THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

January 2008

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic— according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

All people and all nations are welcome to come and pray with us.

NEXT PROMISED MIDNIGHT APPARITION

MARCH 29 - 30, 2008

FEAST OF DIVINE MERCY SUNDAY

“As a special gift of My Mercy, I will release from Purgatory the relatives of those in attendance who have been imprisoned for the crime of detraction, calumny and defaming the reputation of others. Jesus, 1/9/08

The entire January 9, 2008 message from Jesus is contained in this newsletter.

**We will gather to pray at the United Hearts Shrine at
11:00 p.m. Saturday, March 29, and 3:00 p.m. Sunday, March 30.**

January 1, 2008 /Public

Blessed Mother says: “Praise be to Jesus.”

“Today, as the new year opens before you, My Son allows Me to come to you to address all people—all nations. During the coming year, He will permit Me to do so on certain feasts. So much does My Son desire that the heart of the world be consumed in the Flame of My Heart and purified by this means. My Son’s Most Sacred Heart is an open wound now—wounded by a generation that seeks instant pleasure—truly a hedonistic society.”

“Dear children, you must make Heaven your goal. Power and reputation, appearance and financial advantage will not stand with you at your judgment; nor shall title—either secular or parochial—be your asset before the Throne of God. Work for that which is everlasting—the Kingdom of God—the New Jerusalem. These are the embodiment of Holy Love.”

“Do not be so foolish as to think you can negotiate peace amongst yourselves. First you must be reconciled with God. When God’s Will is in the center of your hearts, all will be at peace.”

“Dear children, do not seek to serve the god of self-love. This has led to all kinds of abominations in the Eyes of the Father. Do not tempt His Justice further. He will allow you to destroy yourselves.”

“Return to prayer and sacrifice, and let all of these rise from a heart of Holy Love. I, your Mother, pray and intercede for each one of you that you will find the path of righteousness and remain upon it. Embrace the unity of this, My call to you.”

“Dear, dear children, let the grace I give you in each present moment be your portion. Seek littleness, for in My Son’s Heart this makes you big.”

“Many events are forthcoming which will grip the heart of the world. You, My dear children, must seek the safety of My Immaculate Heart, which is Holy Love. Herein I will protect you and give you confidence in God’s Divine Plan for you.”

“I will bless your every effort in holiness.”

January 3, 2008 /Public

St. Thomas Aquinas says: “Praise be to Jesus.”

“When Jesus or Our Holy Mother refers to the heart of the world, they are referring to the spirit of the world, which represents the attitudes and affections of the majority of the world populace. Today God has been denied His rightful reign in the heart of the world. Love of God and subsequent love of neighbor has been replaced by an inordinate self-love. This alone is the problem which opposes acceptance and propagation of these Messages of Holy and Divine Love, the Revelation of the United Hearts and the Confraternity of the United Hearts.”

“It is much easier for a person who is immersed in self-love to disbelieve than to believe. That, coupled with a lack of discernment, or worse still—false discernment—has become the evil one’s line of attack.”

“Those consecrated souls who see the truth are being used

by Heaven to strengthen and increase the Remnant. Self-will has chosen to be blinded by the truth of the many graces given here.”

“But Heaven continues to favor this Mission, and will do so into the distant future.”

January 5, 2008 /Monthly Message to All People and Every Nation
(*This message was given in multiple parts.*)

“I am your Jesus, born Incarnate.”

“Today, My brothers and sisters, I have come to address you as disciples. True discipleship requires a stripping of self and a surrender to God’s Will. My disciples fall by the wayside when they place too much value on human respect. This is a false god. Human respect does not follow you into eternity. Seek to appeal to Me.”

“The true disciple of Holy and Divine Love becomes the Message. As he personifies the Message, he is not afraid to carry it into the world around him. He has surrendered his reputation to Me in place of a greater good—personal holiness.”

“The true disciple does not allow Satan to choke out the truth of these Messages in search of approval. If My apostles had waited for the Pharisees to approve of their ministry, there would have been no Christianity. Today, My disciples, recognize the urgency of these times—times that hold life itself in the balance. They are not afraid to stand out as My own in the midst of secular humanism. They recognize the truth and defend it.”

“My brothers and sisters, in your love for Me, love also these Messages of Holy and Divine Love—so much so, that you do not allow regard for human respect to cripple your discipleship. Be with Me—the Message to all people and all nations. Pay no attention to who believes and who disbelieves. Believe in Me and My Call to you. Do not pause to think how your efforts on behalf of the United Hearts will affect you, but give the Messages as a gift to those around you.”

“My Mother’s Heart accompanies these Messages. This alone should be your impetus towards evangelization.”

“My brothers and sisters, I have expressed to you over and over the dire straits of humanity today. These Messages of Holy and Divine Love are given as a means of rescuing those in error and pulling them onto the path of righteousness and love. In the world every rescue mission bears with it a sense of urgency. This rescue mission is no different, but even more urgent than any. We, together, must rescue souls from the path of perdition.”

“What I am asking of you today, My disciples, is to understand that any reluctance on your part to spread these Messages of Holy and Divine Love is a temptation from Satan to suppress this Mission. Take courage in the truth.”

“Today, as always, I am blessing you with My Blessing of Divine Love.”

January 6, 2008 /Feast of the Epiphany

“I am your Jesus, born Incarnate.”

“Today, as you celebrate the great feast of the Epiphany, I reveal to you the greatest gift the Wise Men gave to Me. It was the gift of their hearts. They did not come depending on their human discernment to believe. They did not come to the manger with a heart ready to criticize or find fault. They came with hearts of faith—believing that what they saw was real—without trusting in human opinions or fearing reproach from earthly powers. These Wise Men accepted in their hearts My Kingship, even in the manger.”

“Today, when I ask you to live in Holy Love and to believe in the spirituality of the United Hearts, give Me the gift of your uncompromised ‘yes’—the surrender of your heart.”

January 9, 2008 /Public

“I am your Jesus, born Incarnate.”

“I have come to tell you that I will celebrate the Feast of My Divine Mercy at this Site by appearing to you at midnight dawning on this Feast in the Field of the United Hearts.”

“As a special gift of My Mercy, I will release from Purgatory the

relatives of those in attendance who have been imprisoned for the crime of detraction, calumny and defaming the reputation of others. They repented and sought forgiveness before their death, but they never made reparation for their sins; nor did they receive in their lifetime any indulgence such as the one given on the Feast of My Mercy to those who fulfill the requirements.”

“There are many who have been detained years—even centuries—in reparation for this sin. But this day of My Perfect Mercy will effect their release.”

Footnote:

According to the *Catechism of the Catholic Church (CCC) Sections 1030-1032*: the existence of Purgatory, as doctrine, is for the purpose of “purification” for those who die “imperfectly purified”, thus requiring further purification after death and before entrance into Heaven; (“where nothing unclean shall enter” – **Rev. 21:27**).

God, in His Divine Mercy, does forgive the sins of those who repent; but, He still requires “reparation or atonement” for sins forgiven, in the form of suffering [e.g. – God forgave David for his repenting of murdering Uriah, but He still required reparation in the form of suffering – in the death of his child that would ensue - **2 Sam. 12:13-14**].

Souls who die with guilt of unrepented/ unconfessed venial sin or with reparation/ atonement still required for repented venial and/or mortal sin, and not obtained through indulgences gained while on earth, including those who receive last rites just before death, **must** be purified before entrance into Heaven. Jesus has said in previous messages that sins of the tongue (e.g. detraction, calumny and defamation of character or reputation) are like violence or murder against another’s spirit; and require many indulgences or long periods—years or centuries—of suffering in Purgatory in reparation, so as to be purified before entrance into Heaven.

January 11, 2008 /Public

St. Martin de Porres says: “Praise be to Jesus.”

“I have come so that all may have this knowledge. True and genuine virtue remains hidden from the soul; otherwise it is false and a spiritual pride. Thus, the soul that thinks he is humble, patient or charitable, or who seeks to be recognized as such, is being tricked by Satan and guilty of pretense.”

“The truly virtuous soul sees all others as more holy, more virtuous than himself. He does not congratulate himself in his thoughts on acting humble or being patient or on behaving in any way virtuous. If he does so, he has slipped into spiritual pride, to be sure.”

“Spiritual pride is like a vanity in which the soul admires his own holiness and efforts in virtue. Such a one is actually slipping backwards on the stairway of holiness instead of advancing. Remember, Lucifer stood by the Throne of God before his fall from grace.”

“I tell you all of this by way of warning, so that you do not fall victim to this most insidious snare of evil.”

January 13, 2008 /2nd Sun Service to Pray Against Abortion

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, once again I come to reveal the obvious. Mankind has placed self-love in the center of his heart, and made this disordered self-love a false god of its own. This is why life in the womb has become jeopardized and a political issue. Until mankind can place love of God and love of neighbor in the center of his heart, abortion will continue. My Mother weeps for this.”

“Today I’m blessing you with the Complete Blessing of Our United Hearts.”

January 14, 2008 /Public

St. Martin de Porres says: “Praise be to Jesus.”

“Sister, I have come to help you understand better my previous message on spiritual pride. In the present moment, free will can

choose to act on a certain virtue. Pride enters in when the soul congratulates himself on having succeeded in a certain virtue. The soul must not, in all simplicity, take inventory in what virtues he possesses or what Chamber he is in at any given moment. That is why simplicity is the handrail on the stairway of holiness."

"I am your Jesus, born Incarnate."

"I desire that this little prayer be recited whenever any water from this property be used in making the Sign of the Cross:"

"Dear Jesus, as I bless myself with this water, open my heart to the grace Heaven desires I have. Let me look into my soul with the eyes of truth. Give me the courage and humility to do so. Heal me according to the Will of Your Father. Amen."

"It is not necessary that the water be blessed prior to its use in this way by a priest. Heaven releases many graces at this Site and with this water."

January 18, 2008 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, do not be surprised that in the healing prayer I imparted to the world this morning, I placed healing of the heart and soul first and foremost; for this is the main purpose of this Mission—the conversion of souls. Those who come here should open themselves to this grace so that I can work in them and bring them closer to Me."

"I resist the proud and those who come to test and to criticize, but I embrace those who come in sincerity."

"Tonight I'm blessing you with My Blessing of Divine Love."

January 20, 2008 /Public

Once again I see a great Flame that I know to be the Heart of God the Father. He says: "I am the Eternal Father—Author of All Life. It is I Who place all life in the womb of humanity. It is I Who knit the tiny miracle into being. Those who support death in the womb oppose My Divine Will. It is they who open wide the chasm between Heaven and earth. Yet, in all of this, My Son stands ready to forgive the repentant heart."

"O, man of earth, do not make a god of your free will. Choose to love Me and the life I give you."

January 21, 2008 /22nd Anniversary of Mary, Protectress of the Faith

"I am Mary, Protectress of the Faith. Praise be to Jesus."

"On this anniversary of My coming to you with Heaven's request for this title, I invite you to contemplate with Me the consequences of mankind's refusal to acknowledge this request and the position of culture today."

"Had My title ***Protectress of the Faith*** been accepted and propagated, this Diocese and this country could have been a stronghold and model of the true Tradition of Faith. Instead, Heaven's interjection into human chaos was rejected summarily, and you, yourself, My daughter, were ridiculed. When I stated that, 'What lay hidden would be laid bare,' those in power were insulted and used this statement as reason for opposing Heaven's plans."

"But today, dear children, I invite you to see what has indeed been laid bare—the scandals that have destroyed the faith of many, and placed the future of many churches in jeopardy. Has it not come to pass as I forewarned?"

"While the institution of the Church has been rocked by scandal and compromised by many who oppose the Magisterium, Jesus has supported this Ministry. Even though Satan's lies seek total destruction of this Mission, we are here, and we are praying. Through these Messages, Heaven is able to protect the faith of the many who choose to believe. Yes, the Ministry grows stronger while institutions grow weaker. The small and humble are triumphant. The ones who take pride in power and position are losing their grip."

"Dear children, cling to Me. Cling to My Immaculate Heart. I am your Refuge and Protectress. I will not forsake you. Choose My Victory over the evil that pervades hearts and the world."

"Do not be deceived in placing human opinions above the faith I place in your hearts. Much error is labeled as discernment. God does not give discernment to everyone, but to a few. It is not given by merit of title, authority or academic achievement. Therefore, My children, I caution you as to why you accept certain opinions and do not acknowledge the direction your heart leads you."

"Trust in Me as Jesus desires."

January 21, 2008 /Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, Jesus sends Me into the world only to support the truth, and through the truth, to bring souls to the path of righteousness. So, in truth, I tell all who are Catholic to support and be united to this Holy Father, and to all the priests and Church hierarchy who support Benedict the XVI in the Tradition of Faith."

"With Motherly concern I say to you, however, that locally these Messages have come under attack as 'drawing a subtle wedge' between the people and the Church hierarchy. In truth the Holy Father is the only one who is infallible. Jesus does not send Me to support false infallibility or false discernment."

"Therefore, when I warn you that position or authority do not always comprise proper discernment, you understand."

January 21, 2008 /Mon St. Michael Shield of Truth Prayer Service

Jesus and Blessed Mother are both here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "My brothers and sisters, tonight I invite you to pray once again for unbelievers. These are the ones that I desire be touched with the Message of Holy and Divine Love. These are the ones whom I pray for and whom I place deep within My Own Sacred Heart in every present moment."

"Tonight I'm asking you to be My Hands and My Feet, and My Mouthpiece. In this way, the Message of Holy and Divine Love will be propagated. We're blessing you with the Complete Blessing of Our United Hearts."

January 25, 2008 /Feast – Conversion of St. Paul

"I am your Jesus, born Incarnate."

"My brothers and sisters, you must understand that this Mission has come into the world on the wings of truth. As such, these Messages proclaim the truth no matter the response with which it is received. History will prove this so."

"Those who are insulted or wounded by the truth are the very ones who cannot look with honesty into their own hearts. Heaven does not speak to stroke egos, protect position or to support false values. As this is so, understand there will always be controversy around this Mission, for the very ones I call to conversion of heart are the ones who challenge the truth."

"When a soul stands before Me, I see only their heart, and I look at the depth of Holy Love therein. Everything that they were in the world, all their accomplishments, their power and reputation, their wealth, their good deeds and sins are weighed on the scale of Holy Love. True Holy Love leads the soul into My Divine Mercy. My Mercy is so perfect and complete that I forgive even the most repulsive sin that is surrendered to Me with a repentant heart. Even if the sinner has led many astray or misused the office or title he was given in the world, I will forgive him if he seeks My Mercy."

"These Messages are given to the world here at this Site so that the whole world will repent and seek only to live in Holy and Divine Love. It is a pure and innocent call—not to be challenged, but to be embraced."

January 25, 2008 /Friday Rosary Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "Tonight I encourage you to understand in your hearts that every heart is being called into union with Our United Hearts. Only then will the New Jerusalem and My Father's Kingdom be realized on earth."

"My brothers and sisters, continue to pray for Priests, Bishops and Cardinals and the Holy Father. It is such as these that are greatly maligned and under attack."

"Tonight We're blessing you with the Complete Blessing of Our United Hearts."

January 27, 2008 /Ecumenical Prayer for Unity Amongst All People

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, realize the importance of Holy Love planted in the heart, growing and blooming like a plant reaching towards the sun. All peace amongst people and nations must arise from Holy Love in the heart. Just as this is so, all unity amongst people and all nations must arise from Holy Love in the heart; otherwise it is superficial, pretentious and only for show. Those who criticize us for being ecumenical do not realize the value of each soul. Forgive one another so that Holy Love can come to fulfill in your hearts."

"I'm blessing you with My Blessing of Divine Love."

January 28, 2008 /Feast – St. Thomas Aquinas /10:00 A.M.

St. Thomas Aquinas says: "Praise be to Jesus."

"Today I have come to help the world to see that what opposes this Ministry speaks of the times in which you live. In Jesus' day, it was the Pharisees who opposed His message of love. In these days, it is the same pharisaical spirit that opposes these Messages of Holy and Divine Love. How sad that such a treasure—such a simple solution to earth's woes—should be summarily dismissed."

"The very ones who should embrace this Mission are opposing it. Satan has inspired them to use the term 'ecumenical' against us. Yet, the Holy Father himself is in support of ecumenism*. Their real motive is to destroy, not to investigate through discernment inspired by the Holy Spirit. What hypocrisy! They seek to destroy the ones who pray for them—the ones who seek unity in the Church and amongst all people and all nations. They oppose us because they cannot control the Messages or the messenger."

"The good news is Heaven has given you insight as to their agenda, dear messenger. The Mission will not succumb to Satan's traps. We must continue to be ecumenical until Jesus returns in victory. We must not fear anyone, but proceed with courage. When evil is exposed, it is weakened."

*Footnote:

See New Section on Home page at www.holylove.org with picture of Pope Benedict XVI entitled: "Emphasis on Ecumenism and Church Unity."

11:30 A.M.

St. Thomas Aquinas says: "Praise be to Jesus."

"Once again I come to reiterate that any investigative commission convened to study these Messages in this Diocese would be perfunctory.* Those who oppose us do not live by the truth, but by their own agenda."

* to get rid of - pretense - done without care or interest - superficial - indifferent

January 28, 2008 /Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, many crosses come to you but are only temporary in their duration. I invite you to see that your strength is in surrendering to the cross without knowing its outcome. Be courageous and trusting, then, in your surrender to every cross. My Mother will support you."

"I'm blessing you with My Blessing of Divine Love."

**We will gather to pray at the United Hearts Shrine at

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I have come to remind you that Holy Love bespeaks peace and unity. Therefore, if you are anxious about the future or worried about anything in the past, if you hold a grudge against one another, these things separate you from the peace of My Heart.”

“Do not cooperate with a pouting spirit, My brothers and sisters; then you are moving backwards on the stairway to holiness. I desire very much that you perfect yourselves in the Flame of My Mother’s Immaculate Heart.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

February 4, 2008 /Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, those of you who seek perfection in holiness, listen carefully. If you seek to imitate

the Divine Will of My Father, then there will be no criticism of one another, but you will look for the good in each other. You will not judge one another, but always make allowances. Impatience will not be part of your daily routine, and you will not exaggerate in the least little in repeating stories.”

“My brothers and sisters, I long for each of you to be perfected in the Flame of My Mother’s Heart and to progress deep into My Own Sacred Heart.”

“I’m blessing you with My Blessing of Divine Love.”

February 5, 2008 /Monthly Message to All People and Every Nation

(This message was given in multiple parts.)

“I am your Jesus, born Incarnate.”

“Solemnly I tell you, that today in the world there are few in number who seek to please Me above all else. Love of God has been replaced by love of self above all else. This is portrayed by departure from the truth in various ways and in all walks of life. Whole groups of some whom I chose to serve Me [including those who have

chosen a religious, consecrated life] have lost their sense of righteous direction and choose, instead, to be known as 'liberal thinkers.' But they are serving a false god—the god of self-love that is the god of reputation, avarice, power and money. Many such as these hide behind important titles which demand esteem.”

“So today I come to you, telling you to be consecrated to the truth—the truths of the Tradition of Faith, the truths of the Ten Commandments, the truth of My Laws of Holy Love. This takes effort—effort not to be pulled off course by what the world esteems—effort to please Me.”

“Do not be afraid of littleness, for this is the truth of My call to you. When you are insignificant in the eyes of the world, you are important in My Eyes and in the Heart of My Father. Be bold only in standing for the truth.”

“Today, as I address all people and all nations, I will relate to you why souls depart from the truth. Such souls establish within their hearts their own truth—a truth which is self-serving. The motive for this is always self-love. Perhaps they feel rejected by someone, and so they set about saying the one who 'rejected' them is not worthy of their affection or esteem anyway. Perhaps they manipulate laws, both secular or religious in nature, for material gain or to gain power or improve their reputation. In every case, they reinvent the 'truth' to suit themselves, but they are really living a lie.”

“The truth does not exist to please people but to please God. This is why society today has become morally degenerate. People please themselves and not God. This, too, is the answer to why this particular Mission has come under such attack. The persecutors of this Mission attack the truth of Scripture and of Church tradition. The Holy Father himself encourages ecumenism. Yet, My Mission here is under attack for being ecumenical. This attack is motivated, not out of love, but out of the desire to control—to eliminate. In My day it was the same. I was criticized for associating with sinners—with the underside of society. But I came for everyone and all—just as I do here today. My call was and is ecumenical.”

“Today, My brothers and sisters, I invite you to see that My call to you here is simple—Holy Love in the present moment. There is no hidden agenda, only the truth. As I have come and have sent My Mother and many saints here proclaiming this truth, today I am disclosing truths that no one desires to hear, but must hear.”

“There is no such thing in My Eyes as the New American Church. There is only the Roman Catholic Church. Anything else is apostasy clothed as Catholicism. The Bishops in this country and elsewhere need to align themselves with the Tradition of Faith under this Holy Father; otherwise they, too, have apostatized. All priests, Bishops and Cardinals are answerable to Me for the souls under their charge.”

“Those who have compromised the truth to accept abortion, birth control, same sex marriage, embryonic research—are not living in grace whether they are Catholic or not. Whole sects of 'religions' support violence. They are tools of Satan. Innocence in children is no longer revered, but exploited.”

“When you look at this broader spectrum of the heart of the world, you must wonder why a prayerful Ministry such as this would be opposed. The conclusion should be easy. Satan opposes it.”

“My brothers and sisters, I lay bare the truth today so that you will not be tempted by Satan to rash judge these Messages or the Mission itself. You must bear the truths that I have given you into the world. It is your responsibility now to make all of these things known.”

“Today I'm taking all of your petitions into My Sacred Heart.”

“I'm blessing you with My Blessing of Divine Love.”

February 8, 2008 /Public

St. Bernard says: “Praise be to Jesus. I am Bernard of Clairvaux. I was a Cistercian in my worldly existence. Today, I come to you with this prayer:”

“Mary, my Mother, Protectress and Refuge – Your Immaculate Heart is our safe harbor in any storm. Manifest now the power God has given You in answer to this plea – Mary, Protectress of the Faith and Refuge of Holy Love. Amen.”

February 9, 2008 /First Saturday of Lent

“I am your Jesus, born Incarnate”

“Do not wonder what type of sacrifice to offer Me; for the greatest and most perfect of all sacrifices is to live in Holy Love in every present moment. To do so dictates a total dying to self. This is the sum total of all I ask.”

February 11, 2008 /Feast of Our Lady of Lourdes

Blessed Mother says: “Praise be to Jesus.”

“My Son allows Me to come here today as I did so many years ago in Lourdes. Today, I invite the world to pray the Rosary of the Unborn and to propagate it with the promises. I give it now, as My Son prescribes, not for anyone's material gain but to stop the terrible sin of abortion. You do not realize how many ways you are hurting yourselves by rejecting life in the womb. In every present moment, a life is snuffed out.”

“When you use this rosary, you save lives with each 'Hail Mary'. You hold My Teardrops in your fingers, which envelop every life that is threatened. Embrace this sacramental, dear children, just as you embrace life itself.”

St. Catherine of Siena says: “Praise be to Jesus.”

“Sister, if the Church desires to safeguard its authority, then it must safeguard its tradition; for it is when tradition is challenged that authority is challenged. Instead of attacking the good and the truth that pours through these Messages, the hierarchy and those aspiring to be hierarchy, should pay close attention to the rebellion within the Church itself.”

“Do not worry about controlling this ecumenical ministry, for Our Mother reaches out to all people and all nations. This is all inclusive—Catholics, as well.”

February 13, 2008 /Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Child, how twisted and convoluted is some leadership who accuse these Messages as driving a subtle wedge between laity and hierarchy when Heaven speaks only truth here. Those who want only to present themselves as blameless and perfect should look with the eyes of truth into their own hearts. Then they should look at the liberal factions within the Church, which certainly oppose the true Church authority. These are the ones that the laity should be cautioned against—not Holy Love Ministries."

February 15, 2008 /Public

St. Bernard of Clairvaux says: "Praise be to Jesus."

"I have come so that the world will understand that the building blocks—the foundation of trust—are the virtues of faith, hope and love. The stronger these three virtues, the deeper the trust in God."

"The prayer I dictated previously is to be said every day with the following 5-day novena to Mary, Refuge of Holy Love:"

Day 1

"Sweetest Mary, our Refuge and Protectress, increase within us the virtues of faith, hope and love so that our trust in You will be unfailing. Amen."

Prayer to be said every day: (Previously dictated 2/8/08.)

"Mary, my Mother, Protectress and Refuge – Your Immaculate Heart is our safe harbor in any storm. Manifest now the power God has given You in answer to this plea – Mary, Protectress of the Faith and Refuge of Holy Love. Amen."

February 17, 2008 /Public

St. Bernard of Clairvaux says: "Praise be to Jesus."

"This is the prayer for day two of the novena to Mary, Refuge of Holy Love."

Day 2

"Dearest Mary, You are our Protectress and Refuge. Hide me in the deepest recesses of Your Heart which is pure love. Protect me from the snares and temptations of Satan. Help me to conform to God's Divine Will in every present moment. Amen."

Prayer to be said every day:

"Mary, my Mother, Protectress and Refuge – Your Immaculate Heart is our safe harbor in any storm. Manifest now the power God has given You in answer to this plea – Mary, Protectress of the Faith and Refuge of Holy Love. Amen."

February 19, 2008 /Public

Once again I see a great Flame around the tabernacle. I hear a voice say: "I am the Eternal Now, the Eternal Father. I am not a rock or a crystal or a tree. I am the Creator of all that exists in time and space. I call each of you to your salvation through the Chambers of the United Hearts, which is a transforming love."

"I do not encourage violence—not in the womb—not within your hearts—not within the context of any so-called religion, for I am Unity and Peace. Pray for a worldwide realization of the truth that I have put forth here today."

February 21, 2008 /Public

St. Bernard of Clairvaux says: "Praise be to Jesus."

"I have come to recite to you the third day of the novena to Mary, Protectress and Refuge."

Day 3

"Mary, my Mother, Protectress and Refuge, open the inner recesses of Your Heart to me. Purify my soul—poor sinner that I am—in the Flame of Your Heart."

"I surrender to You now all my sins, that which leads me into sin, and all my lack of trust. Help me to conform to the Divine Will of God. Amen."

Prayer to be said every day:

"Mary, my Mother, Protectress and Refuge – Your Immaculate Heart is our safe harbor in any storm. Manifest now the power God has given You in answer to this plea – Mary, Protectress of the Faith and Refuge of Holy Love. Amen."

February 22, 2008 /Public

St. Bernard of Clairvaux says: "Praise be to Jesus."

"Listen, daughter, as I recite to you the fourth day of our novena to Mary, Refuge of Holy Love."

Day 4

"Mary, my Mother and Refuge, let the grace of Your Heart, which is Holy Love, pour into my soul just as sunlight splashes across the face of the earth."

"Enlighten my heart as to the ways I can show Jesus I love Him more, and thus come deeper into personal holiness. Amen."

Prayer to be said every day:

"Mary, my Mother, Protectress and Refuge – Your Immaculate Heart is our safe harbor in any storm. Manifest now the power God has given You in answer to this plea – Mary, Protectress of the Faith and Refuge of Holy Love. Amen."

February 24, 2008 /Public

St. Bernard of Clairvaux says: "Praise be to Jesus."

"Here is the final day of our novena."

Day 5

“Mary, Refuge of Holy Love, as we complete this novena, be so kind as to extend to us the grace of the fulfillment of our petition according to the Eternal Father’s Will. Then grant us the grace of accepting

God’s Divine Will as He manifests it. Amen.”

Prayer to be said every day:

“Mary, my Mother, Protectress and Refuge – Your Immaculate Heart is our safe harbor in any storm. Manifest now the power God has given You in answer to this plea – Mary, Protectress of the Faith and Refuge of Holy Love. Amen.”

February 24, 2008 /Ecumenical Prayer for Unity Amongst All People

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I come to you in this ecumenical ministry, as I desire all people and all nations allow their hearts to be transformed through these Messages. It is only through love that mankind can be reconciled with its Creator—not just Catholics, not just Muslims, not just Americans or Chinese—but each soul must be transformed through this Message of Holy and Divine Love. Once your heart is converted, My brothers and sisters, it is your responsibility to be the message in the world.”

