 18, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. Tonight I come to you, My brothers and sisters, to invite you to abandon yourselves to Me. You can only accomplish this by surrendering your free will, and you can only surrender completely if you love Me and trust Me. Then I can accomplish all I desire through you - through Holy and Divine Love."

"Tonight We're blessing you with Our Blessing of the United Hearts."

August 19, 2003 /Public

"Child, I have come to you, your Jesus, born Incarnate to help you realize the role this Mission plays in the world today. These are the latter days - the times in which mankind has made a god of himself. Consciences have become numb to the evil around them."

"Do you recall the story of the frog sitting in the pot of water? It comes to a boil so slowly that he doesn't notice he is in danger of being cooked. He doesn't make a move to save himself. That is society today. The world of evil is coming to a boil and goes unnoticed by the majority."

"So it is this Mission - this spiritual journey of Holy and Divine Love - has been established in the world so as to be established in hearts. Special protection has been granted to this Mission so that light can lay bare the truth. Indeed, the Mission itself must be a ray of light in darkness."

"Besides leading souls deep into My Divine Heart, the role of this Mission is to expose evil so that My lambs do not stray. So often My priests have let Me down in this. So often power, money and popularity have taken priority over the salvation of souls. In this spiritual journey through the Chambers of Our United Hearts, the choices are made clear. The soul is given the way to align his free will with the Divine Will of My Father."

"So this is your mission - to make known the journey into the Divine Will and to expose the evil entrapments along the way."

"You will please make this known."

August 22, 2003 /Feast of the Queenship of Mary

Jesus and Blessed Mother are here in white and gold. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. Today I remind you and each one that My Mother is Queen of Heaven and Earth. As such, it is appropriate and right that She should take up Her Reign in each and every heart, leading the soul deep into Holy Love and, therefore, into Divine Love - the Heart of Her Son."

"Tonight We're extending to you the Blessing of Our United Hearts."

August 24, 2003 /4th Sunday Service to Pray for Unbelievers

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, understand that from the moment of My Conception in the womb of My Most Holy Mother, Our Hearts were united as one and beat as one in the Divine Will of My Eternal Father. Today I come to you to invite each one to be united to Our Hearts and to beat with Us in the Divine Will of the Eternal Father."

"We're imparting to you today the Blessing of Our United Hearts."

August 25, 2003 /Public

St. Thomas Aquinas comes and bows towards the tabernacle. Then he bows towards me. I asked him why he did that. He says: "I am honoring Jesus who abides in your heart. Praise be to Jesus."

"I have come to tell you that God's Divine Will is comprised of two attributes - Divine Love and Divine Mercy. These two interact to bring every grace into the world through the hands of the Blessed Virgin Mary. Nothing outlasts or surpasses Divine Love and Divine Mercy, for nothing exists or occurs outside of God's Ordaining and Permitting Will. All things turn to some good in God's Eternal Plan and through His Love and Mercy. (*Romans Ch. 8*)

"In God's Will all events knit together for the salvation of souls."

"God's Will is like a painting - a masterpiece. The paint and the brush are His Love and Mercy that the Eternal Father uses to accomplish His Will."

"Make this known."

August 25, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, abandon the world, forsake all that it offers and come unto Me. The deeper you come into Divine Love, the easier it will be for you to see Satan's ensnarements and traps. I am here for you to assist you on this journey which will not be easy if you try to make the journey on your own."

"My brothers and sisters, tonight We're blessing you with the Blessing of Our United Hearts."

August 29, 2003 /Public

"I am your Jesus, born Incarnate. My messenger, today I have come to you with a special message concerning the prayer gathering on September 14th and 15th. In the world and in Heaven, as well, these days mark the Triumph of the Cross and honor My Sorrowful Mother. Thus, it is fitting that I should come to you at this time and tell you this."

"I will send My harvesting angels in your midst during the midnight service. Hearts which are steeped in error will be convicted. Those that have embraced error will be shown mercy and love as the way. Those weak in faith will be filled with fervor."

"Yes, the Harvest Master will come with His sickle in Hand. The harvest will be gathered into the grain bins of My grace. The winnowing fan of Holy Love will separate good from evil. The threshing floor will be covered with the fruits of My labor. The ones who accept conviction will be like nourishing bread for others - spreading the harvest of Holy Love wherever they go - feeding those around them with the good news of the United Hearts."

"I invite all to this harvest of love. My angels will stand in your midst. I await your response."

August 29, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again this evening I'm calling you into the sanctuary of My Mother's Immaculate Heart. For here is the fortress of grace and strength that you need during these trying times. Let Her lead you deeper into Holy and Divine Love and make you Her instrument in the world."

"Tonight I'm blessing you with My Blessing of Divine Love."

TESTIMONY

S. had an aneurism, so her right side was semi-paralyzed and she couldn't write or sign. When arriving in Chicago, after attending the Midnight Rosary Service, S. had the urge to write. She found herself writing a Biblical verse in Polish. Mobility and use of her hand had been miraculously restored.

Also, with S.'s pilgrim group was a blind man with diabetes whose sight was restored after 8 years of blindness.

Jesus' Messages to the Remnant Faithful

The official publication of
HOLY LOVE MINISTRIES

September 2003

Holy Love Ministries is an ecumenical lay apostolate. According to the Catechism of the Catholic Church, Section 821, ecumenism is described as: 'Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism'.

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness, and Our Blessed Mother says they are for all people – all nations.

To exclude Catholic prayer (the rosary) or symbols from the Ministry and ecumenical shrine would be to say Catholics must not be part of the ecumenical movement. This would be contrary to the local Bishops' efforts at ecumenism and the Holy Father's ecumenical efforts, as well.

All people and all nations are welcome to come and pray with us.

We do not, nor have we ever sought affiliation with the Diocese of Cleveland. As an ecumenical ministry, we do not seek their approbation.

BLESSED MOTHER'S NEXT PROMISED MIDNIGHT VISIT WILL BE DECEMBER 11-12.

**MEET AT THE FIELD OF THE UNITED HEARTS ON DECEMBER 11 AT 11:30 PM.
DETAILS WILL FOLLOW**

September 1, 2003 /Public

St. Michael comes. He says: "Praise be to Jesus."

"The time is coming when I will appear on the site and establish a respite of prayer for rebellious souls. There, parents of wayward children will find peace. Even the most reluctant souls will find their way back to the Heart of Jesus through petitions laid at My Feet in this most precious area of the property. Most of all, priests will find their way back to the true Tradition of Faith."

"Someone will step forward to establish this place of dedicated prayer once I reveal it to you."

"Because of your dedication to straying souls, God grants this."

September 2, 2003 /Public

"I am here - your Jesus, born Incarnate. I have come to help you understand the depths of this Revelation into the Chambers of Our Hearts."

"This journey into the Chambers is greater than any course of a ship that sets sail on the seas. It surpasses the path of the most sophisticated space ship. It outlasts and commands the course of the sun, the moon and the stars. I am able to tell you these things for this reason: this path is perfection in Divine Love. To be perfected in Divine Love is to be perfected in the Divine Will of My Father. There is no greater goal or achievement - no greater journey."

"Pray to be perfected in love and you will have everything."

September 4, 2003 /Public

"I am your Jesus, born Incarnate. Doorkeeper of My Heart, look towards Me. I desire that you surrender to Me all your fears, every anxiety, your weaknesses - everything. My Heart is only half-full until you commend these things to Me. The Flame of Divine Love becomes but a flicker until you submit everything to My charge. So many do not relinquish all to Me. They may say that they do, but reserve worry and lack of trust in their hearts."

"My messenger, I give to you all. Do I not anticipate your every need? Is not My Provision timely and complete? Am I not more deserving of your trust than any? You must teach those who come to you that the key to My Provision is trust. You must make it known."

