

Welcome to the NEW Café Foodservice ordering menu!

I hope you've had a chance to sample the new Café foodservice operation inside the St. Thomas Aquinas Hall. (We opened on the April 2011 pilgrimage.) If you have not, please stop in for a bite or a sip! I'd love to meet you! Please ask for Ann!

In addition to individual meal items served in the Café, a *new* advance-purchase box meal and snack program is being offered to group leaders. We realize time management and organization are important as you bring many persons to this special place. We'd like to partner with you to help keep your group on track.

For the past 9 years we have been working with many individual groups from all over the world to provide boxed meals to either take on the bus ride home or eat onsite. As the new Café foodservice has opened we are now expanding that service to all bus group leaders.

The ordering process is listed below followed by several unique menus encompassing current food offerings from the Cafe. Look for updated offerings the month prior to each trip! The menu will continue to follow the needs of our customers. We're always open to suggestions.

Ordering process:

Pre-order before your trip for the very best service!

Order by phone: call Ann at 440-759-4556 at least 7 days in advance.

Order by email: email Italfresh@aol.com at least 7 days in advance.

Advance orders require a deposit of half down placed via credit card.

The balance is due upon arrival.

If cancellation occurs, your deposit will be held to cover food costs already incurred.

Stop in at the Café *one day in advance* to place your order.*

This is a riskier option.*

We are a limited foodservice operation and may not have enough food onsite to complete your order. We *strongly suggest ordering in advance* for complete satisfaction.

Credit cards or cash accepted. No personal checks.

Credit card processing will only be available for group orders; not individual orders.

*Same day orders may or may not be able to be accommodated.

*Depending on the size of your group we may not have some items available or have enough time to complete your order.

*Special meal needs will not be able to be accommodated due to the short timeline and many people visiting.