“Today I am imparting to you My Blessing of Divine Love.”

February 25, 2008 /Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, from this point forward, the St. Michael Shield of Truth prayer meeting should offer their prayers for those who misunderstand this Mission and the Messages themselves. It is Satan who tries to sow confusion into the Messages when there is none there. For when he can confuse people concerning the Messages, it is easy for him to open the door to disbelief. Therefore, pray for those who misunderstand and the unbelievers themselves.”

“I will bless your efforts, as tonight I’m blessing you with the Complete Blessing of the United Hearts.”

February 29, 2008 /Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“Tonight I have come to ask that all of My brothers and sisters unite in prayer towards their own personal holiness. Do not let Satan discourage you in this during this penitential season. He would have you think you have prayed enough, you have sacrificed enough. It is never too much. I am with you in your efforts towards holiness.”

“Pray always for those who misunderstand the Mission. These are the ones who come here looking for mistakes and with critical hearts.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

March 2008

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic— according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

All people and all nations are welcome to come and pray with us.

NEXT PROMISED MIDNIGHT APPARITIONS

MAY 30 - JUNE 1, 2008

FEASTS OF THE SACRED HEART, IMMACULATE HEART AND THE UNITED HEARTS

*“My Jesus, in His Mercy, proclaims that I return in a public apparition at midnight between the feasts of His Most Sacred Heart and My Own Immaculate Heart. This will once again take place in the field of the United Hearts. Jesus, Who is All Mercy—All Love—will appear the following midnight on the crest of what Heaven honors and desires to be known as the Feast of the United Hearts. * He will lift to higher levels in Purgatory the relatives of those who attend—most especially those guilty of sins of the flesh. It is a grace to understand this.”*

Blessed Mother, April 2, 2008

*** Note: Friday evening, May 30th we will gather to pray at 11:00 p.m.
at the United Hearts Shrine, as well as May 31st.**

March 3, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I invite you with your free will to remove from your own hearts anything that stands in the way of a deeper relationship with Me. Do not be concerned for yourselves so much, but trust in My Divine Providence. Know that everyone who comes onto the property receives My Anointing of Divine Love. It is up to each individual to receive or reject what I give here.”

“Pray for those who are going to come. Pray for them, for many have replaced the love in their hearts with violence.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

March 5, 2008 / Monthly Message to All People and Every Nation

(This message was given in multiple parts.)

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, just as this Mission will usher in the Triumph of Our United Hearts, I invite you to understand that the crosses you bear during these difficult times will also usher in My Victory. The way into Holy Love is through trustful surrender; therefore, by way of the cross. Every cross, every trial is only as meritorious as the soul’s surrender to it. In your acceptance of the cross for love of Me is your surrender. This is the way to peace and harmony with the Divine Will.”

“Of the pilgrims who come here, there are as many

motives for pilgrimage as there are hearts. Some are doubting Thomases who, with arrogance, demand proof of authenticity of the Heavenly events here. Some come to please someone else, but not Me. There are pharisees and Judases who come seeking to find fault or planning to report back anything and everything to the established authority. Then there are the genuine devotees who come out of pure love for Me, for the United Hearts, and for the Divine Will. In every case, I desire that the soul opens with love to the graces Heaven consigns here.”

“I tell you solemnly, each soul that comes hither is called by Me. The thrust of this Mission is the conversion, personal holiness and sanctification of every soul. It is through the Messages given here that I reach out to souls and call them to repentance. It is through the healing waters found on this property that My call to repentance intensifies. The water should accompany the propagation of the Messages whenever possible. Some will receive an illumination of conscience by this means.”

“But I tell you, a season of great repentance approaches—a season which will bring many souls to turn to Me. Some will seek to return to the priesthood; others will realize their vocations in religious life for the first time. Many who opposed Me will reform. Do not wait for that terrible and miraculous day. Allow your hearts to be convicted by the rays of humility that flow freely from My Own Sacred Heart.”

“Everything in the world today—all decisions of mankind—are a battle between good and evil; the good is Holy Love—the evil is disordered self-love. This is reflected in Church and world politics. Every political issue is a battle between good and evil. The covert extremes taken by authorities to protect reputation and power, both in the secular world and in the Church itself, reflect choices that are evil. Abortion is not the only form of murder. Innocent reputations are being willfully annihilated, as well.”

“If you love Me, you will turn to Me and seek My Mercy. My Heart holds only Love and Mercy for even the most hardened sinner. Your repentance could bring an end to war and violence, for if enough turn to Me, I will act with a merciful Heart, and not with My Hand of Justice.”

“I desire to fill the world with My Merciful Love. This alone is the reason I speak here. Once again I ask for the consecration of the world to the United Hearts of the Most Blessed Trinity and the Immaculate Heart of Mary. Then I will triumph and reign!”

“My brothers and sisters, if you accept the crosses that I send you, then you are cooperating with the grace that My Mother gives you through Her Immaculate Heart. This is the way into Our United Hearts.”

“We are listening to your petitions.”

“We’re extending to you the Complete Blessing of Our United Hearts.”

March 6, 2008 / Public

Alanus (one of my angels) comes. He says: “Praise be to Jesus.”

“The Lord of Hosts desires you record this prayer:”

“Jesus, I trust in You. I know that You love me. I desire every obstacle between us be removed. Take from my heart any morsel of unforgiveness so that I can be completely Yours.”

“Help me to forgive those who have hurt me, have lied about me, have gossiped about me, were jealous of me, have stolen from me or have abused me in any way. Then plunge me deep into Your Most Sacred Heart. Cover Me with Your Most Precious Blood.”

“Do not allow me to resist Your Love again through unforgiveness of another. Amen.”

“The Lord of Hosts says whole nations could benefit from this prayer.”

March 8, 2008 / Public

“I am your Jesus, born Incarnate.”

“I have come to tell you that the soul who trusts in Me has already placed his petitions in My Heart. In trusting Me, he also trusts in My Father’s Divine Will and, therefore, such a soul is at peace. He leaves all to My Divine Provision. This is yet a further reason that trust is so important.”

March 9, 2008 / Public

“I am your Jesus, born Incarnate.”

“Today I have come to you with truth to counteract those who try to rationalize away all that Heaven tries to accomplish—both here and all over the world. Many sites where My Mother appears have been scrutinized by authorities, only to result in the proclamation that nothing supernatural is taking place. Even the simplest can ascertain that the Holy Spirit is everywhere. He is at work in hearts that seek to follow Him. This is supernatural and discounts such a sweeping claim. This is also proof that in-depth study of such apparitions and messages from Heaven never took place.”

“To deny the Holy Spirit His rightful recognition is to cooperate with darkness. During these times when Heaven is struggling to bring light and holiness into the world and into the hearts of the faithful, I am asking—do not set yourselves against the Spirit of Light.”

“Recognize that Heaven has not forsaken you to the powers of the netherworld. Cooperate with Heaven in bringing about the defeat of evil. Do not compromise Heaven’s favor. Open your hearts to My efforts and become children of the Light. The Holy Spirit does not work to undermine your authority and power, but to support you and lead you. It is for the same reasons that I send My Mother into the world. Do not love control and power more than Me—more than God’s Divine Will.”

“Help Me to overcome evil. Do not hinder Me.”

March 9, 2008 / 2nd Sunday Service to Pray against Abortion

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "My brothers and sisters, the secret longing of My Heart is that all souls, all hearts, will be united with Our United Hearts. In so doing, it would put an end to terrorism, war, sins against life in the womb and innocence. You can see, then, why My Mission here is so important."

"We're extending to you the Complete Blessing of Our United Hearts."

March 10, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate." [Jesus is greeting the people here—nodding at them.]

He says: "My brothers and sisters, today I would like to elaborate on the priceless treasure of each present moment. Your salvation, your sanctity and personal holiness are all enfolded in the present moment. You cannot retrieve any past moment to mold it according to the Divine Will; nor can you race forward offering Me many big sacrifices and fervent prayer, but you have the present moment in which to achieve this. The deeper you go into My Heart and Our United Hearts, the more you will be cognizant of the present moment."

"Tonight I'm extending to you My Blessing of Divine Love."

March 14, 2008 / Conversation with Divine Love

"I am your Jesus, born Incarnate."

"Be at peace. When your heart is at peace, I can most easily completely possess it. Peace empties your heart of worldly concerns so that I can step in and fill it with all I desire."

"This is why Satan opposes your peace and tries to agitate you with many decisions, which are not even relevant to the present moment."

"Let Me fill you with Divine Love."

March 14, 2008 / Second Friday Rosary Service to Pray for Priests

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, as this Lenten season draws to a close, many of you find that your hearts have increased in Holy Love; and so, tonight I have come to tell you how to secure the Holy Love that is in your hearts."

"As a seamstress secures a seam, I desire that, with humility, you stitch around your heart. The stitches are humility, and the needle that pulls them is your free will. This way you will not slip back into old habits."

"Tonight, My brothers and sisters, I bless you with My Blessing of Divine Love."

March 16, 2008 / Public

I see a great Flame that I understand represents the Heart of God the Father. I hear a voice say: "I am the Eternal Now—Creator of Heaven and earth."

"I have come to remonstrate mankind, for I tell you, never before has the heart of mankind been led so far astray. Hypocrisy is the norm in church and world leaders. Whole religions have embraced debauchery, violence and hatred. The fruit these bear is eternal perdition."

"Yet, I have sent My Son into the world to give you life-yielding Messages of truth here on this Site. You now know the direct path to My Paternal Heart, to the Light of the Spirit, the Divine Heart of Jesus and the Immaculate Heart of the Virgin Mary. All of these come gift wrapped to you in My Divine Will. Herein is the path of salvation, holiness, sanctification and world peace. Are you listening?"

"Do not wait for compromised hearts to tell you it is okay to believe. Open your hearts. Listen to these Messages with your own hearts. Do not fear anyone's disapproval. Fear your own disbelief, which ultimately reverses your journey in holiness."

"Give Me your heart first. Then I will help you to bring Me many more hearts."

"I, your Father, love you."

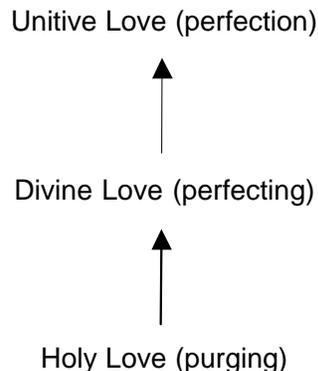

March 17, 2008 / Public

I see a great Flame in the shape of a Heart. I understand it represents the Heart of God the Father. The Father says: "I am the Eternal Now—Perfect Love."

"Today I come to speak to the world about Unitive Love. This is the love shared between Me and the souls that abide in the Fifth and Sixth Chambers of Our United Hearts. Unitive Love does not exist on its own, but always when My Heart and the human heart unite. Unitive Love is the highest and purest form of love that exists. It is the melting of our two hearts together to form a new and perfect love that is only shared in the hiddenness between us."

"Only free will can separate us, just as only free will can excite such a union into being. Few attain this lofty, elusive love. But each time Mary Immaculate visits earth, Her purpose is to draw souls into Unitive Love. You will kindly make these words known."

The Flame disappears. For a minute there is a puff of smoke. Then this diagram appears:

March 17, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He's standing in the middle of a White Light that has a Flame around it. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, be perfect as your Heavenly Father is perfect, for this is the way to union with the Divine Will. Tonight I ask you to allow yourselves to be perfected in Holy and Divine Love."

"I'm blessing you with My Blessing of Divine Love."

March 20, 2008 / Public

Once again I see a heart-shaped Flame that I have come to know as the Heart of God the Father. He says: "I am the Alpha and the Omega—the Eternal Now."

"I have come so that souls will find their way into Unitive Love. Unitive Love is the ultimate love. It is the New Jerusalem. This Love can only be experienced by the few who are perfectly united with Me. Such souls have been purged of their faults and perfected in virtue through many trials. These souls desire sanctification. It is to such as these that I hold nothing back, but minister every grace upon them."

"Aspire to be perfected in virtue, that I may use you more profoundly."

March 20, 2008 / Public

"I am your Jesus, born Incarnate."

"See that My Father is calling each soul into a love paramount to all other loves. He is calling souls into Unitive Love to be one with Him—immersed in His Divine Will. This requires the surrender of free will in all matters—in every present moment. There is no greater call—no higher or more prestigious ambition."

"Unitive Love can only be reached through childlike littleness. Realize that anything you surrender to Me or to the Father delights us. Nothing—no sacrifice of love—is unworthy. Never rejoice in being esteemed in the eyes of man. Only rejoice in appealing to Me and in pleasing the Eternal Father."

"If My brothers and sisters realized how important littleness is towards advancing deeper into the Chambers of Our United Hearts, they would be ambitious towards only one thing—hiddenness. Gone would be the temptation towards recognition—importance in the eyes of the world—power or control. Whole sections of the Church would be renewed. Consciences would be illuminated for self-love; self-importance would no longer dim the light of truth."

"But the lure of the world and the temptations it holds are too strong today. This Mission must continue, for we are winning one soul at a time. Do not be discouraged. In littleness—continue."

March 21, 2008 / Good Friday

"I am your Jesus, born Incarnate."

"During My hours of Passion, I kept foremost in My Heart My love for My Father's Adorable Divine Will. This is the foundation of Unitive Love. Unless the soul knows the Father by knowing Me, he cannot hope to love the Father's Will."

"I have entrusted to you the path which leads to Unitive Love. I speak to you now beseeching you to help Me to inspire souls to pursue this path I lay bare."

March 21, 2008 / Good Friday

"I am your Jesus, born Incarnate."

"When I suffered and died on the Cross, it was to open the Gates of Heaven for all mankind. Today I come here with these Messages for all people and every nation to open the portal of Our United Hearts so that all may enter and follow the path to sanctity."

"Each one must choose to accept My invitation here. It is I, the Lord, who challenge each soul to accept. Not to choose is to choose. Understand there are no exceptions. All are called—each one invited. This is an invitation to loving trust. It is also My invitation to My Mercy, for it is through mercy I come here."

March 23, 2008 / Easter Morning

"I am your Jesus, born Incarnate."

"I tell you, Divine Love is not elusive, for it is clothed in Divine Mercy. Just as I rose on Easter morning, My Mercy brings life to souls."

March 24, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, with docility move into the Chambers of Our United Hearts. I desire to lead each one into Unitive Love. First you must enter My Mother's Heart and be purged of your greatest sins and faults through the Flame of Her Heart."

"Through the perfecting Chambers that follow, your consciences will be illuminated as to the ways you must change to come ever deeper into personal holiness. It is those who persevere in all of this, that come into Unitive Love in the Fourth, Fifth and Sixth Chambers. Do not allow Satan to discourage you."

"I am with you and blessing you with the Complete Blessing of Our United Hearts."

March 25, 2008 / Public

"I am your Jesus, born Incarnate."

"I come to you today on behalf of My Father Who desires and wills that He be recognized under the title of *Father of Unitive Love*. It is under this title that My Father desires to reconcile all people and every nation by drawing them through the Chambers of Our United Hearts. Oh, how He longs for this union with mankind; how He longs that souls be united in love!"

“This spiritual journey is truth itself given through the Light of the Holy Spirit. As I opened the Gates of Heaven for you with My Passion and Death, the Father now opens the door to union with His Divine Will through this spiritual journey. Alleluia!

March 26, 2008 / Public

St. Thomas Aquinas comes. He says: “Praise be to Jesus.”

“I have come to help you understand the title God the Father desires His children know Him as—*Father of Unitive Love*.”

“First of all, Unitive Love is the Heart of the Father. This title describes His character—His makeup—the essence of His Being.”

“Second, the Father, in His Paternal role, extends Unitive Love to all His children. In this role, He extends a foretaste of Unitive Love through each Chamber. The deeper the soul travels through the Chambers, the more he is drawn to the goal of Unitive Love, and the greater the foretaste of Unitive Love.”

“I hope His title, *Father of Unitive Love*, will be better appreciated now, as it is so poignant for this generation.”

March 26, 2008 / Public

St. Thomas Aquinas says: “Praise be to Jesus.”

“As *Father of Unitive Love*, God the Father has Paternal Hope in His Heart for the conversion of the heart of the world. It is under this title He is tirelessly calling all people into His Divine Will. The title itself is His Divine Will. His Heart is a Vessel of Unitive Love. Now He is extending that Love over all the earth—extending with it the grace to accept His Will.”

March 30, 2008 / Midnight Service at the United Hearts Field – Divine Mercy Sunday

(This message was given in multiple parts.)

Jesus is here as He is in the Divine Mercy Image. He says: “I am your Jesus, born Incarnate.”

“My Father desires that a bond of love be established between His Heart and the heart of all mankind. This is the goal of all these Messages, of all the graces given here, and of the journey through the Chambers of Our Hearts. This cannot take place until the heart of man is cast into the Ocean of My Divine Mercy. To do so, each soul must open his heart to self-knowledge—recognizing his own iniquity.”

“In order to reach the pinnacle of Divine Love, the soul must first seek out My Mercy, for My Mercy is intrinsic to Divine Love. In the First Chamber—My Mother’s Heart, which is Holy Love—the soul is tendered the grace to acknowledge his sins and turn with a repentant heart to My Mercy. Then, through Divine Mercy, he is led through the subsequent Chambers.”

“I tell you, Divine Love and Divine Mercy come together in Unitive Love. Both Love and Mercy are sorely tried by a generation that opposes Creation itself. Each time God’s Divine Will is opposed the whole world suffers. Every time a prayer rises to Heaven from the heart or a message is received from Heaven or an apparition from Heaven takes place, the negative force of sin is opposed.”

“I am much offended by mankind’s rationalization of the truth. He rationalizes sin to be good—even a right. This is nothing more than Satan’s lies which are freely accepted by a generation devoted to self-love. This type of irrational thinking has infiltrated leadership in the world and in the Church.”

“Here in these Messages, I am taking you to the depth of spirituality and to the height of spiritual fulfillment; yet, I am unable, for the most part, to reach the very ones who could most benefit from what I say. It is always pride that is tricked into opposing Heaven’s goals and mankind’s salvation.”

“Tonight I am coming to you as your Merciful Jesus—not ready to accuse, but ready to forgive. Turn your hearts to Me and allow Me to fill you with My Mercy. Do not wait for a more crucial hour when you might turn to Me out of fear. Turn to Me now out of love.”

“My Mother, who assists Me in My every need, is forming under Her Mantle of Love, an army of victim souls. These victims of love sacrifice and pray for the conversion of unbelievers and the unity of all mankind in Our United Hearts. These victims must not take pride in their suffering or sacrificial lives. This defeats My purpose, as Victimhood should be offered as charity—the right hand not noticing what the left is doing.”

“A great portion of My Mercy is this Mission here, which I am filling with My grace.”

“My Mercy takes root in the soul the first moment the soul feels contrition for his sins. Tonight I am opening the floodgate of My Mercy upon this Site. Many will recall unconfessed sins. I will listen with compassion to every petition as though it were the hallowed 3:00 hour—the Hour of Mercy. Unresolved problems will find their solution.”

“I have lifted this Mission up and out of the reach of Satan in My Mercy and Love. My Provision will shine forth now and will always be here.”

“My brothers and sisters, solemnly I tell you, that unless mankind turns with loving hearts to My Merciful Heart, they will suffer the consequences of all the hypocrisy that is in the world today. With sincerity turn to My Mercy, and with sincerity spread these Messages.”

“I’m blessing you with My Blessing of Divine Love.”

March 30, 2008 / Divine Mercy Sunday – 3:00 p.m. Service

“I am your Jesus, born Incarnate.”

“Today I am filling hearts and the world with My Mercy.”

If you have turned to Me as I have instructed, My Mercy is a seal on your heart. Be joyful, then, in this revelation.”

“Once and for all, put away all hypocrisy, gossip and judgments. No longer bear a grudge against your neighbor. Forgive as I have forgiven you. Live out the wealth of these Messages by pursuing this spiritual journey. Then you will receive the wealth of personal holiness. Each one of you is called to holiness; indeed, sanctification. Your personal surrender to this call means much to the future of the world, for today My Scale of Justice weighs heavy on the side of evil.”

“So many pursue nefarious paths to gain power, control, wealth—any sort of advantage—even healings. But the best portion of My grace and truth is this spiritual journey through the Chambers of Our United Hearts.”

“Today as My Divine Mercy has filled the world, I come to this Site to further the cause of this Mission, which is Mercy and Love itself. The Chambers of Our United Hearts is a transforming grace, which I desire be carried throughout the world. It is through this spiritual journey I offer world peace. This journey is the bearer of truth and the defeat of Satan in each heart that believes in it.”

“Do not let the present moment fleet past you without Holy Love in your hearts. My Mother’s Heart, which is the Gateway to the New Jerusalem, is also the path of purification that leads to My Mercy.”

“I am extending to you, as you hear this, My Blessing of Divine Love.”

March 31, 2008 / Mon St. Michael Shield of Truth Prayer Service / Feast of the Annunciation

Jesus and Blessed Mother are here. Their Hearts are exposed and are in a very bright light. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.” Jesus and Blessed Mother greet the priests here. They say: “Bienvenidos—pray for sinners, pray for unbelievers.”

Jesus: “My brothers and sisters, I come to you as Jesus Incarnate to ask your undying efforts towards conversion of unbelievers. Your help is in living in My Father’s Divine Will; then every grace will be showered upon you towards this end.”

“Humble obedience must be in your hearts as it was in My Mother’s Heart at the Annunciation. In this way you will be open to My Father’s Will and offer all things to Him.”

“Tonight We’re extending to you the Complete Blessing of Our United Hearts.”

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

April 2008

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic— according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

All people and all nations are welcome to come and pray with us.

Blessed Mother says: “Praise be to Jesus.”

“I am your Jesus, born Incarnate.”

“I have come so that more can understand the fullness of My Father’s call to Unitive Love. This call begins in the First Chamber of Holy Love—My Mother’s Immaculate Heart. This is so, for in this Chamber, as the soul begins to be purified, he is being called to unity through love with God and neighbor. The more intense his effort to be united in and through love, the quicker his journey through Our United Hearts.”

“The soul’s free will is the obstacle Satan tries to use to discourage this Unitive Love.”

April 3, 2008 / Public

St. Thomas Aquinas says: “Praise be to Jesus.”

“I have come to speak to you about Unitive Love so

that the world will have a better understanding. Unitive Love is not a mystical experience that stands far away from everyone and so is elusive. Although mystical union is reserved for a few and is a very real mystical gift, the nature of Unitive Love is a gnawing at the soul, constantly drawing him to come closer to God. Even the greatest sinner may feel Unitive Love urging him to repent, convert and to make God the focus of his life. Unitive Love, then, is God's call to come nearer—to enter the Chambers of the United Hearts—to begin to live in Holy Love.”

“Unitive Love opens the heart to conversion. It is God's Mercy in action.”

April 3, 2008 / Public

“I am your Jesus, born Incarnate.”

“Perfect Unitive Love is the deepest Chambers of Our United Hearts—the Fourth, Fifth and Sixth Chambers. Basic Unitive Love is the foundation of personal holiness. This is the love that first encourages love of God and neighbor.”

“Basic Unitive Love builds on the desire to love God and neighbor. If the desire is missing, then the foundation of Holy Love is missing. The more the soul desires to live in Holy Love, the more he desires union.”

April 4, 2008 / Public

St. Thomas Aquinas says: “Praise be to Jesus.”

“I have come to help you further understand the great mystery of Unitive Love. If Holy and Divine Love were a beautiful bouquet of flowers, Unitive Love would be the sun and the rain that urge them to bloom. If Holy and Divine Love were a key that opens the door to contentment and sanctification, Unitive Love would be the hand that turns the key.”

“This love, that is the Heart of the Eternal Father, is the motivation—the impetus—that urges the soul into a deeper, ever deeper, relationship with the Divine. The Holy Spirit is One with Unitive Love—One with Divine Love—One with Holy Love. But it is Unitive Love that calls the soul into union with God's Divine Will.”

April 4, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, just as Divine Love and Divine Mercy are one, I tell you that My Father's Divine Will and Unitive Love are one. These two, My Father's Will and Unitive Love are present in every Chamber. The deeper you go into Our Chambers of Love, the deeper you are in My Father's Divine Will.”

“Tonight I'm blessing you with My Blessing of Divine Love.”

April 5, 2008 / Monthly Message to All People and Every Nation

(This message was given in multiple parts.)

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“I have come to further advise the world concerning

these perilous times. It is not long until the great apostasy takes place—an apostasy which will be unprecedented. The flock will be scattered. The sheep will replace love of God and neighbor with love of self. This is already occurring and tugging at My Arm of Justice.”

“There are small pockets of Remnant Faithful, of prayer warriors and believers of truth. But for the most part, the vast majority devote themselves to a hedonistic god of self.”

“I tell you solemnly, that whole nations of people have been led astray by government leaders who legislate according to their own erroneous opinions, abandoning God's laws in the process. For this My Heart aches. My Mother sorrows as never before since My Crucifixion, for She sees the direction mankind is headed.”

“Through these Messages, I have given the world a path to follow and a worthy goal of personal holiness, and even sanctification. But the world listens with a cold and doubting heart as though what I say is useless and unneeded.”

“In this country, laws have been passed making prayer in schools illegal in order to ‘protect’ the rights of a few. If My Name offends a few—are these same few also offended by the acts of violence and moral crimes that have replaced prayer? Right reason has been abandoned and misplaced compassion has taken its place.”

“At the heart of every issue today is man's inability to recognize and accept the truth. The Truth, according to My Father's Divine Will, is Holy, Divine and Unitive Love. Whatever opposes this Love is from the Prince of Darkness.”

“As I continue to call you to conversion through these Messages, Satan distracts individual journeys through the Chambers by means of concern for temporal, passing things. Mankind's distraction from all that concerns his own salvation has led to the apostasy, even heresy, that is now present within the Church itself. For these reasons, My Remnant must pray for discernment to distinguish what is true according to the Tradition of Faith, and what is fabricated by man's error. The Remnant will always recognize the truth when it is based upon Holy and Divine Love. Do not be swayed by mere power or title, but search always for My Truth.”

“My flock, pray this way:”

***“Father, Son and Holy Spirit, grant me—
Temperance not to accept everything at
face value. Prudence to search out the
truth. Wisdom to recognize the truth.
Amen”***

“I will help you. I am your strength. I will not abandon you, if you believe.”

“My brothers and sisters, today I advise you whenever you are challenged in Holy Love, seek the refuge of My Mother's Immaculate Heart. For it is flaws in Holy Love that result in lack of peace—even sin. My Mother, who is always your advocate, will take all your needs to My Heart in Heaven.”

“Today I am blessing you with My Blessing of Divine Love.”

April 7, 2008 / Public

“I am your Jesus, born Incarnate.”

“I am asking you to comprehend that if you are at peace, you will also be trusting, forgiving and wise. Understand that Love and Mercy go hand in hand with My Divine Provision. I will deny you nothing that is a reasonable need. When you ask for something for the welfare of others, it is already yours. Such a petition has been in My Heart since the beginning of time. It does not languish in My Heart, but bears good fruit in the world.”

April 7, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, understanding that My Divine Mercy, Divine Love and Divine Provision are One, I invite you to model your hearts unto Mine. Love one another and love God above all else; forgive one another and perform charitable works. Then you will be progressing rapidly through the Chambers of My Divine Heart.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

April 11, 2008 / Public

St. Catherine of Siena says: “Praise be to Jesus.”

“I desire that you understand the inner elements of trust. When the Lord asks a soul to trust, the heart is then set adrift in a period of waiting—waiting to see how the Lord will act and what the Divine Will desires. At times, the soul may feel abandoned—not knowing how long his wait upon the Lord will be. In a sense, this is much like Purgatory, in that the Poor Souls do not know how long they must wait for their deliverance into Eternal Glory.”