September 5, 2003 /Monthly Message to All People and Every Nation

(This message was given in multiple parts.)

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus says: "I am here, your Jesus, born Incarnate. Today I have come to redirect the heart of the world, which passionately pursues the path of destruction. The embrace of corruption stems from the embrace of self-love and apathy towards God and neighbor."

"When you become a lover of self, you seek only to please yourself. Your heart is full of passion for things of the world and

all that these things bear with them - money, power and acclaim amongst men. You have no insight into God's Divine Will or your eternal salvation. It is a wretched path with empty goals. Do not think that because My Justice has not come into your world that it will not come. Each soul is accountable for every present moment. Holy Judgment sees through every pretense."

"Today I invite you to begin anew. Trust in My Provision and give up shrewd and clever ways. Open your hearts to the grace I send you through the Heart of My Mother. You are, after all, no more than you are in My sight."

"I delay the day when every heart will be laid bare, for I desire to increase and strengthen My Faithful Remnant. I am building them up like strong reeds in the wind. These, My faithful ones, will be like eagles that fly above the torrent of compromise and error which now moves through the Church like an invisible wave. Do not be discouraged, My little ones, or feel I am deaf to your prayers. I am your strength - My Mother your protection. You are the bounty of My efforts. Your prayers are My strength amongst men. With them, I will confound the proud."

"Today I invite you to see that when error is supported due to gender identification crisis, the Tradition of Faith is weakened, and disunity which is always darkness is embraced. Remember, the Adversary always comes clothed in some good. His enticements may seem just, but are not founded on truth. The Remnant Faithful who shed light on error are often persecuted. In the end, however, I Myself, will uphold the righteous. Therefore, do not be bullied into embracing error."

"Understand that every persecution bears its good fruit in due time - just as every prayer petition bears some good fruit. When you lay a petition upon My Heart, do so with sublime trust which mirrors your love for Me. Do not place the human factor of time upon My response to your petition. To do so reflects a lack of trust in My Timing, which is always perfect. Neither should you presume you know the best answer to your petitions. That, too, reflects a pride. Let Me be God - you be My instruments."

"My brothers and sisters, as your country mourns the second anniversary of a great act of terrorism and loss of life, let the Flame of Divine Love be your consolation. Surrender to Me your free will, for it is in this surrender I am able to convert the unrepentant heart. Today We're extending to you the Blessing of Our United Hearts."

September 8, 2003 /Mon. United Hearts Confraternity Service Feast of Our Lady's Birth

Jesus and Blessed Mother are here all in white with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, when My Mother was born, Her Heart was already a perfect sanctuary of HUMILITY and LOVE. Imitate Her. Do not be afraid to be the least among men so that you can be great in Heaven."

"Tonight We are extending to you the Blessing of Our United Hearts."

September 11, 2003 /Public

"I am your Jesus, born Incarnate. Today I come to you with My Sacred Heart exposed. Do you comprehend that in this Image the Cross is immersed in the Flame of Divine Love? It is impossible to make this spiritual journey and at the same time avoid the Cross. The more the soul is willing to embrace the Cross in his own life, the more he can be plunged deeper into the Flame of Divine Love. The depth of the soul's acceptance and cooperation with his own personal crosses reflects the depth of his surrender of free will to the Divine."

"Make this lesson known."

September 12, 2003 /2nd Friday Rosary Service to Pray for Priests

St. John Vianney is here. He says: "Praise be to Jesus."

"My brothers and sisters, tonight I tell you that every priest has a vocation within a vocation which is to lead his flock in the two great commandments of love - love God above all else and your neighbor as yourself. This is Holy Love. I tell you that Holy Love is the passkey to the Gate of Heaven and the Heel that will crush the head of the Serpent. How important then that this be made known!"

"I'm extending to you my Priestly Blessing."

September 13, 2003 /Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, each of you has been called here by Our United Hearts to become part of the Remnant Faithful. Accept this invitation within your own heart and do not wait for others' opinions or approvals. Accept because you love Me and you desire to serve Me. Then I will assist you in your every need as I call you along the path of salvation, holiness and union."

"Tonight I am blessing you with My Blessing of Divine Love."

September 15, 2003 /Midnight Service at the Sorrowful Mother Shrine/Lake of Tears-Feasts of The Triumph of the Cross 9/14 and The Sorrowful Mother 9/15

(This message was given in multiple parts.)

Blessed Mother is here as the Sorrowful Mother. She says: "All praise, honor and glory to My Son, Jesus." There are hundreds of angels above all the people here, and around Blessed Mother angels are holding the Rosary of the Unborn.

Blessed Mother says: "Dear children, I come to you once again on this commemoration of My Sorrows to offer you the Refuge of My Immaculate Heart which is Holy Love itself. Today every freedom is threatened through slavery to sin. All around you are wars and violence. All of this comes from hearts that fail in Holy Love - hearts full of malice and vengeance. You see terrorism and war as conflicts between nationalities and religions. I tell you, these things occur when hearts fail to answer My universal call to live in Holy Love."

"Each heart must become an imitation of My Motherly Heart. Each heart must be like a little Refuge of Holy Love if you desire to live in peace and according to God's plan for you. False promises between men beget false peace. I am here to show you the way of genuine peace. You must respond with your free will. Otherwise, My words will do you no good, and the path to peace that I lay bare will go untraveled."

"Dear children, I come to you tonight to draw apart My Remnant Faithful. You are the ones who cling tenaciously to the Tradition of Faith no matter the onslaught of compromise. You must not allow yourselves to be tricked by the evil one and to become part of the modern day subculture. This is a culture that worships the false god of self. When self becomes more important than God and neighbor, you have every sort of crime against innocence, abortion - all forms of debauchery. Anything is made to appear good if it serves self."

"I am asking each of you, My dear children, to turn your hearts over to Me before it is too late. I cannot be victorious in your heart unless you choose it. You are not part of My Remnant because you say so, but because you have given your heart over to Holy Love and you cling to the Faith."

"Tonight the favor of My Heart rests upon you. My Son allows His Heart to be moved by your petitions. Many situations will be resolved in and through Holy Love soon. Marriages will be restored in love. Hearts that are convicted tonight of errors against the

commandments of love will find a new relationship with God. Heaven will open Her arms to the sinner. God's Divine Will will be accepted in peace. Priests will be strengthened in their vocations and each one here will find their vocation in holiness. Those who suffer afflictions will find peace in My Motherly Arms. Tonight My Heart is truly the accommodation, both of sorrow and of joy. Tonight the Cross and the Victory are one."

"Many of you have traveled far distances, both physically and spiritually. For some of you, your hearts have been far away from Me. I have called you, My dear children, come to Me and allow your hearts to be converted. Oh, how I cry copious tears for those who will not turn their hearts over to Me. The greatest natural resource any country can have is not gold or silver or oil, but is a righteous heart - a heart that seeks God."

"My dear, dear children, I weep for you. Yes, I weep for you but I rejoice as well, as I see many here who will change their hearts."

"Tonight I'm blessing you with My Blessing of Holy Love."

September 15, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My dear brothers and sisters, tonight I tell you that when you trust Me, I am assured of your love for Me. It is only then that I can ask more of you - deeper love, deeper trust and deeper surrender. It is only then that I can move you deeper into My Divine Heart. I desire this for each of you. I love each of you and call you to sanctity."

"Tonight We're blessing you with the Blessing of Our United Hearts."

September 16, 2003 /TO ALL MY LITTLE CHILDREN

Blessed Mother says: "Praise be to Jesus."

"Every one of My apparitions and every true apostolate has carried with it the aim of living in the Divine Will. This is the ultimate underlying call and goal."

"The Chambers of the United Hearts is the master plan—the blueprint for every soul, every apostolate to follow. It is not that any one of these I mention would lose their identity, but that they would find their way."

"It is a simple message given in a simple way. The Confraternity is but a vehicle of putting the road map—the blueprint—into peoples' hands, not to be swallowed up by it, but to be led by it."

"The Confraternity calls all people and all nations into Our United Hearts."

September 19, 2003

(About the Double Rainbow)

"I am your Jesus, born Incarnate. I have come to explain the meaning of the double rainbow on the evening of My Mother's Feast of Sorrows."

"The first one represents the covenant between My Father and mankind never to destroy the world again by flood. The second represents a new covenant of Holy and Divine Love. Any soul who sincerely lives out the Messages of Holy Love will not slip to his perdition."

"Make this known."

September 20, 2003 /Public

"I am your Jesus, born Incarnate. I have come to help you realize that the Holy Spirit is busy inspiring souls to come into the Confraternity, as well as the Order of Priests."

"While He is active in so many, I tell you the ones more mature in the Spirit do not speak to others about the action of the Holy Spirit in their lives. More often than not, graces received by

the power of the Holy Spirit need to be kept between the Spirit Himself and the soul. The soul should share everything with his spiritual director. However, to make all graces he receives generally known can transgress humility itself and approach spiritual pride. If the soul's gifts become known to others, all honor and glory must be given to God, for indeed He is the source."

Maureen asks: "Doesn't the Holy Spirit like people to give testimonies?"

"It all depends on what is in the heart at the time. If it comes from a heart full of spiritual pride (look at the graces I received) - 'no' - if witness is given to show how the Lord is working to give praise to God - then 'yes'."

September 22, 2003 /Public

"I am your Jesus, born Incarnate. I have come so that you may have a deeper understanding of Holy Love in the present moment."

"A complete surrender to Holy Love involves a surrender of the senses. If God's Will, which is Holy Love, rules the senses, then it is as though a filter is placed over every sense. The soul gives up custody of his eyes to look at only what God wills him to see - to listen only to what God wills he should hear - to taste and to speak what God so wills - to touch and to smell according to God's plan. This is total surrender."

"Truly, the soul that lives in this way has given his complete surrender. He sees every present moment as filled with God's Will and accepts all in Holy Love."

September 22, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, your trust in Me is consoling for I know that you can only trust Me if you love Me. As My Mother stood at the foot of the Cross, She consoled Me with a loving and trusting Heart. If She had been there with an empty heart, a bitter heart or an angry heart, I would have not been consoled."

"You must see the difference, My brothers and sisters, for it is forgiveness that arises from such love. I never act in a way that will harm you, but only in a way that will lead you to salvation."

"Tonight We're blessing you with the Blessing of Our United Hearts."

September 23, 2003 /Public

St. Pio of Pietrelcina comes. He looks at me intently and then says: "Praise be to Jesus."

"I have come to help the world to understand the call to victimhood. The true victim soul suffers without complaint and without fanfare. He tries not to call attention to himself or to lay claim to great conversions of heart or healings through his efforts in suffering. All these things negate the sacrifice. Then he becomes like a hammer without a hand to use it. The pain - physical, spiritual or emotional - is still present but is useless."

"Some even take pride in being called to victimhood and do not see the hypocrisy in such emotions. No! Offer everything in as much hiddenness as possible. Do you think I went around waving my wounds in peoples' faces saying, 'I'm converting souls'?"

"Like every other call, victimhood must be accepted with a humble, loving heart."

September 26, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate." Jesus nods towards Fr. G. in the apparition room and smiles.

REGULAR MONTHLY ROSARY SERVICES

He then says: "My brothers and sisters, these days when your faith is challenged, I invite you once again into the Flame of Divine Love. For herein lies the peace that cannot be destroyed by Satan's plans. You can only reach this peace through the Heart of My Mother, which is Holy Love. Then you will have lasting love, lasting humility, lasting faith and hope, for We will assist you."

"Tonight I'm extending to you the Blessing of Divine Love."

September 28, 2003 /4th Sunday Service to Pray for Unbelievers

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate." Jesus nods toward Father S. and Sister S., and says: "Thank you for coming here. I need your prayers - I need your sacrifices; most of all I need your love."

"These days I am calling My own into the Flame of Divine Love. These little ones will not progress if they have hidden pride in their hearts. But I choose the ones that will come to Me - that will answer My call in humility and love; and these I make My apostles to spread the Chambers of Our United Hearts."

"Today I'm blessing you with My Blessing of Divine Love."

September 29, 2003 /Mon. United Hearts Confraternity Service Feast of the Archangels Michael, Gabriel, Raphael

St. Michael comes holding a fiery sword in front of him. He then lowers it touching the ground.

Jesus and Blessed Mother appear with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. I have come tonight to draw each of you deeper into the Flame of Divine Love - the Chambers of Our United Hearts - for I stand ready to protect you and provide for you. Come to Me, then, and do not hold back out of fear or anxiety or pride. Surrender to Me everything, all situations and people in your lives, and allow My Mother's grace to work."

"Tonight We're blessing you with the Blessing of Our United Hearts."

TESTIMONY

On July 28, 2003, I hurt my back and was bedridden with a pinched nerve sending pain down my left leg. The pain was so strong that I could not walk. Monday, August 4, my doctor prescribed steroids for the problem. Tuesday, August 5th, Blessed Mother's birthday, I came to Holy Love to pray. I stayed in bed until 2:00 p.m. and dropped off my prescription on the way to the 3:00 p.m. Rosary service. I was in a wheelchair at the beginning of the service. I asked Blessed Mother to please heal my back pain. I placed Maranatha Spring water on my back. I wanted to go to confession so I left my wheelchair and walked to the front of the Prayer Center. I no longer had the sharp shooting pain down my leg!! The pain was gone. I didn't need the steroids. I was out of bed, out of the wheelchair and feeling wonderful!

Blessed Mother gave me a present on Her birthday. Thank you Mother and Jesus!

**MEET AT THE FIELD OF THE UNITED HEARTS ON DECEMBER 11 AT 11:30 PM.
SEE INSERT FOR DETAILS**

October 1, 2003 /Feast - St. Therese of The Child Jesus

St. Therese says: "Praise be to Jesus. Jesus' love for each soul is vast. It can only be compared to the depths of the ocean and the heights of the highest Heavens. His thirst for reciprocal love is unquenchable. No one can love the Lord too much. No one holds perfect love in his heart for His Royal Majesty."

"If your love reaches a deepening state, you will be shown an ever-deepening desire to be shown where you fail in love. If the desire is not there, you should pray for it."

October 3, 2003 /Public

"I am your Jesus, born Incarnate. With a kind and trusting heart, accept these words I give you."

"Divine Love does not exist apart from Divine Mercy. In the same way Divine Mercy always proceeds from Divine Love. These two are one and never separate. It must be so in the human heart, as well. The heart that is unforgiving cannot love properly. The unforgiving heart loves himself more than God and neighbor - for selfish love promotes unforgiveness."

"Divine Love and Divine Mercy are enveloped in My Father's Divine Will. Make it known."

October 3, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, if you choose Holy Love from your heart, then our hearts will be truly united. In this choice

you will embrace both the Cross and the Victory, and My Mother will be by your side giving you all you need. Make this known."

"Tonight I am blessing you with My Blessing of Divine Love."

October 4, 2003 /Public

"I am your Jesus, born Incarnate. In truth I tell you, My Church does not need to be reformed to meet the needs of the dissenting liberals. It is the hearts of the dissenters that must be reformed in Holy and Divine Love. This then, is the Mission within the call to Holy and Divine Love."

"Do not be dismayed at who opposes this call. Remember, the enemy - the father of lies - always clothes himself in goodness. But his goodness is a vesture of deceit, and he scorns those who follow him."

"Clothe your hearts in the vesture of simplicity and love. In these times this is your protection, for the love in your heart unites you to Me. Heaven's protection and provision rests upon your soul when you love Me. Make it known."