“So it would be wise to ask the assistance of the Poor Souls whenever God tells you to trust. They will help you wait upon the Lord, and you can pray for their patience during their time of waiting. Yes, trusting is much like a little Purgatory on earth.”

April 11, 2008 / 2nd Friday Rosary Service to Pray for Priests

St. John Vianney is here and says: “Praise be to Jesus.”

“My brothers and sisters, priests must not be pressured into honoring the dead as already reaching their sainthood. Priests, indeed, have a solemn responsibility to encourage prayer for the faithful departed. Many souls are in Purgatory very close to their release, but no one offers prayer or sacrifice for them. In fact, this is fast becoming a thing of the past.”

“Tonight I’m imparting to you my Priestly Blessing.”

April 13, 2008 / Public

I see a great Flame that I know to be the Heart of God the Father. He says: “I am the Eternal Now—the Alpha and the Omega.”

“It is I Who will draw the Remnant Faithful out of the arms of error into My Heart, which is Truth Itself. In truth,

the Tradition of Faith will be preserved. This holy Remnant will be set apart and founded upon Divine Love, Divine Mercy and My Divine Provision.”

“Do not waste time wondering how or where or when. I have created this present moment for you to use to its fullest by loving Me, My Son and the Holy Spirit. In this Holy Love for the Trinity is the fulfillment of all the commandments, the illumination of sin and error in your hearts and in the world, your peace and salvation. Those who listen to Me will choose the Tradition of Faith and will be unflinching in their choice.”

April 13, 2008 / 2nd Sunday Service to Pray against Abortion

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, today I remind all of humanity that they have a grave responsibility before the Judgment Seat of God. The way that each country is granted grace and favor or condemnation and justice from the Hand of God is in proportion to their treatment of all the marginalized; that is, the unborn, the elderly, the poor and homeless. This is the way countries prosper and flourish or decline. This is the way civilizations disappear or become favorable in the Eyes of the Lord.”

“Today We’re extending to you the Complete Blessing of Our United Hearts.”

April 14, 2008 / Public

St. Bernard of Clairvaux comes. He says: “Praise be to Jesus.”

“Listen carefully. I desire the world understand what I am about to say. The virtuous life—even grace itself—is often obstructed by human emotion. When people respond to situations, whether in thought, word or deed with purely emotion, virtue flees and so, too, does the grace to practice virtue.”

“Say, for instance, someone offers constructive criticism to you and it is received only with lack of humility and self-defense. Perhaps you worry about your reputation and how others perceive your words or actions. This opposes simplicity of heart, which does not chase after its reputation. Perhaps you are prone to impatience or anger. Humility, based on Holy Love, must be allowed to capture your heart.”

“Pray for a generous spirit. Such a spirit is always ready to forgive, always ready to practice virtue when put to the test. The generous heart recognizes when he should give to others and when to hold back. He recognizes the opportunities that grace affords him to practice virtue. In this way, he practices wisdom, not impulse.”

“Always trust in the Lord to give you the grace you need to rise above pure human emotion. It is given to each soul in every present moment.”

April 14, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, you will not disappoint Me or fail Me if you always hold in your heart the desire to love Me more in the next present moment than you do in this present moment. Such a human petition I will always grant with My favor.”

“I’m imparting to you tonight My Blessing of Divine Love.”

April 18, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I have come to ask you, with your free will, surrender completely to Holy Love in each present moment, for the stronger your surrender, My dear ones, the greater your influence upon My return and entrance to the New Jerusalem. Please understand that Holy Love is peace, unity, your salvation—even your sanctification—and it is the New Jerusalem.”

“Therefore, I ask you, make your surrender complete, and I will bless you as I am blessing you now with My Blessing of Divine Love.”

April 19, 2008 / Public

Our Lady said these things as I was painting a statue of Our Lady of Grace.

“Praise be to Jesus.”

“Today, I weep! Oh, how I weep for the ones who once knew Me and loved Me—the ones who once venerated My grace and fled to My protection!”

“But today My Heart goes unattended by the very ones I used to use as My instruments of grace. Never neglect to ask Me, your Heavenly Mother, for the graces no one wants. I desire that families unite under the banner of the Holy Rosary once again. Do not speak words to each other that separate, but only be united as Jesus desires.”

April 19, 2008 / Public

“I am your Jesus, born Incarnate.”

“I am drawing together a holy nation—a nation set apart and yet scattered. These are the ones that have chosen to be holy—to work towards holiness by living in Holy Love.”

“These are the people whom I have called to help Me usher in the New Jerusalem. These are the ones who will triumph with Me. Their numbers do not increase but dwindle, for they are distracted from the path I call them upon. Those that are strong in faith, hope and love will trust with undying strength, for faith, hope and love are the foundation of trust. I desire My Remnant trust in these My Words today.”

April 21, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.” [A personal message was given.]

Jesus: “My brothers and sisters, tonight I invite you to see that as the Remnant Faithful has scattered, they remain united in the Chambers of the United Hearts; for

they recognize the peace of this spiritual journey, the truth and the genuine call to Unitive Love.”

“Tonight We’re blessing you with the Complete Blessing of Our United Hearts.”

April 23, 2008 / Public

“I am your Jesus, born Incarnate.”

“How much I desire to be in the heart of every nation protecting it from the marauders of compromise, moral degeneration and false gods! But this is not the case, for faith, hope and love are not strong in most hearts today. When these three virtues are weak, all other virtues are weak. Moral strength is based on faith, hope and love. These basic theological virtues increase in proportion to the soul’s will for them to increase.”

“These days, most do not value a deeper relationship with Me. The superficial and temporary have taken precedence over that which is eternal. Mankind has little regard for God’s gifts, even the gift of life. This is why these Revelations given here on the Chambers of the United Hearts are not accepted by the ones who need most to make this spiritual journey. This is why judgment overrides discernment.”

“The soul that is not interested in being holy and coming closer to Me will develop false values. In every present moment, I offer each soul the opportunity to practice deeper virtue.”

“Pray to act upon faith, hope and love so that I can increase in you and in every heart that will listen.”

April 24, 2008 / Public

INSTRUCTIONS TO PILGRIMS

St. Catherine of Siena says: “Praise be to Jesus.”

“I wish to describe to you the proper disposition of heart for those who come to this apparition site—especially for the first time. Jesus desires that the heart of each pilgrim be open—that the heart be a blank page for Him to write upon. The less the pilgrim knows of others’ opinions, the better. There are, as with every apparition site, many false rumors and false discernment attacking this place of Heaven’s predilection.”

“Jesus does not like people to come with preconceived ideas of what may take place here. Therefore, do not anticipate any certain grace. Each one’s pilgrimage is individual. Some may receive a profound illumination of conscience—others not.”

“Do not look for proof of all that takes place here as being from Heaven. Do not come here to find fault. That is not discernment.”

“Let your hearts be open to the individual experience that God has in store for you, knowing full well that Immaculate Mary invited you here to deepen your relationship with Her Son and God the Father. Allow the Spirit of Truth to carry you deeper into an intimate relationship with the Holy Trinity.”

“Do not compare your experience here with anyone else’s, for no two are alike. God knows best how to reach each heart. When you share your experiences, do so giving God the glory, for all grace comes from His Mercy

and His Love. Never present yourself as being chosen or special or all-knowing in any way. Remember, humility is the first step on the stairway to holiness. There is a proper way to evangelize just as there is a proper way to do anything."

"Do not allow your heart to be filled with judgment against Heaven's efforts here. You do not gain merit in God's Eyes by opposing Him. You only invoke His Judgment. Such a one cooperates with evil."

"Make a sincere heartfelt Act of Contrition before you come onto the property. Grace will then fill your heart."

April 25, 2008 / Friday Rosary Service

Jesus and Blessed Mother are both here. Blessed Mother is holding the Rosary of the Unborn and says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "Today I tell you, it is not an hour of decision that rests upon the world, but a moment to moment decision that determines the fate of humanity. My Father looks into each heart in every present moment. The scale of justice tilts precariously. When it seems the Arm of Justice must fall, it is suddenly persuaded, through the prayers and sacrifices of the Remnant Faithful, to remain steadfast."

"My brothers and sisters, [Now Jesus lifts up the crucifix of the Rosary of the Unborn that Our Lady is holding] it is this sacramental that links Heaven and earth and balances the scale of justice in the present moment. Continue to use it fervently."

"We're extending to you the Complete Blessing of Our United Hearts."

April 26, 2008 / Public

Blessed Mother says: "Praise be to Jesus."

"Dear children, My Son allows Me to address you today on My Feast of Our Lady of Good Counsel. When Jesus walked amongst you, He encouraged all to live in Holy Love—to love God above all else, and your neighbor as yourself. This is a truth which cannot be compromised."

"I ask you today: Who lives in Holy Love? Is it those in Holy Love Ministries who propagate the law of love, feed the hungry, clothe the naked and counsel against the wickedness of abortion?"

"Or is it those who persecute the Ministry, though admittedly never having investigated the Mission or the Messages?"

"Why do those in power in the Diocese criticize the Ministry for being ecumenical when the Pope himself encourages ecumenism? Why do those in authority want Holy Love Ministries to be under Diocesan control? Is it just that? Does the power within the Church seek to control?"

"Control, title and compromised authority are not the objectives of living in Holy Love, nor do any of these support Holy Love."

"To live in Holy Love means to live in faith, hope and love. Love and humility together bring peace to the heart. But when one person or group attempts to destroy

another, it is disordered self-love that takes over. Jealousy, hatred and compromise abound."

"Choose good over evil always, My children. Do not compete with one another over authority, reputation or property. Let Jesus fill your hearts and be satisfied with Him. Help one another to build up the Body of Christ—not to tear it down. You will not have peace in the world so long as you avoid the truth of My words to you. You cannot be at peace or in righteousness so long as you try to trample underfoot your brethren who are living in Holy Love."

"Do not ignore what I am telling you out of pride or arrogance. Listen with your hearts, not just your ears."

April 27, 2008 / Ecumenical Prayer for Unity Amongst All People *(This message was given in multiple parts.)*

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Today I speak openly, plainly, for all to understand. Where souls are at stake, I can no longer clothe the truth in mildness. I spoke the Message of Holy Love when I was in the world. It is each one's responsibility to live the Message of Holy Love. Holy Love is a Divine Law, and the way in which each soul is to be judged."

"This responsibility does not stop at the door of any high official, of anyone held in esteem—not even at the door of any chancery. Indeed, it is the solemn duty of leaders not only to live in Holy Love, but to openly encourage others to do so."

"To cast aspersions upon a Ministry that is attempting to do this, separates you from the Will of God. Misinformation that anyone circulates about Holy Love, which turns souls away from this spiritual journey, is clearly the work of the father of lies. You must understand that your responsibilities rest in bringing souls to their salvation—not in opposing those who are attempting to do the same thing."

"When you sow disunity, the harvest you reap belongs to Satan."

"My brothers and sisters, each one of you has been placed in a certain station of life in the present moment through God's Will and His Divine Providence. Do not use any present moment, or misuse the position Providence has placed you in, to oppose My work in this Mission, for each one is called to live in Holy Love."

"Today I'm extending to you My Blessing of Divine Love."

April 28, 2008 / Public

"I am your Jesus, born Incarnate."

"I come today to help you understand what My Mother spoke to you about privately earlier. My Mother said that the Church of Atonement and the Church of the Remnant Faithful are one. Decades ago you were asked to make sacrifices for the Church of Atonement, which you did, not knowing what this meant."

"The Church of Atonement is the foundation of the Church of the Remnant Faithful. Any foundation is the base upon which a structure is built. In this case the Remnant who choose the Tradition of Faith, as handed

down through the apostles, will be supported by prayers and sacrifices which are offered on behalf of the Remnant. My Mother is gathering together all that is offered in this mystical Church of Atonement so that the Remnant increases and is made stronger. The very fiber of the Remnant will be the Church of Atonement."

"It is not necessary that all understand this for it to be so—what is necessary is ongoing prayer and sacrifice for the Remnant."

April 28, 2008 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Understand how important the Church of Atonement is to the future of the Church and to the Remnant Faithful. As the foundation of the Remnant, the Church of Atonement supports the entire structure. It is prayer and sacrifice within the context of this mystical Church of Atonement, which will keep the entire structure of the Remnant from crumbling and falling to ruin."

"Therefore, it is by the efforts of each individual that the Remnant will be maintained."

April 28, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, many messages have been given in the last few days—messages that were revealing the truth to many. I always come to speak the truth, and to draw the battle line between good and evil."

"When I criticize, it is to correct consciences and to turn hearts to love and mercy itself. Those who offend easily are the ones who need the most correction."

"I'm blessing you tonight with My Blessing of Divine Love."

April 29, 2008 / Conversation with Divine Love

"I am your Jesus, born Incarnate."

"I am in your forgetfulness, as I am in every human shortcoming, for I am in the midst of your heart. It is I Who help you to overcome error through the Divine Provision of My Father's Will. It is I Who correct and advise so that you return to the path that will lead to bringing the most souls to Me."

"Do not waste, then, the precious, present moment in worry or concern for human mistakes. Give everything over to Me Who will bring good to the world through you. This way, the present moment is sanctified."

April 30, 2008 / Public

"I am your Jesus, born Incarnate."

"I tell you truthfully, authority becomes compromised when power, control, prestige and money become more important than the welfare of those in their charge. When this happens, Satan has his grip upon all thoughts, words and actions executed with this compromised authority."

"Nothing should hold precedence over the welfare of souls. People who are placed in positions of authority by Divine Providence will need to answer for their responsibilities towards souls at their judgment."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

May 2008

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic— according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

All people and all nations are welcome to come and pray with us.

OUR LADY'S NEXT PROMISED MIDNIGHT APPARITION AT MARANATHA SPRING & SHRINE September 14-15, 2008

“.... Jesus has sent me to tell you that His Mother will arrive at the field of the United Hearts shortly after midnight between September 14th and 15th. Much will be accomplished. Continue to pray for your country, which is in a decisive battle between good and evil.”

“That night, Our Heavenly Mother will deliver many who suffer their own purgatory on earth, as well as souls who did not choose to help Holy Love in their lifetime—a sin of omission. Make it known.” (St. Margaret Mary Alacoque, June 11, 2008)

Be here 11:00 p.m. on Sunday, September 14, 2008 at the Field of the United Hearts.

May 2, 2008 / Friday Rosary Service (*This message was given in two parts.*)

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“I tell you truthfully that love, mercy and trust are intertwined like a golden cord binding the soul to My Sacred Heart. When one of these is in conflict, the others are loosened, as well. The soul begins to be separated from the Divine Will and from Unitive Love. See, then, that anxiety and fear are not a part of My call.”

“My dear brothers and sisters, the hallmarks of lack of trust are fear, anxiety, worry and the loss of peace. When these are present in your heart, you need to cling even tighter to My Sacred Heart and allow Me to help you.”

“Tonight I'm blessing you with My Blessing of Divine Love.”

May 5, 2008 / Monthly Message to All People and Every Nation / 11th Anniversary of Mary, Refuge of Holy Love (May Crowning) (*This message was given in multiple parts.*)

Jesus and Blessed Mother are here. Their Hearts are exposed. Our Lady is Mary, Refuge of Holy Love. She is smiling and says: “Praise be to Jesus.” Jesus says: I am your Jesus, born Incarnate.”

Jesus: “I tell you, through the Providence of the Eternal Now, mankind has been given everything he needs to live in peace and harmony with the Divine Will

of God. But what has been given has been compromised and convoluted. Technology is used towards an evil end—to destroy life and even nature itself. Satan imitates the gifts of the Holy Spirit, and out of pride these false gifts are discerned as genuine. When Heaven intervenes, as is happening in this Mission of Holy Love, the very ones who should encourage and support such an effort—vehemently oppose it.”

“So it is, I come to lay bare the truth once again. Holy Love—nurtured in the heart—is never wrong. It is even wrong to think against Holy Love, for when I was with you I commanded you to live in Holy Love. Here you have the spirituality of these commandments of love which I gave you, enfolded with the Chambers of the United Hearts. Because this Mission is the standard bearer of truth and the harbinger of My Second Coming, Satan is causing a whirlwind of controversy to swirl around it from the most unlikely sources.”

“Once again I tell you, Holy Love is the path of your salvation; Divine Love the path of personal holiness; Unitive Love is your sanctification. Do not get caught up in the whirlwind of who believes and who approves of this path I call you upon. Only follow it.”

“You do not need anyone’s approval to live in Holy and Divine Love. Do not be deluded to think so. I am calling each one to sanctity. Your place in eternity will be determined by your response to these Messages.”

“Ill use of Divine Provision, of technology, power, finances—even nature itself—will be mankind’s undoing and the unraveling of civilization such as you know it today. Misinterpretation, lies and negative response to Heaven’s intervention here with these Messages of Holy and Divine Love will be the undoing of the salvation of many souls. I am speaking to those responsible for this campaign against the truth.”

“What is your goal—Heaven or eternal perdition? Souls are at stake. Count yours among them.”

“Do not attribute to man or to nature what is God’s alone. My Father is the Creator of all things—the universe, the world, nature, even life in the womb. Do not destroy what He gives you out of His love. Do not worship your own free will, giving in to whims and desires at every turn. Rocks, trees, crystals, all of nature is God’s creation. They are not gods themselves. Do not allow gender to be a battleground. Do not allow morals in marriage to deteriorate in the guise of alternate life style.”

“These are ways that mankind is destroying himself and civilization, as well.”

“I tell you that national leaders and legislators—even educators—who do not support the commandments of love, are responsible for the souls they lead astray and the moral degeneration of their nation, as well—I add to

this, those who lead or otherwise influence any religion. Their responsibility is to lead souls deeper into love of God and neighbor as self—this is Holy Love. Yet, there remain those who encourage violence, birth control, abortion, same sex marriage and many other evils related to these sins and more.”

“You cannot lead souls in righteousness if your own heart is full of error. For this reason, I come in truth to correct consciences and to pull souls back onto the path of light. Be united in Our United Hearts.”

“My dear little lambs, My brothers and sisters, the path that is laid bare at this hallowed Site is the path of perfection in Holy Love. Did I not direct you to be perfect as My Heavenly Father is perfect when I was in your midst before My Death and Resurrection? Satan is busy these days trying to discredit love of God and love of neighbor. Persevere in following these Messages, for herein lies his defeat.”

“As I desire you to be united in the United Hearts, run to Mary, Refuge of Holy Love in every battle. Her Immaculate Heart is the sign of the enemy’s defeat and a Vessel of profound grace that he cannot approach. Enter the First Chamber of the United Hearts, which is My Mother’s Immaculate Heart. Enter in and through humility and love, which are the only way into this spiritual journey. My Mother will not forsake you in any need.”

“Today I want to bless every portion of your lives, every part of your world. I invite you to see that you do not have lasting peace in your world, for there is so much superficial compromise in your negotiations. My brothers and sisters, choose always to live in Holy and Divine Love. Pray that St. Michael’s Shield of Truth be placed over the heart of every nation, for this is the way to lasting peace through the truth of humility and love.”

“My Mother says that She will take all the petitions in hearts and place them in My Sacred Heart today.”

[Jesus blesses the priests in the apparition room.]
Then He says: “We’re blessing you with the Complete Blessing of Our United Hearts.”

May 9, 2008 / Second Friday Rosary Service to Pray for Priests

St. John Vianney is here and says: “Praise be to Jesus.”

“My brothers and sisters, tonight I would ask that you pray for all priests who are not faithful to their vocations—the vocations that God has placed in their hearts from conception.”

“These are the ones that pierce the heart of our Savior over and over. These are the ones that He cannot bear to look upon. It begins with the priest trying to fit in with the secular society until he becomes more and more

compromised and does not recognize sin in his own heart. Pray for these.”

“Tonight I am blessing you with my Priestly Blessing.”

May 11, 2008 / Pentecost Sunday

“I am your Jesus, born Incarnate.”

“Today I desire you understand that poverty of spirit and spiritual littleness go hand in hand. Those who are poor in spirit do not think about their own needs first, but keep God and neighbor in their foremost thoughts and actions. The childlike soul similarly seeks to please others like a child seeks to please his parents.”

“Anyone who seeks to advance through the Chambers of the United Hearts must pursue these two sisters of Holy Love—spiritual poverty and spiritual littleness.”

May 11, 2008 / Second Sunday Service to Pray against Abortion / Pentecost Sunday / Mother’s Day

Jesus and Blessed Mother are here. Their Hearts are exposed. [Blessed Mother has on the crown that was placed on Her statue here during the May Crowning.] She says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “I’m allowing My Mother to speak today.”

Blessed Mother: “My dear children, as My Son allows Me to speak to you, I must tell you that Satan is altering the future of the world through the sin of abortion. World leaders and Church leaders, who would have been morally ethical, have been aborted. This is why your Rosaries of the Unborn hold so much value, both in Heaven and on earth.”

“Today, My dear little children, We are extending to you the Complete Blessing of Our United Hearts.”

May 12, 2008 / Monday St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I desire very much to share My Triumph with every soul, every present moment. This is possible when the soul surrenders everything to the Will of My Father. In this type of surrender, when it is complete the soul is free and My Triumph is his. Accept everything as from the Hand of God, for in your acceptance is your surrender.”

“I’m blessing you with My Blessing of Divine Love.”

May 13, 2008 / Feast Day – Our Lady of Fatima

Blessed Mother says: “Praise be to Jesus.”

“My children, Jesus allows that I come once again today with these words. At the midnight apparition on

the feast of My Immaculate Heart, going into the great feast of Our United Hearts, My Son will open the Gates of Heaven allowing in those poor souls who have suffered long the torments of Purgatory for the sins of disordered passions of the heart. These souls held false gods in their hearts, displacing the love of God and neighbor with love of money, power, reputation, intellect and more.”

“My Son holds compassion in His Heart for these poor souls, and with mercy will bring them into Heaven, provided friends and/or relatives are here praying for their release.”

“Realize that what is in the heart determines many things—eternal destiny, war and/or peace in the world, the fate of God’s gift of life in the womb—indeed, all aspects of life in the world and in eternity.”

“Each soul experiences a different Heaven, Purgatory or Hell as he merits according to his deeds or misdeeds. Disease, natural disasters, all human suffering comes as God wills it according to the needs of His Justice for sins of all mankind.”

“So you see, on this feast of Our United Hearts which approaches, My Son, in His Infinite Love and Mercy, will purge hearts in Purgatory of their inordinate affections during life and welcome them into Heaven.”

May 13, 2008 / Feast Day – Our Lady of Fatima

Our Lady comes as Our Lady of Fatima. She says: “Praise be to Jesus.”

“Today I invite all of My children to live in Holy Boldness. Do not fear what is to come. The future is just that—the future. Do not waste the present moment pondering what is to be. God’s grace can alter the outcome of certain events—even bringing peace in the midst of chaos.”

“In Holy Boldness, propagate the Rosary of the Unborn, for this devotion and sacramental can alter the course of human history.”

May 16, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, once again I come asking you to be united with one another, and then with Our United Hearts. Further, I call you into Unitive Love with the Will of My Eternal Father. How can you achieve this? My brothers and sisters, realize that all you need is given to you in each present moment.”

“Tonight, once again, I’m blessing you with My Blessing of Divine Love.”

May 18, 2008 / Public

"I am your Jesus, born Incarnate."

"I tell you sincerely, the heart that sequesters itself from the world is the heart I can most easily possess, for such a heart is easily drawn into the Will of My Father—such a heart lives only to do the Will of God."

"See then, that Satan uses the senses, as well as the emotions, to come between the Eternal Now and the soul's deeper journey into the Chambers of Our United Hearts, which is a journey into a relationship with the Divine Will."

May 19, 2008 / Conversation with Divine Love

"I am your Jesus, born Incarnate."

"I want nothing from you except your love; for in your love is every virtue—the acceptance of the cross, the submission to every grace, and the Will of My Father. In your love for Me is your cooperation with every grace tendered towards you. It is through your love for Me you are purged of iniquity and walk in the light, power and truth of the Divine Will. It is in this way, Satan's influence is weakened and you become spiritually strong."

May 19, 2008 / Monday St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I have come to ask you to accept My Father's Will in your lives. Often His Will and His plan are apparent, but you do not recognize them, and you will not submit to them. Pray for the discernment to follow His Will in every present moment; then you will be at peace. His plans for you are always for your welfare and never your detriment."

"Tonight I am blessing you with My Blessing of Divine Love."

May 20, 2008 / Public / TO PRIESTS

St. Catherine of Siena says: "Praise be to Jesus."

"Today Jesus sends me once again—this time to address priests who come to the property. Priests should read the message given to pilgrims. [Refer to "Instructions to Pilgrims," message of 4/24/08.] Then they should read this message to better partake of the graces shown forth here."

"Priests are called here by the Mother of God. She knows each one by name. The Immaculata intends to strengthen vocations at this apparition site so that the priests can better serve Her children. Therefore, it is asked the priests come with an open heart—not judging, not depending upon high-powered approvals—in order to believe. Allow the Messages to reach your hearts so that you are able to encourage others to believe."

"The Holy Mother desires to take each priest by the hand, leading him into the Chambers of the United Hearts. In this way, She will transform your hearts, illuminate your consciences, and lead you towards Unitive Love. Do not hold back fearing loss of reputation or any type of reprisal. Every priest is called upon this spiritual journey and to accept the truth of this Mission. Surrender with your whole heart and nothing will be held in abeyance from you."

"Further, I have been sent by the Holy Mother to point out that priests too often ignore Heavenly intervention out of pharisaical or intellectual pride. Please understand that the Pharisees compulsively stood by the letter of the law while ignoring the heart of the law, which is Holy Love itself. Therefore, I urge you, do not condemn these treasures of spirituality offered here for lack of approvals by those who falsely accuse and judge. Rather, allow your hearts to be transformed by the heart of the Message—Holy Love."

"God is ready to richly embellish your vocation with many graces if you do so."

May 21, 2008 / Public / (A.M.) / MESSAGE FOR U.S.A.

Blessed Mother says: "Praise be to Jesus."

"My daughter, I have come to express to you many things. Jesus desires that people come here to make amends to Our United Hearts. He asks that every difficulty in the pilgrimage be offered towards the spiritual transformation of this country. If these requests are not heeded before the feast of My Sorrows [September 15], your country will continue its course of moral degeneration and financial decline."

"Pray the rosary often throughout the day. It is with prayer and sacrifice you can persuade My Son to bring an end to war which has taken innocent lives. He no longer can look upon the destruction you are bringing upon yourselves by so many sins—most especially abortion."

"If you listen, free will shall no longer be your god leading you to perdition. My children will once again place the One True God in the center of their hearts and seek only to please Him."

"You have already been given extended years of Divine Mercy. But I tell you, every abortion tempts the Arm of Justice. Comprehend this."

"Dear children, I, your Mother and Refuge of Holy Love, call you to amend your lives and to appease the Heart of My Son. Study the Messages given here and put them into action. The property bears abundant graces—enough to convert the entire world."

"Give me your hearts through your efforts in prayer, sacrifice and personal holiness. I already have given you My Heart."

May 21, 2008 / Public / (P.M.)

St. Thomas Aquinas says: "Praise be to Jesus."

"I have been sent to help you understand the necessity of the Blessed Mother's request. Imagine, if you will, two bookends. These represent the two dates Our Lady mentioned—the feast of the United Hearts and the feast of Our Lady's Sorrows. Between these imagined bookends are many books whose imagery represents the many pages of petitions to be offered for this country during these two dates. This is very simplistic, but the Holy Mother needs prayer and sacrifice in order to sway public opinion against the tide of evil sweeping through your country."

"After the feast of Her Sorrows, She will once again address your nation and offer a new assessment before the upcoming presidential election."

"Cooperate with the Virgin. She has your country's best interests at heart."

May 23, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, during these next few months, in fact for most of the rest of the year, your country is embarking upon a decisive hour in its history."

"Therefore, My Mother has come with a request for **special intense prayer from the heart** between the feast of the United Hearts [June 1, 2008], and the feast of Her Sorrowful Heart [September 15, 2008]. The future of your country depends on your response to Her call. Do not continue to encourage evil, but persevere in good."

"I'm blessing you with My Blessing of Divine Love."

May 25, 2008 / Ecumenical Prayer for Unity Amongst All People

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you pray for your country, pray for all those who oppose the truth; for if politicians and government leaders oppose the truth, they are not living in Holy Love and, therefore, cannot promote peace and unity amongst all people and all nations. Holy Love is the truth."

"Today I'm blessing you with My Blessing of Divine Love."

May 31, 2008 / Midnight Service at the United Hearts Field / Feast of the Immaculate Heart of Mary

(This message was given in multiple parts over several days.)

Our Lady is here as Mary, Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, tonight I have come to plead once again for your prayers and sacrifices. You must appease the Heart of My Beloved Son and the Heart of the Eternal Father. So many offend these Hearts in every present moment. Each abortion is a new wound, every crime against innocence—yet another. As Heaven attempts to pull souls onto the path of light through this Mission, Satan has caused a great storm of persecution, controversy and lies to swirl around it."

"How grieved is the Heart of the Father! How wounded the Heart of My Son because of this! Together They have sent the Heart of the Holy Spirit into this Mission. He will not be defeated, but souls will be lost who succumb to Satan's lies—for this, all of Heaven mourns. Dear children, reflect the Light of the Heart of the Holy Spirit given in these Messages. This is the way to unity and peace in all truth."

"As long as the sin of abortion is condoned by law, the world will be put to the test. If thousands were converted in an instant to Holy Love, but abortion continued, the abyss between Heaven and earth would remain. **Do not choose abortion by voting for those who support it.** Dear little children, sadly I caution you, the time has come when you cannot summarily accept everything a leader stands for unless you discern with the truth of Holy Love."

"Tonight I have come to ask you to open your hearts to My Rosary of the Unborn. With fervent use of this weapon, you can save lives and make atonement to Our United Hearts for abortions already committed. Further, I tell you, it is this rosary that is protecting Heaven's Mission here." [I then had a vision of the Rosary of the Unborn spread out above the whole property of the Ministry with many angels holding it.]

"I have come once again to call each of you into My Immaculate Heart. I desire your deeper commitment to holiness. Do not spend so much time in pursuit of pleasures. Understand that My Son loves you and desires to be closer to each one of you."

"Return to prayer. Whole families could be saved through the family rosary. Dear children, you must make holiness more important—prayer and sacrifice your priority. Do not let Satan tempt you by filling your day with frivolous pursuit of comfort and pleasure."

"I, your Heavenly Mother, see clearly what you hold in your hearts tonight. Some come here with deep devotion and sincere belief in the Messages and the United Hearts—others doubt. Some come 'just in case' it might be true that Jesus will relieve souls of the intense flames of Purgatory. There are those here, as well, who do not believe in Purgatory. Their disbelief does not alter the existence of Purgatory, but certainly increases the likelihood of their bondage there after death."

“Dear children, tonight I am asking you to believe in all that Heaven is offering at this Site. Do not allow doubts to stand between you and the profound graces that are being offered. As you have chosen to come here, now choose to come into My Heart—Refuge of Holy Love.”

“I tell you, each Hail Mary that is prayed on the Rosary of the Unborn brings My Son’s victory closer. When the Harvest Master returns with His winnowing fan, He will separate wheat from chaff, truth from lie, worthy from unworthy. Then it will be too late to believe in Holy Love, to choose Holy Love or to be Holy Love.”

She’s smiling now and says: “My dear little children, thank you for persevering and being with Me tonight. I need your prayers and your sacrifices—Oh, how I need them! There are many here tonight who have come with great difficulty and who suffer many hardships.”

“Dear little children, your needs are in My Immaculate Heart. Tonight I desire to hold each of you in My Heart. I love you, My little children, and I’m calling you in each present moment to experience a new conversion. My little children, PRAY with Me! PRAY with Me! There are so many who ignore My call to conversion and prayer.”

“Tonight I’m blessing you with My Blessing of Holy Love.”

Four-Month Novena To Mary, Refuge of Holy Love

Mary, Refuge of Holy Love, intercede for our country with your Immaculately-Conceived Heart during the upcoming elections. Since you are the Ever-Virgin Mary and Mother of the true God, obtain for us from the Blessed Trinity a president and other elected political leaders who will help the United States become a country of great purity and high morality.

O Sweet Blessed Mother, intercede for us that our next president will support life for each individual at every stage, uphold family life, and influence other countries throughout the world to love God above all else and neighbor as self, to serve Him, and to live for Him alone. Time and again you have given us your gracious assistance, and thus we humbly and gratefully acknowledge you as our Patron.

Mary, conceived without sin, pray for us who have recourse to thee and all those who do not have recourse to thee!

May Our Eternal Father shine His Light upon our country and the whole world. Amen.

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

June 2008

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic— according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

All people and all nations are welcome to come and pray with us.

OUR LADY'S NEXT PROMISED MIDNIGHT APPARITION AT MARANATHA SPRING & SHRINE

September 14-15, 2008

“.... Jesus has sent me to tell you that His Mother will arrive at the field of the United Hearts shortly after midnight between September 14th and 15th. Much will be accomplished. Continue to pray for your country, which is in a decisive battle between good and evil.”

“That night, Our Heavenly Mother will deliver many who suffer their own purgatory on earth, as well as souls who did not choose Holy Love in their lifetime—a sin of omission. Make it known.” (*St. Margaret Mary Alacoque, June 11, 2008*)

Be here 11:00 p.m. on Sunday, September 14, 2008 at the Field of the United Hearts.

June 1, 2008 / Midnight Service at the United Hearts Field / Feast of the United Hearts

(This message was given in multiple parts.)

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“I come to draw all people and every nation into the Flame of Divine Love which is My Heart. As long as you worry, are unforgiving or hold anything in your heart above love of Me, you have not surrendered completely to My call to you. Accept everything as from the Divine Will. In your acceptance is your surrender and your trust.”

“These days the world is full of compromise. Sin is now a political issue to the point where people are even asked to vote on sin. Consciences are apathetic to the point of not recognizing how convoluted this generation has become. Here at this Site, sound moral theology is offered and yet, even those who say they love Me, challenge what is freely given here.”

“Once again I caution you, do not follow blindly this leader or that, but study carefully his beliefs and his actions. Weigh everything on the scale of Holy Love. Challenge the compromised conscience. Hang on to Holy and Divine Love with valor.”

“Further I tell you, do not hold anything in your heart which is against My work here in this Mission. Be obedient to the truth of Holy Love. I have always called people to begin to live in Holy Love and then to see that they are converting. There can be no conversion, no salvation outside of Holy Love. Holy Love is My Father's Will. Who can enter the Kingdom who sets himself up in opposition to My Father's Will?”

“If you oppose this Mission in any way, recognize that you are Satan's cohort. I call you to love one another and to live in peace and unity.”

“In this present moment, I remind you that each one is answerable to Me for the decisions he makes, and is liable to

My judgment under the laws of Holy Love. I hold as responsible those souls who have been given the truth but reject it—always out of pride.”

“Through disordered free will, laws are now being passed which support every sort of debauchery. Such morally degenerate laws will not be upheld by the highest court, which is the Just Judge that speaks to you now. Therefore, do not think that because it is legal on earth, it is not sinful in My Eyes. Compromise does not change truth—it only disguises Satan’s lies. Man’s law never supersedes God’s law.”

“When I was in the world, I gave you the commandments of Holy Love. I told you to live in Holy Love—love of God above all else and neighbor as self. This is truth itself. Why, then, when My Mother and I return to you at this Site, do you argue and challenge what I say? You can never argue away the truth of My commandments of love. You must accept them if you choose salvation.”

“My brothers and sisters, tonight I call you to be united most especially in prayer. This country faces many challenges in the near future. Between this feast of Our United Hearts and the feast of My Mother’s Sorrows, make a united effort that truth rises to the surface and Satan’s lies are revealed.”

“Satan presents sin as a right to choose—a right to choose abortion, a right to choose same sex marriages. These evils have penetrated the political policies of this country and others around the world. Free will has always been part of your human condition as a gift from God. My brothers and sisters, use your free will to choose love of God and love of neighbor. Be obedient to the truth of Holy Love. Do not embrace sin.”

“This country teeters on the threshold of embracing grave moral degeneration or of choosing righteousness. Past civilizations that have become degenerate have always fallen to ruin. Take heed.”

“Realize that Satan plans to control all people and all nations. He is using every vile scheme to weaken and destroy this nation. This is so, for the evil one cannot so easily control a democracy as he can one leader deciding for an entire nation. He is making the One World Order as attractive as he can while, at the same time, promoting death in the womb, defiling the youth, weakening the financial system and the health care systems—and much more.”

“Satan has an army of support in the Masons, the Illuminati and others, most who do not realize they are instruments of evil.”

“This is why My Mother calls for an army of Victims of Love. This is why She has given you the Rosary of the Unborn. This is why Heaven has asked for many prayers and sacrifices between now and the feast of Her Sorrows. Many graces will be given, if you listen.”

“My brothers and sisters, you must be My strength in the world today. Be My strength by propagating the Messages. Be My strength by offering prayer and sacrifice, which moves Heaven to act. Be My strength by personifying the Divine Will. My Mother can no longer bear the outlook of the consequences of the sins today. Therefore, I ask you to console Her by means of your efforts towards personal holiness.”

“My brothers and sisters, when I return to Heaven tonight, I will take many souls with Me from Purgatory, and many more will be relieved of their intense suffering and move to a more comfortable level in Purgatory. And so, it is a time for rejoicing, for as Heaven opens for many Poor Souls, the Holy Trinity has opened Its Heart here at this Site to all who will follow this spirituality. My brothers and sisters, nothing is left unsaid. I hear all your prayers and I am attentive to them.”

“Tonight I am blessing you with My Blessing of Divine Love.”

June 1, 2008 / Feast of the United Hearts – 3:00 p.m. Service

“I am the Eternal Now. I am here that it may be made known—I am raising up a holy nation of people. This nation will claim its citizens from far and wide.”

“I claim as My Own those who recognize the Immaculate Heart of Mary as the Gateway to the New Jerusalem—those who pursue holiness through the Chambers of the United Hearts—all those who seek Me out as the Eternal Father, source of All Good. I am the Divine Provision. The Flame of My Heart always the Divine Will.”

“I desire all people and every nation clothe themselves in My Divine Will, for herein lies their peace and security. Then they will be like gold tested in fire. Then the commandments of love will bind all people to My Heart.”

“Mankind was created out of Love—to love. My Paternal Heart blesses those who take heed.”

June 2, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, the graces and the Messages given here are towards transforming all hearts in Holy Love. As each heart is transformed and becomes Holy Love, the heart of the Church can be transformed, as well. My brothers and sisters, pray always that Holy Love is accepted in hearts and in the world.”

“I’m blessing you tonight with My Blessing of Divine Love.”

June 5, 2008 / Monthly Message to All People and Every Nation *(This message was given in multiple parts.)*

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“Once again I come to remind those who will listen, that to oppose this Mission of Holy Love is to oppose My Father’s Eternal Divine Will. The souls that do not understand this do not understand the two great commandments of love. You cannot oppose Holy Love and still think you are progressing in holiness. Do not confuse obedience with righteousness. I ask you to follow the truth in obedience.”

“In My Mercy, in My Love, I have come to correct the conscience of those who oppose Heaven’s Mission here. Do not listen to those who say, ‘Jesus would never address hierarchy like that!’ If I do not correct, who will?”

“My brothers and sisters, those within authority freely give themselves license to cast aspersions and gossip about everything that goes on in this Mission, wasting the present moment, wasting precious time that could save souls. I corrected the Pharisees, and now I come to correct consciences here.”

“There is no disobedience here at Holy Love. The only disobedience is on the part of those who try to destroy innocent reputations, who try to discourage prayer and sacrifice. These are the ones that must repent. Do not doubt that I am here in your midst. Listen to My words! Act on My words!”

“My brothers and sisters, My words to you today or any other day cannot change your heart unless you will it. That is why the present moment carries such weight in the world and in all eternity. The heart of the world cannot change unless you change. Your moment to moment decisions affect the heart of the world, not just you.”

“This entire Mission is about changing each heart. Do not place your belief in all that Heaven gives here on world or Church approvals. Live each moment in Holy Love, seeking My

approval. Living in Holy Love can never be wrong. Such a commitment brings peace in the world around you and harmony with the Divine Will of My Father. Do not lend credence to those who try to convince you otherwise.”

“While the world tries to search out solutions to violence, moral degeneration, poverty and disease, I give you the solution here in Holy and Divine Love—gift wrapped in My Father’s Divine Will. Do not wait for something better.”

“My brothers and sisters, you must realize that Satan always discredits the truth. Because this Mission is now universal, the evildoer has circulated many lies and innuendos about this Mission, the Messages and the messenger. Do not become a part of his tapestry of evil.”

“Always speak the truth and live in the truth. Do not be misled or duped by people of title who have not even searched out the truth. You cannot place status, rank or position ahead of the truth.”

“I point these things out to you now, for the world in general and the Church, as well, have been compromised and divided. Much discernment is really no more than rash judgment and a reflection of the duplicity that has invaded hearts. My request for you to believe in this spiritual journey is crucial to the future of the world. For this reason, I no longer speak to you in veiled terms, but openly, so that you will grasp the desperate battle between good and evil.”

“Many priests, religious—even Bishops, even Cardinals—have compromised the Tradition of Faith. Their hearts are not centered on God but on self. They no longer work for Me but have become instruments of evil. The flames of perdition lick at their feet. Satan uses obedience as his weapon of control and power too often. Thus he has gained access to the heart of My Church. These truths need to be stated so that My innocent ones are not such easy prey to evil.”

“I desire that you trust priests, religious, Bishops and Cardinals who follow the Tradition of Faith—those who are close to the Eucharist, the Holy Rosary and personal holiness—those who are faithful to the Holy Father. Then you will be safe. These are the ones who recognize the intrinsic value of these Messages.”

“My brothers and sisters, while some caution you about accepting the truths of My Mission here, I, your Jesus, caution you about accepting innuendos just because they come from sources within the Diocese, who should be trustworthy. Many have let Me down—not fulfilling the positions Providence has placed them in—but protecting their own power and authority just as the Pharisees did. If I had waited for approval from the Pharisees, the entire gospel message would have been lost forever. Here, just as in My public life, I have come to proclaim the good news of living in the Will of My Father through Holy Love.”

“Today I am blessing you with My Blessing of Divine Love.”

June 6, 2008 / Public

“I am your Jesus, born Incarnate.”

“Let no one be astounded that I have taken to task those who persecute this Mission. I waited long enough for their conviction of heart by My veiled suggestions. Souls are being lost, and have been lost, that were discouraged from coming here by way of unfounded lies. Innocent unborn children have been aborted due to discouraging words against the prayers offered here.”

“I ask that in humility now, these detractors (and they know who they are) denounce their unfounded opinions which have a negative impact on the Mission, on the salvation of souls (which should be our common goal), and on their own salvation. Title

does not exempt a soul from sin. Slander and detraction are sins.”

“There are those within Church circles, and even within this Diocese, who practice ungodly rituals. Who are you listening to—the false gods of power and control? If you choose salvation, you must choose to stop!”

“I am laying these things bare, as I do not have centuries to await approvals of these United Hearts Messages. I desire that souls turn with loving hearts to the spirituality of the Chambers. I desire to draw all souls into Unitive Love.”

“It is pride that rebels against correction. Humility accepts correction readily. No one should place himself above correction.”

June 6, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“Yes, I am here, your Jesus—the same Jesus who drove the money changers out of the temple.”

“Tonight I come with the Sword of Light, the Sword of Truth, to pierce the darkness that has surrounded this Ministry through lies, calumnies and detraction. Do not waste time looking for errors in what I have told you in these last few days; rather, look for errors in your own hearts. Look for error in the hearts of those who continue to degrade this Mission despite its worthiness in the eyes of Heaven.”

“I ask you to live in Holy Love and do not transgress the laws of love that I gave you.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

June 8, 2008 / 2nd Sunday Service to Pray against Abortion

Jesus is here. He looks like the Divine Mercy Image. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, today I invite you to understand, with joy, that My Mercy is perfect. I will forgive everyone and turn away no one. And so, if you have betrayed the Tradition of Faith or led others to do so, do not fear but turn to My Mercy.”

“Today I’m blessing you with My Blessing of Divine Love.”

June 9, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, if you do not understand anything else about these Messages, understand that you must be living in the truth in order to reach Heaven. Countries that legislate against the truth do not find My favor. They do not prosper; many problems arise—natural disasters, financial downturns, disease and the like. Abortion is a lie, for it proclaims life in the womb is not life, but an object. Your country needs to repent and turn back to Me in order to avoid falling to ruin.”

“Tonight I’m extending to you My Blessing of Divine Love.”

June 11, 2008 / Public – 10:30 a.m.

St. Margaret Mary Alacoque says: “Praise be to Jesus.”

“There are many things Jesus has sent me to relay to you today. He desires that people know that many, many souls suffer in Purgatory for sins of omission. These sins have very much to do with the present moment. Every time the Holy Spirit inspires a soul to do some good—something in Holy Love, and the soul chooses not to do it—he commits a sin of omission. Suppose the soul does not work on his own personal holiness. Every moment that he chooses his own will over God’s Will is a further grievance against the Sacred Heart of Jesus.”

“Let this message not be fuel for scrupulosity; however, for to sin in omission, the soul must willingly and consciously

choose to avoid good in thought, word or deed. The Lord understands that many present moments slip by without conscious decisions for or against Holy Love. Jesus asks me to tell you that He desires people become more aware of the present moment. Think of all the souls who come here, or in some way receive these Messages and never act on them. This is certainly a sin of omission.”

“Today, as well, Jesus has sent me to tell you that His Mother will arrive at the field of the United Hearts shortly after midnight between September 14th and 15th. Much will be accomplished. Continue to pray for your country, which is in a decisive battle between good and evil.”

“That night, Our Heavenly Mother will deliver many who suffer their own purgatory on earth, as well as souls who did not choose Holy Love in their lifetime—a sin of omission. Make it known.”

11:00 a.m.

St. Margaret Mary returns. She has over her heart the United Hearts Image.

She says: “You are familiar with the Sacred Heart badges. Jesus desires such a badge be made of this image with the words surrounding it: ***‘United Hearts of the Blessed Trinity and the Immaculate Heart of Mary, protect us.’*** On the reverse side should be an image of your country.”

June 13, 2008 / 2nd Friday Rosary Service to Pray for Priests

St. John Vianney is here and says: “Praise be to Jesus.”

“Tonight, once again, I invite all priests to realize that their function is to win souls to Christ. If they commit sins of omission by neglecting the Tradition of Faith or neglecting to take the sacraments to the people, then they are mounting up time for themselves in Purgatory. Their sins of omission are more serious than many sins of omission for the laity.”

“My brothers and sisters, I’m extending to you my Priestly Blessing.”

June 14, 2008 / Public

St. Teresa of Avila says: “Praise be to Jesus.”

“I would like to speak to you about unity. Impatience always breeds disunity. Patience bears the fruit of unity. No one is always right, just as no one is always wrong. Respect authority that has been set in place by Heaven. Do not be subservient to a dishonest authority. Be united in truth. Let nothing be accomplished under the cover of darkness, but everything in the open—the light. Secretness is not of God, but of the spirit of darkness. Only the pious works of corporal mercy should be between the soul and God—no one else.”

“Love of money, power and control, because they are not from God, breed disunity. Trusting only in self and/or human intellect without any confirmation from Heaven is not of God. All that is good must have its source in good—in Holy Love.”

June 14, 2008 / Public

“I am your Jesus, born Incarnate.”

“I have come to speak further about sins of omission. These sins are committed when the soul knows what he is called to do under Holy Love but, for whatever reason, does not do it. Remember, Satan knows what doorway to use to convince each soul to choose unwisely. He may convince the soul that an errant choice supports a good end. But in the long run, it never does.”

“Satan makes sin look appealing—even good. In the end, however, ruin comes and the evil one resorts to making the soul feel guilty for the choices he has made.”

“Sins of omission cannot be committed without conscious

consent. Therefore, the soul should not convict himself of things he did not knowingly avoid or neglect to do in the past. In the present each soul needs to make decisions based on Holy Love. Only treat others as you would want to be treated in their position. Respect each person as a Temple of the Holy Spirit.”

“It is also a sin of omission if you do not correct a soul who is disrespecting the tenets of Holy Love; for such a correction is a spiritual work of mercy.”

June 15, 2008 / Public

***(See below)**

St. Catherine of Siena says: “Praise be to Jesus.”

“Today, all over the world, little pockets of the Remnant Faithful are forming, but only from this particular Site are they being called into the Chambers of the United Hearts. There are others who claim such messages—they are false. Further, at this Site, the Rosary of the Unborn is strengthening the Remnant in their resolve to put an end to the crime of abortion.”

“For these reasons and more, Jesus is asking for the formation of home rosary groups. These groups would be devoted to the Messages and the spirituality that emanates from them, as well as recitation of the Rosary of the Unborn. Heaven is not raising up ‘new visionaries’ or ‘messengers’ in these groups, but encourages that all that has been said here be lived out from the heart. Enough has been given here that challenges each soul to perfection. It is a trap of Satan to look for more or to claim to be chosen.”

“Your prayers and your commitment is what Jesus sends me to ask for. He awaits your response.”

*** Current Canon Law explanation for Roman Catholics regarding apparitions and/or visionaries**

Since the abolition of Canon 1399 and 2318 of the former Code of Canon Law by Paul VI in AAS58 (1966) page 1186, publications about new apparitions, revelation, prophesies, miracles, etc., have been allowed to be distributed and read by the faithful without the express permission of the Church, providing that they contain nothing which contravenes faith and morals. This means, no imprimatur is necessary.

June 16, 2008 / Public

St. Bernard of Clairvaux says: “Praise be to Jesus.”

“This is the format for the Holy Love prayer groups that Heaven is requesting:”

1. “Pray the Rosary of the Unborn.”
2. “Read, study and propagate messages.”
3. “Commit to follow the spiritual journey of the Chambers of the United Hearts.”

“Once again, Heaven does not want the new prayer groups to be a format for ‘new messages’, ‘new messengers’ or ‘new visionaries’.

“If you follow these simple guidelines, you will succeed and you will be at peace.”

June 16, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, once again tonight I invite you to childlike littleness. Give up anything that you have placed in your heart above God—love God alone. Surrender to Me your appearance, your health, your comforts, your reputation—all of these must not take the place of love of God in your heart.”

“I’m blessing you with My Blessing of Divine Love.”

June 19, 2008 / Public / EUCHARIST

“I am your Jesus, born Incarnate.”

"I am going to begin today a series of messages which come to you through My Eucharistic Heart. In the Eucharist I am stripped of all human dignity. While I am truly present—Body, Blood, Soul and Divinity—I appear only as a bit of bread—a drop of wine. Humanly speaking, to the naked eye, there is nothing more there. But I have told all of humanity that I am present in the Sacred Species. I am asking mankind to look with spiritual eyes at My Real Presence. Feel My Strength. Understand with My Wisdom."

"I stripped Myself of every attachment to be with you in this simple form. Humbly, I come to you—not in power and glory. You must come to Me in the same way—humbly and without pretense. It is through childlike littleness you will readily recognize Me. When you receive Me in such a way, I enter your heart and you enter My Eucharistic Heart. Then we are united. I cannot leave such a worthy soul until he wills it or until he forgets about Me."

June 19, 2008 / Public / EUCHARIST

"I am your Jesus, born Incarnate."

"When you receive Me in the Eucharist, I desire that our hearts become like notes in a symphony—flowing together, making beautiful music together. If I could be united like this with each heart, all would abide in the Divine Will. We would make beautiful symphonies together—Me and each heart. There would be no more wars, immorality or compromise of the truth."

"Today people say they stand for the truth, but the truth they support is only a lie. If souls would unite to My Eucharistic Heart, they would be united with the Truth Itself."

June 20, 2008 / Friday Rosary Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus."

Blessed Mother is holding the Rosary of States. (This rosary was shown to Maureen in 1985. Each of the 50 Hail Mary beads was in the shape of one of the 50 states of the United States. This was the very first time Blessed Mother appeared to Maureen at adoration at a local church.) Maureen says that many of the beads look like jello, and are slipping off of the chain.

Jesus says: "I am your Jesus, born Incarnate."

"You see how fragile this Rosary of the States is. This is because hearts have not decided for Holy Love. If you want the heart of your nation to change, you must spread these Messages. If you want the heart of the world to change, it is the same—spread these Messages—for this is the way to salvation. This is the way to holiness and sanctification. Only when the soul loves with Holy Love can his heart truly change."

"We're blessing you with the Complete Blessing of Our United Hearts."

June 22, 2008 / Public / EUCHARIST

"I am your Jesus, born Incarnate."

"I tell you in all truth, that each time a soul receives Me in the Sacrament of the Eucharist, he receives the embodiment of the Divine Will. The Triumph of Our United Hearts will be the Triumph of the Divine Will. Remember, 'No one can come to Me unless the Father draws them.' Therefore, understand it is the Eternal Father Who calls people to the Eucharist."

June 22, 2008 / Public / EUCHARIST

"I am your Jesus, born Incarnate."

"My brothers and sisters, moral apostasy has taken over the heart of the world. In order to return the world to a heart that embraces Holy and Divine Love, I am asking for a novena of nine Sundays in a row when you will receive Communion for the intention of the return of Christian values to all hearts."

"I await each one's love in the tabernacles of the world. Do not leave My Love unattended."

June 22, 2008 / Ecumenical Prayer for Unity Amongst All People 3:45 p.m.

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters once again I remind you that the only path to true peace and unity is harmony with the Divine Will through Holy Love. Unless people and nations have love of God and neighbor in their hearts, you will not have lasting peace."

"Today I'm blessing you with My Blessing of Divine Love."

June 23, 2008 / Public

"I am your Jesus, born Incarnate."

"Today I have come to help souls realize that to live in Holy Love means that every aspect of their lives must be given over to Holy Love in thought, word and deed. If people would choose this, your country and all nations would turn to God. Moral degeneration would stop, for morals would be clothed in Holy Love. Nations would be united in trust instead of secretly pursuing plans of destruction against their fellowman. People would work together to help the poor and the downtrodden. In this united effort of charity, financial systems would recover."

"So you see, living in Holy Love is the answer to earth's woes and to living in harmony with God's Will. Pray for universal acceptance of this."

June 23, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, a moment of truth is coming which will embrace the entire world at one time. In this moment, each soul will be made to see the flaws in his soul—the flaws against Holy Love which separate him from the Heart of God. He will either be convicted and pursue the course of salvation or he will continue on his way to perdition; for I tell you, Holy Love is your salvation."

"My brothers and sisters, today I'm blessing you with My Blessing of Divine Love."

June 24, 2008 / Public

St. Catherine of Siena says: "Praise be to Jesus."

"Do not readily accept opinions of those who cannot be criticized themselves. Such as these are more interested in safeguarding their own reputation and position in the Church or in the world than in knowing and proclaiming the truth. When someone knows the truth but does not support it, they commit a sin of omission."

"Therefore, it is each individual's responsibility to uncover the truth and live by it, even though someone of title may not agree. Each soul must be obedient to the truth first and foremost. This is how to live in righteousness. This is how to live in the truth of Holy Love."

June 26, 2008 / Public

"I am your Jesus, born Incarnate."

"Today, people have taken the gifts I have given and used them out of self-love towards their own advantage. Take, for instance, the intellect. If people would surrender the intelligence I gave them to My Father's Divine Will, cures for diseases would be found, whole nations would unite to assist each other, Satan's actions in world politics would readily be seen. People would recognize readily the evil that is trying to destroy the planet. Controversies would not arise about evils such as

abortion. There would be no nuclear arms race. All technology would be used to unite mankind.”