October 5, 2003 /Monthly Message to All People and Every Nation (This message was given in multiple parts.)

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. I have come today once again repeating My universal call to enter these Chambers of Holy and Divine Love. My invitation to all mankind is unrelenting. In the days of Noah, a chosen few were called into

the ark before God's Justice visited earth. These few were ridiculed and set upon by the unbelievers."

"But today I am opening the 'ark' of Our United Hearts to all people - all nations. Hasten into the protection of this spirituality. Do not lament persecution. Rather, pray for your persecutors that they recognize their errors in time. Always, for the sake of love and mercy, point the way to this latter day ark of Our United Hearts. Many will scoff, but some may find the way who otherwise would not."

"Pass the Blessing of Our United Hearts along freely. You can accomplish this in the sanctuary of your own heart. This Blessing can melt the iron will of many an unbeliever. Do not doubt what I freely give with love. To do so compromises the Blessing."

"Pass this Blessing along to your President and your legislators that they will successfully overturn the hideous sin of abortion."

"My brothers and sisters, each of you has come here for an individual reason today - some to find answers, some to petition Our United Hearts, some out of curiosity, and still others come with hearts full of love for the Mission and the Messages themselves."

"But to all of you - I call you along the certain path of Holy and Divine Love. Do not allow the detractors of this Mission to pull you off the path, for what I give you is TRUTH ITSELF."

"Today We're blessing you with the Blessing of Our United Hearts."

October 6, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. Once again this evening I have come to invite each of you into the Chambers of Our United Hearts. Accept the grace Heaven offers here at this Prayer Site which will assist you in your journeys."

"Understand that I welcome one and all into the grace of My Mother's Immaculate Heart so that She can lead you into Divine Love. Tonight We're blessing you with Our Blessing of the United Hearts."

October 6, 2003 /Public

"I am here now. Be at peace. I am your Jesus, born Incarnate."

"I have come so that all may understand the worship of false gods. Anything that leads the soul away from adherence to the Law of Holy Love, and so too, the Commandments, becomes a false god in that person's life. This is because he places the sin or fault over and above love of God and neighbor."

"Perhaps the soul worships his own opinion more than God, and for that reason practices birth control, accepts abortion and even euthanasia. Perhaps he loves power and control more than righteousness, and because of this, abuses his position of authority. There are many who compromise their adherence to the Commandments for the sake of protecting their reputation in the world."

"I have come to help you realize that all these things are passing. God alone suffices. Do not seek after any of these false gods. Abandon yourselves to Me. Detach yourselves from every allurements of the world, and you will have treasure in Heaven."

October 7, 2003 /Feast of Our Lady of The Rosary

"I am St. Dominic. Praise be to Jesus."

"Today I have come to reveal to you what a great weapon the Rosary is. If the Rosary is prayed with fervor, it can defeat

armies, destroy heresies and convict hearts in their evil ways."

"The Rosary is a fortress against evil. It is a sign to Satan that you belong to Our Lady; therefore, you should always carry it on your person. With the Rosary you can overcome disease, conquer famine and unseat dictators. All of these things have been accomplished with the Rosary in the past in various parts of the world."

"Continue, then, to pray and have faith in the humble prayer of the Rosary."

October 10, 2003 /2nd Friday Rosary Service to Pray for Priests

St. John Vianney is here. He says: "Praise be to Jesus."

"My dear brothers and sisters, please realize in this age of self-centered secularism, all priests must answer a vocation within a vocation. Every priest is called to personal holiness. The priest that does not answer this call is not a good priest and does not fulfill his priesthood the way Heaven commands. Pray for priests! Pray for priests!"

"I'm imparting to you My Priestly Blessing."

October 12, 2003 /2nd Sunday Service to Pray against Abortion

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, today I invite you to allow your hearts to be transformed and conformed through Holy Love, for it is in this way you will become holy; then your prayers will be more powerful. You will see injustice for what it is and you will reach the heights of Heaven. Today We're blessing you with Our Blessing of the United Hearts."

October 12, 2003 /Public

"I am your Jesus, born Incarnate. I have come bearing a message long standing in Our United Hearts. My Mother's sublime humility precludes Her from speaking this to you. It is this. To be a servant of Holy Love means not only servitude, but slavery to Holy Love. Remember, My Mother's Heart is Holy Love and God's Divine Will. Therefore, it follows that slavery to Holy Love is God's Will."

"The good slave refuses his master nothing. Every thought, word and deed, then, must be possessed by Holy Love. Since Holy Love is united to Divine Love, to be slave to one is to be slave to the other."

October 13, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, to be a slave of Our United Hearts means you must surrender your freedom. By this I mean you must surrender your free will. Then I will take the little flame that burns in your heart and immerse it in the Flame of Divine Love until the two are undistinguishable. Tonight We're blessing you with the Blessing of Our United Hearts."

October 16, 2003 /Public

"I am your Jesus, born Incarnate. I have opened the doors to the Chambers of My Heart to all humanity with intense ardor and eternal love. I offer these Chambers to each and every one—the sinner, the saint alike. To the unbelievers I offer faith. To the agnostic and atheist, the heretic and the proud, I offer conversion through self-knowledge. To the servants of love, I offer every grace they petition Me for, and more, if all is in the Will of My Father. To the slaves of Divine Love—to My slaves—

I offer sanctity of heart and the assurance of everlasting life.”

“The slavery I offer is freedom from the shackles of the human will. It is deeper than union with the Divine Will. It is a burning love that dissolves the soul into the Divinity of My Heart. The two are not merely united, they are undistinguishable.”

“I invite you to be this—a slave, not merely a servant. Through you, I invite the world to enter herein and abide in Me. Choose it as I choose you.”

October 17, 2003 /Public

“I am your Jesus, born Incarnate. When you trust in Me, I embrace your heart and caress your soul. Your trust is a reflection of your love for Me. It is as though you are looking into a body of still water. The water being your trust reflects an image. The image reflected in the water is only there by the grace of your love of Me. Therefore, I tell you, fear nothing—just love Me. Then everything you need will be forthcoming.”

October 17, 2003 /Friday Rosary Service

Jesus is here. His Heart is exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, when you are anxious or fearful or have doubts, it is a sign to Me that you are depending on your own efforts instead of My grace. When you do not surrender everything to Me, My Hands are tied and I cannot answer your petitions as effectively as I desire. Give Me all your problems, all your victories, every concern, and you will see how quickly I come to your aid. Tonight I impart to you the Blessing of My Divine Love.”

October 20, 2003 /Public

St. Thomas Aquinas comes. He says: “Praise be to Jesus.”

“Child, the heart of the world has become cynical where matters of faith are concerned; that is, doubt overcomes everything that is not tangible—cannot be seen or felt or heard with the senses. Sensuality has become a god—a god which has corrupted whole nations.”

“Because of this, the faith has become weak and the Church is teetering but shall not fall. Love will support Her. Christ is the Foundation of the Church and Christ is Love. It follows that the spirituality of the Chambers of the United Hearts is the building material Heaven has chosen to reconstruct the Church.”

“Every heart needs this Message. For as the Church undergoes a metamorphosis which begins in hearts, the world must also be transformed in and through Holy and Divine Love.”

“This Mission will be blessed in certain and unexpected ways in order to accomplish these goals. Await the action of grace.”

October 20, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus : “I am your Jesus, born Incarnate. My brothers and sisters, always aim at coming **into** the deepest Chamber of Our United Hearts, for I tell you that’s the lofty aim where you will be sure to receive all the grace that you need. When you live in Holy Love in the present moment, you give to Me Glory, and you are children of the Light.”

“Tonight I tell you that with each Blessing of Our United Hearts every soul that receives it and believes, also receives the grace to come deeper into Our United Hearts.”