“Here, at this Site, I offer the direct path into the Divine Will. Yet, even those who consider Me their ‘friend’ oppose Me. Some are more concerned with their own reputations than in redirecting the course of human behavior. There are still others who challenge My work here out of false obedience, not realizing it is not disobedient to follow these Messages or to believe in My work here. The falsehood lies at the feet of those who choose to mislead.”

“Holy Love is at the heart of My gospel message. Each soul must choose to live in Holy Love in order to share the Kingdom of My Father’s Divine Will. His Divine Will is, was, and will be forever the reward of the Just through Holy Love. Do not allow Satan to pilfer this reward from you through unfounded cautions. Embrace Holy Love. Do not hinder My efforts here. I call each one with profound love.”

June 27, 2008 / Friday Rosary Service / EUCHARIST

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, please realize that not all Communion is of the same merit. Sometimes the communicant is actually in the state of mortal sin, and it grieves Me deeply when he receives under the Sacred Species. At other times the recipient may be lukewarm or even losing his faith and unbelieving. Once again he is not worthy to receive the Sacred Bread of Angels.”

“The Communion is as worthy as the depth of Holy Love in the communicant’s heart. Love Me very much. Recall these sentiments of love before you receive Me; then your time in Purgatory will be shortened.”

“I’m blessing you with My Blessing of Divine Love.”

June 28, 2008 / Public / EUCHARIST

“I am your Jesus, born Incarnate.”

“Today your weather is turbulent; one storm passes and another comes. It is much like the world itself—one crisis after another. You can take shelter from stormy weather, but the storms of life affect everyone because they widen the abyss between Heaven and earth—the abyss between the Divine Will and free will. This is so, for mankind continues to love himself more than God and neighbor.”

“I await in the tabernacles of the world the conversion of each soul. Yet, as I have given Myself wholly for the redemption of all mankind, souls do not desire to give themselves entirely to Me. Since God is not in the heart of the world, the heart of the world is far from the Creator, as well. This does not bode well for the future.”

“Make amends to My Heart in holy hours of reparation. My Mother weeps that more do not do this. It is a mother’s sorrow to see her son wounded—even abandoned. In healing My Heart, you are appeasing My Mother’s Sorrowful Heart, as well.”

June 30, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, it is important that each person and every country recognize that in order to be reconciled with their Creator, they must first pass through My Mother’s Immaculate Heart, which is the Gateway to the New Jerusalem and Holy Love itself. If they do not have love in their hearts, they will not be reconciled with each other and with their God.”

“Also remember to pray for your persecutors who must be convicted in their errors in order to be reconciled with God.”

“I’m extending to you My Blessing of Divine Love.”

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

July 2008

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic— according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

All people and all nations are welcome to come and pray with us.

OUR LADY'S NEXT PROMISED MIDNIGHT APPARITION AT MARANATHA SPRING & SHRINE September 14-15, 2008

“... Jesus has sent me to tell you that His Mother will arrive at the field of the United Hearts shortly after midnight between September 14th and 15th. Much will be accomplished. Continue to pray for your country, which is in a decisive battle between good and evil.”

“That night, Our Heavenly Mother will deliver many who suffer their own purgatory on earth, as well as souls who did not choose Holy Love in their lifetime—a sin of omission. Make it known.” (*St. Margaret Mary Alacoque, June 11, 2008*)

Be here 11:00 p.m. on Sunday, September 14, 2008 at the Field of the United Hearts.

July 1, 2008 / Public / EUCHARIST

“I am your Jesus, born Incarnate.”

“I tell you solemnly, every second of every minute of every hour, I am abused in the tabernacles of the world. People show great indifference towards Me, receive Me unworthily or hold Me hostage towards an evil end.”

“But I continue to remain with you out of Divine Love. I desire that even the most heinous crimes against My Real Presence be brought to the abode of My Mercy with repentance. There, I will wrap them in Mercy and Love, for I desire no one's demise, but only their welfare.”

July 5, 2008 / Monthly Message to All People and Every Nation (This message was given in multiple parts.)

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “Today I come to help you comprehend that your nation is being challenged in its position of world leadership. God the Father is permitting this, as your nation has chosen to make the legalization of sins a political issue. Specifically I speak of abortion and same sex marriages—both an abomination in My Eyes.”

“The enemy of your souls is weakening your country by undermining the financial system through natural disasters and dividing hearts against just leadership. You cannot seek to please the convoluted hearts of man first and then turn to God. God must be first in your hearts.”

“My brothers and sisters, earth's woes are all due to the misuse of free will. The spirituality offered here offers mankind the guidance to redirect his free will to be aligned with the Divine Will of God. Waste no longer the valuable present moments you are given to bear good fruit in the world through these Messages.”

“Satan knows the importance of this Mission even if you, yourselves, do not. He is vigorously attacking My work here through lies and controversy spawned by the very ones who should be supporting this ecumenical effort. Do not join evil in these attacks by lending credence to his attacks out of esteem for title. Recognize the need for this Mission now during these latter days, not centuries from now when approvals will vindicate all Heaven has said here.”

“Here, at this Site, is the threshold of the New Jerusalem. This is why you experience spiritual peace when you come here. Let this peace permeate your hearts as My gift to you. No longer search for peace or any solutions in the world. Be stouthearted. This means to be full of love of God and neighbor. I listen attentively to prayers offered from such a heart.”

“Many have given Me a half-hearted response to My efforts through this Mission. Still others have manufactured reasons not to respond at all. The father of lies is ahead of all of such as these. Satan knows that Truth is spoken here, and he opposes it with all his might. Can you give Me your whole heart in support of Holy Love—not allowing Satan any evil over you? Give Me your undivided heart in favor of Holy Love so that Truth can be victorious.”

“Do not waste time with your lukewarm response to Me. Be as aggressive in your ‘yes’ to Me as Satan is in his opposition.”

“Today I invite you to be a part of My Victory. Understand that true freedom consists in the paradox of complete surrender—surrender to the Divine Will. In this way, the soul is able to break the fetters of sin and embrace victory in its entirety.”

“My brothers and sisters, please realize that good does not oppose good. It is evil that opposes all the prayers and sacrifices that are encouraged here, and the spirituality of the Chambers of the United Hearts. Drink in the peace that is offered here—the peace that nourishes your souls; for this comes from the Spirit of Truth—the Holy Spirit Himself.”

“We’re blessing you with the Complete Blessing of the United Hearts.”

July 6, 2008 / Public

“I am your Jesus, born Incarnate.”

“Today in truth, I tell you that mankind trusts too much in himself, placing all human effort ahead of My Provision. Faith is diminished in every realm of life. So I have stepped back and I await the moment when, once again, humanity turns to Me in desperation seeking My Divine Intervention.”

“The few that realize the place of mankind in My Heart with clarity and wisdom have climbed the summit of Sinai, have traveled with Me the road to Emmaus, and know that the hour approaches when I will return in victory. These are the ones that realize—no matter the opposition—the only thing that matters is to become as holy as possible. In this effort lies every solution. Believe in Me!”

July 7, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.” [He greets the priests and thanks them for coming here.]

“Tonight, My brothers and sisters, I have come to reveal yet another snare of Satan. Do not seek to please yourself and other people before God. If you seek to please yourself, it is self-love; and if you seek to please everyone else, it is the open door to compromise. Defeat Satan by standing always for the truth.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

July 9, 2008 / Public

“I am your Jesus, born Incarnate.”

“Please understand that Satan is not so complex an enemy as you think. He always opposes the truth—any morsel of the truth. Since Holy Love is the Foundation of Truth, the enemy zeros in on Holy Love in the heart.”

“If you are living the commandments of love, you must realize that you are the enemy of evil. Therefore, the battle lines have been drawn. However, My Mother’s arsenal of grace is far more powerful than Satan’s pomp. In humility, we will defeat him; with love, we will chain him.”

“Be at peace.”

July 10, 2008 / Public

“I am your Jesus, born Incarnate.”

“I tell you solemnly that those who think they have the truth, but oppose Holy Love, have been tricked by Satan. Holy Love is the path of truth, the journey into the Flame of Love, the embodiment of the 10 Commandments, the way to personal holiness, and even sanctification.”

“Think, then, what you oppose and whom you oppose. Do not be so caught up in intellectual pride to believe that you have all the answers without Holy Love. This message is salvific—simple, yet complex. I proclaimed this very message when I was amongst you.”

“Do not think foolishly that because I come for all people, all nations, you are too good to be amongst such as these. Your Lord and Savior calls you. Respond!”

July 11, 2008 / Public

St. Thomas Aquinas says: “Praise be to Jesus.”

“When you pray, ask Jesus for the grace of loving God’s Divine Will. This is how to come into union with the Father’s Divine Will. Those in the Fourth Chamber—those conformed to the Divine Will—are accepting of the Father’s Will, but they have not come into the realm of loving all that He permits and ordains.”

“In order to love God’s Will, the soul needs to be deep into trust of Divine Provision. This trust is built on love, humility and perseverance.”

“When you ask to go deeper into the Chambers, Jesus is unable to refuse you.”

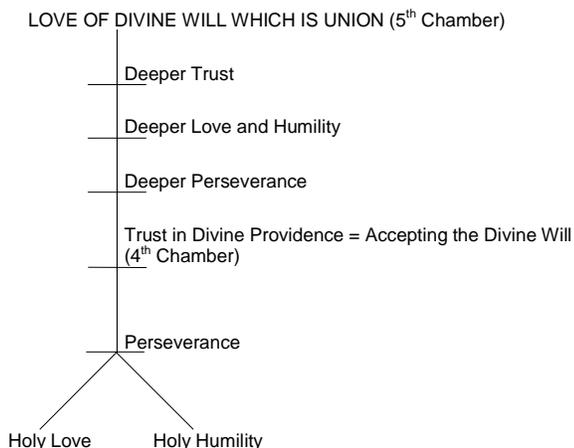

July 11, 2008 / Public

St. Michael says: “Praise be to Jesus.”

“The deeper the virtues of Holy Love and Holy Humility,

the deeper the soul can surrender to Holy Trust. The more the soul trusts in Divine Providence, the easier it is for him to love God's Divine Will."

"The greater the soul's trust in Divine Providence, the more perfect his union with the Divine Will."

July 11, 2008 / 2nd Fri Rosary Service to Pray for Priests

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I ask that all priests be very careful about letting created things take the center of their hearts away from Me. Do not be attracted by allurements of the world. Allow the Creator His rightful place in the center of your hearts and in your lives, and I will bless your vocations abundantly."

"Tonight I'm blessing you with My Blessing of Divine Love."

July 12, 2008 / Public

"I am your Jesus, born Incarnate."

"As I have told you before, good does not oppose good. So then, even though persecution, lies and slander may come from a seemingly good person or source, know that it still has its origin in evil. Sadly, Satan is the expert father of lies, and quite often convinces those who are My instruments, in other ways, to attack another good work of Mine through misinformation or misunderstandings. That is why no one should oppose any visionary or ministry unless thorough research is done—meaning, every side is given a chance to speak and to be unbiasedly considered."

July 13, 2008 / Public / Feast of Rosa Mystica

Our Lady comes as Rosa Mystica. She says: "Praise be to Jesus."

"Today, dear children, I have come to help you to realize the ways in which these Messages of Holy and Divine Love have been challenged by evil. These days the opinions and acceptance of people is highly revered, while God's Commandments are not. Morals are refashioned to suit groups of people instead of people shaping their morality to the Commandments of God. The right to sin has been condoned by legislation. All of this has been carried into the Church in the compromise of liberal consciences. So, while liberal stances are given

their play, Missions, such as this founded on private revelation, are summarily persecuted without concern for the message or the messenger."

"I remind those involved in all the misinformation they instigate against Holy Love, God's Commandments do not bend or change to suit you. It is still a sin to rash judge or commit calumny. Until you read all of the Messages, you should not foolishly offer your opinion. Even worse, you should not set

forth your opinion as a judgment as though you have read every Message."

"No good comes from opposing Heaven. As society today flounders amid compromise and hypocrisy, do not be so careless as to dismiss Messages that lead all people and all nations back to God and personal holiness. Do not misuse authority to oppose your Heavenly Mother. Open your hearts to the truth."

"Today I address you as Rosa Mystica. Under this title, I ask for prayer, penance and sacrifice. But these days especially, I ask for deeper understanding of the mystical life."

July 13, 2008 / 2nd Sun Service to Pray against Abortion

Blessed Mother is here as Refuge of Holy Love. She says: "Praise be to Jesus."

"Dear children, please understand this truth, that abortion takes the life that God Himself places in the womb. If this truth disturbs you, frightens you or you oppose it, then you are not living in the truth, but you have accepted a lie."

"My children, I call you to be children of the Light. Step into the Light of Truth."

"I'm blessing you with My Blessing of Holy Love."

July 14, 2008 / Public

"I am your Jesus, born Incarnate."

"In this age of moral confusion, it has come to pass that obedience has become synonymous with control. Some are bullied into falling under control when it is not necessary, and even a pitfall. "

"In this ecumenical Mission, Heaven is reaching out to all people and all nations to pursue personal holiness through Holy and Divine Love. Ecumenism should be encouraged. This Holy Father knows this and does so. Canon law permits it. It is by My Directive that this Mission is controlled only by the Spirit of Truth. In this way, we are free to reach out to everyone."

July 14, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I caution you to remain on the path of Holy Love despite disparaging opinions of those who may try to influence you otherwise. Such as these have unwittingly become tools of Satan. Do not listen but remain in the Light of Holy Love."

"Tonight I'm blessing you with My Blessing of Divine Love."

July 15, 2008 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come to help you see that in order for the soul to make progress in his journey through the Chambers, he must leave behind anxiety and unforgiveness. These two things alone cause more souls to slip out of the Fourth Chamber where they are desperately trying to accept and conform to the Divine Will."

"If the soul should reach unity with the Divine Will—the Fifth Chamber—he is less likely to succumb to anxiety and/or unforgiveness, for he is now falling in love with My Father's Will, which comes into his heart as trust."

"In the Sixth Chamber, which is immersion in the Father's Will, the soul does not succumb to any bad fruit spawned from lack of trust."

July 16, 2008 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"I will explain to you why trust is so important to the soul who aspires to the Fourth Chamber. If the soul does not trust in God's Mercy, he leaves himself open to guilt. Guilt is the inability to forgive self or to believe that God can forgive sins of the past. Understand that God's Mercy is perfect, all-embracing and complete. He wants to forgive you. He does not condemn. It is the soul who chooses condemnation."

"Believe in these truths."

July 18, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I desire that between you and Me—your heart and Mine—a clear path be laid bare through Holy Love. I desire this for every soul."

"Do not allow the way to be obstructed through fear of loss of reputation or by slandering or detracting from another's reputation. Let all your thoughts, words and actions come from Holy Love."

"Tonight I am blessing you with My Blessing of Divine Love."

July 21, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My dear brothers and sisters, place in My Heart tonight all of your emotions and sentiments, for it is from these that your petitions arise. Entrust them to Me with faith, hope and love; for it is by these three that your prayers are strengthened."

[Jesus acknowledges the Religious in the apparition room.]

"Tonight I'm blessing you with My Blessing of Divine Love."

July 24, 2008 / Public

Once again I see a large Flame that I have come to know as the Eternal Father. He says: "I am the Eternal Now. It is by My Divine Will that all things exist—every drop of water—every grain of sand. No action can take place—no victory or cross occurs without My permission."

"Realize, then, how much I am a part of every present moment. Feel My Love and security in every moment. All things come to you from Love to lead you deeper into Love."

"Desire personal holiness. Love holiness. It is in this way I am able to lead you deeper into My Divine Will."

July 25, 2008 / Public

St. Thomas Aquinas has many small angels around him. He says: "Praise be to Jesus."

"Let us begin where you got confused yesterday and chose not to write anything down. Remember, your job is to transcribe what I say—not to understand it." (He smiles.)

"Each one's spirituality is his relationship to the tenets of Holy Love. The soul has many choices. These choices can be portrayed as chambers in the human heart. Just like the Chambers of the Sacred United Hearts, the soul is not in each one at once. It is according to free will which Chamber the soul chooses in the present moment."

"Here are the Chambers I am discussing:"

1 — "Belief in the Messages of Holy Love. Understands Jesus gave these commandments when He was alive. Lives the Messages. Desires the love in his heart be purified. The soul is entering the First Chamber of the United Hearts."

2 — "Recognizes the value of living in Holy Love. Soul is still attached to things of the world—reputation, power, money. He is not willing to give any of these up."

3 — "Apathetic to Holy Love—his own spiritual journey. The soul does not pursue spiritual holiness."

4 — "Does not believe in Holy Love."

5 — "Opposes Holy Love."

"When I speak of Holy Love, I do not refer to this Mission specifically, but of the commandments given by Jesus." *

"So you see, free will chooses the path, the Chamber the soul is in, and the Chamber he accepts as his goal. All come together in the free will choice of each present moment."

**The two great commandments – Love God above all else and love your neighbor as yourself.*

July 25, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, I come once again to remind you that the reason this Ministry is here is to lead people back to the path of righteousness through Holy Love and the Chambers of the United Hearts."

"Therefore, My brothers and sisters, I urge you, fall in love with holiness—so much so that you desire it in every present moment."

"Tonight I'm blessing you with My Blessing of Divine Love."

July 27, 2008 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"You do not understand what I have revealed to you concerning the Chambers of the human heart. The Chambers of the United Hearts represent a spiritual

journey. With free will, each soul chooses the depth of his journey towards living in the Divine Will."

"Given that truth, let us consider the chambers of the human heart. These chambers represent the acceptance or degree of acceptance on a human level of the law of Holy Love. It is not necessary that each soul matriculates through every one of the chambers as it is in the journey through the United Hearts. But whether or not the soul chooses holiness, he is choosing one of the chambers that I presented to you as being part of the human heart—even if it is the choice not to believe."

"So you see, the chambers of the human heart have to do with acceptance or non-acceptance of the journey. The Chambers of the United Hearts are the journey."

"I told you about the chambers of the human heart so as to focus on the free will choice each one must make towards his own holiness."

July 27, 2008 / Ecumenical Prayer for Unity Amongst All People

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, once again I come with urgency to invoke you to live in Holy Love, for this is the way of righteousness and truth. Nations cannot expect to prosper and be at peace when they legislate according to human whims. Anything outside of Holy Love is also outside of My Father's Divine Will. Please understand these truths. Live according to Holy Love."

"Today I'm blessing you with My Blessing of Divine Love."

July 28, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed.

"My brothers and sisters, I am your Jesus, born Incarnate. I have come to help you understand the seriousness of these times. You will never have peace in the world as long as you have war and terrorism in hearts. That is why I come to you offering you the spirituality of the United Hearts as a safe refuge."

"I desire that every soul and all nations pursue this spirituality so that there will be lasting peace. You will please make this known."

"I'm imparting to you tonight My Blessing of Divine Love."

[The government raised the terrorist alert this afternoon.]

Following the messages is a prayer adapted from the Nine Month Novena to Our Lady of America, to be used for this purpose.

Please consider intensifying your prayers from your heart—pray many rosaries and offer many holy hours of reparation for the upcoming elections, conversion of our country, and to help the United States become a country of great purity and high morality.

MESSAGES FROM HEAVEN

May 21, 2008 / Public / A.M. / MESSAGE FOR U.S.A.

Blessed Mother says: "Praise be to Jesus."

"My daughter, I have come to express to you many things. Jesus desires that people come here to make amends to Our United Hearts. He asks that every difficulty in the pilgrimage be offered towards the spiritual transformation of this country. If these requests are not heeded before the feast of My Sorrows [September 15], your country will continue its course of moral degeneration and financial decline."

"Pray the rosary often throughout the day. It is with prayer and sacrifice you can persuade My Son to bring an end to war which has taken innocent lives. He no longer can look upon the destruction you are bringing upon yourselves by so many sins—most especially abortion."

"If you listen, free will shall no longer be your god leading you to perdition. My children will once again place the One True God in the center of their hearts and seek only to please Him."

"You have already been given extended years of Divine Mercy. But I tell you, every abortion tempts the Arm of Justice. Comprehend this."

"Dear children, I, your Mother and Refuge of Holy Love, call you to amend your lives and to appease the Heart of My Son. Study the Messages given here and put them into action. The property bears abundant graces—enough to convert the entire world."

"Give me your hearts through your efforts in prayer, sacrifice and personal holiness. I already have given you My Heart."

May 21, 2008 / Public / P.M.

St. Thomas Aquinas says: "Praise be to Jesus."

"I have been sent to help you understand the necessity of the Blessed Mother's request. Imagine, if you will, two bookends. These represent the two dates Our Lady mentioned—the Feast of the United Hearts and the Feast of Our Lady's Sorrows. Between these imagined bookends are many books whose imagery represents the many pages of petitions to be offered for this country during these two dates. This is very simplistic, but the Holy Mother needs prayer and sacrifice in order to sway public opinion against the tide of evil sweeping through your country."

"After the Feast of Her Sorrows, She will once again address your nation and offer a new assessment before the upcoming presidential election."

"Cooperate with the Virgin. She has your country's best interests at heart."

Novena for America

Please note the following messages from May, 2008 related to a four-month Novena to Mary, Refuge of Holy Love for America (June 1 - September 15).

May 23, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, during these next few months, in fact for most of the rest of the year, your country is embarking upon a decisive hour in its history."

"Therefore, **My Mother has come with a request for special intense prayer from the heart between the Feast of the United Hearts [June 1, 2008], and the Feast of Her Sorrowful Heart [September 15, 2008].** The future of your country depends on your response to Her call. Do not continue to encourage evil, but persevere in good."

"I'm blessing you with My Blessing of Divine Love."

May 25, 2008 / Ecumenical Prayer for Unity Amongst All People

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, when you pray for your country, pray for all those who oppose the truth; for if politicians and government leaders oppose the truth, they are not living in Holy Love and, therefore, cannot promote peace and unity amongst all people and all nations. Holy Love is the truth."

"Today I'm blessing you with My Blessing of Divine Love."

Four-Month Novena To Mary, Refuge of Holy Love

FROM
June 1, 2008

TO
September 15, 2008

Mary, Refuge of Holy Love, intercede for our country with your Immaculately-Conceived Heart during the upcoming elections. Since you are the Ever-Virgin Mary and Mother of the true God, obtain for us from the Blessed Trinity a president and other elected political leaders who will help the United States become a country of great purity and high morality.

O Sweet Blessed Mother, intercede for us that our next president will support life for each individual at every stage, uphold family life, and influence other countries throughout the world to love God above all else and neighbor as self, to serve Him, and to live for Him alone. Time and again you have given us your gracious assistance, and thus we humbly and gratefully acknowledge you as our Patron.

Mary, conceived without sin, pray for us who have recourse to thee and all those who do not have recourse to thee!

May Our Eternal Father shine His Light upon our country and the whole world. Amen.

(Novena prayer was adapted from the Nine Month Novena to Our Lady of America.)

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

August 2008

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic— according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

All people and all nations are welcome to come and pray with us.

Solanus Casey says: “Praise be to Jesus.”

“Today I have come to remind each soul that the path through the Chambers of the United Hearts asks for an ever-deepening commitment to serve God and others, and a lessening of the desire to serve self.”

“Always try to be the servant, not the one served—to be the one who pleases others, not the one who must be pleased. Do not fall into the desperate trap of viewing all events only with regard to how they affect you. Such self-centeredness is the undoing of personal holiness. Take to heart these words. It is God’s Will for you.”

August 1, 2008 / Fri Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, in order to live in God’s Holy and Divine Will, you must always seek the path of humility. Do not pursue recognition or self-importance for any reason. Should praise come to you, accept it as God’s Holy and Divine Will, but do not desire it—do not relish it.”

“Tonight, My brothers and sisters, I’m blessing you with My Blessing of Divine Love.”

August 4, 2008 / St. Michael Shield of Truth Prayer Service (Feast of St. John Vianney)

Jesus and St. John Vianney are here. Jesus’ Heart is exposed. He says: “I am your Jesus, born Incarnate. St. John says: “Praise be to Jesus.”

St. John: “My dear priests, please listen carefully. Jesus desires that you live every present moment in humility and love with fidelity to the Tradition of Faith. Do not rebel against the Magisterium. Be devoted to the Most Holy Virgin Mother of God. Spend time before Jesus in the Blessed Sacrament; then your vocations will bear much fruit.”

Jesus says: “We’re extending to you tonight Our Priestly Blessing.”

August 5, 2008 / Monthly Message to All People and Every Nation (This message was given in multiple parts.)

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“Once again I come to address all people and all nations. I am calling all people to a conversion of heart through these Messages of Holy and Divine Love and through these Chambers of Our United Hearts. This is your opportunity—each one of you—to save your soul and to bring about change in the world. Heaven would be remiss in not offering to you such a plan, such a profound path of light in the midst of such chaos and wickedness. Yet, as I attempt to pull earth back onto the path of righteousness, evil continues to make inroads into the most unlikely realms of everyday life. Satan’s presence goes unnoticed, for moral standards have become so compromised.”

“Satan’s number one priority is to be unnoticed. He convinces people that he doesn’t exist or he clothes his hidden agendas in false goodness. He promotes lustful ambition in hearts along with the allurements of control, power and money. Many of My best efforts have been thwarted in the world, for Satan has caused a swirl of controversy to cloud the truth. The apparitions at this Site have been one of Satan’s main targets. He does not want souls to discover the truth and the power of this spirituality. But I will not allow the lion of evil to do anything but roar. He has been rendered toothless by My Hand. The Divine Will shall be victorious.”

“Before this victory, comes the battle which mankind finds himself in today. He is confusing sin with rights, even legalizing sins such as abortion and euthanasia. Do not think that because you make it legal that it is not still a sin in My Eyes. Do not have misplaced compassion believing you must not

condemn same gender marriages. I am not tolerant of such sin in order to save feelings.”

“Today I reveal to you some of Satan’s greatest and most powerful weapons—weapons that he uses within the Church to destroy the true Tradition of Faith. Realize that the malefactor remains within the Church proper—executing his vile plans of destruction. In centuries past, heresy separated from the Church, making the heretics more visible and easily identified. But these days Satan wields the sword of intellectual pride to divide and separate the faithful. He skillfully executes his plans within hearts so that his efforts are at first unnoticed.

“When his protégés have been placed in high positions, they then unleash their intellectual patterns and plans which oppose Tradition and the Magisterium itself.”

“Another favorite weapon of Satan’s is the cry for a more prominent role for women. He whips them into a frenzy of rebellion against Church Tradition. Some even turn to witchcraft in an erroneous attempt to gain power. This is, in truth, their undoing as they have then become puppets of evil.”

“Some may find these revelations I give you today hard to believe—even shocking. But I only reveal the truth, for when the Light of Truth overtakes darkness, darkness loses its power. Notice that these weapons of Satan’s favor—intellectual pride and the desire for greater importance within the Church—come clothed in seeming goodness. They are, however, full of self-interest, self-love.”

“Stay on the path of light by always serving others and not looking for your own gain or profit in any way. Realize that the source of all good comes from God. No one creates their own intellect or their calling within the Church itself. Be humble and satisfied with even the lowliest of positions. Do not seek to be important in man’s eyes—only seek to appeal to Me.”

“Beyond all of these underlying tactics of Satan, he has one more, which is pulling apart whole pieces of My Church like the elimination of chess pieces from a game board. Here, I am speaking specifically of the Masons. Yes, many of My dearest instruments have fallen victim to their hidden agenda of lies and satanic actions—a bishop here, a knight there—all like pieces on a chessboard—at first, in positions of cardinal importance—only to become pawns of Satan. I grieve for them. Let the wise man grasp My meaning.”

“My Mother has requested that I reveal all of these truths to you today on the anniversary of Her birth. I have honored Her request. I ask that as a special gift to Her, you pray that these evils be overcome. Pray that the Church on earth be strengthened through prayer and sacrifice. The Remnant Faithful, who have not forsaken the Tradition of Faith, must make many sacrifices, many holy hours of reparation and pray many rosaries for the welfare of the Church. My Mother awaits patiently these prayers and sacrifices—these gifts from your heart to Hers.”