“Tonight We extend to you the Blessing of Our United Hearts.”

October 23, 2003 /Public

“I am your Jesus, born Incarnate. Today I have come, child, so that you may better comprehend Heaven’s Divine Plan. Throughout the world in these times, there are scattered small pockets of devout followers of the true Tradition of Faith. These people are faithful to the Holy Father and devoted to My True Presence in the Holy Eucharist. They are firm in their devotion to My Mother, as well.”

“It is through the journey into the Chambers of Our United Hearts that I hope to unite these Remnant Faithful. In this way Our United Hearts would be a thread that would bind all the Remnant Faithful together.”

“This, then, is My call to the Confraternity and to My priests. Bring My remaining faithful into the Divine Will by propagating these Messages. Help Me to strengthen, unite and to increase the Remnant. Count on My Providence and My Mother’s protection.”

October 24, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I have come to invite the Remnant Faithful to join hands and unite through the Message of Holy and Divine Love. Find refuge in this Message and the path to Heaven, and spread it to those around you that they may increase the Holy Remnant.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

October 25, 2003 /Public

“I am your Jesus, born Incarnate. I come today to invite you into the inner sanctum of My Heart. It is here I desire to hold you captive—a prisoner of love. Am I not your prisoner of love in your heart and in the tabernacles of the world, as well?”

“The prisoner is dependent upon her captor for everything. All power is given over to the captor. But, as a prisoner of love, much more is asked. The prisoner of love is asked to trust and to accept all things as from the Hands of God. Therefore, even twists and turns in human plans are accepted. The prisoner lives indifferently to the world around him, knowing that Heaven’s Provision is perfect and complete.”

“Love is give and take. Give to My Divine Heart your will, and take My Love in return.”

October 26, 2003 /Public

Jesus says: “I am your Jesus, born Incarnate. I come to you today to instill in your heart this Message. When I was on earth I gave to the world the Law of Holy Love. Outside of this commandment, the pathway to Heaven is closed.”

“The Message of Holy Love is the embrace of the Refuge of My Mother’s Heart. Return Her holy embrace by living this Message in every present moment. The obstacles to living in Holy Love are My invitation to sanctity. Make it known.”

October 26, 2003 /4th Sunday Service to Pray for Unbelievers

Jesus and Blessed Mother are here. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, today I invite you to understand that every thought, word and deed must emanate from a heart full of Holy Love. Any thought, word and deed which does not proceed from love falls into a wasteland such as Purgatory, and is gone forever.”

“You will please make this known. We are blessing you with the Blessing of Our United Hearts.”

October 27, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, those who come here are given the grace of the KEY to the GATEWAY of the NEW JERUSALEM; for My Mother's Heart is the Gateway and the KEY is the MESSAGE itself. The Message is a Holy Refuge and leads you into the sanctity of the Chambers of Our United Hearts."

"Please make this known. Tonight We're blessing you with the Blessing of Our United Hearts."

October 31, 2003 /Public

"I am your Jesus, born Incarnate. Today I have come to tell you that earth is visited by My Mercy even as I speak to you. For I tell you, a great share of My Mercy is the Revelation of Our United Hearts."

"During these times faith is in a state of crisis. It is only through Mercy and Love souls will be able to be restored in faith. These two—Mercy and Love—come to the world in this Message and through the Heart of My Immaculate Mother. Understand that as Mercy and Love are present to humanity in this way, the essence of Love and fullness of Mercy only come into the heart of man through a movement of his free will."

"Mercy comes into the heart through remorse for sin. Love comes into the heart through reciprocal love. Both of these require humility. Humility is the 'gift wrap' of Mercy and Love. The journey through the Chambers of Our United Hearts is the gift."

"Comprehend this and make it known."

October 31, 2003 /Friday Rosary Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, please understand and comprehend in the depths of your hearts that this is the age given over to Divine Love and Divine Mercy. These days lead to the Victory of Our United Hearts. All souls are privy to Mercy and Love if they choose it. Therefore, pray that all hearts and all nations open their free will to Divine Love, Divine Mercy and the Revelation of Our United Hearts."

"Tonight We're blessing you with the Blessing of Our United Hearts."

TESTIMONY

My husband was in the hospital. His roommate had tubes going in and out everywhere. He had been there three weeks and could not keep anything down. The doctors were planning exploratory surgery to figure out what was wrong. He was a member of the Church of the Nazarene so I just put some water on his bed and prayed. The next morning the man was eating, all the tubes were gone and he was discharged within a few days.

Jesus' Messages to the Remnant Faithful

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

November 2003

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic – according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: 'Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism'.

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness, and Our Blessed Mother says they are for all people – all nations.

To exclude Catholic prayer (the rosary) or symbols from the Ministry and ecumenical shrine would be to say Catholics must not be part of the ecumenical movement. This would be contrary to the local Bishops' efforts at ecumenism and the Holy Father's ecumenical efforts, as well.

All people and all nations are welcome to come and pray with us.

We do not, nor have we ever sought affiliation with the Diocese of Cleveland. As an ecumenical ministry, we do not seek their approbation and are not under the jurisdiction of Diocesan authority.

November 1, 2003 /Public

"I am your Jesus, born Incarnate. I have come once again to speak to you about obstacles on the journey through the Chambers of Our Hearts."

"Unforgiveness is the greatest obstacle for it spawns bitterness and hatred. Another more subtle and insidious snare is that of jealousy. Jealousy springs from insecurity. An insecure heart loves Me imperfectly. An insecure heart does not trust Me and does not see the perfection of God's Will in his life. The jealous heart broods over My Provision in another's life and does not see the graces he himself has been given. Jealousy leads to a vicious tongue. Gossip and the sin of detraction are a form of jealousy for this sin attempts to belittle another while building himself up."

"Once again I tell you, love and trust are the portion I ask of each heart. Watch out for Satan's snares and pay heed when your heart stands convicted of any error. Ask for the grace of My Most Holy Mother's Heart as a protection and guide."

"Make this known."

November 3, 2003 /Feast of St. Martin de Porres (On False Humility)

St. Martin de Porres comes. He says: "Praise be to Jesus. I have come that you might see—the reason the Church and the Tradition of Faith are in crisis today is that souls do not allow the truth to penetrate their hearts. The truth is humility. It is not a false humility that exists only on the surface, but it is all consuming and convicting."

November 3, 2003 /Mon. United Hearts Confraternity Service Feast of St. Martin de Porres

Jesus and Blessed Mother are here with Their Hearts exposed. St. Martin is with Them. Blessed Mother and St.

Martin say: "Praise be to Jesus."

Jesus: "I am your Jesus born Incarnate. My brothers and sisters, the time is at hand when you must choose not to side with the opinions of the world. Seek only to please ME—to appeal to Me—and you will rapidly advance through the Chambers of Our United Hearts."

"So, tonight We bless you once again with Our Blessing of the United Hearts."

November 5, 2003 /Monthly Message to All People and Every Nation

(This message was given in multiple parts.)

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. I come today to prescribe to the world this Message of Divine Love. I could recount for you all the transgressions against love that occur on a moment-to-moment basis, the intense and profound sorrows of My Mother's Heart and the blight of faith in the world today. These things are so prevalent that they do not need description, for their presence is all too obvious."

"Instead, I have come to focus on the remedy. I reveal to you that because the president of your nation has signed into law the ban on partial birth abortion, a great misfortune that was about to befall your country has been avoided—for every act of love counteracts an act of evil."

"Therefore, understand in the depths of your heart the importance of each soul's response to this Message of Holy and Divine Love. Everything that is thought, spoken or acted upon is wasted if it is not born from a heart of love and given over to Me with love."