“So, My brothers and sisters, I am taking your prayers into My Divine Heart. I realize that some come here only out of curiosity; others to find fault. But there are some who come with great faith, believing and hoping. My brothers and sisters, I call you back into the present moment to find your conversion, your salvation through Holy Love. Pray as My Mother has requested for the conversion of sinners and the conversion of the heart of the Church. She longs that the Remnant Faithful increase and strengthen.”

“Today I am blessing you with My Blessing of Divine Love.”

August 8, 2008 / Public / (Feast of St. Dominic) A.M.

Blessed Mother says: “Praise be to Jesus.”

“My daughter, the battle lines have been drawn here; that is to say, the battle between the Tradition of Faith and the Church liberals. This is a war just as much as the war in Bosnia, the wars in Iraq and Afghanistan. This war is more poignant, however. It is a war for souls. Too often Bishops and other hierarchy who could make a difference decide not to fight, either because they do not want to offend or they do not want to lose the support of power and money. These are all Satan’s weapons. Misplaced compassion has been the supporter of liberal women in the Church. Many of the hierarchy have become accustomed to rich living and wanton luxuries while the poor are all around them waiting at the gate like Lazarus.”

“Here, their Heavenly Mother speaks to all people and all nations but they summarily dismiss anything I have to say. They, in this Diocese, listen to any lie told about this Mission but will not listen to any report of healing or grace even if a Bishop is the recipient of such a miracle.”

“What I am telling you is we must proceed in the midst of all this controversy. Those who refuse to believe without approvals are like the foolish virgins who neglected to bring oil for their lamps. They have chosen darkness over light. Jesus is here now, working His miracles, enlightening the world with His truths. Do not wait for the Scribes and Pharisees to say you can believe. They believe in all that is superficial. Let us proceed in faith that only comes from God.”

“I, your Heavenly Mother, desire your prayers and sacrifices now in these troubled times. Souls are at stake. Do not wait to make a difference.”

August 8, 2008 / 2nd Friday Rosary Service to Pray for Priests / (Feast of St. Dominic)

St. Dominic, St. Bernard and St. John Vianney are here and all say: “Praise be to Jesus.”

St. Dominic says: “This is what the message Our Lady gave to you earlier today refers to: The doorway that is the gate of many chancery buildings, the spiritually hungry await. They await spirituality such as given here. But they are not fed. They are not at peace. They do not have sound leadership, but leaders who block genuine apparitions such as this. Pray for all Bishops, all Cardinals and all priests, that they will be open and ready to support the spirituality of the United Hearts.”

“We are imparting to you tonight our Priestly Blessings.”

August 9, 2008 / Public

His Holiness John Paul II says: “Praise be to Jesus.”

“My brothers and sisters, you are living in a time unprecedented in the ways that evil is manifest in the world, yet goes unnoticed and unrecognized. The very heart of the Church has been rocked by scandal and weakened by liberalism, all due to poor decisions on the part of a few.”

“You must be strong warriors of truth. Stand by the Tradition of Faith. Stay close to the sacraments. Educate your young in the love of God and the truths of the faith. You will need all your strength from living a faith-filled life in order to persevere in days ahead.”

August 10, 2008 / 2nd Sunday Service to Pray against Abortion
(*This message was given in multiple parts.*)

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"Today I invite you to see that in any issue there are two sides to supporting good. First you must choose to support the good; then, you must choose to oppose evil. In the fight against abortion, you can support life by propagating the Rosary of the Unborn and by praying this rosary; but you also need to oppose abortion by informing the public of its intrinsic evil."

"There are many ways to do this—every day conversation, distributing pro-life information, distribution of these messages concerning the evils of abortion and many more. Prayer opposes evil, but in the battle over life in the womb, public prayer against abortion informs those who witness such prayer of the evil you pray against."

"In a similar way, the spiritual journey of the Chambers of Our United Hearts is laid bare here, for this Ministry's sole concern is the conversion and salvation of souls. But as many have chosen this path, many, too, have been misinformed. Therefore, do not be surprised when I come to oppose the evil that brings controversy to these messages."

"There is nothing to fear. It is Love—Holy Love—that must rule hearts if you desire peace. Those that deny these messages, deny the salvation of souls. Many use their power and authority to oppose Heaven itself. But I tell you, human respect is passing. In the end, it is Me you will answer to. Then it will be numbered—the souls you have turned away from this spiritual journey, the babies that were killed in the womb—because you discouraged the Rosary of the Unborn. How will you answer when truth is before you? Then, will you worry about money, position and power? I choose the little to confound the proud."

"My brothers and sisters, often My little lambs become confused and travel on a path that does not lead to truth. This is because those in authority over them who should be shepherding them in the truth have chosen a life of lies. This is true in the issue of abortion where Catholic politicians are supporting abortion which is legalized. It is also true in the life of this Mission, which only desires to lead souls deep into Our United Hearts and to salvation. But those in authority whose positions demand esteem have chosen to lie about it."

"Today I am blessing you with My Blessing of Divine Love."

August 11, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, tonight I have come to tell you that whoever attacks your belief in these Messages is really nothing more than an instrument of evil. For living in Holy Love, living under the commandments of love which I gave you when I was on earth is always right as the path of righteousness. Therefore, have conviction of heart and do not be discouraged. I am calling you to Holy Boldness."

"Tonight I am blessing you with My Blessing of Divine Love."

August 12, 2008 - A.M. Part I

"I am your Jesus, born Incarnate."

"In this country, Holy Love Ministries will need to be a grass roots movement, strengthening and increasing the Remnant Faithful in the Tradition of Faith."

"Officials here will continue to lie concerning the messenger, the messages and raise false issues, which they manufacture and promote as legitimate concerns. Satan is using them to try and stop this Mission which is truth itself."

"Today I am addressing some of the controversy surrounding this Mission. The diocese claims we do not have a right to call ourselves 'ecumenical' since we say Catholic prayers. The Church itself is universal—all-embracing. The Holy Father is ecumenical and encourages ecumenism. The messages are for all people and all nations. We have the freedom under the Constitution to gather and pray as we choose. We are also protected in this right under Canon Law [Canons 215-216]. I am asking the diocesan officials who accuse us unjustly in the matter of our ecumenical status to refrain from using their authority in the manner of a police state."

"The diocese further accuses us of 'seeking large sums of money'. When and where have we done this? Name the time and place. Any organization needs operating funds, and so collection baskets are passed at prayer services. This small collection is used to operate two mission centers that feed and clothe the poor and offer pro-life counseling. Let Me remind them that they themselves solicit funds and take up collections."

"A more personal accusation is that the messenger is disobedient. In what way and under which Canon law? Is she disobedient in calling people together to pray? Is she disobedient because she does not allow you, the diocese, to close down this Mission unlawfully? Is she disobedient because she has a voice—a timid voice—which nonetheless speaks out against evils such as FutureChurch? Or perhaps you label her disobedient because you cannot control her. I, your Jesus, Who knows your hearts, say this is the basis of your scandalous lie."

"Here I remind you, sin is still sin despite your title in the Church. When you seek willfully to destroy another's reputation, it is still calumny and detraction. I hold you responsible. Hell is forever."

"Do not try to dismiss My Words here today as just another message—uninspired and of man. It is your Jesus that speaks. I give you the truth. I give humanity the truth concerning this Mission and the evil that opposes it. Darkness can only succumb to the light. Turn your hearts towards the light of truth and believe."

August 12, 2008 - P.M. Part II

"I am your Jesus, born Incarnate."

"Listen carefully as I tell you in truth, that no one—most of all My messenger—has asked Me to intervene in the difficulties that remain unchecked in this diocese. I am attempting to correct the arrogant and ambitious who act out of self-love and not for the good of all souls. For many years—even decades—I have suffered with My messenger as she was calumnized before all, only because she was obedient to Me—Truth Itself. What you do to the least of My children—that, you do unto Me."

"Yes, I suffered and tried to stab your hearts with the truth. Now I have even more to say. Those among you who will not accept criticism, those among you who rash judge, are the ones lacking in humility and Holy Love. You are the ones disobedient to the truth—to the commandments of love which I, Myself, gave you. You do not love God above all else and neighbor as self when you calumnize the innocent. Look into

your own hearts. Where will self-importance lead you except away from Me? What would you gain even if you could stop the prayers offered at this apparition site? A great many of the prayers offered here are for you yourselves. Do you really wish to stop them?"

"Do not think for one present moment that I do not love you and do not desire your salvation. But you are opposing Me. No good can come of such an effort. Look into your own hearts with the truth of Holy Love and repent! There is no justification for any of your opposition. Accept that your opposition is a lie. Turn your hearts at once over to the truth."

"I have one more diocesan allegation that I have saved until now to refute; that is, because it is so imaginative and so far-fetched. I had to help My brothers and sisters to see first the hearts of those who are placing themselves in judgment over My work here. If I was not their Savior, I would not care about their souls. As it is, I must correct them. I am their Savior. Further, all of these latest messages are given to prevent souls from being misled by authority—those I have trusted with authority."

"The diocese claims falsely that we are self-authenticating. To be true, this would mean that none of the messages were discerned by a spiritual director or advisor. This is false. How can anyone PRESUME such a thing unless they themselves are present when each message is given? Of course, they are not! My messenger has many spiritual advisors and a competent spiritual director who reads all the messages. Can the diocese claim as much? Since her last known spiritual director, Fr. Frank Kenney, was told by the bishop [unlawfully] that he could NOT return to Holy Love Ministries, and that if he heard of him being associated with the Ministry, he would report him to the National Conference of Catholic Bishops, all of My messenger's advisors are anonymous. Wisdom dictates so."

"I believe today's messages should put to rest all of the false accusations levied against My work here. Stand with the truth."

August 13 2008 / Public

"I am your Jesus, born Incarnate."

"I have come to inform those who will listen today that presumption is the basis of all rash judgment. The soul who judges rashly presumes that he has all truth, knows all the facts and, therefore, is free to judge a person or a situation."

"Such a person is looking out at others too much and not looking in at himself enough. In this journey through the Chambers of Our United Hearts, it is best to be critical of self and not others. When you criticize others, self-love is at work. You are tempted to feel you know best. You have all the answers and, therefore, people should please you. This is not spiritual littleness or childlikeness. Unless you become as little children, you cannot enter My Father's Kingdom."

"Many read these messages and see only how they pertain to others. But I tell you, each message is for all people. If you cannot look into your own heart and see how the messages address issues within you, I will hold you accountable."

"Do not become presumptuous or self-righteous for any reason. These are snares of Satan."

"Holy Love makes allowances."

August 13, 2008 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"This is the attitude indicative of Holy Love in the heart. Such a one is loving, humble and always ready to forgive. He does not seek attention or praise. He is not critical in his attitude; that is, always looking for negatives in others. He is not easily offended and never presents himself as the one who must be pleased."

"This Holy Love attitude is always foremost in his heart, moment to moment. Since it is a part of his heart, he rarely needs to be reminded. If the soul should slip up, he quickly amends his attitudes."

"The opposite of one who lives in Holy Love is the one who is critical and judgmental by nature. He has difficulty in seeing God in other people. He presents himself as the one to be pleased or else suffer his wrath. He has difficulty forgiving others when he is wronged."

Lives in Holy Love

Loves God above all else and neighbor as self.

Never seeks praise or attention.

Always seems easy to please.

Does not criticize another unless it is absolutely necessary.

Forgives easily. Makes allowances for errors in others.

Attitudes Opposing Holy Love

Places himself at the center of his existence—his wants, his needs are always first. Cannot see God in others.

Desires the spotlight.

Is difficult to please. Presents himself as the one who must be pleased.

Critical by nature. Readily finds fault with others.

Has difficulty forgiving. Carries grudges. Cooperates often with a pouting spirit.

(By St. Thomas Aquinas)

August 14, 2008 / Public

St. Thomas Aquinas says: "Praise be to Jesus."

"Those who seek to follow the humble way of childlike love through the Chambers of the United Hearts should pray this prayer daily:"

"Dear Jesus, through the virtues of Holy Humility and Holy Love, help me never to judge others. Remind me that I must not presume to know the motives for others' actions."

"Take from my heart any sign of a critical nature and through Holy Love, fill me with a loving and forgiving attitude. Never let me be the one who must be pleased; but as the servant of all, the one who seeks to please everyone. Amen."

August 15, 2008 / Fri Rosary Service / (Feast of The Assumption)

Our Lady is here. She says: "Praise be to Jesus." She is in white and gold with a bright light around Her with many angels in it. Now this light that is around Her extends out to the priests here. Our Lady nods to them.

Now She turns more to all of us and says: "My dear little children, Jesus sends Me tonight to ask you not to be

apprehensive about any situation in your lives and trust everything to the Divine Will of God. Understand that all of these things are passing like a leaf in the wind. Your Heavenly Mother has your welfare in Her Heart.”

“I have come as Jesus has requested to ask tonight that you pray the prayer that Thomas Aquinas gave you this week, with particular fervor, from the heart. For it is this prayer that can lead you deep into the Chambers of Our United Hearts. Your salvation, My dear children, is at stake when you become self-righteous and rash judge. For these things strike at the heart of personal holiness. I tell you these things as Jesus requests, for We desire to share Heaven with you.”

“Tonight I’m blessing you with My Blessing of Holy Love.”

August 17, 2008 / (Part III – Continuation of August 12, 2008 message)

Jaime Cardinal Sin (1928-2005) *

Cardinal Sin appears and says: “Praise be to Jesus.”

“Jesus has allowed me to return to you to state more gently, for public consumption, what is in my heart concerning the persecution this Mission [Holy Love Ministries] has undergone by this diocese [Cleveland]. Jesus desires that I clarify and bring to light the truth concerning their lie about your ‘alleged’ disobedience.”

“The favoured statement the diocese proclaims about you and the Mission here is that they told you to ‘cease and desist’, and that you have not done so proves you are disobedient.”

“Let’s examine the ‘cease and desist’ statement in the light of truth. First of all, they never said that orally or in writing to you. Second, the diocese cannot lawfully tell you to do so. I refer to Canons 215 and 216. You have every right to operate openly under these two Canons.”

“The ‘cease and desist’ statement is an outright lie and calumny.”

“Whenever the ‘cease and desist’ statement is brought up as an issue of disobedience, present my words here today in your defense.”

Note: The Cleveland Diocese, in a July 1996 meeting, AGREED TO and ACKNOWLEDGED Holy Love Ministries and Maureen’s ECUMENICAL STATUS under Canon Laws 215 and 216. They also agreed to make a “NO COMMENT” statement to any and all inquiries about Maureen or the Mission itself.

Present at the meeting were the Chancellor Fr. Wiatrowski, Sr. Rita Harwood and Bishop Pilla’s secretary for the diocese. For Holy Love were Canon lawyer Nicholas C., Fr. Frank Kenney [Maureen’s spiritual director], Maureen, Don Kyle, and two other members of the Ministry. This was the only meeting held in the last 21 years.

“A good bishop has a deep relationship with God, makes many holy hours and says many rosaries. He is not driven by love of power, money and control, but by love of souls. He is not like rubber, being pushed whatever way those around him influence him. All of his policies are like that of a gentle, loving

shepherd leading souls deep into the United Hearts. He enjoys a fatherly relationship with his flock—gently leading them along the path of righteousness.”

“Should apparitions occur in his diocese, he prays for heavenly guidance. He does not base his opinion on what others say. He should never allow the visionary to fall victim to calumny or detraction—most especially by clergy under him.”

“He always seeks the truth about every person or situation, for true discernment is not based on hearsay, but on the truth itself.”

“I pray prelates take to heart these words.”

* *Cardinal Sin has appeared multiple times to Maureen in August, 2008.*

August 18, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight once again I come to plead with you to let Holy Love come alive in your hearts so that every thought, word and deed proceeds from a heart full of love. This is the only way that Holy Love can reign in the world, and you will have lasting peace.”

“Tonight I’m imparting to you My Blessing of Divine Love.”

August 22, 2008 / Feast of The Queenship of Mary

Blessed Mother says: “Praise be to Jesus.”

“Today all of Heaven celebrates with Me, My Queenship, over Heaven and earth. As sovereign over all that is seen and unseen, I come to celebrate with you and all the angels and saints who are attendant to the needs of this—God’s favored Mission on earth—your freedom, through the current messages of this month from all the transgressions against Heaven’s plans here by this diocese.”

“Each accusation has been categorically refuted by truth. Realize, then, that the statement ‘*not recommended in any way*’ and ‘*to use extreme caution*’ is not based on truth or fact, but on Satan’s lies. It is Satan who loses when My children gather to pray. It is Satan who opposes the Rosary of the Unborn. It is Satan who opposes unity amongst all people and all nations in an ecumenical effort to spread Holy Love in Hearts.”

“Authorities certainly need to be cautious themselves in coming against good because of worldly concerns, such as love of power, control and money. If any authority is used against Heaven’s efforts here for shallow reasons, such as these, that authority is misused. Once again, leaders must model themselves after the Good Shepherd Who did not choose any form of self-love, but only Divine Love. Authority figures are accountable before God for all those they mislead, all the prayers and rosaries they stop, all the ways they choose to please man and themselves instead of God. The ones I address, recognize themselves.”

“Today I call upon My children to have the courage of belief in these apparitions despite unwarranted opposition. Have courage to recognize that these messages and all the messages given here lead to salvation and holiness. Do not let your decision concerning these miracles of grace be based merely upon titles, empty cautions, and even untruths which have now been laid bare. Understand that the peace I give you when you come here is Heaven’s approval—Heaven’s signature upon this Mission.

"You have much to lose by disbelief. Much to gain by belief."

August 22, 2008 / Public

Pope John Paul II says: "Praise be to Jesus."

"Do not be surprised that Heaven has come in defense of these messages and this Mission. Holy Love is the way of unity amongst all people and all nations. It is the only lasting peace. It must not be opposed, but embraced as the solution to earth's woes!"

August 22, 2008 / Fri Rosary Service / Feast of The Queenship of Mary

Blessed Mother is here all in white and gold. Her Heart is exposed. She says: "Praise be to Jesus."

"My little children, the hour is desperate. Man opposes man because there is not enough Holy Love in hearts. It is time for Christian to stop opposing Christian in the name of discernment. All people and all nations must be united in Holy Love. To secure your future, let Holy Love take root in your hearts and be a firm anchor for you in the coming days and years."

"Tonight I'm extending to you My Blessing of Holy Love."

August 25, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate." Jesus acknowledges the priests in the apparition room and gives them a blessing.

"My dear brothers and sisters, tonight I would ask you to pray to go deeper into Holy Love, for it is only the depth of Holy Love that determines the depth of every virtue. Do not set yourselves against anyone. Pray for your enemies and surrender to Me trustfully, for I am protecting you against all evil and providing for your every need."

"I'm extending to you My Blessing of Divine Love."

August 26, 2008 / Public

"I am your Jesus, born Incarnate."

"I desire you understand with your whole heart My reasons for dispelling misinformation and controversies surrounding this Mission. I love every soul whether he be Christian, Muslim, Jew—even atheist. I love everyone. What I offer here is a way into the Divine Love of My Heart. It is for every soul. When I expose the enemy's tactics, I bring light to the path I call you upon. I do not come looking for approvals, but for the welfare of each soul."

"For this reason, I desire souls not be led astray in the midst of the great battle for each one's salvation. Through the Spirit of Truth, I stand for the truth that souls will be enlightened to follow the path of righteousness. It is because I love each soul, and desire to spend eternity with each soul, that I am prompted to reveal the obstacles Satan has tried to use against this Mission."

"Let the Light of Truth be victorious."

August 29, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, the surest way to live in God's Divine Will is to live in complete simplicity. Have no hidden agenda or guile within your hearts, but only live to love and fulfill God's Holy and Divine Will."

Jesus acknowledges the priests in the apparition room, and raises His Hand to bless us and says: "I'm blessing you tonight with My Blessing of Divine Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

September 2008

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic— according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

All people and all nations are welcome to come and pray with us.

**BLESSED MOTHER'S NEXT PROMISED MIDNIGHT VISIT
WILL BE ON THE FEAST OF OUR LADY OF GUADALUPE,
DECEMBER 12, 2008**

***Our Lady has promised to appear to Maureen at the United Hearts Shrine
after midnight the morning of December 12, 2008.***

Be here by 11:00 PM on Thursday, December 11, 2008.

September 3, 2008 / Public

“I am your Jesus, born Incarnate.”

“Today I have come to help you realize that self-knowledge is the key to spiritual advancement. It is only the truth that can open this door to self-knowledge. Be open to the Spirit of Truth and ask the Holy Spirit to show you the faults and failings of your heart in relation to Holy Love. Believe that self-knowledge is My Merciful Love in action.”

“When you open your heart to improving your faults and failings in Holy Love, I bring you deeper into My Own Sacred Heart. Pray for the humility to do so.”

September 3, 2008 / Public

“I am your Jesus, born Incarnate.”

“Today I come especially to address My bishops. My brothers, to you has been given the mission of upholding the Tradition of Faith. Yet, so many of you seek not to obey Me by upholding the truth, but to appeal to people by allowing your views to become compromised. You have allowed secularism into the heart of My Church so that My lambs are confused and do not know what the truths of the faith are.”

“Because I have imparted much responsibility to you and the welfare of thousands of souls, you will have much to answer for.

Return to the True Tradition of Faith and be united with this Holy Father. It is My charge to you. Make the truths of the faith clear to the flock I have given to you. Do not seek to please man, but to appeal to Me.”

**September 5, 2008 / Monthly Message to All People and Every Nation
(This message was given in multiple parts.)**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.” They both nod and acknowledge the priests in the apparition room. Blessed Mother motions towards Her Heart and Jesus blesses them.

Jesus: “My brothers and sisters, today I have come to ask you to place God back in the center of your hearts. It is only then that God will be in the center of your governments, the center of the Church and in the center of all your decisions in every present moment. When you place the opinion of man first and seek only to please those who can help you in some way, then you have compromised the virtue of Holy Love in your hearts and in the world, as well.”

“Morals in this country and around the world can only improve when the Ten Commandments are once again the basis of decision. These Commandments are the embodiment of Holy Love. Any laws that do not support life itself are godless laws.

Realize that all laws are not worthy of obedience, but can be trusted only if they are based on the commandments of love. I do not call you to obey Satan's lies—only Truth Itself."

"Truth always reflects the Spirit of Truth, which is Holy Love. Therefore, do not be tricked by title or authority to follow an errant path."

"I come to you during these times and at this apparition site to speak only the truth—to expose the truth and to reveal compromise."

"Blameworthy are those who know the truth but do not live accordingly. I speak of those who, acting as Catholic educators—teachers, clergy and even hierarchy—depart from Church Tradition to please self and man. They mislead and are responsible for the loss of many souls—not to mention their own."

"Venial and mortal sin are real. The sacraments are real. These have not changed. The hearts of those who ignore them have changed. You cannot justify liberalism—not in governments, the Church or in education."

"I do not come here to speak kind words, to please you or to offer platitudes so that you will find Holy Love an easy path to follow. Holy Love is not a concept to be considered from time to time or to make a judgment about, and then to abandon for something new. Holy Love is My call to you—to salvation, holiness and even sanctification. Once you receive My call, you cannot—you must not—toss it aside and pursue another path. Once again, I tell you, blameworthy are those that do so."

"It is not My intention to fan the flames of controversy here, but to extinguish them by revealing the truth. You must understand that My Victory will come as a Victory of Truth, convicting all hearts that are in error. Until such a time comes, My brothers and sisters, you will have to endure the barbs of persecution by those who search out reasons not to believe—those who do not persevere in pursuit of the truth, and those who misunderstand the workings of the human heart in cooperation with the Holy Spirit."

"Many have been misled and misunderstand this Mission for lack of support from Church authority. But I have sent enough messages to earth revealing the false claims and misinformation behind all this coming from this diocese that none should fall prey to the swirl of controversy they attack us with. You say you believe I would always support My bishops. I support the Truth and I hold My bishops accountable to the Truth. The Truth is My Father's Divine Will, which stands unreachably. My Father's Divine Will is Holy Love. It is through Holy Love I can reach out to souls. No one, no matter their authority, should stand in My way. All bishops need to be certain of what those under them are saying and doing. They are responsible for the actions of those under them, as well as those who pretend to speak on their behalf."

"Do not be shocked by My words, but realize that it is My Merciful Love that corrects these errors."

"How I long for all people and all nations to be united in the Flame of Divine Love. Clothe yourselves with humility and Holy Love, and allow yourselves to believe and to be touched by these messages. Some who are faint-hearted may drift away, but those who have truly accepted all I give you here will remain faithful to the messages, realizing how they have been set upon by the powers of evil."

"My brothers and sisters, persevere in faith, hope and love."

"We're extending to you today the Complete Blessing of Our United Hearts."

September 8, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, soon you will have another midnight visit from My Mother. I beg you to make these messages known and live them moment by moment in your hearts. It is through these messages that every sort of adversity can be overcome, both in hearts and in the world itself."

"When love begins to govern hearts and the world, the entire cosmos will be in harmony with the Divine Will of My Father. Therefore, pay attention and begin to live as I direct you."

"I'm blessing you with My Blessing of Divine Love."

September 12, 2008 / 2nd Friday Rosary Service to Pray for Priests

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate." They acknowledge the priests in the apparition room. Our Lady then gives the priests a personal message.

Jesus: "My brothers and sisters, pray for priests that they adhere to the Tradition of Faith. Each night the priest should examine his conscience to make certain that in thought, word and deed he has upheld the faith."

"Seminaries in this country, many of them stand empty, some have been misused, and the Tradition of Faith is not passed on. Pray that priests realize the importance of education in seminaries and with the youth as well."

"Tonight We're extending to you the Complete Blessing of Our United Hearts."

September 15, 2008 / Midnight Service at the United Hearts Field Feast of Our Lady of Sorrows

(This message was given in multiple parts.)

Our Lady is here dressed in gray and has the Seven Swords in Her Heart. She says: "Praise be to Jesus."

"Dear children, tonight I have come to help you see more clearly the choices you must make. These times in which you are now living are very difficult, for the differences between good and evil have become obliterated by compromise. Mankind has placed himself at the center of the world instead of God. No longer is pleasing God a priority. Man chooses over and over to please himself through money, power and every sort of worldly gain."

"Little by little, good souls, souls once consecrated to My Immaculate Heart, are slipping away from Me in pursuit of temporal pleasures. Even in the Catholic world where I was once Queen of the Most Holy Rosary, My statues are being removed and the rosary is not respected anymore. This is why your Heavenly Mother weeps."

"Tonight, dear children, I have come to ask for your assistance in reversing the trend within the Church towards liberalism. Please pray with Me for the illumination of conscience of all Church hierarchy, priests and religious. I desire, with a tender Mother's touch, to draw each one closer to Me—to be united in My Immaculate Heart which is Holy Love. Therefore, understand Jesus has sent Me to renew His Church in the Tradition of Faith in and through Holy Love. It is through My Heart the grace will come to avoid any schism, but you must listen to Me."

"In this present moment, I remind you that the only way in which mankind can be reconciled with God the Father is through Holy Love. If Holy Love does not govern your hearts, no amount of peace talks or treaties will bring you genuine lasting peace. You must love God above all else and your neighbor as yourself. This is the only path to salvation, holiness, sanctification and lasting peace."

"My dear, dear children, I desire only the best for you, your own salvation. There is but one way into God's Kingdom, one key that unlocks the Gate of Heaven that is God's Eternal Divine Will, which is Holy Love. Each present moment is your opportunity to show the Father your love for Him by choosing to let Holy Love rule your hearts. By choosing Holy Love, you are always choosing Truth Itself, which is the soul of love. Be obedient to the Truth. Let no one, whatever his title or position in the world, lead you away from the Truth."

"Tonight, dear children, I am asking you to consecrate your hearts and your lives to the Truth so that you will always be Mine. Test everything with the rule of Holy Love so that you will never be tricked or duped by Satan to embrace his agenda, which is all lies."

“The Father’s Divine Will for you is that you are all united in Holy Love—that you live in harmony with one another and with your Creator. This is the hope of the world—the invitation to the New Jerusalem.”

“Dear children, when you pray with love in your hearts, time is suspended. The Divine Will of God comes closer to earth and a bridge of reconciliation spans the abyss formed by sin. Understand, then, the importance of prayer from a loving heart. Such prayer that can suspend time can also suspend the laws of nature, redirect elements of the cosmos and alter future threats to the human race. God’s Eternal Divine Will allows Itself to be moved by such prayer that arises from a heart of love.”

“When the love of man is united with Divine Love, it is a force that no sophisticated weapon, no devious plan of Satan, no movement of free will can match or equal. This is the weapon you need to use to put an end to war, terrorism, moral degeneration, poverty and disease. The prayer of love that unites you to Divine Love is what you must seek and use. No other weapon can act as quickly, as surely or with such resolute effects. The future of the human race depends on your decision to listen to Me tonight and to act on My words. Do not wait for approvals before you put this powerful weapon of all weapons—loving prayer—into action. You haven’t the time! I am handing to you victory now.”

“Before you begin to pray, say:”

“Heavenly Father, I give You my love. Take this prayer as a morsel of love from my heart and wrap it in Divine Love. Make this prayer an instrument of Your Divine Will. Amen.”

“The Eternal Father desires to cooperate with you and that you join Him, making each prayer the strongest weapon possible against evil.”

“Dear children, tonight I have asked each person in the world to pray with a loving heart to their Creator for the well-being of the world. But now, in this place and time, I ask all those who are Catholic to pray in earnest their rosaries for the Church, for the world and in particular for this country, which is facing difficult challenges in the near future. Satan has succeeded in making sin into legal and political issues, clouding evil with the language of choice. I am telling you that the weapon to use against all evil is your rosary. But, My dear children, you must load the weapon with ammunition, which is the Holy Love in your hearts when you pray.”

“In the Church, this Holy Father is working very hard towards unity in the Tradition of Faith. Follow him! All the confusion about True Tradition has been inspired by Satan who uses Vatican II as a scapegoat—an excuse for variance from the truth. There are cardinals, bishops and priests who have not chosen to live in the truth or even in a state of grace.”

“Their bad choices will have eternal effects, for they cannot make up their own rules. Pray for the ones they mislead.”

“Dear children, tonight I come to you as a concerned Mother, warning you that you are placing yourselves in harm’s way of many dangers and disastrous consequences. You can no longer afford to carelessly place yourselves first. God needs to be first in your hearts so that He can once again govern your country and the world.”

“Do not allow My warnings to you tonight to go unheeded or to be lost in a storm of controversy. You are choosing your own future, either by heeding My warnings and turning to loving prayer or by ignoring yet another grace-filled admonition and continuing on the path to destruction. Just as the baby cries out in the womb begging to live, I cry out to you tonight, begging you to choose a new life with God at the center.”

“Dear children, you have come here tonight amidst great adversity. I ask you that when you return to your points of origin you would, with some Holy Boldness, make known My message to you this evening.”

“Dear children, the moral integrity of your country depends upon your response to My call here tonight. Your country is under My Mantle of Protection so long as its people live moral lives and place God first in their hearts. I love you and want only the best for you.”

“I’m taking your petitions into My Immaculate Heart, and I’m blessing you with My Blessing of Holy Love.”

September 15, 2008 / 7:00 p.m. Service at the Lake of Tears - Feast of Our Lady of Sorrows

(This message was given in multiple parts.)

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.” Our Lady is here as the Sorrowful Mother. She is dressed in gray and has Seven Swords in Her Heart.

Jesus: “My Mother came to you at the dawn of Her Feast of Sorrows with the demeanor of a loving, concerned Mother who fears for the welfare of Her children. I, your Jesus, ask you not to let Her words go unheeded.”

“This country, in particular, should take note, as moment by moment you call upon My Justice. Soon, very soon, you will have an election for president, which will be a defining moment in your country’s history. More than any other election, this one will chart the course of future events.”

“Once again I tell you, the country that chooses to protect life in the womb will receive My Abundant Blessing. Do not tempt Justice by choosing to chart an alternate course.”

“My Mother has revealed to you the great impact and influence that loving prayer has upon hearts and even world and cosmic events. Today I, your Jesus, ask that you return to the practice of the family rosary. Through the family rosary prayed with Holy Love in the heart, families can be reunited, Satan’s covert actions will be revealed, solutions will be found to the most difficult problems and conversions will be inspired.”

“The families that embrace the family rosary will have in their midst My Immaculate Mother—Refuge of Holy Love. Distractions and errors will dissipate. There will be peace.”

“My Mother’s Sorrows today are compounded by the numbers of unbelievers who disregard Her intervention here and reject the grace of the spiritual journey into the United Hearts. If more would propagate this journey, if more would live the messages and be the messages, this country would be a sign of conversion to a faithless world. Every country that supports these messages can be a countersign in this evil age, if they believe. The present and the future of each person, every country, and of the world itself, is determined by their willingness to live in Holy Love, which is My Father’s Will for them. Holy Love builds up the moral fiber from within. When moral integrity begins to deteriorate, the person or nation slowly slips into the grasp of Satan.”

“My brothers and sisters, this country is looking for a president who will promote change. But I tell you, the change that the country needs is not new programs or new policies. The change that should be promoted is an END TO LEGALIZED ABORTION and the placement of GOD back in public places and in schools. Such a candidate I would support Myself.”

“Tonight We’re extending to you the Complete Blessing of Our United Hearts.”

September 19, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed and says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, the best thing you can do for your country now is to live in thought, word and deed in Holy Love. The more pure the Holy Love in your hearts, the more meritorious your acts of kindnesses, sacrifices and prayers are. This unites you to the Divine Will of My Father Who is the Eternal Now.”

(Jesus gives Maureen a private message.)

“Tonight I’m blessing you with My Blessing of Divine Love.”

September 20, 2008 / Public

Blessed Mother Teresa is here. She says: "Praise be to Jesus."
"Everything you do, everything you say, everything you think should be for love of God and love of neighbor—everything, everything! Always to build up, never to tear down. If you live this way, you will be living in God's Will."

September 21, 2008 / Public

St. Thomas Aquinas says: "Praise be to Jesus."
"Today I invite you to comprehend that God's Divine Love, Divine Mercy and Divine Provision are all One. They cannot be separated One from the other. Love, Mercy and His Divine Provision combine to comprise God's Eternal Divine Will."

September 22, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."
"My brothers and sisters, many, many were delivered from Purgatory at midnight when My Mother appeared on the property on the 15th. These souls were acquainted with or related to someone who attended the prayer service, and were in Purgatory long hours for sins of omission; but now they are in Paradise with Me. And so, rejoice!"
"Continue to pray for those who remain in Purgatory, for few pray for them."
"Tonight I'm extending to you My Blessing of Divine Love."

September 24, 2008 / Public

Blessed Mother Teresa says: "Praise be to Jesus."
"Think everything, say everything, do everything for love of God and neighbor. Anything that stands in the way of this is not of God. That is how you can know if you are in God's Will. Always—always."

September 26, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."
"My brothers and sisters, pray at least once a day for those who are being held captive spiritually by Satan. These are the ones who do not realize that they are on the path to perdition. They worship false idols such as money, power and reputation. They need your prayers and sacrifices so that they will recognize the truth when I present it to them."
"Tonight I'm blessing you with My Blessing of Divine Love."

September 28, 2008 / Ecumenical Prayer for Unity Amongst All People

Jesus and Blessed Mother are here. Their Hearts are exposed. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."
Jesus: "My brothers and sisters, once again I come to plead with you to allow God back into your hearts so that His Divine Will can govern the heart of the world. If God is not in the center of your hearts, the world will continue to be purified and stripped of its false gods, such as money, power, reputation and the like."
"Do not be fooled by policies and dictates that do not include God's Will, for they are not long-lasting."
"Today We are extending to you the Complete Blessing of Our United Hearts."

September 29, 2008 / Feast of the Archangels - Michael, Gabriel, Raphael

Jesus is here and He is standing in front of the three Archangels. He greets the priests here and the angels bow to them. He says: "I am your Jesus, born Incarnate." (A private message was given.)
"My brothers and sisters, your country is suffering because it has failed to respond to Heaven's intervention here. It is not governed by Holy Love and, therefore, is not living in the Divine Will, and governing according to the Divine Will."
"This Mission must continue to trust in Heaven's Provision—Heaven's protection. Do not fear, but live in trust."
"Tonight I'm extending to you My Blessing of Divine Love."

**BLESSED MOTHER'S NEXT PROMISED MIDNIGHT VISIT

***Our Lady has promised to appear to Maureen at the United Hearts Shrine
after midnight the morning of December 12, 2008.***

Be here by 11:00 PM on Thursday, December 11, 2008.

October 1, 2008 / Feast of St. Therese of the Child Jesus

St. Therese says: “Praise be to Jesus.”

“Always see worry or lack of trust as a sign that you are not living in God's Divine Will. Worry is a sign that you are hanging on to your own will. If you are frustrated in any way by events or peoples' actions, once again you have not accepted God's Divine Will but want your own way.”

October 2, 2008 / Public

St. Thomas Aquinas says: “Praise be to Jesus.”

“I have come to clarify the revelation that the Flame of our Mother's Heart, which is Holy Love, can be likened to the flames of Purgatory. In Purgatory the soul sees clearly all that he has done in thought, word and deed which stood between his soul and the Divine Will. He sees what remains to be atoned for and he willingly casts himself into the purifying flames to be purified.”

“When, in the world, the soul chooses to live in Holy Love, he is similarly convicted of any obstacle within his heart which stands in the way. He, with great effort of his free will, tries to purify himself of these iniquities and God sends trials which test and assist him in these efforts. So, in many ways, to

immerse yourself in the Flame of Holy Love is a taste of the purifying flames of Purgatory. Let me add that there is no other path if the soul desires holiness.”

October 3, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, fundamental to your journey in holiness is that you live in Holy Love. The Holy Love in your heart makes worthy every prayer, every sacrifice, every act of penance. Receiving Me in the Blessed Sacrament is more meritorious when you have Holy Love in your heart. Every decision should be based on the maxim of Holy Love.”

“Tonight I'm extending to you My Blessing of Divine Love.”

October 4, 2008 / Public

St. Thomas Aquinas says: “Praise be to Jesus.”

“I have come to describe to you some ways in which pride, which is disordered self-love, affects the conscience. Guilt is a form of pride. I say this, for guilt is the result of the inability to forgive one's self of some past thought, word or deed. This

unforgiveness is really the inability to believe that he (the soul) was capable of committing such a sin. Each soul needs to recognize that humanly, and through free will, he can give in to any error.”

“This takes me to another area where pride leads souls astray—that is the condition of a false conscience. In such a state, the soul believes he is above committing certain sins or sometimes, any sin. Perhaps he holds an important position in Church or world hierarchy and believes falsely that he is exempt from blame. It is often these same ones who are most critical of their neighbor or even fall into the trap of rash judgment. This is yet another snare of pride.”

“Some who read or hear my words to you today will not recognize themselves, as they summarily refuse to see themselves in any of these messages. These are the ones who unwittingly lend a willing ear to Satan, but turn a deaf ear to Heaven. Pray for them.”

October 5, 2008 / Monthly Message to All People and Every Nation
(This message was given in multiple parts.)

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate. The angels are placing all of your petitions in My Sacred Heart even as I speak. They will all be answered according to the Father’s Divine Will.”

“Realize, My brothers and sisters, that the truth of Holy Love stands by you. It does not fluctuate like the stock market. Nor does it decrease in value as the dollar bill. It does not leave you when you must part with all the passing things of the world. Holy Love—truth itself—follows you into the next life as it remains in your heart. Holy Love is the very truth by which you will be judged. Why then, listen, believe in or trust anything else?”

“When you must make choices, base those decisions, as closely as possible, on Holy Love. Do not depend on the false promises that Satan dangles in front of you by those who seek your support. Truth is too often compromised by those who want to look good in the eyes of others or by those who seek power or authority. I, your Jesus, tell you to trust, not by appearances, but by the foundation of Holy Love—truth itself.”

“Many have tried to still My Voice here—always through untruths. Misuse of authority against this Mission goes unchecked even though I have tried to correct consciences. Many injustices have been committed without conviction of heart. But truth will continue to flow freely through this Mission despite Satan’s attempts to cover and disguise his actions.”

“I am persevering here in calling hearts to make clear choices on their path to salvation. Do not think there is always time to convert, time to change, time to choose to live in Holy Love. You have the present moment—fill it with Holy Love. This is your salvation. The depth with which you embrace Holy Love determines your eternity. This truth makes the present moment the most important time of your life.”

“My brothers and sisters, do not be confused by the rhetoric of the day which tells you to trust in the temporary. For I tell you, earthly solutions, worldly values and even peace itself is passing unless these things are founded on the truth of the commandments of love.”

“Make your hearts like open vessels, waiting for Me to fill with Holy Love. Surrender every concern, every problem to Me. Accept that I am Lord of all—even your problems. Do not worry or fret. Wait in a constant state of prayerful surrender for My Father’s Will to be made known to you. Accept His Will. Any other path leads to lack of peace. Practice forgiveness. Then soon it will come easily to you. This is the way to live in every virtue. I desire your holiness.”

“The future of the world rests in the hearts of the youth. Solemnly, I tell you, Satan knows this and comprehends it more than most adults in the world do. That is why he uses every form of entertainment, every kind of fashion, literature and political agenda to convolute the morals and goals of the youth today. Besides all of this, he uses abortion to depopulate the numbers of those in future generations, many of whom would have been worthy leaders in their chosen fields.”

“False values—values which base happiness and security on passing pleasures—have replaced love of God and love of neighbor. When I speak here, I come to reinforce the truth of Holy Love, not only now, but for all future generations. The time will come when history will show evil for what it has been, and its influence in the Church and the world during these times. Then these revelations will pass from scrutiny and obscurity into acclaim. Until then, each one who hears and believes must be My Hands, My Feet, My Voice in propagating the truths of these messages.”

“You cannot expect the favor of My protection upon your country, either in economics or foreign policy or in any area, so long as you reject life in the womb, which is My gift to you. Take heed of this warning and act upon it.”

“I’m blessing you with My Blessing of Divine Love.”

October 6, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I ask only that you pray that souls awaken to the truth. Live according to the truth and support the truth.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

October 7, 2008 / Feast of Our Lady of the Rosary

Blessed Mother says: “Praise be to Jesus.”

“Jesus allows Me to return to you to speak on this—a most important feast day.”

“Your country, and indeed the world, has embarked upon perilous times—perilous because truth is not recognized and My children seek to please themselves instead of God and neighbor. Peace will not come to you through military efforts, weapons of mass destruction or superficial negotiations. Security will not come through new economic programs or stabilization of Wall Street.”

“All of these are contingent upon this:”

[She is holding a large teardrop from the Rosary of the Unborn.]

“Pray this rosary to bring an end to legalized abortion. The future of the world depends upon it.”

October 9, 2008 / Public

St. Thomas Aquinas says: “Praise be to Jesus.”

“This is why trust is the key to the spiritual journey into the Chambers of the United Hearts. Trust is the barometer of self-surrender. The soul who trusts gives up his own will and waits upon the Lord, trusting always in the Divine Will. The deeper the trust, the deeper the humility and love that trust is built upon. This is why trust reflects the depth of the spiritual journey.”

October 10, 2008 / Public

Blessed Mother Teresa says: “Praise be to Jesus.”

“When you get up in the morning, ask Jesus to show you how to be His Love in the world today. Do everything with great love—everything, everything—whether it is the smallest prayer

or the smallest act of kindness to another. Sometimes all you have to give is a smile. Give it with great love. Love is the force that can change the world.”

[Note: Blessed Mother Teresa’s hands appeared very arthritic.]

October 10, 2008 / 2nd Fri Rosary Service to Pray for Priests

St. John Vianney is here and says: “Praise be to Jesus.”

“Tonight’s message is very short and easy on the ears, but difficult to live from the heart. All priests should pray to recognize the truth and to support it.”

“I’m extending to you my Priestly Blessing.”

October 12, 2008 / 2nd Sun Service to Pray against Abortion

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, always find your peace and security in God’s Divine Will. If you support LIFE from conception to natural death, you are living in God’s Will, and your attitudes and opinions must reflect this. If you do not support life from conception through natural death, then you are far from Our United Hearts. Ask Me for the strength to be prolific in every situation and I will give it to you.”

“We’re extending to you the Complete Blessing of Our United Hearts.”

October 13, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, I remind you that every virtue is only as deep as the Holy Love that is in your hearts at the time that the virtue is tested. In order to persevere in any trial, your heart must be steeped in Holy Love so that your perseverance is unchallenged by the enemy. Continue to pray much for the conversion of souls, for those who do not work on their own personal holiness and for those who reject Holy Love.”

“Tonight We’re blessing you with the Complete Blessing of Our United Hearts.”

October 15, 2008 / Feast of St. Teresa of Avila

St. Teresa of Avila says: “Praise be to Jesus.”

“The whole basis of the reform I fought for in the Carmelite Order was to call my sisters back to Holy Love. They had become soft and lapse in this virtue, and so in every virtue. For I tell you this, the more the heart is enfolded in Holy Love, the more eager he is to practice every virtue. Holy Love in the heart makes him see the value of the test of virtue as a way to strengthen virtue, and thus show love for God and neighbor.”

October 17, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, it is only through the passport of free will that the Chambers of Our United Hearts open to the soul. In a similar way, it is free will that determines the soul’s depth into the Chambers. If you will to go deep, deep into these Sacred Chambers—even to the Sixth Chamber—it will open to you.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

October 19, 2008 / Public

St. Thomas Aquinas says: “Praise be to Jesus.”

“I have come to further enlighten souls concerning the journey through the Chambers of the United Hearts.”

“As the soul passes through the First Chamber, which is purgation of his greatest iniquities, he moves into the subsequent Chambers, which lead him to deeper holiness, and at the same time deeper introspection as to his smaller faults and failings. For instance, the soul cannot increase in virtue unless he recognizes the ways he is not living in virtue. This is again a purging of the old ways and putting on the new.”

“So then, the entire journey is a deepening self-awareness of flaws in Holy Love—a deepening purgation of errors in love. It is thus the soul is able to rise to perfection and eventual union with the Divine Will.”

October 20, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, allow Me to be the constant in your life, for My Love and Mercy towards you are unchanging in every present moment. Place all your petitions in the Wound of My Heart and accept the Provision of My Father’s Divine Will upon them.”

“I am blessing you with My Blessing of Divine Love.”

October 21, 2008 / Public

Once again I see a great Flame that I have come to know as the Heart of the Father. He says: “I am the Eternal Father, the Divine Will, the Eternal Now. The Flame of My Heart, which is One with My Will, is ever-present to you. It does not change, but is always Perfect Love, Perfect Mercy.”

“In Heaven you will live in the Flame of My Heart. Then, every joy you ever felt on earth will be present to you all at once. For there is no past or future in Heaven—no element of time which changes the present into the past. All affection you ever experienced or felt on earth will be ever-present to you. There will be no pain of loss or guilt—no unforgiveness—only love.”

“You see the leaves that I have painted for you, but you are sad to see them fade away. In Heaven all the beauty you appreciated in the world will be with you all at once. It will never fade. Memories will become the present, for I am the Eternal Now.”

October 23, 2008 / Public

“I desire you write this down. I am your Jesus, born Incarnate. I will help you memorize it so that these words will always be in your heart where they belong. Perhaps others would benefit from them, as well.”

“I am your constant.

My Love for you is unchanging.

My Mercy upon you is endless.

Fear nothing, but trust in Me always.”

October 24, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, live always in God’s Holy and Divine Will for you, which is Holy Love. Base all your decisions and choices on Holy Love, then you will be living in the Divine Will and open to the fullness of God’s grace.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

October 26, 2008 / Ecumenical Prayer for Unity Amongst All People

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

"My brothers and sisters, allow Holy and Divine Love to be your refuge in every storm of life. Allow the Messages of Holy and Divine Love to be the refreshment of My Provision in your every need. Pray that more come into the refuge of Our Hearts."

"Today I'm blessing you with My Blessing of Divine Love."

October 27, 2008 / Public

St. Martin de Porres says: "Praise be to Jesus."

"I have come to speak to you concerning some topics that have become very ambiguous in this present day. This is so, for the sense of good and evil has been relinquished to the god of self-love. Furthermore, Satan has succeeded in making sin into political issues which stills the voice of those who want to protect certain tax benefits. Therefore, the choices of many have been compromised due to lack of leadership."

"I am here to tell you how dear all life is to God from conception to natural death. Each life is God's Will. Each one is given certain and unique gifts. Each soul can reach sanctity. The grace is there. When life is interrupted in the womb, all of this dies with it. When life is cut short by any other means, God's plans—whatever they may be even unto redemptive suffering—are cut short."

"Laws should not be opposed to God's Will, nor should lawmakers. The Almighty formed man and woman to be united in marriage and to procreate. Same sex marriage is another sign of Satan's power of persuasion."

"Anything people choose should reflect God's laws—not self-love, not passions of the flesh, not convenience of self-design. The more mankind interferes with God's plans, the wider the abyss between Heaven and earth. This abyss weakens God's protection over His Creation. For this reason the destiny of the world weighs in the balance with free will choices. Do not support sin. Look for the truth."

October 27, 2008 / Mon St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, during the upcoming week, before the presidential election that approaches quickly, pray the elected one supports democracy and life in the womb."

"Tonight I'm blessing you with My Blessing of Divine Love."

October 30, 2008 / Public

St. John the Baptist says: "Praise be to Jesus."

"I have been sent to help you to understand that the journey through the Chambers of the United Hearts can be likened to a new baptism—a Baptism of Truth. It is like a new Pentecost—an outpouring of the Spirit of Love. Do not forsake this powerful spirituality. Pray that more and more open the door of their hearts to this call."

October 31, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, My Father's Will was that the State of Ohio would become the center of importance—not because of the upcoming election [November 4] but because of this apparition site."

"However, free will has interfered. Pray that free will does not interfere with the decision to choose life in the upcoming election."

"Tonight I'm imparting to you My Blessing of Divine Love."

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

November 2008

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic— according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

All people and all nations are welcome to come and pray with us.

November 1, 2008 / Feast of All Saints

Jesus and Blessed Mother are here and They greet the priests in the apparition room by nodding to them. Our Lady says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, this presidential election is pivotal in the history of your nation. Pray the Rosary of the Unborn and invoke the intercession of all the saints in Heaven that the truth of life in the womb is respected and truth is victorious.”

“Tonight We’re extending to you the Complete Blessing of Our United Hearts.”

November 3, 2008 / Feast of St. Martin de Porres

St. Martin de Porres says: “Praise be to Jesus.”

“Jesus wants you to know that people who place economic issues ahead of life in the womb in this election have placed their souls in grave danger. The future of the abortion issue will be structured by whomever the next appointee to your Supreme Court is. Satan supports the candidate who embraces abortion. It is quite remarkable that people do not recognize his evil fingerprints on this election.”

“I cannot make the choice between good and evil more distinct than I just have.”

November 3, 2008 / Mon. St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I have come to remind you, in every present moment you choose either in thought, word or deed for or against Holy Love, for this is the measure of your ‘yes’ to sin or to Me. Choose love of Me.

Do not be misled. Understand it all comes to light in the hereafter—nothing lays hidden.”

“Tonight I’m imparting to you My Blessing of Divine Love.”

November 5, 2008 / Monthly Message to All People and Every Nation

(This message was given in multiple parts.)

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“I tell you solemnly, that the greatest evil in the world today is departure from the truth—the truth of the two great commandments of love—love of God above all else and neighbor as self. When these truths are violated, whole nations are easily led astray. Without the firm foundation of Holy Truth, dictators easily rise to power. Love of God and neighbor suffers persecution even as truth itself is challenged in the name of ‘freedoms’ and ‘rights’.”

“As soon as truth is handily put aside, sin takes its place and is even supported by law. This is the beginning of the moral degeneration of whole nations.”

“As I have repeated to you over and over, what is in hearts is then in the world around you. Your country took a giant step yesterday [election day] towards being known as a liberal nation—a nation where anything goes. The ones who will suffer the most will be the innocents in the womb and those who try to live in Holy Truth, which is Holy Love.”

“You must draw together now under My leadership as lambs flock around their shepherd. My hope and yours, as well, is the Remnant who listen to My voice. I know them and they know Me. You are the ones who, living in truth, must reveal evil for what it is—not freedom but

slavery to sin. These events which are striking at the moral fiber of your nation were bound to happen before My return.”

“It is because of this imminent moral decline that I have set this Mission apart and upheld it in the attacks and controversies of those who would destroy it. Do not be disheartened, then. I come today to renew your spirit and to encourage you in the battle that lies ahead. None shall undo My plans here. While those who have accepted Satan’s lies will face daunting struggles, My Mission will flourish.”

“Unity in Holy Truth is the key. Mark My words to you today. The evil forces that will seem to conquer your nation will, in the end, crumble. Holy Love will be victorious. This Mission’s existence, in the face of all the evil that has opposed it, is your proof.”

“I am bringing the world to your doorstep. For while this Mission has not been popular in your own country, it will gain strength from many other nations that recognize the false allegations levied against it for what they are.”

“My brothers and sisters, be content with being part of My Remnant Faithful, for this Holy Remnant is the foundation of My Victorious Return. Yes, on the day when all seems lost, Holy Love will be victorious. Until such a time, I am here to guide you, to protect you, to shepherd you.”

“Let My Messages, My Mother’s Messages and the messages of the saints be the shepherd’s staff which guides you past the briars of liberalism in its most devastating manifestations. If you allow Heaven to shepherd you, you will not be confused by the legalization of sin, mistaking civil law as a moral right. Realize that all leadership is not just leadership in My Father’s Eyes. Cling to Me, Shepherd of Divine Love.”

“My brothers and sisters, come to realize that hearts that do not accept My Father’s Divine Will, which is Holy Love, have chosen this next president of yours. It is very difficult for hearts, which do not live in Holy Love, to recognize evil. Therefore, you must pray that Holy Love in hearts spreads, and that more come to recognize the path your country takes.”

“Today I’m blessing you with My Blessing of Divine Love.”

November 7, 2008 / Public

“I am your Jesus, born Incarnate.”

“Within your lifetime, you are witnessing the evil usurping of what heretofore has been good and innocent. It is proving so in the Church, in the world and in governments, as well as civil authority. The spread of evil has been insidious. No one can mark a time or date when this all began. But now, evil is becoming brazen and unafraid of manifesting itself in words and actions. The good and just are fearful of standing up for the sake of righteousness for fear of evil reprisals.”

“But I have come to tell you that I support the good, the holy, the righteous. I encourage you to be united in Holy and Divine Love just as My Mother and I are united. Allow your hearts to beat as one with Our Sacred Hearts, and do not fear any action of mere man. Those consecrated to Our United Hearts must be the soul of

holiness in a world that rejects holiness. Do not look for fairness or justice amongst men. I appeal to you—be signs of My Love and Mercy in the world, and My Love and Mercy will flood your hearts. Show those around you who have placed their trust in the world how to trust in Me.”

November 7, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, trust always in the Spirit of Truth to come to your defense. The Spirit of Truth, who is the Holy Spirit Himself, is always with you to defend you and to support you in every instance. Never depart from Him. Rely on Him in every situation.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

November 8, 2008 / Public

“I am your Jesus, born Incarnate.”

“I have come to remind you that you are not helpless in the face of evil. Indeed, the greatest weapon of all is at your disposal. It is prayer. The prayer of the rosary is greater than any weapon known to man.”

“Further, do not be discouraged, thinking no one hears your prayers. I tell you, all the prayers offered for the outcome of the last election that were rejected by stony hearts are now being used towards the conversion of those unworthy of offices they were elected to.”

November 12, 2008 / Public

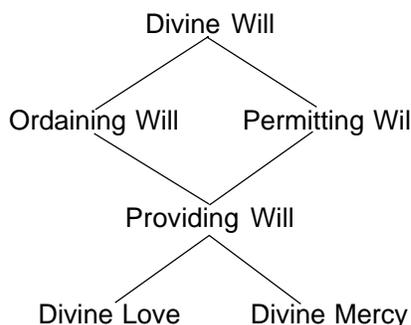

St. Thomas Aquinas says: “Praise be to Jesus.”