"If you are Catholic and listening to Me, I invite you to comprehend the most important part of your day should be Holy

Mass. Much preparation should precede the prayer of the Mass, and much thanksgiving should follow it. Do not let others dictate to you your posture or demeanor in the precious moments after you receive Me in the Holy Eucharist. This is My special time with each soul and needs to be saturated with reciprocating love between the soul and Me. This moment in the interior forum must not be violated by community. Such a practice further reduces the importance of the sacrament of My Real Presence. When each soul is strengthened and nourished in this private moment with their Creator, the entire community will be strengthened. Do not fear putting into practice what I tell you today.”

“This is the poignant point of today’s message. When each heart allows itself to be strengthened in Holy and Divine Love, the world at large is strengthened. Therefore, understand that the remedy for the ills and evils of these times is each soul’s surrender to Holy and Divine Love. When you surrender to this call to holiness, you begin your personal relationship with Me. My Father’s Divine Will begins, then, as a reality in your heart.”

“Today, once again, I come invoking each heart to be immersed in the Flame of Divine Love—the Flame of My Sacred Heart. Let the Flame of Love burn in your own heart inspiring every thought, word and action, and illuminating the world around you with love.”

“We’re blessing you with the Blessing of Our United Hearts.”

November 7, 2003 /Public

“I am your Jesus, born Incarnate. I have chosen this Mission to bring My Victory into the world. It is the conversion of each heart which ushers in My Victory. Conversion can only come through Holy and Divine Love.”

“These days and during these times, do not be impressed by titles, positions and approvals. See, instead, the merit of what I am telling you in these Messages. Understand that My coming to you is in itself part of My Victory. Then choose to love in the present moment. I will bless your efforts.”

November 9, 2003 /2nd Sunday Service to Pray against Abortion

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, the whole and the sum of everything I ask of each soul is encapsulated in the very moment that the soul surrenders to Holy Love. For it is in this moment that the soul says ‘YES’ to perfection in the virtues, to sanctification and unity to the Divine Will. It is in this way that every soul is called, and I await patiently every soul’s surrender.”

“We are blessing you with the Blessing of Our United Hearts.”

November 10, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, tonight I invite you to live always as children of the light, rejecting all darkness, fear and anxiety. As children of the light, respond to the events of each present moment in Holy Love, bringing to Me souls and radiating the light of love to those around you.”

“Tonight We’re blessing you with Our Blessing of the United Hearts.”

November 12, 2003 /Public

“I am your Jesus, born Incarnate. I have come to instruct your heart and the heart of all those who will listen. It is according to each one’s free will what he absorbs from these Messages.”

“Every present moment is filled both with the Cross and with grace. I am in both. No cross is given without ample grace to carry it. No grace is given independent of the Cross. It is surrender to both of these that accomplishes the Divine Will of My Heavenly Father. My Father’s Will has been for all time and extends beyond time. Yet, He sees the need of each heart in every present moment and fulfills it perfectly. Therefore, understand that every present moment leads you to eternal salvation if you choose according to Holy and Divine Love. The choices are always present to you—sometimes more obvious than others. Ask for the grace each morning to make the right choices.”

November 14, 2003 /2nd Friday Rosary Service to Pray for Priests

St. John Vianney is here and says: “Praise be to Jesus.”

“My brothers and sisters, tonight pray, pray that all priests observe the sanctity of the present moment by pursuing personal holiness. This can only be accomplished through humility and complete surrender to Holy Love which is God’s Divine Will for each soul, but most especially for priests.”

“Tonight I’m extending to you my Priestly Blessing.”

November 15, 2003 /Public

“I am your Jesus, born Incarnate. Within this Message of Holy and Divine Love is encapsulated the whole and the sum of all the Commandments, salvation and sanctity itself. The attendant journey through the Chambers of Our United Hearts is a road map on surrender to My Father’s Divine Will. Everything I taught when I was in the world led to this Revelation.”

“When I healed, when I spoke to the woman at the well, when I addressed the Pharisees or taught My apostles, when I offered My life for you, it was all a lesson in Holy and Divine Love. I, Myself, came into the world as a prisoner of Divine Love—a slave to the Will of My Father.”

November 17, 2003 /Public

“I am your Jesus, born Incarnate. I have come to you seeking your greater understanding of these truths. Just as humility is the light that shines through every virtue, pride is at the root of every sin. Every soul has some pride in his innermost heart. The journey through the Chambers of Our United Hearts is a journey that helps the soul discover where pride takes over in thought, word and deed in any present moment.”

“The one that is full of self-interest, the one that seeks recognition in the world, the one who safeguards his reputation is the soul who must look into his own heart, and ask Me to help him eradicate the inordinate self-love in his heart. When the soul discovers inordinancies within his heart, he must not be presumptuous, supposing he can overcome these faults on his own without the help of grace. As he begins to conquer his areas of pride, he must ask his guardian angel not to let him fall into self-righteousness. This is a trap leading to pharisaical pride.”

“In every present moment I am your fortress—My Mother’s Immaculate Heart your shield. Trust in these words.”

**November 21, 2003/TO MISSIONARY SERVANTS OF HOLY LOVE
Feast of the Presentation of Blessed Virgin Mary**

Blessed Mother says: "Praise be to Jesus. Today I am presented in the Temple pure and innocent—full of love for God. It is as though it is happening now for there is no time or space in eternity. How many approach the altar of My Son's Eucharistic Heart unworthily clothed in error and sin? How many come as a perfunctory task—dressed immodestly—unaware of what is in their own heart?"

"Many today achieve acclaim and power in the world—accumulate mass fortunes—and yet, when they stand before My Son at their judgment, they are unprepared for everlasting life. This life should be lived as a preparation for the next life which is for all eternity.

"My Son invites you into His Eucharistic Heart now to give you strength in your temporary journey here on earth. Allow Him to help you."

November 23, 2003 /4th Sunday Service to Pray for Unbelievers

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I will tell you what the unbelievers of today have in common with the Pharisees in My day. Both of these—the unbelievers who will not accept this message and the Pharisees who rejected Me—do so out of pride—self-righteous pride. You see, when you surrender to belief in this journey into the Chambers of Our United Hearts, you must surrender your will, and this requires HUMILITY and LOVE. And so, My brothers and sisters, continue to pray for those who refuse My invitation."

"We're blessing you with the Blessing of Our United Hearts."

November 28, 2003 /Public

"I am your Jesus, born Incarnate. I have come to help you see that every affliction visited upon mankind is the result of lack of Holy Love in hearts. You must begin to see this as the underlying evil. Do not see natural disasters as a freak of nature, but as an event allowed by the Eternal Father to bring souls back to Himself. Sin is the result of mankind putting himself ahead of God and neighbor. This is the cause of small and great sin—of terror and wars—of natural disasters and every form of insecurity."

"The heart that loves—the heart that places God and neighbor at its center and self last—is the one that is at peace. The Adversary tries to churn up every sort of self-interest in the midst of every human heart in every present moment. This is how he pulls souls away from Me and leads them to their perdition."

"Discover what is in the center of your own heart and realize every flaw in Holy Love. Then I can reign in your heart and in your life."

November 28, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the soul whose faults are revealed to him is being called to conversion and into the First Chamber of Our United Hearts which is Holy Love. It is only his repentance that allows him to pass through the door of this Heart. Then the

soul is cooperating with the grace that is being given and My Victory is beginning in him. I desire all souls enter the heart of My Most Holy Mother so that they can be purified and come to Me in My Heart of Divine Love."

"Tonight I'm blessing you with My Blessing of Divine Love."

TESTIMONY

When I came to the retreat weekend on June 27, 2003, it was my first visit to Holy Love. I witnessed the lights that appeared in the sky during the apparition. I was having numerous medical problems and I felt that the Holy Spirit told me that night that my uterus was healed. I was in severe chronic pelvic pain for years. Within a few months I realized the pain had gradually decreased and finally disappeared. My friends told me that the lights had hit my shoulder and back during that apparition. I believe that is when my body was touched and the healing began.