“I have come to help you understand the workings of grace in the world. Everything is a grace. Everything is God’s Will. God can turn evil into good, and good into perfect. For grace to be most effective in the world and in transforming hearts, it needs to be recognized as the Hand of God working in the world. For instance, you see a beautiful Fall panorama. Some just see it as ‘nature’ at work. But if the soul can see it as God’s unique design and the inner workings of His grace, the heart can be transformed by accepting God’s Love for him through this particular grace.”

“Today, unfortunately, most graces go unrecognized and unnoticed as God’s handiwork, for mankind trusts too much in himself. He sees himself as the provider—even the creator. Many graces that God is ready to offer are left unattended, unspoken for, and may be viewed as unneeded. I give you human life in the womb, as an example. Do not wonder at your lack of strong leadership in this country. Many would-be political giants have been aborted. The same is true of the ever-aging priesthood. Many vocations have been snuffed out in the womb.”

“If you recognize God’s Hand in every present moment, then you are living a grace-filled life. You cannot live in God’s Will without accepting the graces He desires you have. Allow graces to fill your heart by merit of recognizing them. Mary, full of grace, is ready to assist you in this effort.”

November 13, 2008

“I am your Jesus, born Incarnate.”

“What you have just charted represents the dynamics of My Father’s Eternal Divine Will. The commandments which are embodied in the Father’s Ordaining Will are His order of righteousness. His Permitting Will is all that the Father consents to through graces in the world” [such as the workings of free will].

“My Father’s Providing Will is His Divine Love and Divine Mercy manifest in the world. His Providing Will is always victorious—though not always in evident ways to mankind. God’s Providing Will is always apparent in faith, hope and love. It is grace-filled, exposing evil and laying bare the path of righteousness.”

“His Providing Will multiplies good and provides a way around evil. You can place your trust in these words.”

November 14, 2008 / Public

“I am your Jesus, born Incarnate.”

“My Father’s Permitting Will is the source of man’s free will. With His Permitting Will, He allows or consents to man’s free will choices, always weaving these free will choices back into the tapestry of His magnificent plan for man’s salvation.”

“My Father’s Providing Will gives mankind the graces needed to love God above all else and neighbor as self. God’s Providing Will offers mankind the opportunity to see His Paternal Hand in all things, and to see in what ways he is able to increase in holiness.”

“When My Father’s Provision is rejected, the soul places itself in jeopardy—a position which opposes the graces of the present moment—for every grace is God’s Provision.”

November 17, 2008 / Mon. St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, allow your hearts to be filled with Holy Love, and thus you will be Holy Love in the world. Such a heart can impact many souls and change the world.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

November 19, 2008 / Public

St. Thomas Aquinas says: “Praise be to Jesus.”

“I have come at your behest to explain further the inner workings of the Divine Will. God’s Permitting Will allows man his free will choices. God’s Providing Will interweaves these choices and the consequences of the free will choices with His Divine Will. Only God the Father sees how every event—every choice, be it good or evil—plays together with His Permitting Will for the welfare of all mankind.”

“The heart that strives to embrace Holy Love in every present moment will make good choices in thought, word and deed—choices that most resemble God’s Divine Will. In this light, I wish to help you to see that what you hold in your heart concerning another can affect the relationship of that soul with God. If you are unforgiving, then you are surrounding that person with thoughts of anger. This makes it more difficult for him to turn to Divine Mercy. The same feelings of anger born of unforgiveness present an obstacle between your soul and the Heart of God.”

“Make these things known.”

November 21, 2008 / Public

St. Thomas Aquinas says: “Praise be to Jesus.”

“Jesus has sent me to help you to understand the inner workings of the Eternal Divine Will. The Father’s Permitting Will allows free will its choices, whether they be good or evil. But His Providing Will can be likened to a master weaver, nimbly weaving together all the threads, all the choices, to bring about His Good, the complete tapestry—His Divine Will. Therefore, God’s Providing Will is like an expediter, making all things work together for the greater good.” (Rom. 8:28)

“Everything, then, can be said to be God’s Will just as everything is a grace.”

November 21, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, always pursue Holy Love with a sincere heart; then you will be on the path of truth. Truth and sincerity abide together in the heart and lead the soul to perfection.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

November 23, 2008 / Feast of Christ the King

“I am your Jesus, born Incarnate - King of All Nations.”

“If I were truly King of all hearts, there would be no abortion, no war, no false gods of money, power and vanity created by self-love.”

“As it is, war begins at conception with the struggle for survival in the womb. Human necessities take a back seat to human luxuries and indulgences. Mankind has lost sight of Divine Provision and has replaced it with trust in himself. God’s Divine Will is no longer a consideration in legislation, governments or foreign policies.”

“As Heaven has intervened at this site in an attempt to correct consciences, Heaven’s efforts have been maligned, calumnized and summarily rejected, all in an attempt to protect power and control. As King, I ask you

now, be courageous enough to search out the truth. Your salvation may weigh in the balance as these messages have and are leading many to salvation. The graces here reflect the power of My Kingship—yet go unnoticed by many. I continue to act here through My Mother, many saints and by My Hand of Love and Mercy.”

“I do not surrender to human apathy but to the Authority of My Father Who designs great things for those who believe.”

November 23, 2008 / Ecumenical Prayer for Unity Amongst All People

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“Today, My brothers and sisters, I desire to take dominion over every heart. Allow Me to do this so that I can lead you gently along the path of My Father’s Divine Will. I love you.”

“I’m extending to you the Blessing of My Divine Love.”

November 24, 2008 / Mon. St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, I, too, am calling your country to CHANGE. The president-elect is calling your country to change in a way in which it will become morally degenerate. But I am calling the heart of your country to convert to Holy Love. In this way, you will prosper spiritually, physically and emotionally.”

“Tonight, My brothers and sisters, as I pray for the conversion of your country, I’m blessing you with My Blessing of Divine Love.”

November 27, 2008 / Thanksgiving Day

St. Thomas Aquinas says: “Praise be to Jesus.”

“Today I invite your country to see the ways in which it needs to offer thanks to the One True God. I tell you this, for God’s Love, Mercy, Protection and Provision are accessible to every person. Further, these messages of Holy and Divine Love are a refuge amidst these turbulent times.”

“Within these holy messages is the security that you cannot find in the world or all its pleasures. Anchor your hearts in Holy Love, for herein lies true peace and happiness.”

November 28, 2008 / Public

“I am your Jesus, born Incarnate.”

“Today I come to invite all humanity into a universal love—a love that forsakes the world and all it offers—power, esteem, corporal pleasures. This universal love I call each soul to embrace is, of course, Holy Love. How many in truth can proclaim that God is first in their hearts and their lives? How many embrace neighbor as self?”

“There is one God. He is a God of Love, Mercy and Peace. He does not condone violence. He does not condone gender discrimination. I challenge each soul to live in Holy Love—to support life from conception to natural death. Pray for this.”

Jesus' Messages to the Remnant Faithful

THESE MESSAGES ARE GIVEN TO ALL PEOPLE AND ALL NATIONS IN AN ECUMENICAL EFFORT TO UNITE IN LOVE.

The official publication of
HOLY LOVE, AN ECUMENICAL MINISTRY

December 2008

Holy Love Ministries is an ecumenical lay apostolate. For those of you who are Catholic— according to the Catechism of the Catholic Church, Section 821, ecumenism is described as: “Prayer in common, because change of heart and holiness of life, along with public and private prayer for the unity of Christendom, should be regarded as the soul of the whole ecumenical movement, and merits the name spiritual ecumenism.”

Our Lady, Our Lord and many saints appear on the property. The messages given lead the soul into personal holiness through Holy and Divine Love - the Chambers of the United Hearts.

All people and all nations are welcome to come and pray with us.

December 1, 2008 / Public

St. Thomas Aquinas says: “Praise be to Jesus.”

“I have come to help you to see the importance and relevance of these messages in these times. All truth is based on Divine Love. There is no truth outside of God’s Divine Will, for His Divine Will is Divine Love.”

“Anything outside of truth that is not within the boundaries of Divine Love, is like a flower without a root. It may bloom in beauty and produce a heavenly fragrance for awhile, but eventually will wither and die. The flower that has a root will continue to produce and reproduce its beauty.”

“In these times, there are many stepping onto the world stage with seeming beauty; that is, innovative ideas. But I tell you, they have no roots in Divine Love. Their policies, though met with much fanfare to begin with, will wither and die in the long run. Nothing based outside of truth can last, for it is all temporary and false.”

“Ground your hearts in Divine Love.”

December 1, 2008 / Mon. St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed and says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight realize that all you accomplish in Holy Love in thought, word and deed weakens Satan’s grip upon the heart of the world. Therefore, consider that every thought, word and deed is a battleground to overcome evil and to choose good.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

December 5, 2008 / Monthly Message to All People and Every Nation
(This message was given in multiple parts.)

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “I am inviting all people and all nations to be united in Divine Love. These efforts in Divine Unity must be visible, even aggressive, just as so much evil and violence has become visible and aggressive.”

“Trust in Me and do not live in fear. When you trust Me, you are a more willing instrument. Do not be distracted by the threats of violence all around you. My grace awaits you in the future. This is where you must place your trust. Have faith in My Father’s Providing Will which leads you away from danger and into the safety of My Mother’s Heart.”

“I come once again to address the state of the heart of the world. Mankind must realize that he cannot succeed in abolishing God from His rightful place in the universe. He cannot replace God with false gods of

self-love, hedonistic desires or the denial of any of God’s laws with his own free will. My Father’s Divine Will holds dominion over all creatures, all of creation—the cosmos itself.”

“No man can find peace outside of pleasing God. No sin—even if civil law makes it legal—escapes God’s Justice. This is Holy Truth, and is unchanging with the passage of time.”

“God does exist and so do His commandments. Mere man holds no sway over this Holy Truth.”

“I tell you solemnly, mankind cannot be reconciled with his Creator through worldly gain, be it power, money or reputation. Peace and unity between humanity and God comes only through Holy Love in the heart.”

“I am bringing all of mankind into the sheepfold of a new creation—the New Jerusalem of Holy and Divine Love. Herein, all people and all nations will abide and be governed by the truth of Holy Love. I, your Jesus, am a God of peace—not war, not violence, not terrorism. Do not presume to think otherwise.”

“In unity based on Holy Love, there is true peace. This type of peace is lasting for it is based on truth itself. Unity based on violence, selfish gain or control of others does not bring peace but every sort of sin, debauchery and depravity. This type of evil unity is becoming stronger in the world today, as Satan inspires many hearts to see good where he is accomplishing evil.”

“This is why I tell you, remain faithful to the truth of Holy Love. Be united in Holy Love. This way, you will not be deceived by error. You will have true peace in your hearts even in the face of hardships. You will be able to trust—trust in My Merciful Provision. When you live in this way, My Justice upon you is mitigated.” (Read: *Ga/5:16-25*.)

“My brothers and sisters, when you find yourselves with a lack of peace in your hearts, it is due to some failing in Holy Love; then the present moment is lost forever. For it is only when you live in Holy Love in the present moment that that moment follows you into Heaven with great reward. I am prepared to offer the world great rewards for any effort in Holy Love in each present moment. Pray that more people are aware of this.”

“Today We’re offering you the Complete Blessing of Our United Hearts.”

December 5, 2008 / Public

The angel Ezra (Angel of Love and Mercy who protects the Mission) comes. He says: “Praise be to Jesus.”

Then he said that Jesus sends him (Ezra) to dictate new meditations on the mysteries of the rosary centering on the Divine Will.

THE JOYFUL MYSTERIES

I. The Annunciation

"Through Mary's complete and perfect union with the Father's Eternal Divine Will, the Archangel Gabriel saw in Her a perfect dwelling place for the Incarnation of Divine Love. St. Gabriel recognized Mary as the one God had chosen to be the Mother of God. And so, he approached Her. Mary, who always acted in and through Divine Love, accepted God's Will for Her."

II. The Visitation

"The Divine Word implanted deep within Her womb, Mary sets out in response to the Archangel's message to visit Her cousin Elizabeth. Wherever Mary goes, whatever She says, thinks or does, She is in complete union with God's Divine Will. Now, even more so, with the Divine Will alive within Her womb, She never questions even though She encounters many hardships along the way."

III. The Nativity

"Mary gives birth to the Incarnate Word—the Divine Will of God—in the humblest of surroundings—a stable. She and Joseph suffer rejection when trying to find more suitable dwelling. How often in today's world the Divine Will is rejected by free will. The only adornments the Divine Will seeks in the world is a loving heart of every person. But how often the door of the human heart rejects God's Will."

IV. The Presentation

"It was God's Divine Will that Simeon and Anna, present in the temple that day, recognized the Infant Jesus as the long-awaited Savior. Open to God's Providing Will, they welcomed Him as such, and Simeon prophesied as he held the Eternal Word in his arms."

V. The Finding of Jesus in the Temple

"God's Will is sometimes a cross—sometimes a victory. Mary and Joseph suffered the cross of losing Jesus for three days. They were not angry, but surrendered to the cross by accepting it. They patiently waited on God's Will to be shown to them in its entirety. The victory came when they found Jesus in the temple."

December 6, 2008 / Public

The angel Ezra comes. He says: "Praise be to Jesus."
He dictated the following rosary meditations centering on the Divine Will:

THE SORROWFUL MYSTERIES

I. Agony in the Garden

"Even the Son of God surrendered completely - perfectly - to His Father's Divine Will. In the Garden at Gethsemane, Jesus surrendered His Will to the Eternal Divine Will, not begrudgingly, but with Divine Love. He was not above asking the Father to suspend the fateful suffering that lie ahead. But in the end, Jesus accepted His Father's Will. God's Will, though it may seem bitter at times, is never without consolation. In the Garden after Jesus accepted His Father's Will, an angel came to comfort Him."

II. The Scourging

"Once Jesus accepted His Father's Will in the Garden, he did not look back with regret. He accepted the biting blows of the scourging, knowing many souls depended on His surrender to God's Will in the name of Divine Love."

III. The Crowning with Thorns

"Humiliation such as Jesus endured as He was crowned with thorns can only be endured without complaint through deep humility. In this Mystery, humility and love are most evident together, as Jesus could have stopped this persecution at any time. His love for His Father's Will would not permit Him to do so."

IV. Carrying of the Cross

"Jesus knew every fall, every pain was used by His Father in Heaven for the good of souls. Under the weight of the Cross, Jesus became an instrument of His Father's Divine Will. Every step was a step into deeper Divine Love."

V. The Crucifixion

"It was not the nails that held Jesus to the Cross, but His love for His Father's Will in the present moment. He could have come down from the Cross at any time. But He held in His Heart a depth of love for the Eternal Divine Will beyond all telling."

December 7, 2008 / Public

The angel Ezra comes. He says: "Praise be to Jesus."
He dictates the following rosary meditations centering on the Divine Will:

THE LUMINOUS MYSTERIES

I. The Baptism of Jesus

"Jesus submitted with humility to being baptized by John. John's mission was to call the people to repentance so as to prepare the way for Jesus' coming. Today it is God's Will that people repent once again and make reparation for all the evil in the world. God offers the world, through this mission, a covenant of Divine Love, which opens the way to Divine Mercy and prepares the way for the Lord's second coming."

II. The Miracle at Cana

"At the request of His Mother, Jesus performed His first miracle by changing the water into wine. Holy Mary is so perfectly united with God's Divine Will, She knows what to ask of Her Beloved Son and how to ask for it."

III. The Spreading of the Gospel Message

"God's Will accompanies these messages of Holy and Divine Love wherever they are taken. These messages are the essence of the gospel message—to love God above all else and neighbor as self. These messages are God's Will for all mankind."

IV. The Transfiguration

"God, in His Infinite Wisdom, allowed the miracle of the Transfiguration so as to secure the faith of the apostles there present—in difficult times ahead—and their faith was sorely tested. Today God has given the doubting world *Mary, Refuge of Holy Love* and *Protectress of the Faith* as a Refuge and Shelter during profoundly evil times."

V. The Eucharistic Heart of Jesus

"More than any truth, the world needs to accept the Truth of Jesus alive in the Holy Eucharist. For herein lies God's Divine Will, which is all Truth."

December 8, 2008 / Public

The angel Ezra comes. He says: "Praise be to Jesus."
He dictates the following rosary meditations centering on the Divine Will:

THE GLORIOUS MYSTERIES

I. The Resurrection

"The Lord's triumphant rising from the dead was His visible victory over sin and death. He opened the Gates of Heaven at that moment to all people—all nations. He could have appeared in His Resurrected Glory to all those who opposed Him in His public ministry. But it was the Father's Divine Will that He show Himself to the ones who loved Him. The Divine Will always honors and is present in the hearts of those who love Jesus."

II. The Ascension

"The Lord's Ascension was His glorious return to Heaven in victory. This victory was in and through the Divine Will of the Eternal Father. The Eternal Now embraced His Son in a pure love such as no man has known or ever will know. The cycle of Divine Love was completed—the humble birth, the obstacles to the gospel message, the Passion and Death, the Resurrection and finally Jesus' triumphant return to Heaven. Every moment was God's Divine Will."

III. The Descent of the Holy Spirit

"Suddenly the early Church was strengthened through the Divine Will by the power of the Holy Spirit. Fear left the hearts of the apostles, and they were not afraid to proclaim the good news. The Divine Will is reaching out now through these messages to a world drowning in self-love. Yet many reject the outstretched hand asking for others to first approve it."

IV. The Assumption

"Mary, who lived most completely and perfectly Divine Love, was allowed by the Will of the Eternal Father to be assumed into Heaven body and soul. She was already so intimately united with the Father's Will, that Paternal Love could no longer bear to be separated from Her by time or space."

V. The Coronation

"In Heaven Mary mounts the throne—Her rightful inheritance as Queen of Heaven and earth. Her crown is the Father's Eternal Divine Will—Her

throne the union of Her Immaculate Heart with the Heart of All Love—the Heart of God the Father.”

December 8, 2008 / Mon. St. Michael Shield of Truth Prayer Service Feast of The Immaculate Conception

Jesus and Blessed Mother are here with Their Hearts exposed. They are both in white and gold. Blessed Mother says: “Praise be to Jesus.” Jesus says: “I am your Jesus, born Incarnate.”

Jesus: “My brothers and sisters, your spiritual strength is only as strong as the Holy Love is strong in your heart. You will be tested in every virtue in order to be strengthened in love, but do not give up hope. Know that I am with you, attending to your every need.”

“We’re extending to you tonight Our Complete Blessing of Our United Hearts.”

December 12, 2008 / Midnight Service at the United Hearts Field / Feast of Our Lady of Guadalupe

(This message was given in multiple parts.)

Blessed Mother is here as Our Lady of Guadalupe; then She changed to Mary, Refuge of Holy Love. She says: “Praise be to Jesus.”

“As always, tonight I come seeking your welfare, which is your peace, your joy and Holy Love in the midst of your hearts. It is possible to have these things in your hearts even during these evil times if you live for love of God and others. Any other affection leads to a false sense of security. You need to understand Me when I tell you these things, for I am your Mother who loves you.”

“In the world and in this country especially, you are losing your religious freedom in the name of civil liberties. You must care about this; otherwise all your founding fathers fought for will slip through your fingers. The truths of the Bill of Rights and your Constitution have been twisted into weapons in the hands of evil. You must care, dear children. If you do not care, God cannot help you.”

“Dear children, I am calling you to be the light of truth in an ever darkening world. Satan has succeeded in defrauding many nations out of sound moral standards. He uses legislation to condone heinous sins such as abortion and same sex marriages. Now he is aggressively attacking public displays of Christianity. Dear children, pray for Holy Boldness. It is only with Holy Boldness you can be as aggressive in protecting the truth as Satan is in promoting his lies. I, your Mother and Refuge, am with you in this battle.”

“I desire that all peoples and all nations unite in an effort to return the light of truth to the heart of the world. God’s commandments must be upheld civilly and morally in order for truth to be victorious. In this way, hearts would no longer hold hidden agendas. Ideologies would not be in conflict. Families would be united as God chooses. Bishop would no longer oppose bishop.”

“Dear children, be united in prayer for this My intention—the victory of truth in hearts and in the world. For I tell you, until this victory is realized, Satan will continue to manifest his power.”

“Dear children, you are mistaken if you believe that the sins of abortion, euthanasia and same sex marriages affect only individuals. Every sin affects the entire cosmos and the future of the world. You cannot, through arrogant choices, change God’s Divine Will for you. When you choose to cooperate with Satan, God places new and harsher burdens upon the heart of mankind. Then you experience unjust leadership, economic problems, wars and the mounting threat of terrorism. Your protection from all of this is to live in Holy Love, which is righteousness and truth itself.”

“Tonight, My little children, I invite you to allow Jesus to come alive in your hearts. Then you will be able to bring the New Jerusalem to all you meet. Let God’s Divine Will shine through you as the light of Holy Love. Be at peace in the midst of disbelief and persecution, for when you allow love to permeate your very being, I, your Heavenly Mother, am embracing you.”

“Dear children, once again tonight, I remind you that I have come for your welfare. I do not come to lead you into danger, but away from danger. Therefore, realize that you will only have peace in the world when people choose peace through Holy Love.”

“I am sending angels out into the crowd now to collect petitions from hearts now, which I will take to Heaven with Me and lay them upon the altar of My Son’s Heart.”

“Tonight, My dear little children, once again I impart to you My Blessing of Holy Love.”

December 12, 2008 / Public

Blessed Mother says: “Praise be to Jesus.” Once again Our Lady comes as Our Lady of Guadalupe and changes into Mary, Refuge of Holy Love.”

“I show Myself to you in this way, My daughter, to help you to understand the connection between these apparitions. Just as My Image at Guadalupe was in support of life in the womb, I am once again the New Eve as Refuge of Holy Love, protecting and offering shelter to all life and bringing Jesus to you in the heart of these messages.”

“The year ahead will offer new challenges in old familiar ways. It will be tumultuous, peaceful and victorious—each present moment offering its unique grace. I will be present in the eyes of the camera, as will many saints to some who come here. A new relationship will emerge from this between Me and the public. Many conversions will be the result. Of particular significance will be My Shrine of Sorrows and St. Padre Pio. We will be leading souls through these graces deeper into the United Hearts. Non-believers will come to believe because of graces seen and heard at these shrines.”

December 14, 2008 / 2nd Sun. Service to Pray against Abortion

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“Today, My brothers and sisters, I invite you to cast yourselves upon the Provision of My Heart, which is Divine Love and Divine Mercy itself.”

“During the year ahead, you will face many challenges, not the least of which is the challenge of democracy itself as it slips away. Do not fear, but trust always in the words that I have given you today.”

“I’m extending to you My Blessing of Divine Love.”

December 15, 2008 / Public

“I am your Jesus, born Incarnate.”

“Tonight I desire that people realize this. The way to show Me that you love Me is to offer to Me your prayers and sacrifices with love. Yes, let all of these things [prayers and sacrifices] arise to Heaven from hearts filled with Holy Love. The more you love Me, the more perfect your offering. The motive of all your thoughts, words and deeds should be Holy Love if you desire personal holiness.”

December 16, 2008 / Public

“I am your Jesus, born Incarnate.”

“I have come to tell you that Holy Love must be allowed to stand guard over your heart at all times. Let all your thoughts, words and actions be filtered through this love.”

“One of Satan’s favorite tools is fear.* Fear undermines Holy Love, for it undermines trust. Lack of trust is also a hallmark of lack of humility, for it reflects a desire to promote self-will and not wait upon God’s Will.”

“With a movement of your free will then, allow Holy Love to take dominion over your heart.”

*[A sign of fear is worry.]

December 19, 2008 / Friday Rosary Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, allow St. Joseph to prepare your hearts for My arrival on Christmas, just as he prepared the manger in Bethlehem for My arrival from Heaven. He will take from your hearts anything that is not welcoming to Me, and he will bring peace into your hearts as a sign of My love for you.”

“Tonight I’m blessing you with My Blessing of Divine Love.”

December 22, 2008 / Mon. St. Michael Shield of Truth Prayer Service

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“My brothers and sisters, tonight I lovingly tell you that the best gift you can give Me this Christmas is your whole and entire heart. Give to Me all worldly concerns that are in your hearts. The world and all its pomps, its materialism, consumerism, reputation and concern for physical appearance—surrender all of these things to Me as a gift, and in return I will give you My whole Heart willingly and with love.”

“Tonight I’m imparting to you My Blessing of Divine Love.”

December 25, 2008 / Christmas Message

"I am your Jesus, born Incarnate."

"Today I come to you on the feast of My Incarnation to seek, as always, the reclamation of the heart of the world and, so too, all of mankind. Your peace and reconciliation must be through Holy Love. Any other path leads to your destruction."

"My Father's Will for you is the embrace of these messages. Allow them to change your lives by changing your moment to moment decisions. Let the simplicity and humility of My Birth in the manger reflect in your lives. Bring your hearts closer to Me in this way, for this is the way to deeper holiness. Trust in My Mercy, My Love, My Provision. I tell you, trust brings the fulfillment of every prophecy."

"Regard those who oppose this Mission as the most needy, for these are the ones that do not even recognize Heaven's actions here. Even Satan can see the Hand of Heaven at this site. He vehemently opposes what some refuse to even see as worthy of belief."

"If you are little—little as a child in a manger—you will not miss the truth but will recognize the path of righteousness I lay bare before you. Do not consider yourselves holy or virtuous, but always endeavor to be so."

"Then My Blessing of Divine Love will rest upon you."

December 30, 2008 / Public

"I am your Jesus, born Incarnate."

"The Kingdom of My Father in Heaven and on earth is one with the Will of My Father Who seeks the Eternal Good of every soul He creates. His Kingdom today is being destroyed moment by moment through inordinate self-love, which takes its form in spiritually unhealthy pastimes in communications, the mass media, literature and dress codes."

"It is very difficult for the average person who is not deeply in love with his Creator to separate good from evil, and to disentangle himself from these snares that Satan puts before all of mankind. You must not seek out your own good through things or events in the world; nor should you seek lasting good through people. Eternal Good comes only through a loving relationship with God."

"And so, once again your Jesus invites you to step into the Eternal Good of Holy Love—your salvation. Embrace it with all your strength. It will become your strength."

"The present moment will take on new meaning. I will bless your hearts and your lives."

December 31, 2008 / Public - A.M.

Blessed Mother says: "Praise be to Jesus."

"My Son allows Me to come once again to speak to all hearts and every nation in anticipation of the celebration of My feast day tomorrow."

"As a new year dawns over the face of the earth, My prayer is that all hearts be convicted in the truth. You will be given the grace to see that all truth is based on Holy Love. For in this truth is the realization of all creation and salvation, as well. When the revelation of this eternal truth comes, do not reject it out of pride or fear but draw close to God and repent of your failures in Holy Love."

"Satan's strength is strong today, but temporary. You must be stronger than any evil, My children, and cling to Holy Love as your life preserver amidst the ocean of these evil times. As your Mother and Refuge, I am protecting you—protecting your faith and directing your footsteps along the path of righteousness."

"The world has slipped into moral degeneration, and God's commandments have become a mockery. You continue to have wars as a result of this disregard for righteousness. The year ahead holds no promise of resolution unless hearts embrace Holy Love. Natural disasters, as well, will visit many areas of earth due to free will choices. Do not be amazed, dear children, as what I relate to you today unfolds."

7:00 p.m. Rosary Service

Jesus and Blessed Mother are here. They are both in brilliant white. Blessed Mother says: "Praise be to Jesus." Jesus says: "I am your Jesus, born Incarnate."

Jesus: "If each soul were resolved to live in Holy Love as they are called to be, you would have peace in the world, violence and terrorism would abate, and the Victory of Our United Hearts would quickly be ushered in. Pray for this."

"We're extending to you the Complete Blessing of Our United Hearts."