**December 12, 2003 /Midnight Service at United Hearts Shrine
Feast of Our Lady of Guadalupe**

(This message was given in multiple parts.)

Our Lady is here as Refuge of Holy Love. She says: "Praise be to Jesus." (She smiles and nods Her Head, greeting the people.)

"I come today with a sad heart. My dear, dear children, centuries ago when I appeared on Mt. Tepeyac in Mexico as Our Lady of Guadalupe I came to convert the pagan Aztecs. The sign of My coming was welcomed and accepted by the Bishop, and the good I came to accomplish was brought to fruition. Today, My visits are not welcomed by hierarchy in many places around the world. The fruits are hidden under a cloud of disapprovals and condemnations."

"My coming to you here tonight, as in all of Heaven's interventions, is for God's purpose, not My own. The heart of My Son's Church on earth has been pierced by a sword. There is division where there must be unity. The Tradition of Faith is challenged by those who would have her embrace liberalism. The Church will never be united under the torn and tattered umbrella of liberalism which condones certain sins. Jesus sends Me to give you the way of unity which is My Mantle of Love. Under My Mantle, I will protect you from the enemy and take you into My Immaculate Heart. Herein, find the unity the Church seeks. Herein is righteousness."

"As in my Heavenly interventions at Guadalupe, I come, My dear little children, to protect you and lead you away from paganism. I have come to place on your hearts the seal of the true faith. The ongoing battle in this Diocese is not about 'ecumenism' or even the authenticity of My Heavenly visits. It is just another arena where the war between good and evil is being waged. This is the war between liberalism and the Tradition of Faith."

“My dear little children, I have not come to you to demand approvals or even to seek them. I am here to uncover evil and bring light to darkness so that you will not be tricked by opinions or misled by those who oppose Me. I come to bring all people and all nations under My Mantle of Love where there is no conflict, terror or sin. The Heart of My Son cries out for Justice. Do not persuade His Arm of Justice to fall by condoning sin with your silence. Do not find compassion in your hearts for those who live sinful life styles. God’s mercy does not fall upon the arrogant, but the repentant. Remain faithful to the laws of Holy Love.”

“Today the wind of controversy blows through the Church and the world at large, bringing with it confusion and compromise. Do not fear, but let the Flame of My Heart which is Holy Love draw you back on the path of righteousness. The Flame of Holy Love offers a universal call to conversion, holiness and sanctity to every heart—each soul. My Son will not be outdone in His generosity. He offers His love to one and all through the Heart of His Mother. When you surrender to My call He will give you all you need, and more in return, through Holy and Divine Love.”

“My dear, dear little children, I have come—your Heavenly Mother is here. I come to give you peace and to give you the grace of My Heart. Understand, My children, that your Heavenly Mother has prepared for you the greatest graces and strengths—all that you need sufficient to overcome your most powerful enemies. My children, My Hands are filled with your petitions and My Heart is filled with love for you tonight.”

“Continue to pray, pray, pray. Your Heavenly Mother is praying with you and blessing you with My Blessing of Holy Love.”

TO ALL MISSIONARY SERVANTS OF HOLY LOVE

Recently a rumor circulated that Holy Love Ministries was under Diocesan investigation. We have it by credible authority that no such investigation is underway. Once again we state our position as an ecumenical ministry. Therefore, we are not under the scrutiny of the Diocese of Cleveland. Please continue to pray for us.

that Holy Love would be accepted in hearts as the remedy for mankind's woes."

"During My Passion, this Mission was a great consolation. Now in Heaven, I tell you, it will be a vehicle of My Triumph."

"Quietly say 'yes' and do not concern yourself with your inadequacies, for in every heart, grace makes up the difference."

December 5, 2003 /Monthly Message to All People and Every Nation

(This message was given in multiple parts.)

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My dear brothers and sisters, if your faith does not proceed from a heart steeped in Holy Love, your faith will prove superficial in times of temptation and doubt. It is only when you live in Holy Love that you can more readily see evils that come clothed in goodness. This is the reason so many are tricked and misled by those that abuse their authority. Humility does not take advantage of title or position, nor hold a hidden agenda in its heart. Those who seek the journey into the Chambers of Our United Hearts must surrender first their own will and become childlike in their faith."

"Today it is true that the human heart is given over to excesses. I speak of excessive self-love which fathers excessive sensuality, materialism, hunger for control and ambitious pride. At no time in history have these excesses been more widely spread—the reason being telecommunications and advance technology in modes of travel. The believer can easily see how Satan has taken good and twisted it to fit his needs."

"The remedies and solutions I offer, for the most part go unattended—prayer, sacrifice—if you are Catholic, devotion to the sacraments, and most of all adherence to Holy Love. These strong remedies which would turn back the wrath of God are mainly ignored for their simplicity, and because they require a certain amount of self-surrender. Those devoted to excess want to take and not give. Therefore, understand when disaster, wars or any injustice comes, it is the direct result of excessive inordinate self-love."

"These same excesses have visited My Church, as well, for it is not immune to error as recent disclosures have proven. If I were not Truth Itself, I would not point this out. As it is, in truth I tell you, much is yet to come."

"I have come to tell you that the simplicity and beauty of this Message proves its origin is Heaven itself. The Message is a holy refuge for My Remnant Faithful. Expect Satan to oppose this Mission and so, too, the Message. Do not look at title or position of the ones who set themselves up in opposition to this Mission, but remember I have forewarned you of Satan's plans."

"My brothers and sisters, today once again, I invite you into My Mother's Heart which is Holy Love itself. Imitate Her Heart. Holy Love is the way out of every situation and the sum total of every solution. Abide in love and you will abide in the Divine Will of the Eternal Father."

"Today We're extending to you the Blessing of Our United Hearts."

December 8, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. My brothers and sisters, I have come to you because you believe and I believe in you, as well. Pray for those who do not have faith and love in their Heart and cannot see the simple path that I lay open before them. This much I tell you—there is no enemy I cannot vanquish. I am the Way, the Truth and the Life, and I will lead you to victory no matter the tempest that rages around you. Let Me be your strength."

"Tonight We are blessing you with Our Blessing of the United Hearts."

December 12, 2003 /Midnight Service at United Hearts Shrine Feast of Our Lady of Guadalupe

(This message was given in multiple parts.)

Our Lady is here as Refuge of Holy Love. She says: "Praise be to Jesus." (She smiles and nods Her Head, greeting the people.)

"I come today with a sad heart. My dear, dear children, centuries ago when I appeared on Mt. Tepeyac in Mexico as Our Lady of Guadalupe, I came to convert the pagan Aztecs. The sign of My coming was welcomed and accepted by the Bishop, and the good I came to accomplish was brought to fruition. Today, My visits are not welcomed by hierarchy in many places around the world. The fruits are hidden under a cloud of disapprovals and condemnations."

"My coming to you here tonight, as in all of Heaven's interventions, is for God's purpose, not My own. The heart of My Son's Church on earth has been pierced by a sword. There is division where there must be unity. The Tradition of Faith is challenged by those who would have her embrace liberalism. The Church will never be united under the torn and tattered umbrella of liberalism which condones certain sins. Jesus sends Me to give you the way of unity which is My Mantle of Love. Under My Mantle, I will protect you from the enemy and take you into My Immaculate Heart. Herein, find the unity the Church seeks. Herein is righteousness."

"As in My Heavenly interventions at Guadalupe, I come, My dear little children, to protect you and lead you away from paganism. I have come to place on your hearts the seal of the true Faith. The ongoing battle in this Diocese is not about 'ecumenism' or even the authenticity of My Heavenly visits. It is just another arena where the war between good and evil is being waged. This is the war between liberalism and the Tradition of Faith."

"My dear little children, I have not come to you to demand approvals or even to seek them. I am here to uncover evil and bring light to darkness so that you will not be tricked by opinions or misled by those who oppose Me. I come to bring all people and all nations under My Mantle of Love where there is no conflict, terror or sin. The Heart of My Son cries out for Justice. Do not persuade His Arm of Justice to fall by condoning sin with your silence. Do not find compassion in your hearts for those who live sinful alternate lifestyles. God's mercy does not fall upon the arrogant, but the repentant. Remain faithful to the Laws of Holy Love."

"Today the wind of controversy blows through the Church and the world at large, bringing with it confusion and compromise. Do not fear, but let the Flame of My Heart, which is Holy Love, draw you back on the path of righteousness. The Flame of Holy Love offers a universal call to conversion, holiness and sanctity to every heart—each soul. My Son will not be

outdone in His generosity. He offers His love to one and all through the Heart of His Mother. When you surrender to My call, He will give you all you need, and more in return, through Holy and Divine Love.”

“My dear, dear little children, I have come—your Heavenly Mother is here. I come to give you peace and to give you the grace of My Heart. Understand, My children, that your Heavenly Mother has prepared for you the greatest graces and strengths—all that you need sufficient to overcome your most powerful enemies. My children, My Hands are filled with your petitions and My Heart is filled with love for you tonight.”

“Continue to pray, pray, pray. Your Heavenly Mother is praying with you and blessing you with My Blessing of Holy Love.”

December 12, 2003 /2nd Friday Rosary Service to Pray for Priests

St. John Vianney is here and says: “Praise be to Jesus.” He nods at everyone, then continues.

“My brothers and sisters, whole Dioceses could be converted if Bishops would adopt this spiritual journey and put it in the hands of their priests. Parishioners would follow it readily, for they are thirsty for a spirituality that will lead them deep into the Heart of Jesus. Make this known.”

St. John extends to us his Priestly Blessing.

December 13, 2003 /Saturday MSHL Rosary Service

(Many Spanish-speaking Pilgrims here tonight.)

Jesus is here with His Heart exposed and says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, let My coming to you tonight be a sign that I desire each of you speaks the same language—the language of Holy Love. Let Holy Love be a bond between your heart and Mine, between each soul and every nation. This is the way out of every situation—every sin, war, terror. I tell you, this is the solution and the answer to your petitions.”

“Tonight I’m extending to you My Blessing of Divine Love.”

December 14, 2003 /2nd Sunday Service to Pray Against Abortion

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, today please pray that all people, most especially expectant mothers, replace self-love with Holy Love in their hearts. In this way they will hold a love for their unborn child and will be unable to enter into the sin of abortion. If all expectant mothers could love their unborn children, abortion would not exist.”

“Today I’m blessing you with My Blessing of Divine Love.”

December 15, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, strive always in each present moment to be little and insignificant as I, Myself, was in the manger—almost buried beneath the hay and behind the animals, small to see—but what was in My Heart was mighty. It was Divine Love.”

“I have come tonight to consume your hearts with the Flame of Divine Love. Be humble in your opinions and in your approvals. Strive for this. I will always be with you until the end of time as we know it.”

“We’re extending to you the Blessing of Our United Hearts.”

December 19, 2003 /Public

St. Thomas Aquinas comes. He says: “Praise be to Jesus. I have come to help you and all people to realize why these Messages on Holy and Divine Love are indeed ecumenical.”

“The heart of the Message—love God above all else and your neighbor as yourself—strikes at the heart of sin. Every sin is a transgression against Holy Love. Sin is not peculiar to one segment of the population. Satan tempts every heart. The soul can only willingly embrace evil when he loves the sin more than God and neighbor.”

“At Fatima, the peace of the world was entrusted to the Immaculate Heart of Mary. Please note this was not the peace of the Catholic world, but the whole world. Since the Immaculate Heart of Mary is Holy Love, understand that the peace of the world has been entrusted to Holy Love.”

“Our Lady is Queen of Heaven and Earth, Queen of the Universe, and Her Immaculate Heart—Holy Love—is beckoning all people, all nations to be reconciled with God and with one another.”

December 19, 2003 /Friday Rosary Service

Jesus is here. His Heart is exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, whether your spiritual heart is on the top of Mount Tabor or at the foot of the Cross, I am always with you when you have Holy Love at the center of your hearts. Do not fear any measure of grace that you need, for you are always given all you need in every present moment. Therefore, My brothers and sisters, in every present moment that you find yourself in, love Me.”

“I am blessing you with My Blessing of Divine Love.”

December 20, 2003 /Public

“I am your Jesus, born Incarnate. I have come to ask that each one makes within his heart a manger wherein Truth and Humility can take up their rest. The manger I rested in on earth was hidden amidst animals, out of sight from most except the ones chosen to find it.”

“This is how I desire your hearts to be. A chosen dwelling place for your Lord where I will reside undisclosed—hidden within each heart which opens to Me, abiding in peace.”

December 25, 2003 /Christmas Day

“I am your Jesus, born Incarnate. Today, on the Feast of My Nativity, I desire that all people, all nations be reconciled with each other through Holy Love. It is in this way mankind will be reconciled with their Creator and thus, find peace in his own heart.”

“This Holy Peace is My Eternal Gift which I impart to every heart who seeks Me out through the Law of Holy Love. This Holy Peace is a Peace not given by the world, not obtainable through pretense, and unknown to those who do not live in the Truth.”

“I am the Truth. My Sacred Heart imparts to those who believe—Holy Peace.”

December 22, 2003 /Mon. United Hearts Confraternity Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.”

Jesus: “I am your Jesus, born Incarnate. My brothers and sisters, tonight I have come to ask you to pray for all the intentions of the Sorrowful and Immaculate Heart of My Most Holy Mother. Pray for those who abuse their authority—pray

that what is in darkness will be brought into the light. Be assured that all of Heaven prays with you, and do not lose hope or sink to despair. Divine Love supports every prayer.”

“We’re blessing you with the Blessing of Our United Hearts.”

December 26, 2003 /Public

An angel comes. He says: “Praise be to Jesus. Heaven has sent me with this prayer:”

“Heavenly Father, turn Your benevolent gaze towards us. Place all people—all nations—in your Paternal Embrace. Inspire every heart to live according to Holy Love, for this is the way of true peace. Amen.”

Angel says: “This is an ecumenical prayer for peace.”

December 26, 2003 /Friday Rosary Service

Jesus is here with His Heart exposed. Now He is holding His Sacred Heart in His Hands and extending it out towards us. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, have you any idea how much I desire to feel your love for Me? Every present moment is an opportunity to show Me how much you love Me—to surrender more completely your will to Me. I want to give you My Love in a way that you will feel it and feel secure. My brothers and sisters, surrender your will.”

“I’m imparting to you My Blessing of Divine Love.”

December 28, 2003 /4th Sunday Service to Pray for Unbelievers

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, once again I come today to invite all people, all nations, to unite in Holy Love. Do not look at the differences between you, but look at the sameness—the oneness—and then begin to love each other realizing you are dependent on one another. All of you are dependent on God. This is the path to true peace.”

“I’m blessing you with My Blessing of Divine Love.”

December 29, 2003 /Public

“I am your Jesus, born Incarnate. It is important that you understand it is only through humility that truth can come to light. Humility is truth. The humble heart knows where he stands before God. In him there is no guile, envy or self-aggrandizement. He aspires to nothing except to love God and neighbor. In this way it is the humble soul that enters the Kingdom ahead of the self-important.”

December 31, 2003 /Public

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, this year I invite you to a renewed effort in prayer, sacrifice and penance—all towards the conversion of sinners. Satan’s influence must be weakened, both in hearts and in the world. My Church upon earth, being part of the world, is no less influenced by his evil. Please continue to pray for priests and the Church hierarchy.”

“I will bless you now with My Blessing of Divine Love.”
